7.01 Disclosure.

On July 15, 2010, CNA Financial Corporation, a 90% owned subsidiary of the registrant, issued a press release announcing that its principal property and casualty insurance subsidiaries (the “CNA Insurers”) have entered into a Master Transaction Agreement with National Indemnity Company (“NICO”), a subsidiary of Berkshire Hathaway Inc., pursuant to which, at closing the CNA Insurers will transfer their legacy asbestos and environmental pollution liabilities to NICO. The closing of this transaction is subject to the receipt of required regulatory approvals and the satisfaction of other closing conditions, and is expected to occur in the third quarter of 2010. CNA’s press release is furnished as Exhibit 99.1 to this Form 8-K.

The registrant expects to recognize an after-tax loss of approximately \$340 million upon the closing of the transactions contemplated by the Master Transaction Agreement.

Forward-Looking Statements

This Report includes statements which relate to anticipated future events (forward-looking statements) rather than actual present conditions or historical events. These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and generally include words such as “believes”, “expects”, “intends”, “anticipates”, “estimates”, and similar expressions. Forward-looking statements, by their nature, are subject to a variety of inherent risks and uncertainties that could cause actual results to differ materially from the results projected. Many of these risks and uncertainties cannot be controlled by the registrant, CNA or the CNA Insurers and include the satisfaction of the conditions to closing, including receipt of regulatory approvals, and whether the contemplated transaction will close, whether the other parties to the contemplated transaction will fully perform their obligations to the CNA Insurers, the uncertainty in estimating loss reserves for asbestos and environmental pollution claims and the possible continued exposure of the CNA Insurers to liabilities for asbestos and environmental pollution claims. For a detailed description of other risks and uncertainties affecting the registrant, CNA and the CNA Insurers, please refer to the registrant’s filings with the Securities and Exchange Commission, available at www.loews.com.

Any forward-looking statements made in this Report (including the exhibits hereto) are made as of the date of this Report. Further, the registrant does not have any obligation to update or revise any forward-looking statement contained in this Report, even if the registrant’s expectations or any related events, conditions or circumstances change.
