..

Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 3.02 Unregistered Sales of Equity Securities.

On February 8, 2013, the Company issued an aggregate of 19,047,704 shares of its restricted common stock to Jerrold D. Burden, an officer, director and principal shareholder of the Company, in exchange for the conversion of an aggregate amount of \$382,632 due and owing to him from the Company for accrued rent expense, accrued salary and amounts due on convertible notes.

On February 8, 2013, the Company also issued an aggregate of 6,388,021 shares of its restricted common stock to Ronald Teblum, a former officer and existing shareholder of the Company, in exchange for the conversion of an aggregate of \$137,208 due and owing to him from the Company for accrued rent expense, accrued salary and amounts due on convertible notes.

After the foregoing issuances, the Company had an aggregate of 26,822,006 shares of its common stock issued and outstanding.

The foregoing stock issuances were undertaken in connection with an Agreement entered into on February 6, 2013 between the Company and Medytox Solutions, Inc. (Medytox), pursuant to which the parties outlined their intent and framework for the acquisition by Medytox of a controlling interest in the Company. For more information on this potential transaction, see the Company's Form 8-K filed on February 11, 2013. While negotiations continue between the Company and Medytox with respect to the proposed transaction, there are no assurances that the transaction will be completed and/or consummated.

The Company claims an exemption from registration for the issuance of the subject shares afforded by Section 4(2) of the Securities Act of 1933, as amended (the Act), and/or Regulation D promulgated thereunder since the foregoing stock issuances did not involve a public offering, the Company took appropriate measures to restrict transfer by placing a restrictive legend on each stock certificate, and the recipients were accredited investors. No underwriters or agents were involved in the transaction and the Company paid no underwriting discounts or commissions.
