ITEM 7.01 Regulation FD Disclosure

Jack Henry & Associates, Inc. (the "Company") is filing this Current Report on Form 8-K to recast certain prior period financial statements and schedules to reflect our retrospective application of the new revenue accounting standard, "Revenue from Contracts with Customers" ("Topic 606"), issued under Accounting Standard Update ("ASU") 2014-09 and amended by various subsequent ASUs. Topic 606 supersedes substantially all authoritative literature for revenue recognition. The new model enacts a five-step process for achieving the core principle, which is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The Company has adopted the new standard effective July 1, 2018 utilizing the full retrospective method.

The Company will begin to report comparative results under the new accounting standard in its Quarterly Report on Form 10-Q for the quarter ended September 30, 2018.

The information included in this Item 7.01, including the accompanying exhibits, is being furnished and shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that Section. The information in this Item 7.01 shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing.
