CORPORATE GOVERNANCE

The Company and its businesses are managed under the direction of the Board of Directors. The Board generally meets a minimum of four times during the year, but has complete access to management throughout the year.

CORPORATE GOVERNANCE GUIDELINES

In August of 2003, the Board of Directors adopted Corporate Governance Guidelines proposed by the Governance Committee. Among others, the Guidelines address the following subjects:

- The majority of the Board should be independent under relevant Nasdaq standards
- Independent directors should not be compensated by the Company other than in the form of Director's fees (including director's compensatory stock options)
- Membership on the Audit, Compensation and Governance Committees should be limited to independent directors
- The Board should conduct an annual self-evaluation to determine whether it and its committees are functioning properly
- Non-management directors may meet in executive session from time to time without members of management
- The Chief Executive Officer shall provide an annual report to the Board on succession planning
- The Governance Committee is responsible for determining skills and characteristics of Board candidates, and should consider factors such as independence, experience, strength of character, judgment, technical skills, diversity and age
- The Board and its committees shall have the right at any time to retain independent counsel
- Board members should not sit on more than 3 other boards

In August of 2004, the Board of Directors revised the Corporate Governance Guidelines to address the following additional subjects:

- Board members are expected to attend all Annual Meetings of the Stockholders
- Stockholders may communicate with the Board by submitting written comments to the Secretary for the Company, who will screen out inappropriate communications and forward same to the directors

NOMINATION POLICY

Also in August of 2004, the Board of Directors adopted a Nomination Policy proposed by the Governance Committee with respect to the consideration of director candidates recommended by stockholders. A candidate submission from a stockholder will be considered at any time if the following information is submitted to the Secretary of the Company:

- The recommending stockholder's name and address, together with the number of shares, length of period held and proof of ownership
- Name, age and address of candidate
- Detailed resume of candidate, including education, occupation, employment and commitments

Edgar Filing: HENRY JACK & ASSOCIATES INC - Form DEF 14A

- Description of arrangements or understandings between the recommending stockholder and the candidate
- Statement describing the candidate's reasons for seeking election to the Board and documenting candidate's satisfaction of qualifications described in the Corporate Governance Guidelines
- A signed statement from the candidate, confirming willingness to serve
- If the recommending stockholder has been a beneficial holder of more than 5% of the Company's stock for more than a year, then it must consent to additional public disclosures by the Company with regard to the nomination

The Secretary of the Company will promptly forward complying nomination submissions to the Chairman of the Governance Committee. The Governance Committee may consider nominees submitted from a variety of sources including but not limited to stockholder nominations. If a vacancy arises or the Board decides to expand its membership, the Committee will evaluate potential candidates from all sources and will rank them by order of preference if more than one is identified as properly qualified. A recommendation will be made to the Board by the Governance Committee based upon qualifications, interviews, background checks and the Company's needs.

There is one nominee this year who has not previously been elected to the Board by the stockholders. Craig Curry was appointed to the Board on March 1, 2004 upon the retirement from the Board of his father George Curry. At that time he was recommended to the Governance Committee for consideration by George Curry and Michael Henry.

CODE OF CONDUCT

The members of the Board of Directors, as well as the executive officers and all other employees, are subject to and responsible for compliance with the Jack Henry Code of Conduct. The Code of Conduct contains policies and practices for the ethical and lawful conduct of our business, as well as procedures for confidential investigation of complaints and discipline of wrongdoers.

GOVERNANCE MATERIALS AVAILABLE

The Company has posted its significant corporate governance documents on its website at www.jackhenry.com/ir/corpinfo/. There you will find copies of the current Corporate Governance Guidelines, the Jack Henry Code of Conduct, the Compensation Committee Charter, the Governance Committee Charter (with attached Nomination Policy) and Audit Committee Charter, as well as the Company's Certificate of Incorporation and By-Laws. Other investor relations materials are also posted at www.jackhenry.com/ir, including SEC reports, financial statements and news releases.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board of Directors held seven meetings during the last fiscal year. The Board has determined that four of its seven members, Messrs. George, Ellis, Maliekel and Curry, are independent directors under applicable Nasdaq standards. The Board maintains an Audit Committee of which Messrs. George, Ellis, Maliekel and Curry are members. The Board has determined that Joseph Maliekel is an audit committee financial expert and that he is independent as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Securities Exchange Act of 1934. The Board also maintains a Compensation Committee and a Governance Committee with Messrs. George, Ellis and Maliekel

Edgar Filing: HENRY JACK & ASSOCIATES INC - Form DEF 14A

as members of each committee. All members of the Audit, Compensation and Governance Committees are independent directors. Each director attended at least 75% of all meetings of the Board of Directors and all committees on which they served. The independent directors met in one Executive Session without management present during the last fiscal year.

The Compensation Committee establishes and reviews the compensation and benefits of the Executive Officers, evaluates the performance of senior executive officers, considers incentive compensation plans for our employees and carries out duties assigned to the Committee under our stock option plans and employee stock purchase plan. The Compensation Committee operates under a written charter adopted by the Board.

The Governance Committee identifies, evaluates and recruits qualified individuals to stand for election to the Board of Directors, recommends corporate governance policy changes and evaluates Board performance. The Governance Committee also operates under a charter adopted by the Board. The Governance Committee will consider nominees recommended by stockholders, provided such recommendations are made in accordance with the procedures set forth in the "Governance Committee Nomination Policy" attached to its charter, discussed in greater detail in "Corporate Governance," above.

The Audit Committee selects and retains the independent registered public accounting firm, reviews the scope and results of the audit with the independent registered public accounting firm and management, reviews critical accounting policies and practices, reviews and evaluates our audit and control functions, reviews and pre-approves retention of the independent registered public accounting firm for any audit, audit related and non-audit services, reviews and approves all material related party transactions, and regularly reviews regulatory compliance matters, including our outsourcing services and business recovery operations. The Audit Committee operates under a written Audit Committee Charter.

The Audit Committee met ten times and the Compensation Committee and Governance Committee each met three times during the last fiscal year.

DIRECTORS COMPENSATION

The directors who are employed by the Company do not receive any separate compensation for service on the Board of Directors. Each non-employee director receives an annual compensation of \$25,000 per year plus \$1,200 for each Board of Directors meeting, \$800 for each in-person committee meeting and \$400 for each telephone committee meeting attended and is reimbursed for out-of-pocket expenses incurred in attending such meetings. Under the 1995 Non-Qualified Stock Option Plan, each non-employee director is also compensated by the annual grant of non-statutory stock options to purchase 10,000 shares of Common Stock, subject to an overall grant limitation under the plan of 300,000 shares to each individual director.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company's Board of Directors is composed of four independent directors. The Board has determined that Audit Committee member Joseph J. Maliekel is a financial expert under relevant SEC standards because of his extensive accounting and auditing experience. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the rules of the National Association of Securities Dealers, Inc. (the "NASD") that govern audit committee composition, including the requirement that audit committee members all be "independent directors" as that term is defined by NASD Rule 4200(a)(15).

Edgar Filing: HENRY JACK & ASSOCIATES INC - Form DEF 14A

The Audit Committee operates under a written charter adopted by the Board of Directors. Among other changes, the Charter now requires the Audit Committee to oversee and retain the independent registered public accounting firm, pre-approve the services and fees of the independent registered public accounting firm, regularly consider critical accounting policies of the Company, review and approve material related party transactions, receive reports from the Company's Compliance Officer, and establish procedures for receipt and handling of complaints and anonymous submissions regarding accounting or auditing matters. The amended charter also contains the commitment of the Board of Directors to provide funding and support for the operation of the Audit Committee, including funding for independent counsel for the Committee if the need arises.

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. Management has the primary duty for the financial statements and the reporting process, including the systems of internal controls. The independent registered public accounting firm is responsible for auditing the Company's financial statements and expressing an opinion as to their conformity to accounting principles generally accepted in the United States.

In the performance of its oversight function, the Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the Company's audited financial statements. The Audit Committee also has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 relating to communication with audit committees. In addition, the Audit Committee has received from the independent registered public accounting firm the written disclosures and letter required by Independence Standards Board Standard No. 1 relating to independence discussions with audit committees, has discussed with the independent registered public accounting firm their independence from the Company and its management, and has considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with maintaining the firm's independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the internal auditors and the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting. These meetings without management present are held at least once each year, and were held twice in the fiscal year just ended.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the Company's audited financial statements be included in the Company's 2004 Annual Report to Shareholders and Annual Report on Form 10-K for the year ended June 30, 2004 for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT

The Company's executive officer compensation program is administered and reviewed by the Compensation Committee. The Compensation Committee consists of three independent, non-employee directors of the Company. There was no insider participation on the Compensation Committee.

The objectives of our executive officer compensation program are to:

- * Encourage continuation of JHA's entrepreneurial spirit;
- * Attract and retain highly qualified and motivated executives; and
- * Encourage esprit de corps and reward outstanding performance.

In meeting the foregoing objectives, the Compensation Committee strives for the interests of management and stockholders to be the same - the maximization of stockholder value. The components of the executive compensation program which are employed by the Committee to meet these goals include base salary, discretionary bonuses, and stock options.

Salaries and bonuses are established at levels to compensate for the position held and contributions made by each executive. Recommendations regarding bonuses and increases in salary are based upon subjective evaluations of each individual's performance and contribution.

Longer term incentives are provided by the award of stock options because the ultimate value of options granted will be determined by long-term growth in the Company's stock price. Awards of options are believed to help focus executive attention on managing the Company from the perspective of an owner with an equity stake in the business. This component of executive compensation is provided through the 1996 Stock Option Plan, under which the executive officers, and all other employees of the Company and its subsidiaries, are eligible to receive options. The Committee has discretion to designate optionees and to determine the terms of the options granted. However, option prices shall be fixed at not less than 100% of fair market value of the stock at the date of grant, and options may not be exercisable more than ten years after the date of grant.

In employing the foregoing three elements of compensation, the Compensation Committee considers the experience, prior compensation levels, personal performance, number and value of previously granted options, and other subjective factors relating to each individual and seeks to optimize the balance between base salary, short-term and long-term incentives.

The base salary of Chief Executive Officer Michael E. Henry was increased in our 2004 fiscal year as a part of our efforts to bring the Company's low executive salaries closer to industry norms. No stock options were granted to Mr. Henry during our 2004 fiscal year.

The Company has entered into Aircraft Time Sharing Agreements with Mr. Henry and certain other executives and members of the Board of Directors. These agreements have been prepared in accordance with Federal Aviation

Edgar Filing: HENRY JACK & ASSOCIATES INC - Form DEF 14A

Regulations and provide for sharing of operational costs. In compliance with his Aircraft Time Sharing Agreement, the Company billed to and collected from Mr. Henry approximately \$34,000 during the fiscal year for personal use of aircraft.

The Compensation Committee notes that there is a \$1,000,000 cap on the income tax deduction which may be taken with respect to any individual officer's compensation. While current cash compensation paid to our executive officers is substantially less than the cap, the ultimate value of stock options is not now known, and thus the cap may be important in some future year. The cap has been considered by the Committee and we intend to take the steps necessary to conform the Company's compensation structure to comply with the cap if the issue arises in a future period.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Deloitte & Touche LLP, certified public accountants, served as the independent registered public accounting firm for the Company for the year ended June 30, 2004. The Audit Committee has not selected the independent registered public accounting firm for the current year, because the selection will not be made until after the final Audit Committee meeting on the prior year's audit is held. Representatives of Deloitte & Touche are expected to be present at the Annual Meeting with the opportunity to make a statement if they desire to do so and to be available to respond to appropriate questions.

AUDIT AND NON-AUDIT FEES

The following table presents fees for professional audit services rendered by Deloitte & Touche for the audit of the Company's annual consolidated financial statements for the fiscal years ended June 30, 2004 and 2003 and reviews of the financial statements included in the Company's Forms 10-Q for those fiscal years, and fees for other services rendered during those periods.

	-----	-----
Audit Fees	\$224,500	\$208,300
Audit-Related Fees (1)	97,180	31,585
Tax Fees (2)	147,014	75,929
All Other Fees (3)	87,143	254,957
	-----	-----
Total Fees	\$555,837	\$570,771

- (1) Audit-related fees for 2004 included audits of two employee benefit plans and audits performed in accordance with SAS 70. Audit-related fees for 2003 included audits of two employee benefit plans and assistance with SEC filings and communications.
- (2) Tax Fees for 2004 and 2003 included review of the Company's federal and specific state income tax returns, assistance with research and development credits taken on income tax returns and review of other tax credits and deductions.
- (3) Other fees for 2004 included services provided to review the Company's internal control documentation relative to Section 404 of the Sarbanes-Oxley Act of 2002, and review the Company's health care program plan documentation. Other fees for 2003 included services provided to perform a complete review of the Company's health care program.

In making its decision to continue to retain Deloitte & Touche as the Company's independent registered public accounting firm for the next fiscal year, the Audit Committee will consider the above information to ensure that the provision of non-audit services will not negatively impact the maintenance of the firm's independence.

The Audit Committee has in its Charter expressed its policy governing the engagement of the Company's independent registered public accounting firm for audit and non-audit services. Under the terms of the Charter, the Audit Committee is required to pre-approve all audit, audit related and non-audit services performed by the Company's independent registered public accounting firm. All non-audit services for 2004 were pre-approved by the Audit Committee.

Edgar Filing: HENRY JACK & ASSOCIATES INC - Form DEF 14A

At the beginning of each fiscal year, the Audit Committee reviews with management and the independent registered public accounting firm the types of services that are likely to be required throughout the year. Those services are comprised of four categories: audit services, audit-related services, tax services and all other permissible services. The independent registered public accounting firm provides documentation for each proposed specific service to be provided. At that time, the Audit Committee pre-approves a list of specific services that may be provided within each of these categories, and sets fee limits for each specific service or project. Management is then authorized to engage the independent registered public accounting firm to perform the pre-approved services as needed throughout the year, subject to providing the Audit Committee with regular updates. The Audit Committee reviews all billings submitted by the independent registered public accounting firm on a regular basis to ensure that their services do not exceed pre-defined limits. The Audit Committee or its Chairman reviews and approves in advance, on a case-by-case basis, all other projects, services and fees to be performed by or paid to the independent registered public accounting firm. The Audit Committee also approves in advance any fees for pre-approved services that exceed the pre-established limits, as described above.
