THE BEAR STEARNS COMPANIES INC.  
DECLARES COMMON STOCK CASH DIVIDEND;  
AUTHORIZES \$1.0 BILLION SHARE REPURCHASE PROGRAM

NEW YORK -January 7, 2004- The Bear Stearns Companies Inc. (NYSE: BSC) today announced its regular quarterly cash dividend on its outstanding shares of common stock.

The Board of Directors declared a regular, quarterly cash dividend of 20 cents per share on the outstanding shares of common stock, payable January 30, 2004 to stockholders of record on January 16, 2004.

Separately, the Board of Directors of the company approved an amendment to its share repurchase program to allow the company to purchase up to \$1.0 billion in aggregate cost of common stock. The amendment supercedes the previous authorization and replenishes the total authorization back to \$1.0 billion. The company acquired approximately \$775 million under the previous program. The share repurchase program will be utilized primarily to acquire shares of common stock in order to mitigate the dilutive effect of the company's stock award plans. The purchases may be made periodically in 2004 or beyond in the open market or through privately negotiated transactions.

Founded in 1923, The Bear Stearns Companies Inc. (NYSE: BSC) is the parent company of Bear, Stearns & Co. Inc., a leading investment banking and securities trading and brokerage firm. With approximately \$37.5 billion in total capital, Bear Stearns serves governments, corporations, institutions and individuals worldwide. The company's business includes corporate finance and mergers and acquisitions, institutional equities and fixed income sales, trading and research, private client services, derivatives, foreign exchange and futures sales and trading, asset management and custody services. Through Bear, Stearns Securities Corp., it offers financing, securities lending, clearing and technology solutions to hedge funds, broker-dealers and investment advisors. Headquartered in New York City, the company has approximately 10,500 employees worldwide.
