Item 1.01 Entry into a Material Definitive Agreement.

On October 18, 2018, the Company closed its previously disclosed purchase of a group annuity contract (the "Contract") from The Prudential Insurance Company of America ("Prudential"). The purchase was made pursuant to the terms of the commitment letter, dated as of April 18, 2018, by and between the Company and Prudential. Pursuant to the Contract, the Company transferred to Prudential the future benefit obligations and annuity administration for certain retirees (or their beneficiaries) in payout status as of December 31, 2017, that participate in the Company's pension plan. Under the Contract, Prudential agreed to irrevocably make the annuity payments due thereunder and not seek to cancel or rescind the Contract. Prudential commenced benefit payments to these retirees on July 1, 2018. The Contract is deemed effective April 25, 2018, which is the date on which the Company paid the total premium amount to Prudential. The total premium paid from plan assets to Prudential, net of a final premium adjustment refunded to the plan upon closing of the Contract, was approximately $151 million. The Contract will terminate on the date that no further annuity payments are due under the Contract.

The foregoing description of the Contract does not purport to be complete and is qualified in its entirety by the provisions of the Contract, which will be filed by the Company as an exhibit to its Annual Report on Form 10-K for the year ended December 31, 2018.
