PROXY STATEMENT

INTRODUCTION

The Board of Directors is soliciting proxies to be used at the 2005 Annual Meeting of Stockholders of Mace Security International, Inc. (Mace or the Company) to be held on Wednesday, November 30, 2005 at 10:30 AM, Eastern Time, at the Comfort Inn Hotel, 6000 Crawford Place, Mt. Laurel, New Jersey 08054. Mace will begin mailing this proxy statement and the enclosed form of proxy on or about October 26, 2005 to its stockholders entitled to vote at the Annual Meeting.

The Board of Directors is soliciting your proxy to encourage you to vote on proposals at the Annual Meeting and to obtain your support for the proposals. You are invited to attend the Annual Meeting and vote your shares directly. If you do not attend, you may vote by proxy, which allows you to direct another person to vote your shares at the Annual Meeting on your behalf, using the accompanying proxy card. **Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return the proxy card in case your plans change. You can always vote in person at the Annual Meeting, even if you have already returned the proxy card.**

About This Proxy Solicitation

This proxy solicitation has two parts: the proxy card and this proxy statement.

The Proxy Card The proxy card permits you to vote by proxy, whether or not you attend the Annual Meeting. When you sign the proxy card, you appoint certain individuals as your representatives at the Annual Meeting. They will vote your shares of Mace common stock at the Annual Meeting as you have instructed on the proxy card. If a proposal comes up for a vote that is not on the proxy card, they will vote your shares as they deem appropriate.

This Proxy Statement This proxy statement contains important information for you to consider when deciding how to vote on the proposals. Please read it carefully. It is divided into four sections following this Introduction:

Mace will pay for soliciting these proxies. In addition to use of the mails, Mace's directors, officers and employees may solicit proxies in person, by telephone, facsimile or by other means, in all cases without additional compensation. Mace will reimburse brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy materials to the beneficial owners of Mace common stock.

When And Where Mace will hold the Annual Meeting on Wednesday, November 30, 2005, at 10:30 AM, Eastern Time, at the Comfort Inn Hotel, 6000 Crawford Place, Mt. Laurel, New Jersey 08054.

Record Date The Board has fixed the close of business on October 21, 2005 as the record date for the Annual Meeting. All stockholders of record at that time are entitled to notice of and are entitled to vote in person or by proxy at the Annual Meeting.

Quorum Requirement Mace's bylaws require that a majority of outstanding shares of Mace common stock must be represented at the Annual Meeting, whether in person or by proxy, constituting a quorum in order to transact business. Abstentions and broker non-votes will be counted in determining whether there is a quorum at the Annual Meeting.

The Proposals Stockholders will vote on the following proposals at the Annual Meeting:
election of five directors;

amendment of the Mace Amended and Restated Certificate of Incorporation to decrease authorized shares; and

ratification of the Audit Committee's appointment of Grant Thornton LLP as Mace's independent registered public accounting firm for fiscal year 2005.

Other Matters There were no stockholder proposals submitted for the Annual Meeting. Neither Mace nor its Board intend to bring any other matters before the Annual Meeting. The Board has no present knowledge that any other matters will be presented by others for action at the Annual Meeting. However, if other matters requiring the vote of the stockholders properly come before the Annual Meeting, which under applicable proxy regulations need not be included in this proxy statement, or which the Board did not know would be presented at least 45 days before this solicitation, the persons named in the enclosed proxy will have discretionary authority to vote the proxies held by them with respect to such matters in accordance with their best judgement on such matters.

Presence of Independent Registered Public Accountants Representatives of Grant Thornton LLP, Mace's independent registered public accounting firm, will be present at the Annual Meeting. They will have the opportunity to make a statement at the Annual Meeting, if they choose, and they are expected to be available to respond to stockholder questions.

Laurel, New Jersey 08054.

Table of Contents

Voting at the Annual Meeting

You are entitled to one vote for each share of Mace common stock that you owned of record at the close of business on October 21, 2005. The presence, in person or by proxy, of the holders of a majority of shares of common stock issued and outstanding and entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions are counted as shares present at the meeting for purposes of determining whether a quorum exists. Abstentions have the effect of a vote against any matter to which they are specified. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because they do not have discretionary voting authority and have not received instructions as to how to vote on those proposals (so-called broker non-votes) are considered shares present at the meeting for purposes of determining whether a quorum exists. Broker non-votes will not affect the outcome of the vote on any matter unless the matter requires the affirmative vote of a majority of the outstanding shares and in such case will have the effect of a vote against that matter.

The five nominees for director receiving the highest number of affirmative votes shall be elected as directors. Stockholders do not have the right to cumulate their votes in the election of directors. The other proposals require the approval of a majority of all shares of Mace common stock entitled to vote for such proposals that are represented at the Annual Meeting in person or by proxy.

How To Vote Your Shares

You may vote in one of two ways:

return your completed, signed and dated proxy card before the Annual Meeting; or

cast a written ballot in person at the Annual Meeting (you will need a legal proxy from your stockbroker if you hold your shares in street name).

Voting By Proxy The proxy card has simple instructions. By returning a completed proxy card before the Annual Meeting, you will direct the appointed persons (known as proxies) to vote your shares at the Annual Meeting in accordance with your instructions. Gregory M. Krzemien and Ronald R. Pirollo will serve as your proxies for the Annual Meeting. If you complete the entire proxy card except for the voting instructions, then the proxies will vote your shares **for** the election of the nominated directors, **for** the ratification of Grant Thornton LLP as Mace's independent registered public accounting firm, and **for** the approval of the amendment to the Amended and Restated Certificate of Incorporation. If any nominee for election to the Board is unable to serve, which is not anticipated, then the designated proxies will vote your shares **for** any substitute nominee chosen by the Board. If any other matters properly come before the Annual Meeting, then the designated proxies will vote your shares *in their discretion* on such matters.

How To Revoke Your Proxy You may revoke your proxy at any time before it is exercised at the Annual Meeting by any of the following means:

notifying Mace's Secretary in writing (notice to be sent to Mace's executive offices, the address for which is located on the first page of this proxy statement);

submitting another proxy card with a later date; or

attending the Annual Meeting and voting by written ballot (mere attendance at the Annual Meeting will not by itself revoke your proxy).

Proposal 2. Amendment of the Amended and Restated Certificate of Incorporation

Approval and adoption of an amendment to Mace's Amended and Restated Certificate of Incorporation to decrease the number of authorized shares of Common Stock from 100,000,000 to 35,000,000 and decrease the number of authorized shares of Preferred Stock from 10,000,000 to 5,000,000.

The Board of Directors has unanimously approved and is proposing for stockholder approval an amendment to Mace's Amended and Restated Certificate of Incorporation to decrease the number of authorized shares of Common Stock from 100,000,000 to 35,000,000 and decrease the number of authorized shares of Preferred Stock from 10,000,000 to 5,000,000.

The Board of Directors is in favor of Proposal 2 for the following reasons:

The Board of Directors does not foresee a need in the near term to issue numbers of shares approaching the amounts that are currently authorized and unissued; and

Reducing the number of authorized shares will significantly reduce the amount of the franchise tax payable by Mace to the State of Delaware, where Mace is incorporated.

The approval and adoption of the amendment to reduce the number of authorized shares will not affect in any way the validity of currently outstanding stock certificates or shares reserved for issuance pursuant to outstanding warrants and the Company's stock option plans and will not require you to surrender or exchange any stock certificates that you currently hold. The rights of the Company's stockholders will not be affected by the decrease in the number of authorized shares of Common Stock and Preferred Stock. The general effect of the amendment will be to reduce the amount of authorized shares issuable by Mace which will reduce Mace's Delaware franchise taxes.

The amendment to decrease the authorized stock is reflected in the Second Restated Certificate of Incorporation, attached as Appendix A to this proxy statement. If approved by the stockholders of Mace, the change to the number of authorized shares will be effected by filing the Second Restated Certificate of Incorporation with the Secretary of State of the State of Delaware on or about November 30, 2005.

The Board of Directors recommends that you vote FOR approval and adoption of an amendment to Mace's Amended and Restated Certificate of Incorporation to decrease the number of authorized shares of Common Stock from 100,000,000 to 35,000,000 and decrease the number of authorized shares of Preferred Stock from 10,000,000 to 5,000,000.

Proposal 3. Ratification of the Audit Committee's Appointment of Independent Registered Public Accountants

Ratification of the Audit Committee's appointment of Grant Thornton LLP as Mace's Independent Registered Public Accounting Firm for fiscal year 2005.

The Audit Committee of the Board of Directors selects the independent registered public accounting firm to audit Mace's books of account and other corporate records. The Audit Committee's selection of Grant Thornton LLP to audit Mace's books of account and other corporate records for 2005, which has been approved by the Board of Directors, is being submitted to you for ratification.

About Prior Audits

The rules and regulations of the Securities and Exchange Commission require Mace to make the following disclosures to you:

The reports of Grant Thornton LLP on Mace's consolidated financial statements for the fiscal years ended December 31, 2004, 2003, 2002, 2001 and 2000, did not contain any adverse opinion or disclaimer of opinion, or modification or qualification as to uncertainty, audit scope or accounting principles. In connection with its audits for each of the last three fiscal years, there have been no disagreements between Mace and Grant Thornton LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Grant Thornton LLP, would have caused them to refer to any such disagreements in their report on Mace's consolidated financial statements for such years.

Audit Fees and Related Matters

Audit Fees. The Company was billed \$230,988 by Grant Thornton LLP for the audit of Mace's annual financial statements for the fiscal year ended December 31, 2004, and for the review of the financial statements included in Mace's Quarterly Reports on Forms 10-Q filed during 2004. The Company was billed \$158,983 by Grant Thornton LLP for the audit of Mace's annual financial statements for the fiscal year ended December 31, 2003, and for the review of the financial statements included in Mace's Quarterly Reports on Forms 10-Q filed during 2003. The fees above include \$46,788 and \$17,983 for principally Securities and Exchange Commission (SEC) compliance services, rendered by Grant Thornton LLP during 2004 and 2003, respectively.

Tax Fees. The Company was billed \$17,684 and \$20,260 for tax compliance services rendered by Grant Thornton LLP during 2004 and 2003, respectively.

Other Matters. The Audit Committee of the Board of Directors has considered whether the provision of financial information systems design and implementation services and other non-audit services is compatible with maintaining the independence of Mace's independent registered public accounting firm, Grant Thornton LLP. The Audit Committee pre-approves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent registered public accounting firm. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

Presence of Independent Registered Public Accountants

The Board of Directors recommends that you vote FOR the ratification of Grant Thornton LLP as Mace's independent registered public accounting firm for fiscal year 2005.

Table of Contents**ABOUT THE BOARD OF DIRECTORS AND EXECUTIVE OFFICERS****About the Board and its Committees**

Mace's Board is currently comprised of five directors: Louis D. Paolino, Jr., Mark S. Alsentzer, Constantine N. Papadakis, Ph.D., Matthew J. Paolino, and Burton Segal. Each director position is elected annually for a one-year term.

At a Board meeting held on September 26, 2003, the Board voted to decrease the size of the Board to five directors, effective with the election of directors at the 2003 Annual Meeting. At the September 26, 2003 Board meeting the directors also voted to adopt Corporate Governance Guidelines. The Corporate Governance Guidelines provide that a majority of the Company's directors should be independent, as established by the rules of the NASDAQ Stock Market, and set forth other corporate governance requirements. The Board has determined that Messrs. Segal and Alsentzer and Dr. Papadakis are independent under these rules. In addition, all of the Audit Committee members are independent under the Audit Committee independence standards established by the NASDAQ Stock Market and the rules promulgated by the SEC. The Board has an Audit Committee, a Compensation Committee, a Nominating Committee and an Ethics and Corporate Governance Committee. All of the committees of the Board are governed by a charter and such charters, along with the Company's Corporate Governance Guidelines, are posted on the Company's website at www.mace.com. In addition, the Audit Committee Charter was included as *Appendix B* to our definitive 2003 Proxy Statement filed with the SEC on November 18, 2003.

Mace's Board held 21 formal meetings during 2004. During 2004, all directors attended at least 75% of the aggregate of Mace's Board meetings and the meetings of the committees of the Board on which they served. All members of the Audit Committee, Compensation Committee, Nominating Committee, and the Ethics and Corporate Governance Committee are independent directors within the meaning of the NASDAQ Stock Market Rules. In addition to meeting as members of committees, the independent directors held two formal meetings in 2004 as independent directors. The Board has determined that Burton Segal is an Audit Committee financial expert as defined in the rules and regulations of the SEC and is financially sophisticated for the purposes of the NASDAQ Stock Market Rules. The following chart describes the composition and functions of the Board committees.

Nominating Committee Policies

The Nominating Committee considers candidates for Board membership suggested by its members, other Board members and management. The Nominating Committee has authority to retain a search firm to assist in the identification of director candidates. In selecting nominees for director, the Nominating Committee considers a number of factors, including, but not limited to:

- whether a candidate has demonstrated business and industry experience that is relevant to the Company, including recent experience at the senior management level (preferably as chief executive officer or in a similar position) of a company as large or larger than the Company;
- the candidate's ability to meet the suitability requirements of all relevant regulatory agencies;
- the candidate's ability to represent interests of the stockholders;
- the candidate's independence from management and freedom from potential conflicts of interest with the Company;
- the candidate's financial literacy, including whether the candidate will meet the audit committee membership standards set forth in the Marketplace Rules;
- whether a candidate is widely recognized for his or her reputation, integrity, judgment, skill, leadership ability, honesty and moral values;
- the candidate's ability to work constructively with the Company's management and other directors; and
- the candidate's availability, including the number of other boards on which the candidate serves, and his or her ability to dedicate sufficient time and energy to his or her board duties.

During the process of considering a potential nominee, the Committee may request additional information concerning, or an interview with, the potential nominee. Pursuant to our Corporate Governance Guidelines, no director may be

nominated to a new term if he or she would be age 70 or older at the time of election.

The Nominating Committee will also consider recommendations by stockholders of nominees for directors to be elected at the Company's annual meeting of stockholders, if they are received on or before September 1 of the year of the meeting. In evaluating nominations received from stockholders, the Committee will apply the same criteria and follow the same process used to evaluate candidates recommended by members of the Nominating Committee.

Stockholders wishing to recommend a nominee for director are to submit such nomination in writing, along with any other supporting materials the stockholder deems appropriate, to the Secretary of the Company at the Company's headquarters at 1000 Crawford Place, Suite 400, Mt. Laurel, New Jersey 08054.

Table of Contents**Stockholder Access Policy**

Stockholders who wish to communicate with directors should do so by writing to the Company's Secretary, Robert M. Kramer, at the Company's headquarters at 1000 Crawford Place, Mt. Laurel, New Jersey 08054. The Secretary of the Company reviews all such correspondence and regularly forwards to the Board a summary of all such correspondence and copies of all correspondence that, in the opinion of the Secretary, deals with the functions of the Board or Board committees or that he otherwise determines requires their attention. Directors may at any time review all correspondence received by the Company that is addressed to members of the Board and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters will be brought to the attention of the Company's Audit Committee.

Director Attendance at Annual Meetings

The Company encourages all of its directors to attend the Company's annual meeting of stockholders. Last year, no directors attended the Company's 2004 annual meeting of stockholders.

Director Compensation

Prior to June 30, 2004, Mace did not pay fees to directors, but paid non-employee directors reasonable travel and out-of-pocket expenses relating to their attendance at meetings. On June 29, 2004, the Independent Directors approved a compensation package for the Independent Directors consisting of (a) an annual fee of \$4,000, prorated for partial years of service, (b) a \$750 fee for in-person attendance at each Board meeting, and (c) a \$300 fee for in-person attendance at each committee meeting.

On August 10, 2004, Mace's outside directors, Mark S. Alsentzer, Burton Segal, and Constantine N. Papadakis, Ph.D., were each granted options to purchase 11,000 shares of Mace common stock at \$3.04 per share for their service on the Board of Directors in 2004. Table of Contents**Compensation Committee Report on Executive Compensation**

The Compensation Committee of the Company's Board of Directors consisted of directors Burton Segal, Mark Alentzer, and Constantine N. Papadakis, Ph.D.

The following report of the Compensation Committee is required by the rules of the United States Securities and Exchange Commission to be included in the Company's Proxy Statement or the Company's Annual Report on Form 10-K and addresses the Company's executive compensation policies for the fiscal year ended December 31, 2004. This report shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act, by virtue of any general statement in such filing incorporating this Form 10-K by reference, except to the extent that the Company specifically incorporates the information contained in this section by reference, and shall not otherwise be deemed filed under either the Securities Act or the Exchange Act.

General. The Company's compensation policies for executives are intended to further the interests of the Company and its stockholders by encouraging growth of its business through securing, retaining, and motivating management employees of high caliber who possess the skills necessary to the development and growth of the Company.

The Company's current compensation package consists of three components: base salaries, bonuses and stock options. Together these elements comprise total compensation value. The total compensation paid to the Company's executive officers is influenced significantly by the need (i) to attract management employees with a high level of expertise, and (ii) to motivate and retain key executives for the long-term success of the Company and its stockholders.

Compensation for 2004

In 2004, Mace focused its management efforts on maximizing operating profits from its Car and Truck Wash Segment and continuing the growth of its Security Segment. Additionally, the financing and re-financing of the Company's long-term debt demanded significant time and attention. Management also successfully increased the Company's cash position from \$3.4 million at December 31, 2003 to \$14.5 million at December 31, 2004. The cash position was increased by the Company's sale of common stock and a transaction with Price Legacy Corporation that paid the Company \$8.95 million for removal of a contractual restriction on 1.75 million shares owned by Price Legacy Corporation. The Compensation Committee considered these numerous factors and the Company's financial results in formulating its executive compensation policies and practices for fiscal 2004. The Committee also considered the Amper, Politziner and Mattia, P.C. study of compensation levels dated May 2004 for each executive position when determining compensation.

The May 2004 compensation study by Amper, Politziner and Mattia, P.C. concluded that the total compensation package for Mr. Paolino fell below the peer group median. After considering all factors, Mr. Paolino was granted 150,000 options on November 19, 2004 and a \$200,000 bonus on February 14, 2005. The bonus and 150,000 options were granted for Mr. Paolino's 2004 performance. Mr. Paolino's base salary remained the same at \$400,000. In 2004, Mr. Paolino also received a grant of 568,182 options. The 568,182 option grant was made to compensate Mr. Paolino for not being able to exercise a warrant for 568,182 shares prior to its expiration due to the Corporation's insider trading policy. The options granted have an exercise price equal to the market price at the date of grant. The Compensation Committee's basis for the 150,000 option award and bonus awarded to Mr. Paolino was Mr. Paolino's success in improving the Company's cash position in 2004 and in achieving 198% growth in the Security Segment's revenues from 2003 to 2004. Mr. Paolino's total compensation for 2004 places his compensation above the 75th percentile of the companies surveyed by Amper, Poliziner & Mattia, P.C.. The Committee believes that Mr. Paolino's compensation is appropriate in the context of (i) the Company's 2004 results, and (ii) compensation packages of chief executive officers at comparable companies.

The May 2004 compensation study concluded that the cash compensation of Mr. Kramer, Mr. Krzemien and Mr. Pirollo fell below the peer group's 25th percentile. In November, 2004, Mr. Kramer's cash compensation was increased by \$54,000 to a total of \$210,000 and Mr. Kramer was granted 75,000 stock options, Mr. Krzemien's cash compensation was increased by \$65,000 to a total of \$200,000 and Mr. Krzemien was granted 50,000 stock options and Mr. Pirollo's cash compensation was increased by \$40,000 to a total of \$160,000 and he was granted 25,000 stock options. Messrs. Kramer, Krzemien and Pirollo did not receive a cash compensation increase since April 2002. With the cash compensation increase, Mr. Kramer's and Mr. Krzemien's cash compensation was slightly below the peer group's 25th percentile and Mr. Pirollo's cash compensation was slightly above the 25th percentile. Additionally,

Mr. Kramer was granted 37,500 options in 2004 to compensate him for not being able to exercise a warrant for 37,500 shares prior to its expiration due to the Corporation's insider trading policy. All options granted to Mr. Kramer, Mr. Krzemien and Mr. Pirollo have an

Table of Contents

exercise price equal to the market price at the date of grant. The total compensation for Mr. Kramer, Mr. Krzemien and Mr. Pirollo for 2004 was between the median and the 75th percentile of peer companies surveyed.

Base Compensation. The Committee established annual base salary levels for its executives based on competitive data, level of experience, position, responsibility, and individual and Company performance. The Committee has used comparative data provided by Amper, Politziner and Mattia, P.C. For 2004, the Company has maintained base cash compensation levels for Mr. Paolino near the median of the peer companies surveyed and for Mr. Kramer, Mr. Krzemien and Mr. Pirollo near the 25th percentile of peer companies. Peer companies included companies providing consumer services on a national basis. The primary terms of the employment agreements of Mr. Kramer, Mr. Krzemien, and Mr. Pirollo expired on March 26, 2003. Messrs. Kramer and Krzemien are working on a month-to-month at will-basis. Mr. Pirollo or the Company may terminate Mr. Pirollo's employment at any time.

Stock Options. The Company grants stock options to its executive management under its 1999 Stock Option Plan. Option grants are intended to offer significant returns if the Company is successful and, therefore, create significant incentives to devote the effort called for in order to implement the Company's strategic plan. The Compensation Committee believes that executives' interests are directly tied to enhanced stockholder value. Thus, stock options are used to provide the executive management team with a strong incentive to perform in a manner that should result in the long-term success of the Company.

Performance Bonuses. The Company maintains the option to supplement base compensation with awards of performance bonuses in the form of cash to reward efforts undertaken by its key executive officers which are extraordinary in nature.

ADDITIONAL INFORMATION

Certain Relationships and Related Party Transactions

From November, 2001 through July 2002, the Company prepaid LP Learjets, LLC \$5,109 per month for the right to use a Learjet 31A for 100 hours per year. LP Learjets, LLC is a company owned by Louis D. Paolino, Jr., the Company's Chairman, Chief Executive Officer and President. When the Learjet 31A is used, the prepaid amount is reduced by the hourly usage charge as approved by the Audit Committee, and the Company pays to third parties unaffiliated with Louis D. Paolino, Jr., the direct costs of the Learjet's per-hour use, which include fuel, pilot fees, engine insurance and landing fees. The balance of unused prepaid flight fees totaled \$31,659 at September 30, 2005 and December 31, 2004.

From January 1, 2004 through September 30, 2005, Louis D. Paolino, Jr. purchased approximately \$45,700 of the Company's products at a discount from the prices charged to distributors. The total of the discount given to Mr. Paolino was approximately \$18,700.

The Company's Security Segment leases manufacturing and office space under a five-year lease with Vermont Mill, Inc. (Vermont Mill), which provided for monthly lease payments of \$9,167 through November 2004. Vermont Mill is controlled by Jon E. Goodrich, a former director and current employee of the Company. The Company has exercised an option to continue the lease through November 2009 at a rate of \$10,576 per month. The Company believes that the lease rate is lower than lease rates charged for similar properties in the Bennington, Vermont area. On July 22, 2002, the lease was amended to provide Mace the option and right to cancel the lease with proper notice and a payment equal to six months of the then current rent for the leased space occupied by Mace.

From January 1, 2004 through September 30, 2005, the Company's Security Segment sold approximately \$146,500 of electronic security equipment to two companies, each of which Louis Paolino, III, the son of the Company's CEO, Louis D. Paolino, Jr., is a partial owner. The pricing extended to these companies is no more favorable than the pricing given to third party customers who purchase in similar volume. At September 30, 2005, \$15,250 was owed from one of these companies to Mace.

On September 29, 2005, Louis Paolino III, the son of the Company's Chief Executive Officer, Louis Paolino, Jr., purchased from the Company a warehouse bay in Hollywood, Florida that is no longer used in the Company's operations for \$306,000 in cash. The Company's Audit Committee authorized the Company on February 14, 2005 to proceed with a sale of the warehouse property to Louis Paolino III for \$306,000. The Company paid \$256,688 for the property in 2003. The warehouse property was appraised by a third party independent appraiser on January 18, 2005 at an estimated market value of \$306,000.

Deadline For Stockholder Proposals

June 28, 2006, is the deadline for stockholders to submit proposals pursuant to Rule 14a-8 of the Exchange Act for inclusion in Mace's Proxy Statement for Mace's 2006 Annual Meeting of Stockholders. If any stockholder proposal is submitted after September 11, 2006, the Proxy holders will be allowed to use their discretionary voting authority when the proposal is raised at the 2006 Annual Meeting without any discussion of the matter in the Proxy Statement for that meeting.
