PROXY STATEMENT

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Korea Fund, Inc. (the "Fund") for use at the Annual Meeting of Stockholders, to be held at the offices of Deutsche Investment Management Americas Inc., formerly known as Zurich Scudder Investments, Inc. ("DeIM" or the "Investment Manager"), part of Deutsche Asset Management¹, 25th Floor, 345 Park Avenue (at 51st Street), New York, New York 10154, on Wednesday, October 2, 2002 at 9:45 a.m., Eastern time, and at any adjournments or postponements thereof (collectively, the "Meeting").

This Proxy Statement, the Notice of Annual Meeting and the proxy card are first being mailed to stockholders on or about August 23, 2002 or as soon as practicable thereafter. Any stockholder giving a proxy has the power to revoke it by mail (addressed to the Secretary at the principal executive office of the Fund, 345 Park Avenue, New York, New York 10154) or in person at the Meeting by executing a superseding proxy or by submitting a notice of revocation to the Fund. All properly executed proxies received in time for the Meeting will be

Edgar Filing: KOREA FUND INC - Form DEF 14A

voted as specified in the proxy or, if no specification is made, for the three nominees referred to in the Proxy Statement.

The presence at any stockholders' meeting, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker "non-votes" will be treated as shares that are present but which have not been voted. Broker non-votes are proxies received by the Fund from brokers or nominees when the broker or nominee has neither received instructions from the beneficial owner or other persons entitled to vote nor has discretionary power to vote on a particular matter. Accordingly, stockholders are urged to forward their voting instructions promptly.

Abstentions and broker non-votes will not be counted in favor of, but will have no other effect on, the vote for the proposal, which requires the approval of a majority of the shares present in person or by proxy at the Meeting.

Holders of record of the common stock of the Fund at the close of business on August 2, 2002 (the "Record Date") will be entitled to one vote per share on all business of the Meeting and any adjournments thereof. There were 49,939,049 shares of common stock outstanding on the Record Date.

The Fund provides periodic reports to all stockholders which highlight relevant information including investment results and a review of portfolio changes. You may receive an additional copy of the annual report for the fiscal year ended June 30, 2002 and a copy of the semiannual report for the six-month period ended December 31, 2001, without charge, by calling 800-349-4281 or 800-294-4366 or writing the Fund at 345 Park Avenue, New York, New York 10154.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 and Section 30(h) of the Investment Company Act of 1940, as amended (the "1940 Act"), as applied to a fund, requires the fund's officers and directors, Investment Manager, affiliates of the Investment Manager, and persons who beneficially own more than ten percent of a registered class of the fund's outstanding securities ("Reporting Persons"), to file reports of ownership of the fund's securities and changes in such ownership with the Securities and Exchange Commission (the "SEC") and The New York Stock Exchange, Inc. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based on a review of reports filed by the Fund's directors and executive officers, the Investment Manager, officers and directors of the Investment Manager, affiliated persons of the Investment Manager and beneficial holders of 10% or more of the outstanding shares, and written representations by the Reporting Persons that no year-end reports were required for such persons, all filings required by Section 16(a) of the Securities and Exchange Act of 1934 for the fiscal year ended June 30, 2002 were timely except that each of William Luers, Susan Kaufman Purcell, and David Wasserman (formerly a Director of Zurich Scudder Investments, Inc.) filed a Form 3 late, Zurich Scudder Investments Korea Ltd. failed to file a Form 3, and Nicholas Bratt and William Luers reported an acquisition of securities late. For the fiscal year ended June 30, 2001, Scudder Investments Marketing Services filed a Form 3 late and failed to file a Form 5 with respect to such late filing. As a convenience to the directors, the Investment Manager assists the directors in making their Section 16 filings.

According to a filing made with the SEC in February 2002, the following owned beneficially more than 5% of the Fund's outstanding stock:

President and Fellows of Harvard College, c/o Harvard Management Company, Inc., 600 Atlantic Ave., Boston, MA 02210 reported beneficial ownership of 3,489,401 shares, or 7.0% of the Fund's outstanding stock;

Except as noted above, to the best of the Fund's knowledge, as of June 28, 2002, no other person owned beneficially more than 5% of the Fund's outstanding stock.

Honorary Directors

Messrs. William H. Gleysteen, Jr. and Wilson Nolen serve as Honorary Directors of the Fund. Honorary Directors are invited to attend all Board meetings and to participate in Board discussions, but are not entitled to vote on any matter presented to the Board. Mr. Gleysteen served as a Director of the Fund since 1984 and retired from the Board in 1999. Mr. Nolen served as a Director of the Fund since 1984 and retired from the Board in 2000. Messrs. Tai Ho Lee, Sidney Robbins and Robert W. Lear serve as Emeritus Founding Directors of the Fund. Mr. Tai Ho Lee served as a Director of the Fund since 1984 and resigned from the Board in 2001. Mr. Robbins served as a Director of the Fund since 1984 and resigned from the Board in 1995. Mr. Lear served as a Director of the Fund since 1984 and resigned from the Board in 1996.

Committees of the Board -- Board Meetings

The Board of Directors of the Fund met eight times during the fiscal year ended June 30, 2002. All Directors attended at least 75% of the total number of meetings of the Board of Directors and of all committees of the Board on which they serve as regular members, except Juris Padegs, a former Director, who attended 67% of the meetings, and Kesop Yun, who attended 55% of the meetings.

The Board of Directors, in addition to an Executive Committee, has an Audit Committee, a Valuation Committee and a Committee on Independent Directors. The Executive and Valuation Committees consist of regular members, allowing alternates.

Audit Committee

The Board has an Audit Committee, consisting of those Directors who are not interested persons of the Fund or of DeIM ("Noninterested Directors") as defined in the 1940 Act, which met twice during the fiscal year ended June 30, 2002. The members of the Audit Committee are independent, as independence is defined in the listing standards of the New York Stock Exchange, Inc. The Audit Committee reviews with management and the independent accountants for the Fund, among other things, the scope of the audit and the controls of the Fund and its agents, reviews and discusses with management the Fund's audited annual financial statements, reviews the independent accountants' required communications regarding the scope and results of the audit that may assist the Audit Committee in overseeing management's financial reporting and disclosure process, reviews and approves in advance the type of services to be rendered by independent accountants, recommends the selection of independent accountants for the Fund to the Board, reviews matters related to the independence of the Fund's independent accountants and in general considers and reports to the Board on matters regarding the Fund's accounting and bookkeeping practices.

The Board of Directors has adopted a written charter for the Audit Committee.

At a meeting held on July 10, 2002, the Board of Directors of the Fund, including a majority of the Noninterested Directors, selected PricewaterhouseCoopers LLP to act as independent accountants for the Fund for the fiscal year ending June 30, 2003. The Fund's financial statements for the fiscal year ended June 30, 2002 were audited by PricewaterhouseCoopers LLP. The following table sets forth the aggregate fees billed for professional services rendered by PricewaterhouseCoopers LLP⁽¹⁾:

Audit Fees	Financial Information Systems Design and Implementation Fees	All Other Fees [^]
\$118,000	\$0	\$12,886,298

The fees disclosed in the table above under the caption "Audit Fees" are the aggregate fees for professional services rendered for the audit of the Fund for the most recent fiscal year. The fees disclosed under the captions "Financial Information Systems Design and Implementation Fees" and "All Other Fees" include fees billed for services, if any, during the most recent fiscal year to the Fund, DeIM and all entities controlling, controlled by, or under common control with DeIM that provide services to the Fund.

^{^1} In addition to the amounts shown in the table, PricewaterhouseCoopers LLP's billed fees during the year ended June 30, 2002 of approximately \$5,689,415 for professional services rendered for audit and tax services provided to other DeIM-advised funds.

^{^2} All Other Fees includes \$1,772,436 for services in connection with risk

Edgar Filing: KOREA FUND INC - Form DEF 14A

management, taxation, attest/agreed upon procedures, review of filings with the SEC and testing of internal controls for DeIM and other related entities that provide support for the operations of the funds.

9

The Fund's Audit Committee gave careful consideration to the non-audit related services provided by PricewaterhouseCoopers LLP to the Fund, DeIM and entities controlling, controlled by or under common control with DeIM that provide services to the Fund, and, based in part on certain representations and information provided by PricewaterhouseCoopers LLP, determined that the provision of these services was compatible with maintaining PricewaterhouseCoopers LLP's independence.

Representatives of PricewaterhouseCoopers LLP are not expected to be present at the Meeting, but will be available by telephone to respond to appropriate questions and to make a statement if they wish to do so.

Audit Committee Report

In connection with the audited financial statements as of and for the fiscal year ended June 30, 2002 included in the Fund's Annual Report for the fiscal year ended June 30, 2002 (the "Annual Report"), at a meeting held on August 21, 2002, the Audit Committee considered and discussed the audited financial statements with management and the independent accountants, and discussed the audit of such financial statements with the independent accountants.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants and subject to the limitation on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee of the Fund recommended to the Board of Directors of the Fund that the audited financial statements be included in the Fund's Annual Report.

The Audit Committee consists of Messrs. Callander, Froewiss, Luers, Nogueira and Yun, and Dr. Purcell.

Committee on Independent Directors

The Board has a Committee on Independent Directors consisting of the Noninterested Directors. The Committee met once during the fiscal year ended June 30, 2002. The Committee is charged with the duty of making all nominations for Noninterested Directors and consideration of other related matters. The Committee met on April 3, 2002 to nominate the nominees for Noninterested

Edgar Filing: KOREA FUND INC - Form DEF 14A

Directors presented in this proxy statement. Stockholders' recommendations as to nominees received by management are referred to the Committee for its consideration and action.

10

Executive Committee

The Executive Committee is empowered, and the Directors have delegated to such Committee, all of the powers of the Directors not otherwise delegated, except for the declaration of dividends and distributions. The Executive Committee acts when the full Board of Directors is not in session. Messrs. Bratt and Hale are members of the Executive Committee. The Executive Committee did not meet during the fiscal year ended June 30, 2002.

Valuation Committee

The Valuation Committee monitors the valuation of portfolio securities and other investments and, as required by the Fund's valuation policies when the full Board is not in session, determines the fair value of illiquid and other portfolio holdings after consideration of all relevant factors, which determinations are reported to the full Board. Messrs. Bratt and Froewiss are currently the members of the Valuation Committee, with Messrs. Hale and Callander as alternates. The Valuation Committee met seven times during the fiscal year ended June 30, 2002.

Transactions with and Remuneration of Directors and Officers

The aggregate direct remuneration incurred by the Fund for payment to Directors not affiliated with DeIM or the Korean Advisor was \$99,481, including expenses, for the fiscal year ended June 30, 2002. Each such Noninterested Director currently receives fees, paid by the Fund, of \$750 per Directors' meeting attended and an annual Director's fee of \$6,000. Each Director also receives \$250 per committee meeting attended (other than audit committee meetings and meetings held for the purpose of considering arrangements between the Fund and the Investment Manager or an affiliate of the Investment Manager, for which such Director receives a fee of \$750). DeIM supervises the Fund's investments, pays the compensation and certain expenses of its personnel who serve as Directors and Officers of the Fund, and receives a management fee for its services. Several of the Fund's Officers and Directors are also officers, directors, employees or stockholders of DeIM and participate in the fees paid to that firm (see "Investment Manager," page 13), although the Fund makes no direct payments to them.

Brokerage Commissions on Portfolio Transactions

DeIM places orders for portfolio transactions with issuers, underwriters or other brokers and dealers. In selecting brokers and dealers with which to place portfolio transactions for the Fund, DeIM seeks to achieve the most favorable net results. When consistent with this policy, DeIM may place such transactions with brokers and dealers that sell shares of funds advised by DeIM and is authorized to place such brokerage with brokers and dealers who supply brokerage and research services to DeIM.

Pursuant to procedures determined by the Directors and subject to the general policies of a Fund and Section 17(e) of the 1940 Act, DeIM may place securities transactions with brokers with whom it is affiliated ("Affiliated Brokers").

Section 17(e) of the 1940 Act limits to "the usual and customary broker's commission" the amount which can be paid by a Fund to an Affiliated Broker acting as broker in connection with transactions effected on a securities exchange. The Board, including a majority of the Directors who are not "interested persons" of the Fund or DeIM, has adopted procedures designed to comply with the requirements of Section 17(e) of the 1940 Act and Rule 17e-1 promulgated thereunder to ensure that the broker's commission is "reasonable and fair compared to the commission, fee or other remuneration received by other brokers in connection with comparable transactions involving similar securities being purchased or sold on a securities exchange during a comparable period of time...."

Affiliated Brokers furnish to the Fund at least annually a statement setting forth the total amount of all compensation retained by them or any of their associated persons in connection with effecting transactions for the account of a Fund, and the Board reviews and approves all such portfolio transactions on a

Edgar Filing: KOREA FUND INC - Form DEF 14A

quarterly basis and the compensation received by Affiliated Brokers in connection therewith.

During the fiscal year ended June 30, 2002, the Fund paid no brokerage commissions to any Affiliated Broker.

Principal Underwriter

Scudder Investor Services, Inc., Two International Place, Boston, Massachusetts 02110, is the principal underwriter for the Fund.

Other Matters

The Board of Directors does not know of any matters to be brought before the Meeting other than those mentioned in this Proxy Statement. The appointed proxies will vote on any other business that comes before the Meeting or any adjournment thereof in accordance with their best judgment.

Miscellaneous

Proxies will be solicited by mail and may be solicited in person or by telephone by Officers of the Fund or personnel of DeIM. The Fund has retained Georgeson Shareholder Communications, Inc. ("Georgeson"), 17 State Street, New York, New York 10004 to assist in the proxy solicitation. The cost of its services is estimated at \$9,000 plus expenses. Other costs and expenses connected with the solicitation of the proxies and with any further proxies which may be solicited by the Fund's Officers or Georgeson, in person or by telephone, will be borne by the Fund. The Fund will reimburse banks, brokers, and other persons holding the Fund's shares registered in their names or in the names of their nominees, for their expenses incurred in sending proxy material to and obtaining proxies from the beneficial owners of such shares.

As the meeting date approaches, certain stockholders may receive telephone calls from representatives of Georgeson if their votes have not been received. Authorization to permit Georgeson to execute proxies may be obtained by telephonic instructions from stockholders of the Fund. Proxies that are obtained telephonically will be recorded in accordance with the procedures described on the attachment to the proxy card. The Fund believes that these procedures are reasonably designed to ensure that both the identity of the stockholder casting the vote and the voting instructions of the stockholder are accurately determined.

If a stockholder wishes to participate in a meeting, but does not wish to give a proxy by telephone, the stockholder may still submit the proxy card originally sent with this proxy statement or attend in person. Should stockholders require additional information regarding the proxy or a replacement proxy card, they may contact Georgeson toll-free at (866) 838-4475. Any proxy given by a stockholder is revocable until voted at a meeting.

In the event that sufficient votes in favor of any proposal set forth in the Notice of this Meeting are not received by October 2, 2002, the persons named as appointed proxies on the enclosed proxy card may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares present in person or by proxy at the session of the meeting to be adjourned. The persons named as appointed proxies on the enclosed proxy card will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the proposal for which further solicitation of proxies is to be

Edgar Filing: KOREA FUND INC - Form DEF 14A

made. They will vote against any such adjournment those proxies required to be voted against such proposal. The costs of any such additional solicitation and of any adjourned session will be borne by the Fund.

Stockholder Proposals

Stockholders wishing to submit proposals for inclusion in a proxy statement for the 2003 meeting of stockholders of the Fund should send their written proposals to John Millette, Secretary of the Fund, c/o Deutsche Investment Management Americas Inc. at 345 Park Avenue, New York, New York 10154, by April 25, 2003. The timely submission of a proposal does not guarantee its inclusion.

The Fund may exercise discretionary voting authority with respect to stockholder proposals for the 2003 meeting of stockholders which are not included in the proxy statement and form of proxy, if notice of such proposals is not received by the Fund at the above address on or before July 9, 2003. Even if timely notice is received, the Fund may exercise discretionary voting authority in certain other circumstances. Discretionary voting authority is the ability to vote proxies that stockholders have executed and returned to the Fund on matters not specifically reflected on the form of proxy.
