Item 1.01. Entry into a Material Definitive Agreement.

Quad/Graphics, Inc. (the “Company”) completed the third amendment to the Company’s April 28, 2014 Senior Secured Credit Facility on January 31, 2019. The Senior Secured Credit Facility was amended to (a) increase the aggregate amount of the existing revolving credit facility from \$725 million to \$800 million in two tranches, with the first tranche of approximately \$83 million maturing on January 4, 2021 and the second tranche of approximately \$717 million maturing on January 31, 2024, (b) increase the aggregate amount of the existing term loan A from \$375 million to \$825 million in two tranches, with the first tranche of approximately \$32 million maturing on January 4, 2021 and the second tranche of approximately \$793 million maturing on January 31, 2024, (c) increase the aggregate amount of the existing term loan B from \$300 million to \$500 million with a term of seven years, (d) allow the Company to consummate the acquisition of LSC Communications, Inc., and (e) amend certain financial covenants. The following amendments were made to the quarterly financial covenants to which the Company is subject (all financial terms, numbers and ratios are as defined in the Senior Secured Credit Facility, as amended by the third amendment):

On a rolling twelve-month basis, the minimum interest coverage ratio, defined as consolidated EBITDA to consolidated cash interest expense, cannot be less than 3.00 to 1.00. Prior to the third amendment, the minimum interest coverage ratio covenant was 3.50 to 1.00.

A new financial covenant was added to the Senior Secured Credit Facility that requires the Company to maintain liquidity, defined as unrestricted cash and permitted investments of the Company and its subsidiaries (subject to certain conditions) plus the aggregate amount of the unused revolving credit facility commitments, of not less than \$300 million at any time during the period from six months prior to the maturity date of the Company’s Senior Unsecured Notes until the earlier of the date on which (a) such Senior Unsecured Notes are repaid in full or (b) the maturity date of such Senior Unsecured Notes is extended to a date that is at least 91 days later than the latest maturity date under the Senior Secured Credit Facility. The maturity date of the Company’s Senior Unsecured Notes is currently May 1, 2022.

The Senior Secured Credit Facility remains secured by substantially all of the unencumbered assets of the Company. The Senior Secured Credit Facility also requires the Company to provide additional collateral to the lenders in certain limited circumstances.
