Item 8.01 Other Events.

As previously announced in the Current Report on Form 8-K filed with the Securities and Exchange Commission (the “SEC”) on May 9, 2011 by Trimble Navigation Limited (the “Company”), the Company entered into a Combination Agreement (the “Combination Agreement”) with Tekla Corporation, a public limited company incorporated and existing under the laws of Finland with its sole class of equity listed on the NASDAQ OMX Helsinki stock exchange (“Tekla”), pursuant to which the Company, indirectly through Trimble Finland Oy (“Trimble Finland”), the Company’s wholly-owned Finnish subsidiary, offered to acquire all of the outstanding shares in Tekla through a public tender offer (the “Tender Offer”), and, if necessary, through subsequent compulsory redemption proceedings in accordance with the Finnish Companies Act. For more information regarding the Combination Agreement and the Tender Offer, see the Company’s Current Report on Form 8-K, filed with the SEC on May 9, 2011.

The offer period pursuant to which Tekla’s shareholders could have tendered their shares to Trimble Finland in the Tender Offer was originally scheduled to expire on June 17, 2011 (the “Initial Offer Deadline”). As of the Initial Offer Deadline, the shares tendered to Trimble Finland in the Tender Offer represent over 90% of all outstanding shares in Tekla. In order to give those Tekla shareholders that have not yet tendered their shares the opportunity to still accept Trimble Finland’s tender offer and receive payment for their Tekla shares upon completion of the Tender Offer, Trimble Finland has extended the Initial Offer Period until June 27, 2011, 8:00 p.m. local Finnish time (the “Extended Offer Deadline”). Prior to the expiration of the Extended Offer Deadline and Trimble Finland’s acceptance of the tendered shares, Tekla’s shareholders have the ability to withdraw their shares from the Tender Offer. Trimble Finland currently expects to consummate the Tender Offer in early July 2011.

This Current Report includes forward-looking statements within the meaning of Section 21E of the Securities Exchange Act and are made pursuant to the safe harbor provisions of the Securities Litigation Reform Act of 1995. These forward-looking statements are subject to change, and actual results may materially differ from those set forth in this Current Report due to certain risks and uncertainties. Factors that could cause or contribute to changes in such forward-looking statements include, but are not limited to (i) realizing the anticipated benefits of the acquisition of Tekla, (ii) successfully completing the acquisition of Tekla’s shares and the timing of such acquisition, (iii) Trimble’s ability to successfully integrate Tekla’s products and services and (iv) the risks and uncertainties associated with unexpected expenditures or assumed liabilities that may be incurred as a result of the acquisition and retaining key Tekla personnel and customers. Any failure to achieve predicted results could negatively impact Trimble’s revenues, cash flow from operations, and other financial results. Trimble’s financial results will also depend on a number of other factors, including the risks detailed from time to time in reports filed with the SEC, including its quarterly reports on Form 10-Q and its annual report on Form 10-K. Undue reliance should not be placed on any forward-looking statement contained herein, especially in light of greater uncertainty than normal in the economy in general. These statements reflect Trimble’s position as of the date of this release. Trimble expressly disclaims any undertaking to release publicly any updates or revisions to any statements to reflect any change in Trimble’s expectations or any change of events, conditions, or circumstances on which any such statement is based.
