SCORPIO TANKERS INC.

7.50% SENIOR NOTE DUE 2017

\$45,000,000 No.: 1

SCORPIO TANKERS INC., a Marshall Islands corporation (hereinafter called the “Company”, which term includes any successor corporation under the Indenture referred to below), for value received, hereby promises to pay to Cede & Co., or registered assigns, the principal sum of \$45,000,000 (FORTY-FIVE MILLION DOLLARS) set forth on Schedule I annexed hereto on October 15, 2017, and to pay interest thereon from and including October 31, 2014 or from the most recent Interest Payment Date on which interest has been paid or duly provided for, quarterly on January 15, April 15, July 15 and October 15 in each year, commencing January 15, 2015, at the rate of 7.50% per annum, until the principal hereof is paid or made available for payment. Interest on this Note shall be computed on the basis of a 360-day year of twelve 30-day months. If any Interest Payment Date or the Maturity Date falls on a day that is not a Business Day, the required payment of interest or principal, as the case may be, shall be made on the next succeeding Business Day as if it were made on the date such payment was due and no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date or the Maturity Date, as the case may be, to such next Business Day. The interest so payable and punctually paid or duly provided for on any Interest Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the Regular Record Date for such interest, which shall be January 1, April 1, July 1 or October 1 (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date. Any such interest which is payable but not punctually paid or duly provided for on any Interest Payment Date shall forthwith cease to be payable to the registered Holder hereof on the relevant Regular Record Date by virtue of having been such Holder, and may be paid to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on a subsequent special record date (which shall be at least 10 days before the payment date) for the payment of such defaulted interest to be fixed by the Company, notice whereof shall be given to the Holders of Notes not less than 10 days prior to such Special Record Date, or may be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, all as more fully provided in the Indenture.

Payment of the principal of and interest on this Note (including, without limitation, any purchase price relating to a Change of Control offer to purchase or a Limited Permitted Asset sale offer to purchase) will be made at the office or agency of the Company maintained for that purpose in The Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; provided, however, that, at the option of the Company, interest may be paid by check mailed to the address of the Person entitled thereto as such address shall appear in the Security register; provided, further, that payment to DTC or any successor depository may be made by wire transfer to the account designated by DTC or such successor depository in writing.

This Note is one of a duly authorized issue of securities of the Company designated as its 7.50% Senior Notes due 2017 (herein called the "Notes"), issued and to be issued in one or more series under an Indenture, dated as of May 12, 2014 (the "Base Indenture"), between the Company and Deutsche Bank Trust Company Americas, as Trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture), as supplemented by the Second Supplemental Indenture, dated October 31, 2014, between the Company and the Trustee (the "Second Supplemental Indenture" and, together with the Base Indenture, the "Indenture"), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes, and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited (subject to exceptions provided in the Indenture) to the aggregate principal amount of \$45,000,000.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal of the Notes may be declared due and payable in the manner and with the effect provided in the Indenture.

The Notes may not be redeemed prior to the Stated Maturity, except as described in Section 3.02 of the Second Supplemental Indenture. The Notes are not subject to any sinking fund.

Upon the occurrence of a Change of Control or a Limited Permitted Asset Sale, each Holder of Notes will have the right to require the Company to purchase all or a portion of such Holder's Notes at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to but excluding the date of purchase, to the extent provided for in the Indenture.

The Indenture contains provisions permitting, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes of each series issued under the Indenture at any time by the Company and the Trustee with the written consent of the Holders of not less than a majority in aggregate principal amount of the Notes at the time Outstanding of each series affected thereby. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Notes of any series at the time Outstanding, on behalf of the Holders of all Notes of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Notes issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note. No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note, at the times, place and rate, and in the coin or currency, herein and in the Indenture prescribed.

As provided in the Indenture and subject to certain limitations set forth therein and in this Note, the transfer of this Note may be registered on the Security register upon surrender of this Note for registration of transfer at the office or agency of the Company maintained for that purpose in any place where the principal of and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Registrar duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form in the denominations of \$25.00 or any integral multiple thereof. As provided in the Indenture and subject to certain limitations set forth in the Indenture, and in this Note, the Notes are exchangeable for a like aggregate principal amount of Notes of this series in different authorized denominations, as requested by the Holders surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith, other than in certain cases provided in the Indenture.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Indenture contains provisions whereby (i) the Company may be discharged from its obligations with respect to the Notes (subject to certain exceptions) or (ii) the Company may be released from its obligations under specified covenants and agreements in the Indenture, in each case if the Company irrevocably deposits with the Trustee money or U.S. Government Obligations, or a combination thereof, in an amount sufficient, without consideration of any reinvestment, to pay and discharge the entire indebtedness on all Notes of this series, and satisfies certain other conditions, all as more fully provided in the Indenture.

This Note shall be governed by and construed in accordance with the laws of the State of New York applicable to agreements made or instruments entered into and, in each case, performed in said State.

All terms used in this Note without definition that are defined in the Indenture shall have the meanings assigned to them in the Indenture.
