Appointment of Officer

On March 21, 2019, Marcello Mastioni assumed the role of Chief Operating Officer of Altisource Portfolio Solutions S.A. (the “Company” or “Altisource”). In this new role, Mr. Mastioni is responsible for the products, services and operations for the Company’s Mortgage Market and Real Estate Market businesses. Mr. Mastioni, age 43, previously served as President, Consumer Real Estate Marketplace since joining Altisource in August 2017. Prior to joining the Company, he served as Vice President and Managing Director of Europe, Middle East and Africa at HomeAway® from March 2013 to July 2017. Mr. Mastioni was also Director of Strategy and Business Development at Expedia® from June 2010 to March 2013.

In connection with his appointment, Mr. Mastioni’s existing employment agreement with the Company’s subsidiary Altisource S.à r.l. was amended and restated for an indefinite term. Unless otherwise stated, capitalized terms used below without definition have the meanings set forth in the amended and restated employment agreement (the “Agreement”). Pursuant to the Agreement, Mr. Mastioni will continue to receive an annual base salary of €504,300, consistent with the base salary in effect at the time of his appointment. He will also have an annual incentive opportunity of €336,000 at the target performance level, payable in a combination of cash and equity. To the extent Long-Term Incentive Plan awards (“LTIP Awards”) are approved for any service year for similarly situated executives, Mr. Mastioni will be eligible to participate in the LTIP Awards and receive a target LTIP Award value of €336,000. If the Agreement is terminated by Altisource S.à r.l. other than for gross misconduct as described in article L.124-10 of the Luxembourg Labor Code or by Mr. Mastioni for Good Reason, Mr. Mastioni will be entitled to a payment equal to his current annual base salary. No changes were made to the terms applicable to Mr. Mastioni’s currently outstanding Company equity awards.

The description of the Agreement contained herein is qualified in its entirety by reference to the entire Agreement, a copy of which will be attached as an exhibit to the Company’s Form 10-Q for the quarterly period ending March 31, 2019 and incorporated herein by reference.

There are no family relationships between Mr. Mastioni and any of Altisource’s directors and executive officers, and he has no direct or indirect material interest in any transaction required to be disclosed pursuant to Item 404(a) of Securities and Exchange Commission (“SEC”) Regulation S-K.

Compensatory Arrangement

On March 21, 2019, the Compensation Committee of the Board of Directors (the “Committee”) of Altisource approved the 2019 Long-Term Equity Incentive Program (the “2019 LTIP”) equity awards. The awards are comprised equally of two types of performance-based restricted stock units (“RSUs”) - Type I and Type II.

Type I performance-based RSUs will vest in three equal annual increments on the first three anniversaries of the March 21, 2019 grant date, subject each year to the executive officer meeting a minimum performance level of fifty percent (50%) on his or her annual scorecard for the 2019, 2020 and 2021 service years. To the extent the Type I performance-based RSUs vest, they will be settled in shares or, at the Company’s option, cash, subject to continued employment unless otherwise provided in the applicable award agreement.

The award of Type II performance-based RSUs will be determined in a two-step process. In the first step, Type II performance-based RSUs will have the opportunity to vest based on the degree of the Company’s achievement of pre-established goals tied to 2019, 2020 and 2021 adjusted earnings per share (a non-GAAP measure). Based on the Company’s level of performance versus the adjusted earnings per share goals over the three (3) year period, Type II performance-based RSUs will have the opportunity to vest between zero percent (0%) up to one hundred fifty percent (150%) of the initial target levels (the “Initial Award Size”). In the second step, the Initial Award Size will be modified based on Altisource’s total shareholder return versus the return of the Russell 3000 Index during the performance period (2019-2021), resulting in a final earned award equal to zero percent (0%) up to two hundred twenty-five percent (225%) of the Initial Award Size. Any earned Type II performance-based RSUs will vest entirely on the third anniversary of the grant date and will be settled in shares or, at the Company’s option, cash, subject to continued employment unless otherwise provided in the applicable award agreement.
