This Amendment No. 24 amends and supplements items 2, 4 and 5 of the Statement on Schedule 13D of Landesbank Berlin AG (LB), a wholly owned subsidiary of Landesbank Berlin Holding AG (the Parent), which is in turn controlled by Erwerbsgesellschaft der S-Finanzgruppe mbH & Co. KG, a German limited partnership (the Partnership), with respect to the shares of Common Stock, par value \$.01 per share (the Common Stock), of the Aberdeen Australia Equity Fund, Inc. (the Fund). Statements that are not modified in this amendment are not amended and remain as previously reported.

Item 2. Identity and Background

The general partner of the Partnership is Regionalverbandsgesellschaft mbH, a German limited liability company (RVG) owned by several German regional savings bank associations. The amendment to Annex C attached hereto sets forth the name, address and principal occupation of each of the Executive Directors of RVG. Based on the information about such Executive Directors that is available to the Parent and LB pursuant to German law, neither the Parent nor LB is aware of any information to the effect that any such person has during the last five years been a party to any criminal or civil proceeding. All of the individuals listed on Annex C are citizens of the Federal Republic of Germany.

The amendments to Annex A and Annex B attached hereto set forth the name, address and principal occupation of each director and executive officer of the Parent and LB, respectively. Based on the information about the persons listed on Annex A and Annex B that is available to the Parent and LB pursuant to German labor law (including a police certificate of no criminal record), neither the Parent nor LB is aware of any information to the effect that any such person has during the last five years been party to any criminal or civil proceeding. All of the individuals listed on Annex A and Annex B are citizens of the Federal Republic of Germany.

Item 4. Purpose of Transaction

Because LB has not requested that the Fund update the financial statements contained in the Registration Statement (as defined in Amendment No. 21 to this Statement on Schedule 13D), LB cannot currently sell shares of Common Stock pursuant to the Registration Statement. The sales of Common Stock listed in Item 5 below were effected pursuant to rule 144 under the Securities Act of 1933. Subject to rule 144 s filing requirements and limitations on the permitted volume of sales and the manner in which shares may be sold, LB anticipates that it will continue to sell shares of Common Stock pursuant to such rule when LB considers market conditions to be favorable. Depending on market conditions, LB also reserves the right not to engage in sales of shares of Common Stock.

Item 5. Interest in Securities of the Issuer

- (a) According to the Fund s report on Form N-CSR filed on July 6, 2009, there were 19,206,969 shares of Common Stock outstanding at April 30, 2009. The percentage set forth in this Item 5(a) is derived using such number. LB has sole power to vote and dispose of 1,634,250 shares of Common Stock, which constitute approximately 8.5% of the outstanding shares of Common Stock.
- (c) Since May 28, 2009, LB has effected the following sales of shares of Common Stock in at-the-market transactions on the American Stock Exchange pursuant to rule 144 under the Securities Act of 1933:
