Approval of Dividend Equivalent Policy for 2011 Stock Option Awards

The company declared a special cash dividend of \$0.40 per common share, payable May 13, 2011, to shareholders of record at the close of business on May 4, 2011. On the record date, the company's named executive officers held unvested stock options that, pursuant to the terms of their award agreements, did not accrue dividends or provide for an exercise price adjustment mechanism for dividends declared.

To align management and shareholder interests regarding dividend strategy, on October 26, 2011, the compensation committee of our board of directors approved a policy with respect to the 2011 stock options issued to the company's named executive officers of providing payments equal to the dividends paid on common shares during the period from grant date to vest date of the stock options. These payments will be made in shares of the company's common stock at the time the underlying stock options vest. The number of shares to be awarded to each named executive officer will be calculated using the company's share price on the applicable vesting dates of the 2011 stock option awards - March 15, 2013 and March 17, 2014. No payments will be made with respect to stock options that are forfeited or otherwise do not vest. Provided the currently-outstanding stock options vest as scheduled, the company's named executive officers will receive shares worth the following with respect to the May 13, 2011, special cash dividend: 1) Alexander Toeldte - \$53,342; 2) Robert A. Warren - \$16,575; and 3) Judith M. Lassa - \$8,589.
