Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Section 8

Other Events

Item 8.01

Other Events.

On July 6, 2011, the Federal Energy Regulatory Commission (FERC) issued an order authorizing the merger of and related transactions between Northeast Utilities (NU) and NSTAR as proposed by the companies. NU and NSTAR had filed their joint application seeking authorization from the FERC on January 7, 2011. With the issuance of the FERC order, NU and NSTAR have received all but two of the regulatory approvals required for consummation of the merger. The companies are awaiting approvals from the Nuclear Regulatory Commission and the Massachusetts Department of Public Utilities (MDPU). Evidentiary hearings before the MDPU began on July 6, 2011 and are scheduled to conclude by the end of July.

A copy of the FERC order can be found on the FERC's website at <http://www.ferc.gov/docs-filing/elibrary.asp> by selecting "Docket Search" and entering docket number EC11-35.

For further information regarding the proposed NU - NSTAR merger, please refer to the Registration Statement on Form S-4 (Registration No. 333-170754) filed by NU with the Securities and Exchange Commission (SEC) in connection with the merger, NU's Annual Report on Form 10-K for the year ended December 31, 2010, filed with the SEC on February 25, 2011 and its Quarterly Report on Form 10-Q for the quarter ended March 31, 2011, filed with the SEC on May 6, 2011.
