Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard. Transfer of Listing.

On December 18, 2008, NYSE Alternext US LLC (the “Exchange”) sent a letter to Intelligent Systems Corporation (the “Company”) notifying it that the Company is below certain of the Exchange’s continued listing standards. Specifically, the Exchange notified the Company that it is not in compliance with Part 10 of the Company Guide because the Company’s shareholders’ equity is below \$4,000,000 and the Company has sustained losses in three out of four of its most recent fiscal years.

In order to maintain listing of our Common Stock on the Exchange, we have the opportunity to submit a plan by January 19, 2009, advising the Exchange of the Company’s plan to regain compliance with Part 10 of the Company Guide. The plan must provide for the Company to be back in compliance by June 18, 2010.

The Exchange will evaluate our plan and determine whether we have made a reasonable demonstration in the plan of an ability to regain compliance with the continued listing standards by June 18, 2010. If the Exchange accepts our plan, we may be able to continue our listing during the plan period, during which time we will be subject to periodic review to determine if we are making progress consistent with the plan. If the Exchange does not accept our plan, we do not submit a plan, we fail to make progress consistent with our plan, or if we are not in compliance by the end of the 18 month period, the Exchange may initiate delisting proceedings with respect to our Common Stock. We may appeal any Exchange staff determination to initiate delisting proceedings with respect to our Common Stock.

We presently intend to submit such a plan for the Exchange to review by January 18, 2009. Our Common Stock continues to trade on the Exchange; however, our trading symbol will remain the same but will have an indicator .BC added as an extension to signify our noncompliance with the continued listing standards. Within five days of the December 18, 2008 letter from the Exchange, the Company will be included in a list on the Exchange website of issuers that do not comply with the listing standards. The .BC indicator will remain as an extension on our trading symbol until the Company has regained compliance with all applicable continued listing standards.
