Form 10-K for the year ended December 31, 2004

PART III NARRATIVE

MasTec, Inc. (MasTec) is unable to file its Form 10-K for the year ended December 31, 2004 (the Annual Report on Form 10-K) within the prescribed time period because of reasons that are beyond its control which could not be eliminated by the Company without unreasonable effort or expense.

MasTec is unable to timely file its Annual Report on Form 10-K by March 16, 2005 without unreasonable effort or expense because it is still in the process of providing the support necessary for its auditors to conclude their work in connection with Sarbanes-Oxley internal control certifications and the audited financial statements for the year ended December 31, 2004.

MasTec expects to file its Form 10-K for the year ended December 31, 2004 within the 15-day extension period in order to be deemed a timely filing under SEC regulations.
