As permitted by the rules of the Securities and Exchange Commission, we are also pleased to be furnishing our proxy materials to stockholders primarily over the Internet. The notice will also include instructions on how you can receive a paper copy of the proxy materials, including the Notice of 2015 Annual Meeting, Proxy Statement, and proxy card. If you elect to receive your proxy materials by mail, the Notice of 2015 Annual Meeting, Proxy Statement, and proxy card from our board of directors will be enclosed. If you elect to receive your proxy materials via e-mail, the e-mail will contain voting instructions and links to the Proxy Statement and 2014 Annual Report on the Internet.

It is important that your shares be represented at the meeting. Whether or not you plan to attend the annual meeting, we hope you will vote as soon as possible. You may vote over the Internet, as well as by telephone, or, if you requested to receive printed proxy materials, by mailing a proxy or voting instruction form. Please review the instructions on each of your voting options described in the Proxy Statement, as well as in the Notice of Internet Availability of Proxy Materials you received in the mail. Returning the proxy does not deprive you of your right to attend the virtual meeting and to vote your shares.

PROXY STATEMENT

2015 Annual Meeting of Stockholders

General

We are furnishing you this proxy statement in connection with the solicitation of proxies by our board of directors for the 2015 Annual Meeting of Stockholders (the “Annual Meeting”). We expect to first furnish this proxy statement and the accompanying form of proxy to stockholders on or about April 24, 2015. In this proxy statement, we refer to Harvest Capital Credit Corporation as the “Company,” “HCAP,” “we,” “our” or “us” and our board of directors as the “Board of Directors” or the “Board.” When we refer to HCAP’s fiscal year, we mean the 12-month period ending December 31 of the stated year.

We encourage you to vote your shares, either by attending and voting at the virtual Annual Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card or otherwise provide voting instructions, either via the Internet or telephone, and the Company receives it in time for the Annual Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specified. If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the election of the nominees as directors and FOR the other matters listed in the accompanying Notice of 2015 Annual Meeting of Stockholders.

Annual Meeting Information

Date and Location

We will hold the Annual Meeting online as a virtual meeting on June 8, 2015 at 10:00 a.m., Eastern Daylight Time. You may attend the Annual Meeting, vote, and submit a question during the annual meeting by visiting www.virtualshareholdermeeting.com/HCAP15 and using your 12-digit control number to enter the meeting.

Attendance

You are entitled to attend the virtual Annual Meeting only if you were a stockholder of record of HCAP as of the record date for the Annual Meeting, or April 13, 2015 (the “Record Date”), or you hold a valid proxy for the Annual Meeting. You may attend the Annual Meeting, vote, and submit a question during the Annual Meeting by visiting www.virtualshareholdermeeting.com/HCAP15 and using your 12-digit control number to enter the meeting. If you are not a stockholder of record but hold shares as a beneficial owner in street name, you may be required to provide proof of beneficial ownership, such as your most recent account statement as of the Record Date, a copy of the voting instruction form provided by your broker, bank, trustee, or nominee, or other similar evidence of ownership. If you do not comply with the procedures outlined above, you will not be admitted to the virtual Annual Meeting.

Availability of Proxy and Annual Meeting Materials

This proxy statement and the accompanying annual report on Form 10-K for the year ended December 31, 2014 are also available at the following cookies-free website that can be accessed anonymously: www.proxyvote.com.

Purpose of Annual Meeting

At the Annual Meeting, you will be asked to vote on the following proposals:

1. To elect one director of the Company who will serve until the 2018 Annual Meeting of Stockholders, or until his successor is duly elected and qualified;
2. To ratify the selection of PricewaterhouseCoopers LLP to serve as the Company's independent registered public accounting firm for the Company for the fiscal year ending December 31, 2015; and
3. To transact such other business as may properly come before the Annual Meeting and any adjournments or postponements.

1

Voting Information

Record Date and Voting Securities

You may cast one vote for each share of common stock that you owned as of the Record Date. All shares of common stock have equal voting rights, and we do not have any other class of equity security. As of April 13, 2015, 6,244,309 shares of common stock were outstanding.

Quorum Required

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or represented by proxy, of a majority of the voting power of the issued and outstanding common stock of the Company as of the Record Date, and entitled to vote at the Annual Meeting, will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Shares for which brokers have not received voting instructions from the beneficial owner of the shares and do not have discretionary authority to vote the shares on certain proposals (which are considered “broker non-votes” with respect to such proposals) will be treated as shares present for quorum purposes.

If a quorum is not present at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Submitting Voting Instructions for Shares Held Through a Broker

If you hold shares of common stock through a broker, bank or other nominee, you must follow the voting instructions you receive from your broker, bank or nominee. If you hold shares of common stock through a broker, bank or other nominee and you want to vote in person at the virtual Annual Meeting, you must obtain a legal proxy from the record holder of your shares. If you do not vote in person at the Annual Meeting or submit voting instructions to your broker, your broker may still be permitted to vote your shares on certain routine matters. If your shares are held by a broker on your behalf and you do not instruct the broker as to how to vote these shares on proposal 1, the broker may not exercise discretion to vote for or against such proposal. These shares will not be counted as having been voted on such proposal. With respect to proposal 2, the broker may exercise its discretion to vote for or against that proposal in the absence of your instruction. Please instruct your bank or broker so your vote can be counted.

Authorizing a Proxy for Shares Held in Your Name

If you are a record holder of shares of common stock, you may authorize a proxy to vote on your behalf by mail, as described on the enclosed proxy card. Authorizing your proxy will not limit your right to vote in person at the Annual Meeting. A properly completed and submitted proxy will be voted in accordance with your instructions, unless you subsequently revoke your instructions. If you authorize a proxy without indicating your voting instructions, the proxyholder will vote your shares according to the Board’s recommendations. Stockholders of record may also vote either via the Internet or by telephone. Specific instructions to be followed by stockholders of record interested in voting via the Internet or telephone are shown on the accompanying proxy card. Internet and telephone voting procedures are designed to authenticate the stockholder’s identity and to allow stockholders to vote their shares and confirm that their instructions have been properly recorded. A stockholder that votes through the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, which will be borne by the stockholder.

Revoking Your Proxy

If you are a stockholder of record, you can revoke your proxy at any time before it is exercised by (1) delivering a written revocation notice prior to the Annual Meeting to our secretary, Craig Kitchin, at Harvest Capital Credit Corporation, 767 Third Avenue, 25th Floor, New York, NY 10017, Attention: Corporate Secretary; (2) submitting a later-dated proxy that we receive no later than the conclusion of voting at the Annual Meeting; or (3) voting in person at the virtual Annual Meeting. If you hold shares of common stock through a broker, bank or other nominee, you must follow the instructions you receive from your nominee in order to revoke your voting instructions. Attending the virtual Annual Meeting does not revoke your proxy unless you also vote at the Annual Meeting.

Votes Required

Election of directors. A plurality of the votes of the shares of the Company's common stock present in person or represented by proxy at the Annual Meeting and entitled to vote is sufficient to elect the directors (i.e., the candidates receiving the most "for" votes will win the election). "Withhold" votes and broker non-votes will have no effect on this proposal.

Ratification of independent registered public accounting firm. The affirmative vote of a majority of the shares of the Company's common stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to ratify the appointment of PricewaterhouseCoopers LLP to serve as the Company's independent registered public accounting firm (i.e., the number of shares voted "for" the ratification of the appointment of PricewaterhouseCoopers LLP exceeds the number of "abstain" votes and votes "against" the ratification of the appointment of PricewaterhouseCoopers LLP). Abstentions will be included in determining the number of shares present and, as a result, will be treated as a vote against this proposal. Because brokers will have discretionary authority to vote for the ratification of the selection of the Company's registered independent public accounting firm in the event that they do not receive voting instructions from the beneficial owner of the shares, there should not be any broker non-votes with respect to this proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Annual Meeting. We have requested that brokers, nominees, fiduciaries and other persons holding shares in their names, or in the names of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mails, proxies may be solicited in person and by telephone or facsimile transmission by directors or officers of the Company or officers or employees of JMP Credit Advisors LLC ("JMP Credit Advisors"), our administrator (without special compensation therefor).

PROPOSAL 1 — ELECTION OF DIRECTORS

Our business and affairs are managed under the direction of our Board of Directors. Pursuant to our bylaws (the “Bylaws”), the Board of Directors may modify the number of members of the board of directors provided that the number of directors will not be fewer than five or greater than nine and that no decrease in the number of directors shall shorten the term of any incumbent director. Our Board of Directors currently consists of five members, three of whom are not “interested persons” of our Company or our investment adviser as defined in Section 2(a)(19) of the 1940 Act and are “independent” as determined by our Board of Directors, consistent with the rules of The NASDAQ Stock Market (“NASDAQ”). We refer to these individuals as our “independent directors.” NASDAQ requires that the Company maintain a majority of independent directors on the Board. Our Board of Directors elects our officers, who serve at the discretion of the Board of Directors.

Under our charter, our directors are divided into three classes. Each class of directors will hold office for a three-year term. However, the initial members of the three classes will have initial terms of one, two and three years, respectively. At each annual meeting of our stockholders, the successors to the class of directors whose terms expire at such meeting will be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election and until their successors have been duly elected and qualified, or any director’s earlier resignation, death or removal.

Richard A. Sebastiao has been nominated for re-election for a three-year term expiring in 2018. No person being nominated as a director is being proposed for election pursuant to any agreement or understanding between any such person and the Company.

A stockholder can vote for all of the nominees, withhold authority to vote for all of the nominees, or withhold authority to vote for certain of the nominees. Since a plurality of the votes of the shares of the Company’s common

stock present in person or represented by proxy at the Annual Meeting and entitled to vote is sufficient to elect the directors (i.e., the candidates receiving the most “for” votes will win the election), “withhold” votes and broker non-votes will have no effect on this proposal. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of the nominees named below. If a nominee should decline or be unable to serve as director, it is intended that the proxy will be voted for the election of such person nominated as a replacement. The Board of Directors has no reason to believe that the person named will be unable or unwilling to serve.

Our Board of Directors unanimously recommends a vote “FOR” this proposal.

While president of RAS Management, Mr. Sebastiao also served, on an interim basis, as the chief restructuring officer and/or chief executive officer of a number of entities that retained RAS Management in connection with their restructurings. In January 2008, he sold substantially all of the assets of RAS Management to RAS Management Advisors, LLC, an entity newly formed by certain former associates of RAS Management to carry on the business formerly conducted by RAS Management, and has served as a consultant to such newly formed entity since such time. From 2003 to 2012, Mr. Sebastiao has also served on the board of directors of ATC Associates, Inc., an environmental consulting firm. From December 2005 until April 2006, he served on the board of directors of CDI Holding Corp., a holding company for a regional chain of drug stores and convenience stores. In addition, from June 2005 to December 2009, Mr. Sebastiao served on the board of directors of Patriot Capital Funding, Inc., where he was chairman of the valuation committee and a member of the audit and compensation committees. Since April 2011, Mr. Sebastiao has served as a member of the board of directors of Orchard Brands. Board Leadership Structure

Our Board of Directors monitors and performs an oversight role with respect to our business and affairs, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to us. Among other things, our board of directors approves the appointment of our investment adviser and our officers, reviews and monitors the services and activities performed by our investment adviser and our executive officers and approves the engagement, and reviews the performance of, our independent registered public accounting firm.

Under our Bylaws, our Board of Directors may designate a chairman to preside over the meetings of the board of directors and meetings of the stockholders and to perform such other duties as may be assigned to him by the Board of Directors. We do not have a fixed policy as to whether the chairman of the Board of Directors should be an independent director and believe that we should maintain the flexibility to select the chairman and reorganize the leadership structure, from time to time, based on the criteria that is in our best interests and the best interests of our stockholders at such times.

Presently, Mr. Jolson serves as the chairman of our Board of Directors. As noted above, Mr. Jolson is an "interested person" of the Company as defined in Section 2(a)(19) of the 1940 Act. We believe that Mr. Jolson's history with our company, familiarity with its investment platform, and extensive knowledge of the financial services industry qualify him to serve as the chairman of our Board of Directors. We believe that we are best served through this existing leadership structure, as Mr. Jolson's relationship with our investment adviser provides an effective bridge and encourages an open dialogue between management and our Board of Directors, ensuring that these groups act with a

common purpose.

Our Board of Directors does not currently have a designated lead independent director. We are aware of the potential conflicts that may arise when a non-independent director is chairman of the board of directors, but believe these potential conflicts are offset by our strong corporate governance practices. Our corporate governance practices include regular meetings of the independent directors in executive session without the presence of interested directors and management, the establishment of Audit, Compensation, and Nominating and Corporate Governance Committees comprised solely of independent directors and the appointment of a chief compliance officer responsible for maintaining our compliance policies and procedures. While certain non-management members of our Board of Directors currently participate on the boards of directors of other public companies, we do not view their participation as excessive or as interfering with their duties on our Board of Directors.

Board's Role In Risk Oversight

Our Board of Directors performs its risk oversight function primarily through (i) its three standing committees, which report to the entire Board of Directors and are comprised solely of independent directors, and (ii) active monitoring of our chief compliance officer and our compliance policies and procedures.

As described below in more detail, the Audit Committee, the Nominating and Corporate Governance Committee, and the Compensation Committee assist the Board of Directors in fulfilling its risk oversight responsibilities. The Audit Committee's risk oversight responsibilities include overseeing the Company's accounting and financial reporting processes, the Company's systems of internal controls regarding finance and accounting, and audits of the Company's financial statements. The Nominating and Corporate Governance Committee's risk oversight responsibilities include selecting, researching and nominating directors for election by our stockholders, developing and recommending to the Board of Directors a set of corporate governance principles and overseeing the evaluation of the Board of Directors and our management. The Compensation Committee's risk oversight responsibilities include reviewing and approving the Company's reimbursement to its administrator, JMP Credit Advisors, for the allocable portion of overhead and other expenses incurred by the administrator in performing its obligations under the administration agreement, including the compensation of our chief financial officer and chief compliance officer and their respective staffs.

Our Board of Directors also performs its risk oversight responsibilities with the assistance of the Company's chief compliance officer. The Board of Directors annually reviews a written report from the chief compliance officer discussing the adequacy and effectiveness of the compliance policies and procedures of the company and its service providers. The chief compliance officer's annual report addresses at a minimum (i) the operation of the compliance policies and procedures of the company since the last report; (ii) any material changes to such policies and procedures since the last report; (iii) any recommendations for material changes to such policies and procedures as a result of the chief compliance officer's annual review; and (iv) any compliance matter that has occurred since the date of the last report about which the Board of Directors would reasonably need to know to oversee our compliance activities and risks.

We believe that the role of our Board of Directors in risk oversight is effective and appropriate given the extensive regulation to which we are already subject as a business development company. As a business development company, we are required to comply with certain regulatory requirements that control the levels of risk in our business and operations. For example, we are limited in our ability to enter into transactions with our affiliates, including investing in any portfolio company in which one of our affiliates currently has an investment.

Transactions with Related Persons

The Company is party to an investment advisory and management agreement with HCAP Advisors LLC ("HCAP Advisors"), in which certain of the Company's directors and executive officers have ownership and financial interests. Under the investment advisory and management agreement, the Company pays HCAP Advisors a fee for investment advisory and management services consisting of a base management fee and a two-part incentive fee. Total management fee expense was \$4,005,486, \$753,746, and \$1,149,737 for the years ended December 31, 2014, December 31, 2013, and December 31, 2012, respectively.

The principals of our investment adviser may also serve as principals of other investment managers affiliated with our investment adviser that may manage investment funds with investment objectives similar to ours. In addition, HCAP Advisors or its officers and employees may in the future similarly serve entities that operate in the same or related lines of business as we do. Accordingly, they may in the future have obligations to investors in those entities or funds or to other clients, the fulfillment of which might not be in our best interests. As a result, HCAP Advisors may in the future face conflicts in the allocation of investment opportunities to us and other funds and clients. However, our

investment adviser intends in such event to allocate investment opportunities in a fair and equitable manner consistent with our investment objective and strategies so that we are not disadvantaged in relation to any other future client of our investment adviser. An investment opportunity that is suitable for multiple clients of our investment adviser may not be capable of being shared among some or all of such clients due to the limited scale of the opportunity or other factors, including regulatory restrictions imposed by the 1940 Act, if applicable. There can be no assurance that HCAP Advisors' efforts to allocate any particular investment opportunity fairly among all clients for whom such opportunity is appropriate will result in an allocation of all or part of such opportunity to us. Not all conflicts of interest can be expected to be resolved in our favor.

The Company, HCAP Advisors, JMP Credit Advisors, JMP Group, and certain subsidiaries of JMP Group have filed an exemptive application with the Securities and Exchange Commission to permit greater flexibility to negotiate the terms of co-investments with certain investment funds managed by HCAP Advisors or JMP Credit Advisors and with certain accounts

managed or held by JMP Group and certain of its subsidiaries, in each case in a manner consistent with our investment objective, positions, policies, strategies, and restrictions as well as regulatory requirements and other pertinent factors. This exemptive application is pending, and we can offer no assurance that we will receive exemptive relief from the SEC to permit us to co-invest with such investment funds and accounts where terms other than price are negotiated. If we obtain such relief, our investment adviser may face conflicts in the allocation of investment opportunities as between us and such other entities. Unless and until such relief is obtained, we may be precluded from one or more investments that we otherwise might choose to make to the extent such investment is identified by HCAP Advisors but allocated to a fund account or vehicle managed by HCAP Advisors or an affiliate of HCAP Advisors. This, in turn, could adversely affect the pace at which our investment adviser is able to invest our assets and, consequently, our performance.

The Company is also party to an administration agreement with JMP Credit Advisors, which is an affiliate of HCAP Advisors. Under the administration agreement, JMP Credit Advisors provides the Company with the office facilities and administrative services necessary to conduct its day-to-day operations. Payments under the administration agreement are equal to an amount, subject to a cap, based upon the Company's allocable portion of the administrator's overhead in performing its obligations under the administration agreement, including rent and our allocable portion of the cost of our chief financial officer and chief compliance officer and their respective staffs. Total administrative services expense was \$498,201, \$275,001, and \$142,500 for the years ended December 31, 2014, December 31, 2013, and December 31, 2012, respectively.

HCAP Advisors, our investment adviser, and JMP Credit Advisors, our administrator, are also affiliates of JMP Group LLC, which was previously JMP Group Inc. We refer to JMP Group LLC and JMP Group Inc. as "JMP Group." JMP Group is a full-service investment banking and asset management firm. Certain members of JMP Group, along with members of HCAP Advisors, founded the Company's predecessor fund, Harvest Capital Credit LLC ("HCC LLC"), in September 2011. JMP Group currently owns equity in the Company, and through its wholly owned subsidiaries, JMP Group owns a majority of HCAP Advisors and wholly owns JMP Credit Advisors. Our chairman of the board of directors has a financial interest in and also serves as the chairman and chief executive officer of JMP Group.

Before the Company's acquisition of HCC LLC and initial public offering in May 2013, JMP Group's wholly owned subsidiary JMP Group LLC provided HCC LLC with a revolving credit facility, pursuant to a loan agreement dated as of August 24, 2011 (the "JMP Facility"). On March 25, 2013, in advance of the Company's acquisition of HCC LLC and initial public offering, the Company and HCC LLC entered into an amendment to the JMP Facility with JMP Group LLC, which became effective following the completion of the Company's initial public offering and the satisfaction of certain other closing conditions. The JMP Facility, as so amended, provided up to an aggregate of \$50.0 million of revolving borrowings. Borrowings under the secured revolving credit facility bore interest at an annual rate equal to either (i) LIBOR + 4.50% or (ii) the Prime Rate + 2.25%, at the Company's election and subject to increases during a default under the JMP Facility. Under the JMP Facility, as so amended, the Company was required to pay JMP Group an amendment fee in the amount of \$100,000 if the amended facility was not terminated and repaid in full within 30 days of the date of the amendment. When the amended facility was not terminated and repaid in full within this period, however, JMP Group agreed to waive the amendment fee that the Company was otherwise required to pay. For the fiscal year ended December 31, 2012, the Company paid principal under the JMP Facility of \$9,900,000 and interest of \$737,299, including \$92,206 paid under an unused line fee. For the fiscal year ended December 31, 2013, the Company paid principal under the JMP Facility of \$30,226,666 and interest of \$1,066,667, including \$154,963 paid under an unused line fee. On October 29, 2013, in conjunction with securing and entering into a new credit facility with certain third-party lenders, the Company terminated the JMP Facility.

In connection with the Company's initial public offering in May 2013, JMP Securities LLC, a subsidiary of JMP Group, was one of the book-running underwriters and received an estimated \$420,000 of compensation for its services. In connection with the Company's offering of its 7.00% unsecured notes due 2020 in January 2015, JMP

Securities LLC was one of the co-managing underwriters and received an estimated \$61,900 of compensation for its services. In the future, JMP Securities LLC or its affiliates may provide the Company with various financial advisory and investment banking services, for which they would receive customary compensation.

Also in connection with the Company's initial public offering, HCAP Advisors LLC paid the underwriters a portion of the sales load in the amount of \$2.5 million, or \$0.7353 per share, but the Company was not and is not obligated to repay the portion of the sales load paid by HCAP Advisors LLC.

The Company is party to a license agreement with Harvest Capital Strategies, a subsidiary of JMP Group, pursuant to which Harvest Capital Strategies has agreed to grant the Company a non-exclusive, royalty-free license to use the name "Harvest." Under this agreement, the Company will have a right to use the "Harvest" name for so long as Harvest Capital Strategies or one of its affiliates remains the Company's investment adviser.

The Company is party to a registration rights agreement with JMP Group and certain of our officers and directors pursuant to which we are required to register the shares of our common stock, including shares of our common stock issuable upon the exercise of our outstanding warrants, for resale under the Securities Act. Under the terms of the registration rights agreement, the Company was required to file a resale registration statement under the Securities Act to register the resale of such shares on or before August 7, 2013, and to have such registration statement declared effective by the SEC on or before December 5, 2013, subject to certain exceptions, which the Company has relied upon in not filing such a registration statement. Also, due to certain provisions of its credit facility, the Company is effectively restricted from filing such a registration statement on behalf of certain persons.

In connection with the merger of HCC LLC with and into the Company in May 2013, the Company succeeded to all of the assets and liabilities of HCC LLC, including a potential obligation to pay HCC LLC's investment adviser, Harvest Capital Strategies, LLC, an affiliate of JMP Group, a capital gains incentive fee based on the net unrealized appreciation in HCC LLC's investment portfolio at the time of the merger. An expense for the incentive fee in the amount of \$0.5 million was accrued in HCC LLC's financial statements at the time of the merger and, accordingly, reduced the value of HCC LLC in the merger. The right to receive such incentive fee, if any, was assigned by HCS to HCAP Advisors LLC after the merger. As a result, the Company may be obligated to pay a capital gains incentive fee on the acquired investment assets when and if such fee would have become payable under the terms of the investment advisory agreement that HCC LLC had entered into with HCS (and irrespective of HCAP Advisors' agreement to waive its incentive fees from the period beginning with the Company's initial public offering through March 31, 2014 to the extent required to support a minimum annual dividend yield of 9%).

In connection with the merger of HCC LLC with and into the Company in May 2013, the Company also entered into warrant agreements with certain of the Company's directors and executive officers and JMP Group LLC, which was previously a subsidiary of JMP Group Inc., to purchase shares of the Company's common stock. The warrant agreements were entered into to memorialize and reflect that after the merger warrants that were exercisable to purchase membership interests in HCC LLC would be exercisable to purchase shares of the Company's common stock. The exercise price of the warrants was also adjusted so as not to be below the initial public offering price of the Company's common stock.

Review, Approval or Ratification of Transactions with Related Persons

The Company has procedures in place for the review, approval and monitoring of transactions involving the Company and certain persons related to it. For example, the Company has a code of conduct that generally prohibits any employee, officer or director of the Company from engaging in any transaction where there is a conflict between such individual's personal interest and the interests of the Company. Waivers to the code of conduct can generally only be obtained from the Board of Directors and are publicly disclosed as required by applicable law and regulations. In addition, the audit committee is required to review and approve all related-party transactions (as defined in Item 404 of Regulation S-K).

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own 10% or more of our voting stock, to file reports of ownership and changes in ownership of our equity securities with the SEC. Directors, executive officers and 10% or more holders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of those forms furnished to us, or written representations that no such forms were required, we believe that our directors, executive officers and 10% or more beneficial owners complied with all Section 16(a) filing requirements during the year ended December 31, 2014, except that there was one late filing of a Form 4 by Mr. Buckanavage on March 24, 2014 for a transaction dated March 18, 2014.

Director Independence

In accordance with rules of NASDAQ, the Board annually determines the independence of each director. No director is considered independent unless the Board has determined that he or she has no material relationship with the Company. The Company monitors the status of its directors and officers through the activities of the Company's Nominating and Corporate Governance Committee and through a questionnaire to be completed by each director no less frequently than annually, with updates periodically if information provided in the most recent questionnaire has changed.

In order to evaluate the materiality of any such relationship, the Board uses the definition of director independence set forth in the NASDAQ Listing Rules, as well as the applicable regulations, rules, and orders of the Securities and Exchange Commission. Section 5605 provides that a director of a business development company shall be considered to be independent if he or she is not an "interested person" of the Company, as defined in Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an "interested person" to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The Board has determined that each of the directors is independent and has no relationship with the Company, except as a director and stockholder of the Company, with the exception of Messrs. Jolson and Buckanavage. Messrs. Jolson and Buckanavage are interested persons of the Company due to their positions as officers of the Company and affiliations with HCAP Advisors.

Annual Evaluation

Our directors perform an evaluation, at least annually, of the effectiveness of the Board and its committees. This evaluation includes an annual questionnaire, as well as Board and Board committee discussion.

Board Meetings and Committees

Our Board met 4 times during fiscal year 2014. Each director attended at least 75% of the total number of meetings of the Board and committees on which the director served that were held while the director was a member. The Board's standing committees are set forth below. Our directors are invited and encouraged to attend each annual meeting of stockholders. Two members of our Board of Directors attended our 2014 annual meeting of stockholders.

Communications with Directors

Stockholders and other interested parties may contact any member (or all members) of the Board by mail. To communicate with the Board, any individual directors or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to Harvest Capital Credit Corporation, 767 Third Avenue, 25th Floor, New York, New York 10017, Attention: Corporate Secretary. Any communication to report potential issues regarding accounting, internal controls and other auditing matters will be directed to the Audit Committee. Appropriate personnel of the Company will review and sort through communications before forwarding them to the addressee(s).

Audit Committee

The Audit Committee is responsible for selecting our independent accountants, reviewing the plans, scope and results of the audit engagement with our independent accountants, approving professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing the adequacy of our internal accounting controls. The Audit Committee is also responsible for aiding our board of directors in fair

value pricing debt and equity securities that are not publicly traded or for which current market values are not readily available. The members of the Audit Committee are Messrs. Sebastiao, Klein, and Levin, each of whom meets the independence standards established by the SEC and NASDAQ for audit committees and is independent for purposes of the 1940 Act. Mr. Sebastiao serves as the chairman of the Audit Committee. Our Board of Directors has determined that Mr. Sebastiao is an “audit committee financial expert” as defined under 407 of Regulation S-K of the Exchange Act. The Audit Committee met 4 times during the 2014 fiscal year.

A charter of the Audit Committee is available in print to any stockholder who requests it and it is also available on the Company’s website at <http://harvestcapitalcredit.com/corporate-governance/>.

Compensation Committee

The Company formed a Compensation Committee in March 2014. The Compensation Committee is responsible for reviewing and approving the Company's reimbursement to its administrator, JMP Credit Advisors, for the allocable portion of overhead and other expenses incurred by the administrator in performing its obligations under the administration agreement, including the compensation of our chief financial officer and chief compliance officer and their respective staffs. The current members of the Compensation Committee are Messrs. Klein, Levin, and Sebastiao, each of whom meets the independence standards established by the SEC and NASDAQ for compensation committees and is independent for purposes of the 1940 Act. Mr. Klein serves as the chairman of the Compensation Committee. As discussed below, none of our executive officers are directly compensated by the Company. The Compensation Committee met one time in the 2014 fiscal year.

A charter of the Compensation Committee is available in print to any stockholder who requests it and is also available on the Company's website at <http://harvestcapitalcredit.com/corporate-governance/>.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for selecting, researching and nominating directors for election by our stockholders, selecting nominees to fill vacancies on the board or a committee of the board, developing and recommending to the board a set of corporate governance principles and overseeing the evaluation of the board and our management. The Nominating and Corporate Governance Committee considers nominees properly recommended by our stockholders. The members of the Nominating and Corporate Governance Committee are Messrs. Klein, Levin, and Sebastiao, each of whom meets the independence standards established by the SEC and NASDAQ and is independent for purposes of the 1940 Act. Mr. Levin serves as the chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee met one time during the 2014 fiscal year.

The Nominating and Corporate Governance Committee will consider qualified director nominees recommended by stockholders when such recommendations are submitted in accordance with the advance notice and other provisions of our Bylaws and any other applicable law, rule, or regulation regarding director nominations. Stockholders may submit candidates for nomination for our Board of Directors by writing to our secretary, Craig R. Kitchin, at Harvest Capital Credit Corporation, 767 Third Avenue, 25th Floor, New York, New York 10017, Attention: Corporate Secretary. When submitting a nomination to us for consideration, a stockholder must provide certain information about each person whom the stockholder proposes to nominate for election as a director, including: (i) the name, age, business address, and residence address of the person; (ii) the principal occupation or employment of the person; (iii) the class or series and number of shares of our capital stock owned beneficially or of record by the persons; and (iv) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder. Such notice must be accompanied by the proposed nominee's written consent to be named as a nominee and to serve as a director if elected.

In evaluating director nominees, the Nominating and Corporate Governance Committee considers, among other factors, the extent to which each nominee:

- is of the highest character and integrity and has an inquiring mind, vision, a willingness to ask hard questions and the ability to work well with others;
- is free of any conflict of interest that would violate any applicable law or regulation or interfere with the proper performance of the responsibilities of a director;
-

is willing and able to devote sufficient time to the affairs of the Company and be diligent in fulfilling the responsibilities of a member of the Board of Directors and a member of any committees thereof (including developing and maintaining sufficient knowledge of the Company and the specialty finance industry in general; reviewing and analyzing reports and other information important to responsibilities of the Board of Directors and any committee thereof; preparing for, attending and participating in meetings of the Board of Directors and meetings of any committee thereof; and satisfying appropriate orientation and continuing education guidelines); and has the capacity and desire to represent the balanced, best interests of the stockholders of the Company as a whole and not primarily a special interest group or constituency.

The Nominating and Corporate Governance committee has not adopted a formal policy with regard to the consideration of diversity in identifying individuals for election as members of the board of directors, but the committee will consider such factors as it may deem are in our best interests and those of our stockholders. Those factors may include a person's differences of viewpoint, professional experience, education and skills, as well as his or her race, gender and national origin. In addition, as part of the board's annual-self assessment, the members of the nominating and corporate governance committee will evaluate

the membership of the board of directors and whether the board maintains satisfactory policies regarding membership selection. The Nominating and Corporate Governance Committee's goal is to assemble a board of directors that brings us a variety of perspectives and skills derived from high quality business and professional experience to enhance the effectiveness of and strengthen the Board of Directors and its committees.

The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service or if the Nominating and Corporate Governance Committee or the Board decides not to re-nominate a member for re-election, the Nominating and Corporate Governance Committee identifies the desired skills and experience of a new nominee in light of the criteria above. We have not engaged third parties to identify or evaluate or assist in identifying potential nominees to the Board, but the Nominating and Corporate Governance Committee retains the authority to retain any such search firm.

A charter of the Nominating and Corporate Governance Committee is available in print to any stockholder who requests it, and it is also available on the Company's website at <http://harvestcapitalcredit.com/corporate-governance/>.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics which applies to, among others, our executive officers, including our Principal Executive Officer and Principal Financial Officer, as well as every officer, director and employee of the Company. Requests for copies should be sent in writing to Harvest Capital Credit Corporation, 767 Third Avenue, 25th Floor, New York, New York 10017. The Company's Code of Business Conduct and Ethics is also available on our website at <http://harvestcapitalcredit.com/corporate-governance/>.

If we make any substantive amendment to, or grant a waiver from, a provision of our Code of Business Conduct and Ethics, we will promptly disclose the nature of the amendment or waiver on our website at <http://harvestcapitalcredit.com/corporate-governance/>, and to the extent an amendment or waiver is for an executive officer or director of the Company, the Company will also file a Form 8-K with the Securities and Exchange Commission.

Executive Compensation

None of our executive officers receives direct compensation from us. The compensation of the principals and other investment professionals of our investment adviser is paid by our investment adviser. Further, we are prohibited under the 1940 Act from issuing equity incentive compensation, including stock options, stock appreciation rights, restricted stock and stock, to our officers, directors and employees. The compensation of Mr. Kitchin, our chief financial officer, chief compliance officer and secretary, is paid by our administrator JMP Credit Advisors, subject to reimbursement by us of an allocable portion of such compensation for services rendered by them to us. To the extent that JMP Credit Advisors outsources any of its functions as administrator we will pay the fees associated with such functions on a direct basis without profit to JMP Credit Advisors.

For the fiscal year ended December 31, 2013, we reimbursed JMP Credit Advisors approximately \$275,000, which consisted of the administrative services expense attributable to our predecessor, Harvest Capital Credit LLC, before our initial public offering and the Company after our initial public offering, for the allocable portion of compensation expenses incurred by JMP Credit Advisors on behalf of our chief financial officer, chief compliance officer and other support personnel, pursuant to our administration agreement. Under the administration agreement, the payments required to be made to the administrator during the first year of the term of the agreement (from April 29, 2013 to

April 29, 2014) were capped such that the amounts payable to the administrator would not, and did not, exceed \$275,000. For the period from our initial public offering to December 31, 2013, the Company applied the annual cap on a proportionate basis over that period, which resulted in an administrative services expense of \$185,001. The actual administrative services expense that would have been payable to JMP Credit Advisors for that period exceeded this proportionate share of the cap by approximately \$200,000.

For the fiscal year ended December 31, 2014, we reimbursed JMP Credit Advisors approximately \$498,200. Payments required to be made to the administrator under the administration agreement were subject to two separate caps in fiscal year 2014. For the period from January 1 to April 29, 2014, the Company applied the proportionate share of the annual cap for the first year of the administration agreement (from April 29, 2013 to April 29, 2014). For each of the quarters ended June 30, September 30, and December 31, 2014, the Company negotiated and applied a new cap with JMP Credit Advisors of \$150,000 for each such quarter. The actual administrative services expense that would have been payable to JMP Credit Advisors for the year ended December 31, 2014, exceeded these caps by approximately \$0.4 million.

The existence of a cap, and the determination of a proper cap amount, in subsequent years will be determined by the mutual agreement of the independent members of our board of directors, on our behalf, and the administrator. For 2015 fiscal year, the Company has negotiated a new cap with JPM Credit Advisors on amounts payable by the Company under the administration agreement. The new cap sets the maximum amount that will be payable by the Company on both a quarterly and annual basis. The cap for each quarter is as follows: (i) for the quarter ended March 31, 2015, the cap is \$150,000; (ii) for the quarter ended June 30, 2015, the cap will be equal to the sum of (a) \$150,000 plus (b) 0.25% of the increase in the Company's portfolio assets from December 31, 2014, to March 31, 2015; (iii) for the quarter ended September 30, 2015, the cap will be equal to the sum of (a) \$150,000 plus (b) 0.25% of the increase in the Company's portfolio assets from December 31, 2014, to June 30, 2015; and (iv) for the quarter ended December 31, 2015, the cap will be equal to the sum of (a) \$150,000 plus (b) 0.25% of the increase in the Company's portfolio assets from December 31, 2014, to September 30, 2015. The overall cap for the year is \$800,000, so notwithstanding any given quarterly cap, the amounts payable for all four quarters will not exceed \$800,000.

PROPOSAL 2 — RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE 2015 FISCAL YEAR

Upon the recommendation of the Audit Committee of the Board, the Board has appointed PricewaterhouseCoopers LLP (“PwC”) as the Company’s independent registered public accounting firm for the year ending December 31, 2015, subject to ratification by our stockholders.

It is expected that a representative of PwC will be present at the Annual Meeting and will have an opportunity to make a statement if he or she chooses and will be available to answer questions.

Independent Auditor’s Fees

The following table presents fees for professional services rendered by PwC for the fiscal years ended December 31, 2014 and 2013.

	2014	2013
Audit Fees	\$290,000	\$223,252
Audit-Related Fees	—	350,142
Tax Fees	25,000	36,981
All Other Fees	—	—
Total Fees	\$315,000	\$610,375

Audit Fees. Audit fees consist of fees and out-of-pocket charges billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided by our independent registered public accounting firm in connection with statutory and regulatory filings.

Audit-Related Fees. Audit-related services consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “Audit Fees.” These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

Tax Fees. Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance.

All Other Fees. All other fees would include fees for products and services other than the services reported above.

Required Vote

The affirmative vote of a majority of the shares of the Company’s common stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to approve this proposal. Abstentions will be included in determining the number of shares present and, as a result, will be treated as a vote against this proposal. Because brokers will have discretionary authority to vote for the ratification of the selection of the Company’s registered independent public accounting firm in the event that they do not receive voting instructions from the beneficial owner of the shares, there should not be any broker non-votes with respect this proposal.

Our Board unanimously recommends a vote “FOR” this proposal. Proxies solicited by the Board will be voted “FOR” Proposal 2 unless otherwise instructed.

Audit Committee Report

As part of its oversight of the Company’s financial statements, the Audit Committee reviewed and discussed with both management and the Company’s independent registered public accounting firm all of the Company’s financial statements filed with the SEC for each quarter during fiscal year 2014 and as of and for the year ended December 31, 2014. Management

advised the Audit Committee that all financial statements were prepared in accordance with U.S. generally accepted accounting principles (GAAP), and reviewed significant accounting issues with the Audit Committee. The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Board in Rule 3200T. The independent registered public accounting firm also provided to the Audit Committee the written disclosures required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee discussed with the independent registered public accounting firm the firm's independence.

The Audit Committee of the Board has established a pre-approval policy that describes the permitted audit, audit-related, tax, and other services to be provided by PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm. Pursuant to the policy, the Audit Committee pre-approves the audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such service does not impair the firm's independence.

Any requests for audit, audit-related, tax, and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

The Audit Committee has reviewed the audit fees paid by the Company to the independent registered public accounting firm. It has also reviewed non-audit services and fees to assure compliance with the Company's and the Audit Committee's policies restricting the independent registered public accounting firm from performing services that might impair its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the financial statements as of and for the year ended December 31, 2014, be included in the Company's annual report on Form 10-K for the year ended December 31, 2014, for filing with the SEC. The Audit Committee also recommended the selection of PricewaterhouseCoopers LLP to serve as the independent registered public accounting firm of the Company for the year ending December 31, 2015.
