Section 1 - Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement

Adoption of Executive Incentive Performance Plan for Fiscal 2005. On October 4, 2004, the Compensation Committee of the Company's Board of Directors adopted an incentive performance plan for executive officers, including the Company's Chief Executive Officer, for the 2005 fiscal year. Pursuant to the plan, the Committee designated for each officer a target cash bonus amount and thresholds for both revenue and operating margin to be met in fiscal 2005 by the Company or one of its divisions, as applicable, in order for the bonus to be paid. The executive officers designated to participate in the plan are: C. Richard Harrison, Chief Executive Officer & President, Barry F. Cohen, Executive Vice President, Strategic Services & Partners, Paul J. Cunningham, Executive Vice President, Sales, Anthony DiBona, Executive Vice President, Maintenance, James E. Heppelmann, Executive Vice President, Software Solutions and Chief Technology Officer, Cornelius F. Moses, Executive Vice President and Chief Financial Officer, and Aaron C. von Staats, Senior Vice President, General Counsel.

Under the plan, an officer's target bonus is split into two halves. With respect to the first 50%, the Committee determined that no bonus would be paid unless the Company meets designated minimum revenue and operating margin thresholds (the "Minimum Performance Metrics"), whereupon the officer would be eligible for a payout of 20% of the officer's target bonus. The bonus payable would then increase proportionately up to the full 50% of the respective target bonus if the Company meets higher revenue thresholds up to a designated threshold (the "Target Performance Metric").

Payment of the second 50% of an officer's bonus will be determined differently for two groups of officers. For the Chief Executive Officer, the Chief Technology Officer, the Chief Financial Officer and the General Counsel, payment of the second 50% of the target bonus would be contingent upon the Company meeting both the Minimum Performance Metrics and the Target Performance Metric. For the Executive Vice President of Sales, the Executive Vice President, Maintenance and the Executive Vice President, Strategic Services and Partners, payment of part or all of the second 50% of the officer's respective target bonus will be contingent upon the Company meeting the Minimum Performance Metrics and the officer's particular division meeting one or more additional revenue thresholds.

In order to provide an additional performance incentive, if the Company exceeds the Target Performance Metric and revenues meet certain additional criteria, each officer would become eligible for an additional bonus of up to 50% of the officer's respective target bonus.

The aggregate of the target bonuses for the seven executive officers is \$2,275,000. The aggregate of the additional bonuses that may be paid under the plan is \$1,137,500 (i.e. 50% of the aggregate target bonus).
