PART III

NARRATIVE

State below in reasonable detail the reasons why Form 10-K, 11-K, 20-F, 10-Q, N-SAR or the transition report portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed).

The Company is engaged in active negotiations to amend the terms of its senior debt. A final Agreement related to the proposed amendment has not been completed as of the filing of this notification. In light of the negotiations with the Company's lenders, the Company is not able to file its Annual Report on Form 10-K for fiscal year 2005 by March 31, 2006, without unreasonable effort and expense. In order to timely file its 10-K, the Company would have to redirect its executive officers away from negotiations with the lenders, which would delay the amendment of the Company's senior debt. Additionally, the Company believes that until the senior debt is amended, the Company's disclosures required by the Form 10-K would be incomplete or misleading.

The Company intends to file the subject Annual Report on Form 10-K no later than April 17, 2006, the first business day after the fifteenth calendar day (Saturday, April 15) after the due date of this report.
