Most recently, he served as Executive Vice President of Information Management from January 2013 to September 2013, where he led the strategy, development, technical support and delivery of Symantec’s backup and recovery, storage and availability, archiving and eDiscovery products. He also served as Senior Vice President and General Manager of Symantec’s Endpoint and Mobility Group from May 2011 to May 2012, where he headed engineering, product management and all related product operations for Symantec’s Endpoint Protection, Protection Suites, Mail and Web Security, Virtualization Security, and Mobility solutions. Prior to Symantec, he held product development roles at Pivotal Corporation and Oracle Corporation. Mr. Desai currently serves as a member of the board of directors of Zebra Technologies Corp., an enterprise asset intelligence company. Mr. Desai holds a master’s degree in Computer Science and a master’s degree in Business Administration from the University of Illinois at Urbana-Champaign.

In connection with this appointment, Mr. Desai and the Company entered into an Offer Letter of Employment dated December 7, 2016 (the “Offer Letter”). Pursuant to the Offer Letter, Mr. Desai will receive an initial annual base salary of \$450,000. In addition, Mr. Desai will be eligible for an annual performance-based cash bonus, with a target amount equal to 67% of his base salary based on performance measures set and being satisfied, as determined by the Compensation Committee of the Board, paid on a quarterly basis.

Pursuant to the Offer Letter the Company will grant Mr. Desai a restricted stock unit award covering 150,000 shares of the Company’s Common Stock (the “RSUs”) that will vest and settle as to 25% of the RSUs in February 2018, with the remaining RSUs to vest in equal quarterly installments over the subsequent three years, subject to Mr. Desai’s continued employment with the Company on the respective vesting dates. The Company will also grant Mr. Desai a stock option to purchase 150,000 shares of the Company’s Common Stock (the “Option”), with an exercise price equal to the closing price of the Company’s Common Stock on the date of grant.
