(a) The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001;

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that any other subsequently-filed document which also is incorporated or deemed to be incorporated by reference herein modifies or supersedes such statement. Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Company's By-laws, as amended to date, provide for indemnification of officers and directors to the fullest extent permitted by the laws of the Commonwealth of Massachusetts.

-2-

Section 67 of Chapter 156B of the Massachusetts General Laws, which is applicable to the Company as a Massachusetts corporation, provides as follows:

"Indemnification of directors, officers, employees and other agents of a corporation, and persons who serve at its request as directors, officers, employees or other agents of another organization, or who serve at its request in any capacity with respect to any employee benefit plan, may be provided by it to whatever extent shall be specified in or authorized by (i) the articles of organization or (ii) a by-law adopted by the stockholders or (iii) a vote adopted by the holders of a majority of the shares of stock entitled to vote on the election of directors. Except as the articles of organization or by-laws otherwise require, indemnification of any persons referred to in the preceding sentence who are not directors of the corporation may be provided by it to the extent authorized by the directors. Such indemnification may include payment by the corporation of expenses incurred in defending a civil or criminal action or proceeding in advance of the final disposition of such action or proceeding, upon receipt of an undertaking by the person indemnified to repay such payment if he shall be adjudicated to be not entitled to indemnification under this

Edgar Filing: COMMERCE GROUP INC /MA - Form S-8

section which undertaking may be accepted without reference to the financial ability of such person to make repayment. Any such indemnification may be provided although the person to be indemnified is no longer an officer, director, employee or agent of the corporation or of such other organization or no longer serves with respect to any such employee benefit plan.

No indemnification shall be provided for any person with respect to any matter as to which he shall have been adjudicated in any proceeding not to have acted in good faith in the reasonable belief that his action was in the best interest of the corporation or to the extent that such matter relates to service with respect to an employee benefit plan, in the best interests of the participants or beneficiaries of such employee benefit plan.

The absence of any express provision for indemnification shall not limit any right of indemnification existing independently of this section.

A corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or other agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or other agent of another organization or with respect to any employee benefit plan, against any liability incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability."

The Company provides officers' and directors' liability insurance for its officers and directors and has entered into indemnification agreements with each of its executive officers providing contractual indemnification by the Company to the fullest extent permissible under the laws of the Commonwealth of Massachusetts.

Item 7. Exemption from Registration.

Not applicable.

Item 8. Exhibits.

See the exhibit index immediately preceding the exhibits attached hereto.

-3-

Item 9. Undertakings.

(1) The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: COMMERCE GROUP INC /MA - Form S-8

(2) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the Massachusetts Business Corporation Law and the registrant's Articles of Incorporation and By-laws, or otherwise, the registrant has been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy, as expressed in the Act, and will be governed by the final adjudication of such issue.

Among other things, the Committee shall have the authority, subject to a similar right in the Board and to the terms of the Plan, to grant Awards, to determine the individuals to whom and the time or times at which Awards may be granted and to determine the terms and conditions of any Award granted hereunder.

(b) Subject to the terms of this Plan, the Committee shall have authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the operation of the Plan as it shall from time to time consider advisable, to interpret the provisions of the Plan and any Award, and to decide all disputes arising in connection with the Plan. Edgar Filing: COMMERCE GROUP INC /MA - Form S-8

Section 5. Stock Available for Issuance Under the Plan

Up to 2,500,000 shares of Common Stock may be issued in the aggregate pursuant to this Plan whether pursuant to Stock Awards or otherwise. Shares of Common Stock issued under the Plan may consist in whole or in part of authorized but unissued shares or treasury shares. Except as otherwise provided in this section, if any Stock Award expires or is terminated before exercise or is forfeited for any reason, without a payment in the form of Common Stock being made to the Participant, the shares of Common Stock subject to such Stock Award, to the extent of such expiration, termination or forfeiture, shall again be available for award under the Plan. If the Company is recapitalized through the subdivision or combination of the then outstanding shares of Common Stock into a larger or smaller number, whether pursuant to a stock split, stock dividend or otherwise, there shall be a proportionate increase or decrease in the number of shares of Common Stock that may be issued pursuant to this Plan. Nothing contained in this Section shall be deemed to limit the number of Units for which Cash Awards may be granted during the term of this Plan.

Section 6. Annual Limit Per Participant

No Participant may receive during any calendar year Awards which in the aggregate cover more than 500,000 Units.

Section 7. Options

(a) Subject to the provisions of the Plan, the Committee may award Incentive Stock Options and Non-Qualified Stock Options and determine the number of shares to be covered by each Option, the option price therefor, the term of the Option, and the other conditions and limitations applicable to the exercise of the Option. The terms and conditions of Incentive Stock Options shall be subject to and comply with Section 422 of the Code, or any

-10-

successor provision, and any regulations thereunder. Anything in the Plan to the contrary notwithstanding, no term of the Plan relating to Incentive Stock Options shall be interpreted, amended or altered, nor shall any discretion or authority granted to the Committee under the Plan be so exercised, so as to disqualify the Plan or, without the consent of the optionee, any Incentive Stock Option granted under the Plan, under Section 422 of the Code.

(b) The option price per share of Common Stock purchasable under an Option shall not be less than 100% of the Fair Market Value of the Common Stock on the date of award but in no event less than the par value of the Common Stock. If the Participant owns or is deemed to own (by reason of the attribution rules applicable under Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company or any subsidiary or parent corporation of the Company and an Incentive Stock Option is granted to such Participant, the option price shall be not less than 110% of Fair Market Value of the Common Stock on the date of award.

(c) No Option shall be exercisable more than ten years after the date the Option is awarded. If a Participant owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of stock of the Company or any subsidiary or parent corporation of the Company and an Incentive Stock Option is awarded to such Participant, such Option shall not be exercisable after the expiration of five years from the date of award.

(d) No shares shall be delivered pursuant to any exercise of an Option until payment in full of the option price therefore is received by the Company. Such payment may be made in whole or in

part in cash or by certified or bank check or, to the extent permitted by the Committee at or after the award of the Option, by delivery of a note or shares of Common Stock owned by the Participant, valued at their Fair Market Value on the date of delivery, or such other lawful consideration as the Committee may determine.

(e) Except as otherwise provided by the Committee in the Award, no Option shall be transferable by the Participant otherwise than by will or by the laws of descent and distribution, and all Options shall be exercisable during the Participant's lifetime only by the Participant. A Participant shall notify the Committee in the event that he or she disposes of Common Stock acquired upon exercise of an Incentive Stock Option within the two-year period following the date the Incentive Stock Option was granted or within the one-year period following the date he or she received Common Stock upon the exercise of an Incentive Stock Option.

(f) The Committee may at any time accelerate the exercisability of all or any portion of any Option.

Section 8. Stock Appreciation Rights

(a) A Stock Appreciation Right (or "SAR") is an Award entitling the Participant to receive an amount in cash or shares of Common Stock or a combination thereof having a value equal to (or if the Committee shall so determine at time of grant, less than) the excess of the Fair Market Value of a share of Common Stock on the date of exercise over the Fair Market

-11-

Value of a share of Common Stock on the date of grant (or over the option exercise price, if the Stock Appreciation Right was granted in tandem with an Option) multiplied by the number of shares with respect to which the Stock Appreciation Right shall have been exercised.

(b) Subject to the provisions of the Plan, the Committee may award SARs in tandem with an Option (at or after the award of the Option), or alone and unrelated to an Option, and determine in its sole discretion the terms and conditions applicable thereto, including the form of payment. SARs granted in tandem with an Option shall terminate to the extent that the related Option is exercised, and the related Option shall terminate to the extent that the tandem SARs are exercised. Subject to this paragraph (b) and to such rules as the Committee may, in its discretion and for any reason whatsoever, impose, an SAR granted in connection with an Option will be exercisable at such time or times, and only to the extent, that a related Option is exercisable, and shall not be transferable except to the extent that such related Option may be transferable.

(c) The Committee may impose such additional conditions or limitations on the exercise of an SAR as it may deem necessary or desirable to secure for Participants the benefits of Rule 16b-3.

(d) An SAR related to an Option which can be exercised only during limited periods following a change in control of the Company may entitle the Participant to receive an amount based upon the highest price paid or offered for Common Stock in any transaction relating to the change in control or paid during the thirty-day period immediately preceding the occurrence of the change in control in any transaction reported in the stock market in which the Common Stock is normally traded.

(e) Notwithstanding that an Option at the time of exercise shall not be accompanied by a related Stock Appreciation Right, if the market price of the shares subject to such Option exceeds the

exercise price of such Option at the time of its exercise, the Committee may, in its discretion, cancel such Option, in which event the Company shall pay to the person exercising such Option an amount equal to the difference between the Fair Market Value of the Common Stock to have been purchased pursuant to such exercise of such Option (determined on the date the Option is cancelled) and the aggregate consideration to have been paid by such person upon such exercise. Such payment shall be by check, bank draft or in Common Stock having a Fair Market Value (determined on the date the payment is to be made) equal to the amount of such payments or any combination thereof, as determined by the Committee. The Committee may exercise its discretion under the first sentence of this paragraph (e) only in the event of a written request of the person exercising the option, which request shall not be binding on the Committee.

Section 9. Book Value Awards

(a) A Book Value Award is an Award entitling the Participant to receive an amount in cash or shares of Common Stock or a combination thereof having a value equal to (or if the Committee shall so determine at time of grant, less than) the excess of the Book Value of a share of Common Stock on a date selected by the Committee over the Book Value of a share of Common Stock on a previous date selected by the Committee multiplied by the number of Book Value Award Units granted.

-12-

(b) There may be more than one Performance Cycle in existence at any one time for Book Value Awards, and the duration of Performance Cycles may differ from each other.

(c) During any Performance Cycle, the Committee may adjust the performance goals for such Performance Cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Committee may determine, provided, however, that the Committee may specify at the time an Award is made that the performance goals applicable thereto may not be reduced during the term of the Award.

(d) As soon as practicable after the end of a Performance Cycle, the Committee shall determine the value of the compensation to which the Participant is entitled on the basis of the terms of the Book Value Award. The payment values of Book Value Awards shall be distributed to the Participant as soon as practicable thereafter. The Committee shall determine, at or after the time of grant of Book Value Awards, whether payment values will be settled in whole or in part in cash or other property, including Common Stock or Awards.

Section 10. Performance Stock Units

(a) A Performance Stock Unit is an Award entitling the Participant to acquire shares of Common Stock upon the attainment of specified performance goals. Subject to the provisions of the Plan, the Committee may award Performance Stock Units and determine the performance goals applicable to each such Award, the number of such shares for each Performance Cycle, the duration of each Performance Cycle and all other limitations and conditions applicable to the awarded Performance Stock Units.

(b) There may be more than one Performance Cycle in existence at any one time, and the duration of Performance Cycles may differ from each other. The payment value of each Performance Stock Unit shall be equal to (or if the Committee shall so determine at time of grant, less than) the Fair Market Value of one share of Common Stock on the date the Performance Stock Unit is earned or, in the

Edgar Filing: COMMERCE GROUP INC /MA - Form S-8

discretion of the Committee, on the date the Committee determines that the Performance Stock Unit has been earned.

(c) During any Performance Cycle, the Committee may adjust the performance goals for such Performance Cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Committee may determine, provided, however, that the Committee may specify at the time an Award is made that the performance goals applicable thereto may not be reduced during the term of the Award.

(d) As soon as practicable after the end of a Performance Cycle, the Committee shall determine the number of Performance Stock Units which have been earned by the Participant on the basis of performance in relation to the established performance goals. The payment values of earned Performance Stock Units shall be distributed to the Participant as soon as practicable thereafter. The Committee shall determine, at or after the time of award, whether payment values will be settled in whole or in part in cash or other property, including Common Stock or Awards.

-13-

Section 11. Restricted Stock

(a) A Restricted Stock Award is an Award entitling the Participant to acquire shares of Common Stock for a Purchase price equal to or greater than their par value, subject to such conditions and restrictions, including, without limitation, a Company right during a specified period or periods to repurchase such shares at their original purchase price (or to require forfeiture of such shares) upon the Participant's termination of employment, as the Committee shall determine.

(b) Subject to the provisions of the Plan, the Committee may award shares of Restricted Stock and determine the purchase price (if any) therefore, the duration of the Restricted Period during which, and the conditions under which, the shares may be forfeited to or repurchased by the Company and the other terms and conditions of such Awards. Shares of Restricted Stock may be issued for no cash consideration or such minimum consideration as may be required by applicable law.

(c) Shares of Restricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered, except as permitted by the Committee, during the Restricted Period. Shares of Restricted Stock shall be evidenced in such manner as the Committee may determine. Any certificates issued in respect of shares of Restricted Stock shall be registered in the name of the Participant and, unless otherwise determined by the Committee, deposited by the Participant, together with a stock power endorsed in blank, with the Company. At the expiration of the Restricted Period, the Company shall deliver such certificates to the Participant.

(d) A Participant shall have all the rights of a stockholder with respect to the Restricted Stock including voting and dividend rights, subject to restrictions on transferability and Company repurchase or forfeiture rights described in this Section and subject to any other conditions determined by the Committee and contained in the Award.

Section 12. Stock Units

(a) Subject to the provisions of the Plan, the Committee may award Stock Units subject to such terms, restrictions, conditions, performance criteria, vesting requirements and payment rules as the Committee shall determine.

(b) Shares of Common Stock awarded in connection with a Stock

Unit may be issued for no cash consideration or such minimum consideration as may be required by applicable law.

Section 13. General Provisions Applicable to Awards

(a) Notwithstanding any other provision of the Plan, if necessary to qualify for the exemption provided by Rule 16b-3 (i) any Common Stock or other equity security offered under the Plan to a Participant subject to Section 16 of the Act (a "Section 16 Participant") other than pursuant to an Option may not be sold for six months after acquisition; any Common Stock or other equity security acquired by a Section 16 Participant upon exercise of an Option may not be sold for six months after the date of grant of the Option; and any SAR granted to a Section 16 Participant may not be exercised for six months after the date of grant; and (ii) any

-14-

Option, SAR or other similar right related to an equity security issued under the Plan shall not be transferable other than by will or the laws of descent and distribution. The Committee shall have no authority to take any action if the authority to take such action, or the taking of such action, would disqualify the Plan or any Award from the exemption provided by Rule 16b-3.

(b) Each Award under the Plan shall be evidenced by a writing delivered to the Participant specifying the terms and conditions thereof and containing such other terms and conditions not inconsistent with the provisions of the Plan as the Committee considers necessary or advisable to achieve the purposes of the Plan or comply with applicable tax and regulatory laws and accounting principles.

(c) Each Award may be made alone, in addition to or in relation to any other Award. The terms of each Award need not be identical, and the Committee need not treat Participants uniformly. Except as otherwise provided by the Plan or a particular Award, any determination with respect to an Award may be made by the Committee at the time of award or at any time thereafter.

(d) The Committee shall determine whether Awards to Participants are settled in whole or in part in cash, Common Stock, other securities of the Company, Awards or other property. The Committee may permit a Participant to defer all or any portion of a payment under the Plan, including the crediting of interest on deferred amounts denominated in cash and dividend equivalents on amounts denominated in Common Stock.

(e) In the discretion of the Committee, any Award to a Participant under the Plan may provide the Participant with (i) dividends or dividend equivalents payable currently or deferred with or without interest and (ii) cash payments in lieu of or in addition to an Award.

(f) The Committee shall determine the effect on an Award of the disability, death, retirement or other termination of employment of a Participant and the extent to which, and the period during which, the Participant's legal representative, guardian or designated beneficiary may receive payment of an Award or exercise rights thereunder.

(g) In order to preserve the rights of a Participant under an Award in the event of a change in control of the Company, the Committee in its discretion may, at the time an Award is made or at any time thereafter, take one or more of the following actions with respect to any such change of control: (i) provide for the acceleration of any time period relating to the exercise or realization of the Award, (ii) provide for the purchase of the Award upon the Participant's request for an amount of cash or other

property that could have been received upon the exercise or realization of the Award had the Award been currently exercisable or payable, (iii) adjust the terms of the Award in a manner determined by the Committee, (iv) cause the Award to be assumed, or new rights substituted therefor, by another entity, or (v) make such other provision as the Committee may consider equitable and in the best interests of the Company.

(h) The Participant shall pay to the Company, or make provision satisfactory to the Committee for payment of, any taxes required by law to be withheld in respect of Awards under the Plan no later than the date of the event creating the tax liability. In the Committee's discretion, such

tax obligations may be paid, in whole or in part, in shares of Common Stock, including shares retained from the Award creating the tax obligation, valued at their Fair Market Value on the date of delivery, provided, however, that with respect to any Section 16 Participant, any such retention of Shares shall be made in compliance with any applicable requirements of Rule 16b-3. The Company may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to the Participant.

(i) For purposes of the Plan, the following events shall not be deemed a termination of employment of a Participant:

(i) a transfer to the employment of the Company from a subsidiary or from the Company to a subsidiary, or from one subsidiary to another, or

(ii) an approved leave of absence for military service or sickness, or for any other purpose approved by the Company, if the Participant's right to reemployment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Committee otherwise so provides in writing.

For purposes of the Plan, employees of a subsidiary of the Company shall be deemed to have terminated their employment on the date on which such subsidiary ceases to be a subsidiary of the Company.

(j) The Committee may amend, modify or terminate any outstanding Award held by a Participant, including substituting therefor another Award of the same or a different type, changing the date of exercise or realization, converting an Incentive Stock Option to a Non-Qualified Stock Option, and modifying or waiving the restrictions with respect to any Restricted Stock, provided, however, that the Participant's consent to such action shall be required unless the Committee determines that the action, taking into account any related action, would not materially and adversely affect the Participant.

(k) In the event that the Committee determines in its sole discretion that any stock dividend, extraordinary cash dividend, creation of a class of equity securities, recapitalization, reclassification, reorganization, merger, consolidation, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase Common Stock at a price substantially below fair market value, or other similar transaction affects the Common Stock such that an adjustment is required in order to preserve the benefits or potential benefits intended to be made available under the Plan to Participants, the Committee shall have the right to adjust equitably any or all of (i) the number and kind of shares of stock or securities in respect of which Awards may be made under the Plan to Participants, (ii) the number and kind of shares subject to

outstanding Awards held by Participants, and (iii) the award, exercise or conversion price with respect to any of the foregoing held by Participants, and if considered appropriate, the Committee may make provision for a cash payment with respect to an outstanding Award held by a Participant, provided that the number of shares subject to any Stock Award shall always be a whole number.

Section 14. Miscellaneous

(a) No person shall have any claim or right to be granted an Award, and the grant of an Award shall not be construed as giving a Participant the right to continued employment. The Company expressly reserves the right at any time to dismiss a Participant free from any liability or claim under the Plan, except as expressly provided in the applicable Award.

(b) Nothing contained in the Plan shall prevent the Company from adopting other or additional compensation arrangements for its employees.

(c) Subject to the provisions of the applicable Award, no Participant shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed under the Plan until he or she becomes the holder thereof. A Participant to whom shares of Common Stock are awarded shall be considered the holder of the Shares at the time of the Award except as otherwise provided in the applicable Award.

(d) Subject to the approval of the stockholders of the Company, the Plan shall be effective on March 18, 1994. Prior to such approval, Awards may be made under the Plan expressly subject to such approval.

(e) The Board may amend, suspend or terminate the Plan or any portion thereof at any time, provided, however, that no amendment shall be made without stockholder approval if such approval is necessary to comply with any applicable tax or regulatory requirement, including any requirements for exemptive relief under Section 16(b) of the Act, or any successor provision.

(f) Awards may not be made under the Plan after ten years from its effective date, but then outstanding Awards may extend beyond such date.
