We encourage you to read the Form 10-KSB and Form 10-QSB. Unless revoked by you prior to the time it is voted, your stock will be voted in accordance with the instructions you have given in your proxy. PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of CyPost Corporation (the "Company") of proxies to be voted at the Annual Meeting of Stockholders of the Company to be held on January 29, 2002 (the "Meeting") at 2:00 p.m., local time, and at any continuation or adjournment thereof. Holders of record of common stock, \$0.001 par value ("Common Stock") as of the close of business on December 31, 2001, will be entitled to notice of and to vote at the Meeting and any continuation or

Edgar Filing: CYPOST CORP - Form DEF 14A

adjournment thereof. As of that date, there were 23,189,525 shares of Common Stock issued and outstanding and entitled to vote. This Proxy Statement, the accompanying proxy, the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2000 and the Company's Quarterly Report on Form 10-QSB for the fiscal quarter ended September 30, 2001 will be mailed to stockholders on or about January 14, 2002.

Each share of Common Stock is entitled to one vote on any matter presented at the Meeting. Shares of Common Stock may not be voted cumulatively. If proxies in the accompanying form are properly executed and returned, the shares of Common Stock represented thereby will be voted in the manner specified therein. If not otherwise specified, the shares of Common Stock represented by the proxies will be voted (i) FOR the election of the three (3) nominees named below as Directors, (ii) FOR the approval of a proposal to amend the Company's Certificate of Incorporation to increase the number of authorized shares of common stock to 200,000,000; (iii) FOR the approval of a proposal to amend the Company's Certificate of Incorporation granting the Company's board of directors the authority to adopt one or more shareholder rights plans, rights agreements or other forms of "poison pills" in the future without further shareholder approval; (iv) FOR the ratification of the appointment of Good Swartz Brown & Berns LLP as independent auditors for the year ended December 31, 2001, (v) FOR the approval of a proposal to amend the Company's By-Laws to require that the board of directors consist of a minimum of three (3) and a maximum of seven (7) directors, and (vi) in the discretion of the person named in the enclosed form of proxy, on any other proposals which may properly come before the Meeting or any continuation or adjournment thereof. Any Stockholder who has submitted a proxy may revoke it at any time before it is voted, by written notice addressed to and received by the Secretary of the Company, by submitting a duly executed proxy bearing a later date or by electing to vote in person at the Meeting. The mere presence at the Meeting of the person executing a proxy does not, however, revoke the proxy.

The expense of printing and mailing proxy material will be borne by the Company. In addition to the solicitation of proxies by mail, solicitation may be made by directors, officers, and other employees of the Company by personal interview, telephone, or facsimile. No additional compensation will be paid for such solicitation. The Company will request brokers and nominees who hold shares of Common Stock in their names to furnish proxy material to beneficial owners of the shares.

The presence, in person or by proxy, of holders of shares of Common Stock having a majority of the votes entitled to be cast at the Meeting shall constitute a quorum. The affirmative vote by the

1

holders of a plurality of the shares of Common Stock cast at the Meeting is required for the election of Directors, provided a quorum is present in person or by proxy. The affirmative vote of the holders of a majority of the Company's outstanding shares of Common Stock is required for the approval of the proposed amendments to the Company's Certificate of Incorporation. Provided a quorum is present in person or by proxy, all other actions proposed herein may be taken upon the affirmative vote of Stockholders possessing a majority of the shares present or represented and entitled to vote at the Meeting. Abstentions and broker non-votes are included in the shares present at the Meeting for purposes of determining whether a quorum is present. Abstentions are counted as a vote against for purposes of determining whether a proposal is approved. Broker non-votes are not counted as shares present and entitled to be voted with respect to the matter on which the broker has expressly not voted. Thus, broker non-votes will not affect the outcome of any of the matters being voted upon at

Edgar Filing: CYPOST CORP - Form DEF 14A

the meeting, expect for the proposed amendments to the Company's Certificate of Incorporation. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker has not received voting instructions from the beneficial owner, and (ii) the broker lacks discretionary voting power to vote such shares.

This Proxy Statement, together with the related Proxy Card, Notice of Annual Meeting, the Company's Annual Report on Form 10-KSB, excluding exhibits, for the fiscal year ended December 31, 2000 (including audited financial statements for the fiscal year ended December 31, 2000) and the Company's Quarterly Report on Form 10-QSB, excluding exhibits, for the fiscal quarter ended September 30, 2001 (including reviewed financial statements for the quarter ended September 30, 2001) are being mailed to all Stockholders of record as of the close of business on December 31, 2001. All of these materials are referred to as the "Proxy Materials". In addition, the Company has provided brokers, dealers, banks, voting trustees and their nominees, at the Company's expense, with additional copies of the Proxy Materials so that such record holders could mail such materials to beneficial owners on or about January 14, 2002.

PROPOSAL NO.1 ELECTION OF DIRECTORS

At the Meeting, three (3) directors are to be elected (which number shall constitute the entire Board of Directors of the Company) to hold office until the next Annual Meeting of Stockholders and until their successors shall have been duly elected and qualified, or until their earlier resignation or removal.

It is the intention of the persons named in the enclosed form of proxy to vote the stock represented thereby, unless otherwise specified in the proxy, for the election as Directors of the persons whose names and biographies appear below. Two of the three nominees, James T. Johnson and Sandra Lynn Warren are incumbent directors. Javan Khazali is also being nominated for election to the board. In the event any of the nominees should become unavailable or unable to serve as a Director, it is intended that votes will be cast for a substitute nominee designated by the Board of Directors. The Board of Directors has no reason to believe that the nominees named will be unable to serve if elected. Each nominee has consented to being named in this Proxy Statement and to serve if elected.

2

Required Vote

Directors are elected by a plurality of votes cast. Abstentions withheld and broker non-votes are not counted towards a nominee's total.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who beneficially own more than 10% of our common stock, to file reports of beneficial ownership and changes in beneficial ownership of our securities with the SEC on Forms 3 (Initial Statement of Beneficial Ownership), 4 (Statement of Changes of Beneficial

6

Ownership of Securities and 5 (Annual Statement of Beneficial Ownership of Securities). Directors, executive officers and beneficial owners of more than 10% of our common stock are required by SEC regulations to furnish us with copies of all Section 16(a) forms that they file. Except as otherwise set forth herein, based solely on our review of the copies of such forms furnished to us, or written representations that no reports were required, we believe that for the period from January 1, 2000 through December 31, 2000, all directors, executive officers and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them. However, Robert Sendoh was late in filing one Form 4; Robert Adams was late in filing one Form 3; Carl Whitehead was late in filing one Form 4; James T. Johnston was late in filing one Form 3 and one Form 4; Tami Allan was late in filing one Form 3; and Kelly Shane Montalban was late in filing seven Forms 4. We do not believe that Blue Heron Venture Fund Ltd, a 10% beneficial owner during Fiscal 2000, filed any Forms 3 or Forms 4.

INDEPENDENT PUBLIC ACCOUNTANTS

Arthur Andersen LLP ("Andersen") were our independent certifying accountants for the fiscal year ended December 31, 1999. On October 24, 2000 we terminated that firm's appointment and subsequently engaged Hollander, Lumer & Co., LLP ("HL") as our certifying accountants for the fiscal year ending December 31, 2000. As the result of a March 28, 2001 merger, the accounting firm of Good Swartz Brown & Berns LLP ("GSBB") succeeded to the business of HL. The termination of Andersen and appointment of HL was approved by our board of directors. Prior to their appointment, we did not consult with GSBB, with respect to any accounting or other matters.

The report of Andersen on our financial statements for the fiscal year ended December 31, 1999 contained no adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principle except that the report was modified with respect to our ability to continue as a going concern.

In connection with their audit for the fiscal year ended December 31, 1999 and during the subsequent interim period preceding their dismissal, there were no disagreements between us and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to their satisfaction, would have caused Andersen to make reference to the subject matter of the disagreement in connection with their report.

In connection with their audit for the fiscal year ended December 31, 1999 and during the subsequent interim period preceding their dismissal, Andersen did not advise us that:

- o internal controls necessary for us to develop reliable financial

Edgar Filing: CYPOST CORP - Form DEF 14A

statements did not exist;

- o information had come to their attention that led them to no longer be able to rely on our management's representations or made them unwilling to be associated with the financial statements prepared by our management;

7

- o there was a need to expand significantly the scope of their audit, or that information had come to their attention during such time periods that if further investigated might: (i) materially impact the fairness or reliability of either a previously issued audit report or the underlying financial statement; or the financial statements issued or to be issued covering the fiscal periods subsequent to the date of the most recent financial statements covered by an audit report, or (ii) cause it to be unwilling to rely on our management's representations or be associated with our financial statements;
- o information had come to their attention that they had concluded materially impacted the fairness or reliability of either (i) their audit report or the underlying financial statements, or (ii) the financial statements issued or to be issued covering the fiscal periods subsequent to the date of the financial statements covered by their audit report.

A representatives of GSBB is expected to be present at the annual meeting.

Audit Fees

The aggregate fees charged to us for professional services rendered for the audit of our financial statements for the fiscal year ended December 31, 2000 and the review of our financial statements for the fiscal quarters ended March 31, 2001, June 30, 2001 and September 30, 2001 were approximately \$150,000.

Financial Information System Design and Implementation Fees

No fees were charged to us by our principal accountant for financial information system design and implementation with respect to the fiscal year ended December 31, 2000.

All Other Fees

No fees were charged to us by our principal accountant with respect to the fiscal year ended December 31, 2000 other than those disclosed herein under the caption "Audit Fees."

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During the period February 9, 1999 through June 18, 2001, we obtained most of our financing through Blue Heron Venture Fund Ltd., ("Blue Heron"). The loans were made under agreements pursuant to which we could borrow up to \$16,000,000 in unsecured loans from Blue Heron. Effective June 18, 2001 Blue Heron withdrew this credit facility. All of the loans were evidenced by convertible demand notes (the "Blue Heron Demand Notes") which bore interest at 8% per annum, were payable on demand and were convertible into shares of our common stock at Blue Heron's option. On June 18, 2001, all outstanding Blue Heron Demand Notes were cancelled and subsequently replaced by notes that were issued to the

Edgar Filing: CYPOST CORP - Form DEF 14A

shareholders of Blue Heron and its fund manager. These notes were cancelled on September 20, 2001, in connection with our settlement of

8

a lawsuit against a principal shareholder for violations of Section 16(b) of the Securities Exchange Act of 1934, as amended, as more fully described below. On August 16, 1999, \$1,000,000 aggregate principal amount of Blue Heron Demand Notes were converted into 1,500,000 shares of common stock, at a conversion price of \$0.67 per share. On November 24, 1999, an aggregate additional principal amount of \$3,000,000 of Blue Heron Demand Notes were converted into an additional 3,000,000 shares of common stock, at conversion price of \$1.00 per share. During the fiscal year ended December 31, 2000, we borrowed an additional \$1,210,000 from Blue Heron, resulting in an aggregate outstanding principal amount of the loans of \$2,085,000 as at December 31, 2000. We did not borrow any additional funds from Blue Heron subsequent to December 31, 2000.

During the fiscal year ended December 31, 2000, we borrowed an aggregate of \$125,000 from Pacific Gate Capital Corporation ("Pacific Gate"), a corporation owned by Kelly Shane Montalban, a principal shareholder of ours. \$25,000 of this amount was outstanding on September 20, 2001, at which time, pursuant to the settlement of a lawsuit by us against Mr. Montalban, the loan was paid in full.

On March 31, 2000, we commenced suit in the Supreme Court of British Columbia, Action #S001822, Vancouver Registry against Tia Berry (the "Tia Action"), the wife of Steven Berry ("Berry"), our former president and chief financial officer. In the Tia Action, we claim \$42,516 (CDN) from Tia Berry on account of monies paid to her by us which she was not entitled to receive. Tia Berry has filed a Statement of Defense in the Tia Action in which she alleges that the payments which she received from us were to reimburse her for business expenses which she had charged to her credit cards on behalf of Berry. The Tia Action has not yet been set for trial. On April 4, 2000, Berry Commenced an action in the Supreme Court of the State of New York, County of New York (Index No. 601448/2000), against us and Continental Stock Transfer & Trust Company ("Continental"), (the "New York Action"). In the New York Action, Berry claimed damages for alleged conversion, fraud, breach of contract and breach of fiduciary duty all arising from the alleged wrongful Stop Transfer Order which the Company placed relating to 75,000 shares of the Company's common stock registered in Berry's name and our cancellation of a further 600,000 shares (the "Contingent Shares"). The complaint in the New York Action claims damages in excess of \$3,000,000 with the precise amount to be determined at trial. Berry received the 600,000 Contingent Shares upon condition that he would remain in our employ as chief executive officer for at least two years. Berry commenced his employment with us on January 4, 1999, and resigned his employment with us on January 17, 2000. Following Berry's resignation, we attempted to have a Stop Transfer Order issued with respect to the 75,000 shares registered in Berry's name and cancel the 600,000 Contingent Shares. The Stop Transfer Order was not effective and Berry subsequently sold the 75,000 shares.

On May 19, 2000 CyPost and ePost Innovations, Inc., a subsidiary of ours commenced suit in the Supreme Court of British Columbia, Action #S002798, Vancouver Registry, against Berry and his wife, Tia Berry (the "BC Action"). In the BC Action, we are seeking an order directing Berry to return the 600,000 Contingent Shares to us for cancellation for an order entitling us to cancel the same on the basis that Berry did not fulfill the employment conditions which were the condition precedent to his becoming the beneficial owner of the Contingent Shares. In the BC Action, we are also claiming at least Cdn\$800,000 from Berry on account of breach of fiduciary duty, negligence,

breach of statutory duties and breach of contract arising from Berry's failure to properly carry out his employment responsibilities. In the BC Action, we are also claiming Cdn\$34,013 from Berry and Tia Berry on account of conspiracy to defraud and injure us and ePost Innovations by causing certain personal expenses to be paid by us rather than by Berry and Tia Berry personally. We are also claiming punitive and exemplary damages from Berry and Tia Berry in the BC Action.

On May 25, 2000, we moved in the New York Action for an order dismissing the action against us for lack of jurisdiction, or in the alternative, on the basis of forum non conveniens. On September 5, 2000, the court dismissed the New York Action on forum non conveniens grounds, subject to our making certain stipulations in the New York Action. Those stipulations have been made and the appeal period in the New York Action has expired without Berry or any other party appealing the September 5, 2000 order. The issues raised by Berry and us in the New York Action will be litigated in the BC Action together with the further issues raised by us in the BC Action. We feel that Berry's claims in the New York Action were without merit and that we will be successful in obtaining an order declaring that Berry's 600,000 Contingent Shares be cancelled and further entitling us to substantial damages, although no assurance can be given that this will be the case. We intend to vigorously pursue our position in all respects.

On December 21, 2000, Berry and Tia Berry commenced suit in the Supreme Court of British Columbia, Action #S006790 Vancouver Registry, against us, ePost Innovations, Kelly Shane Montalban, J. Thomas W. Johnston, Carl Whitehead and Robert Sendoh (the "Berry Action"). Statements of Defense have been filed on behalf of us and the other defendants. The Plaintiffs in the Berry Action allege that the Tia Action, the BC Action, and the action by Kelly Shane Montalban (Supreme Court of British Columbia, Action #S002147, Vancouver Registry), against Berry for specific performance of an option agreement (the "Montalban Action"), collectively, amount to an abuse of process, malicious prosecution, unlawful interference with the Plaintiff's economic rights or were commenced pursuant to a civil conspiracy to injure the Plaintiffs. In the Berry Action, the Plaintiffs seek a declaration that Berry is entitled to the 600,000 Contingent Shares and claim unspecified damages which are estimated at Cdn\$2,000,000 based on the Statement of Claim. They also claim punitive or aggravated damages and costs. We believe that the allegations in the Berry Action are without merit. We intend to defend them vigorously.

It is expected that the Tia Action, the BC Action and the Berry Action will be consolidated for the purposes of trial due to the fact that there are numerous issues of fact and law which are common to all of these actions. We believe that trial will likely take place in the fall of 2002. A loss by us of the claim against us for monetary damages would have a material adverse effect on our future results of operations, financial condition and liquidity; however, we do not expect to lose this action and believe, additionally, that we will be able to negotiate reasonable payment terms should we lose this suit.

On January 10, 2001, we issued an option to purchase 1,000,000 shares of our common stock to Robert Adams, who, at such time, was serving as our president and chief operating officer, secretary and treasurer. On that date, we also issued an option to purchase 125,000 shares of our common stock to Tami Allan, who, at such time, was serving as our vice president of North American operations. The exercise price of each option was \$.10 per share and vested over time.

The options were issued pursuant to the exemption from registration contained in Section 4(2) of the Securities Act of 1933, as amended (the "Securities Act"), for transactions by an issuer not involving a public offering. Mr. Adams and Ms. Allan are no longer employees of the Company. Their options have been terminated for cause.

On June 15, 2001 we filed a Summons and Complaint against Kelly Shane Montalban in the United States District Court for the Southern District of New York (CyPost Corp. v. Kelly Shane Montalban, Civ. 5447). The Complaint alleged that, between September 1999 and June 15, 2001 (the "Recovery Period"), Mr. Montalban, and persons whose ownership of our common stock was attributable to Mr. Montalban, made numerous purchases and sales of our common stock in violation of the short swing profit recovery provisions of Section 16(b) of the Securities Exchange Act of 1934, as amended. ("Section 16(b)"). Section 16(b) imposes strict liability on corporate insiders, including principal stockholders such as Mr. Montalban, for engaging in short swing trading activities (a sale and purchase or purchase and sale occurring within any six (6) month period) without regard to whether true profits were realized by the insider from such trading activities. During the Recovery Period, Mr. Montalban made numerous purchases and sales of our common stock in violation of Section 16(b). Although we were not of the belief that Mr. Montalban made any of such purchases and sales based on his possession of non-public information, we were nonetheless required by the strict liability provisions of Section 16(b) to seek recovery from Mr. Montalban. We ultimately determined that the amount of short swing profits realized by Mr. Montalban and those persons whose purchases and sales within the Recovery Period were attributable to Mr. Montalban was \$2,498,449.46 (the "Recovery Amount"). Mr. Montalban cooperated fully with our investigation and subsequently agreed to make payment in full on the Recovery Amount. Pursuant thereto, on September 20, 2001 we entered into a Settlement Agreement with Mr. Montalban pursuant to which he paid part of the Recovery Amount by delivery to us for cancellation, on September 20, 2001, various promissory notes of ours on which we owed an aggregate of \$2,344,788.24 in principal and \$44,450.27 in interest or a total of \$2,389,238.51. The notes delivered for cancellation included a note which had been assigned to Mr. Montalban by the holder to satisfy an obligation of the holder to Mr. Montalban, notes which had been purchased by Mr. Montalban from various individuals known by Mr. Montalban, and a note held by Pacific Gate Capital Corporation, a corporation owned by Mr. Montalban. The balance of the Recovery Amount was paid by Mr. Montalban through his issuance to us of a five (5) year, 5% promissory note, dated September 20, 2001, in the principal amount of \$109,210.95. In consideration of Mr. Montalban's execution of the Settlement Agreement and payment of the Recovery Amount, on October 9, 2001 we voluntarily dismissed our action against Mr. Montalban.

PROPOSAL NO. 2
AMENDMENT TO THE COMPANY'S
CERTIFICATE OF INCORPORATION
TO INCREASE NUMBER OF AUTHORIZED SHARES

On November 23, 2001, the Board authorized an amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of Common Stock, par value \$.001 per share ("Common Stock"), from 30,000,000 to 200,000,000. The stockholders are being asked to

approve this proposed amendment. As of December 31, 2001, 23,189,525 shares of

Edgar Filing: CYPOST CORP - Form DEF 14A

Common Stock were issued and outstanding.

Required Vote

The approval of the adoption of this amendment to the Company's Certificate of Incorporation requires the affirmative vote of the holders of a majority of the outstanding shares of the Company's Common Stock. Abstentions and broker non-votes are not affirmative votes and therefore will have the same effect as a vote against the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR
APPROVAL OF THE AMENDMENT TO THE COMPANY'S
CERTIFICATE OF INCORPORATION PROVIDED IN PROPOSAL NO. 2.

The Board believes that the proposed increase is desirable so that, as the need may arise, the Company will have more flexibility to issue shares of Common Stock without the expense and delay of a special stockholders' meeting in connection with possible future stock dividends or stock splits, equity financings, future opportunities for expanding the business through investments or acquisitions, management incentive and employee benefit plans and for other general corporate purposes.

Authorized but unissued shares of the Company's Common Stock may be issued at such times, for such purposes and for such consideration as the Board of Directors may determine to be appropriate without further authority from the Company's stockholders, except as otherwise required by applicable law.

The increase in authorized Common Stock will not have any immediate effect on the rights of existing stockholders. However, the Board will have the authority to issue authorized Common Stock without requiring future stockholder approval of such issuances, except as may be required by applicable law. To the extent that additional authorized shares are issued in the future, they will decrease the existing stockholders' percentage equity ownership and, depending upon the price at which they are issued, could be dilutive to the existing stockholders. The holders of Common Stock have no preemptive rights.

The increase in the authorized number of shares of Common Stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of the Company without further action by the stockholders. Shares of authorized and unissued Common Stock could be issued (within the limits imposed by applicable law) in one or more transactions which would make a change in control of the Company more difficult, and therefore less likely. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of common Stock, and such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of the Company.

PROPOSAL NO. 3 AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION GRANTING BOARD OF DIRECTORS RIGHT TO ADOPT SHAREHOLDER RIGHTS PLANS, RIGHTS AGREEMENTS OR OTHER FORMS OF "POISON PILLS"

On November 29, 2001 the Board authorized an amendment to the Company's Certificate of Incorporation to grant the Board the authority to adopt one or more shareholder rights plans, rights agreements or other forms of "poison pills" in the future without further shareholder approval. The Stockholders are being asked to approve this proposed amendment. This Proposal 3 may have the

Edgar Filing: CYPOST CORP - Form DEF 14A

effect of discouraging or thwarting unwanted takeovers of the Company.

Required Vote

The approval of the adoption of this amendment to the Company's Certificate of Incorporation requires the affirmative vote of the holders of a majority of the outstanding shares of the Company's Common Stock. Abstentions and broker non-votes are not affirmative votes and therefore will have the same effect as a vote against the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR
APPROVAL OF THE AMENDMENT TO THE COMPANY'S
CERTIFICATE OF INCORPORATION PROVIDED IN PROPOSAL NO. 3.

The purpose of a shareholder rights plan or rights agreement commonly referred to as a "poison pill" is to protect shareholders against certain abusive takeover practices. It is intended to allow the Board adequate time and flexibility to negotiate on behalf of the stockholders and enhance the Board's ability to negotiate the highest possible bid from a potential acquiror, develop alternatives which may better maximize stockholder values, preserve the long term value of the Company for the stockholders, and ensure that all stockholders are treated fairly and equally. A poison pill is not intended to prevent a takeover on terms that are fair and equitable to all stockholders, nor is it designed as a deterrent to a stockholder's initiation of a proxy contest. Further, it does not change the fiduciary standards to be followed by the Board in responding to a takeover bid.

The Board may, pursuant to the terms of a poison pill, redeem the poison pill security to permit an acquisition that it determines, in the exercise of its fiduciary duties, adequately reflects the value of the Company and to be in the best interests of all stockholders. Moreover, numerous companies with existing poison pill plans have received unsolicited offers and have redeemed their rights after their directors were satisfied that the offer, as negotiated by the target company's board of directors, adequately reflected the underlying value of the company and was fair and equitable to all stockholders. Thus, experience indicates that poison pill plans do not prevent companies from being acquired at prices that are fair and adequate to stockholders. Opponents of such rights plans or rights agreements argue that they injure shareholders by reducing management accountability and adversely affecting shareholder value. Such opponents contend that poison pills are adopted to entrench current management in office.

PROPOSAL NO. 4 RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors of the Company has, subject to stockholder approval, retained Good Swartz Brown & Berns LLP as independent auditors of the Company for the fiscal year ended December 31, 2001. The Board of Directors expects that a representative of Good Swartz Brown & Berns LLP will be present at the Annual Meeting, will be given an opportunity to make a statement at the meeting if he desires to do so and will be available to respond to appropriate questions.

Required Vote

The ratification of the selection of Good Swartz Brown & Berns LLP requires the affirmative vote of the holders of a majority of the shares of Common Stock present or represented and entitled to vote at the Meeting.

Edgar Filing: CYPOST CORP - Form DEF 14A

Abstentions and broker non-votes will be counted as present for proposes of determining whether a quorum is present. Broker non-votes will not be treated as entitled to vote on this matter at the meeting. Abstentions are not affirmative votes and therefore will have the same effect as a vote against the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF GOOD SWARTZ BROWN & BERNIS LLP AS THE INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDED DECEMBER 31, 2001.

PROPOSAL NO. 5 AMENDMENT OF BY-LAWS

The Board of Directors has proposed that the Company's By-Laws be amended to require the Board to consist of a minimum of three (3) persons and a maximum of seven (7) persons. The By-Laws presently provide that the size of the Board can be determined by a vote of a majority of the entire Board or by the Shareholders of the Company. The existing provision makes no reference to a minimum or maximum size for the board. The purpose of the amendment to the Company's By-Laws is to ensure that the Board always consist of a number of Directors that can direct the Company with maximum efficiency.

Required Vote

The approval of the adoption of the amendment to the Company's By-Laws requires the affirmative vote of the holders of a majority of the shares of Common Stock present or represented and entitled to vote at the meeting. Abstentions and broker non-votes will be counted as present for purposes of determining whether a quorum is present. Broker non-votes will not be treated as

entitled to vote on this matter at the meeting. Abstentions are not affirmative votes and therefore will have the same effect as a vote against the proposal.

THE BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE AMENDMENT TO THE COMPANY'S BY-LAWS AND RECOMMENDS THAT SHAREHOLDERS VOTE FOR PROPOSAL NO. 5.

STOCKHOLDER PROPOSALS

Stockholders who wish to submit proposals for inclusion in the Company's proxy statement and form of proxy relating to the 2002 Annual Meeting of Stockholders must advise the Secretary of the Company of such proposals in writing by March 15, 2002.
