A Message from the Chairman

Dear Fellow Shareholder:

I am writing to ask for your vote on important matters affecting your investment in the Putnam funds. While you are, of course, welcome to join us at your fund's meeting, most shareholders cast their vote by filling out and signing the enclosed proxy cards, voting via the Internet or by calling. We are asking for your vote on the following matter:

Fixing the number of Trustees at 13 and electing your fund's nominees for Trustees.

Although Trustees do not manage fund portfolios, they play an important role in protecting fund shareholders, and are responsible for approving the fees paid to your fund's investment adviser and its affiliates, reviewing overall fund expenses, selecting the fund's auditors, monitoring conflicts of interest, overseeing the fund's compliance with federal securities laws and voting proxies for the fund's portfolio securities.

Consistent with the Investment Company Act of 1940 and SEC rules, more than three-quarters of your fund's Trustees currently are independent of the fund and Putnam Investments. In the past few years, your fund's Trustees have been at the forefront of reform efforts affecting the mutual fund industry, including the initiatives to end the practice of directing fund brokerage commissions to brokers in connection with sales of open-end fund shares, to institute measures to discourage excessive short-term trading in open-end funds and to promote other initiatives to reduce shareholder expenses and improve fund disclosures.

I'm sure that you, like most people, lead a busy life and are tempted to put this proxy aside for another day. Please don't. When shareholders do not vote their shares, their fund may have to incur the expense of follow-up solicitations. All shareholders benefit from the speedy return of proxies.

Your vote is important to us. We appreciate the time and consideration I am sure you will give these important matters. If you have questions about any of this proposal, please call a customer services representative at 1-800-225-1581 or contact your financial advisor.

Sincerely yours,

John A. Hill, Chairman

Proxy Statement

This document will give you the information you need to vote on the proposal. Much of the information is required under rules of the Securities and Exchange Commission ("SEC"); some of it is technical. If there is anything you don't understand, please contact us at our toll-free number, 1-800-225-1581, or call your financial advisor.

Who is asking for your vote?

Your vote is being solicited by the Trustees of Putnam Master Intermediate Income Trust and Putnam Premier Income Trust for use at the Annual Meeting of Shareholders of each fund to be held on January 29, 2009, and, if your fund's meeting is adjourned, at any later meetings, for the purposes stated in the Notice of Annual Meeting of Shareholders (see page 1). The Notice of Annual Meeting of Shareholders, the proxy and the Proxy Statement are being mailed on or about December 29, 2008.

How do your fund's Trustees recommend that shareholders vote on this proposal?

The Trustees recommend that you vote

1. FOR fixing the number of Trustees at 13 as proposed and electing your fund's nominees for Trustees.

Who is eligible to vote?

Shareholders of record at the close of business on November 24, 2008 are entitled to be present and to vote at the meeting or any adjourned meeting.

Shareholders of each fund vote separately with respect to this proposal. The outcome of a vote affecting one fund does not affect any other fund.

The Proposal

I. ELECTION OF TRUSTEES

Who are the nominees for Trustees?

The Board Policy and Nominating Committee of the Trustees of each fund makes recommendations concerning the nominees for Trustees of the fund. The Board Policy and Nominating Committee consists solely of Trustees who are not "interested persons" (as defined in the Investment Company Act of 1940, as amended (the "1940 Act")) of your fund or of Putnam Investment Management, LLC, your fund's investment manager ("Putnam Management"). Those Trustees who are not "interested persons" of your fund or Putnam Management are referred to as "Independent Trustees" throughout this Proxy Statement.

The Board of Trustees, based on the recommendation of the Board Policy and Nominating Committee, recommends that the number of Trustees be fixed at 13 and that you vote for the election of the nominees described in the following pages. Each nominee is currently a Trustee of your fund and of the other Putnam funds.

The nominees for Trustees and their backgrounds are shown in the following pages. This information includes each nominee's name, year of birth, principal occupation(s) during the past 5 years, and other information about the nominee's professional background, including other directorships the nominee holds. Each Trustee oversees all of the Putnam funds and serves until the election and qualification of his or her successor, or until he or she sooner dies, resigns, retires at age 72, or is removed. The address of all of the Trustees is One Post Office Square, Boston, Massachusetts 02109. At December 31, 2007, there were 102 Putnam funds.

* Nominees who are "interested persons" (as defined in the Investment Company Act of 1940) of the fund and/or Putnam Management. Messrs. Haldeman and Reynolds are deemed "interested persons" by virtue of their positions as officers of the fund and/or Putnam Management. As of July 2008, Mr. Reynolds is the President and Chief Executive Officer of Putnam Investments, LLC ("Putnam Investments") and of Putnam Management. Mr. Haldeman is the President of your fund and each of the other Putnam funds and is Chairman of Putnam Management.

All the nominees other than Mr. Reynolds were elected by the shareholders of each fund on January 31, 2008. Mr. Reynolds became a Trustee of each fund by vote of the Board of Trustees on September 12, 2008.

Each of the nominees has agreed to serve as a Trustee, if elected. If any of the nominees is unavailable for election at the time of the meeting, which is not anticipated, the Trustees may vote for other nominees at their discretion, or the Trustees may fix the number of Trustees at fewer than 13 for your fund.

What are the Trustees' responsibilities?

Your fund's Trustees are responsible for the general oversight of your fund's affairs and for assuring that your fund is managed in the best interests of its shareholders. The Trustees regularly review your fund's investment performance as well as the quality of other services provided to your fund and its shareholders by Putnam Management and its affiliates, including administration, custody, and shareholder servicing. At least annually, the Trustees review and evaluate the fees and operating expenses paid by your fund for these services and negotiate changes that they deem appropriate. In carrying out these responsibilities, the Trustees are assisted by an independent administrative staff and by your fund's auditors, independent counsel and other experts as appropriate, selected by and responsible to the Trustees.

12

At least 75% of the trustees of your fund are required to not be "interested persons" (as defined in the 1940 Act) of your fund or your fund's investment manager. These independent trustees, who are referred to in this proxy statement as "Independent Trustees," must vote separately to approve all financial arrangements and other agreements with your fund's investment manager and other affiliated parties. The role of independent trustees has been characterized as that of a "watchdog" charged with oversight to protect shareholders' interests against overreaching and abuse by those who are in a position to control or influence a fund. Your fund's Independent Trustees meet regularly as a group in executive session. Eleven of the 13 nominees for election as Trustee are now, and would be, if elected, Independent Trustees.

Board committees. Your fund's Trustees have determined that the efficient conduct of your fund's affairs makes it desirable to delegate responsibility for certain specific matters to committees of the board. Certain committees (the Executive Committee, Distributions Committee, and Audit and Compliance Committee) are authorized to act for the Trustees as specified in their charters. The other committees review and evaluate matters specified in their charters and make recommendations to the Trustees as they deem appropriate. Each committee may utilize the resources of your fund's independent staff, counsel and auditors as well as other experts. The committees meet as often as necessary, either in conjunction with regular meetings of the Trustees or otherwise. The membership and chairperson of each committee are appointed by the Trustees upon recommendation of the Board Policy and Nominating Committee.

Audit and Compliance Committee. The Audit and Compliance Committee provides oversight on matters relating to the preparation of the funds' financial statements, compliance matters, internal audit functions, and Codes of Ethics issues. This oversight is discharged by regularly meeting with management and the funds' independent auditors and keeping current on industry developments. Duties of this Committee also include the review and evaluation of all matters and relationships pertaining to the funds' independent auditors, including their independence. The members of the Committee include only Trustees who are not "interested persons" of the funds or Putnam Management. Each member of the Committee also is "independent," as such term is interpreted for purposes of Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and the listing standards of the New York Stock Exchange. The Board of

13

Trustees has adopted a written charter for the Committee. The Committee currently consists of Messrs. Patterson (Chairperson), Darretta, Hill, and Leibler and Ms. Drucker.

Board Policy and Nominating Committee. The Board Policy and Nominating Committee reviews policy matters pertaining to the operations of the Board of Trustees and its committees, the compensation of the Trustees and their staff, and the conduct of legal affairs for the Putnam funds. The Committee also oversees the voting of proxies associated with portfolio investments of the Putnam funds, with the goal of ensuring that these proxies are voted in the best interest of the fund's shareholders.

The Committee evaluates and recommends all candidates for election as Trustees and recommends the appointment of members and chairs of each board committee. The Committee also identifies prospective nominees for election as trustee by considering individuals that come to its attention through the recommendation of current Trustees, Putnam Management or shareholders. Candidates properly submitted by shareholders (as described below) will be considered and evaluated on the same basis as candidates recommended by other sources. The Committee may, but is not required to, engage a third-party professional search firm to assist it in identifying and evaluating potential nominees.

When evaluating a potential candidate for membership on the Board of Trustees, the Board Policy and Nominating Committee considers the skills and characteristics that it feels would most benefit the Putnam funds at the time the evaluation is made. The Committee may take into account a wide variety of attributes in considering potential trustee candidates, including, but not limited to: (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities to the Board of Trustees, (ii) other board experience, (iii) relevant industry and related experience, (iv) educational background, (v) financial expertise, (vi) an assessment of the candidate's ability, judgment and expertise, (vii) an assessment of the perceived needs of the Board of Trustees and its committees at that point in time and (viii) overall Board of Trustees composition. In connection with this evaluation, the Committee will determine whether to interview prospective nominees, and, if warranted, one or more members of the Committee, and other Trustees and representatives of the funds, as appropriate, will interview prospective nominees in person or by telephone. Once this evaluation is completed, the Committee recommends such candidates as it determines appropriate to the independent

14

Trustees for nomination, and the independent Trustees select the nominees after considering the recommendation of the Committee.

The Board Policy and Nominating Committee will consider nominees for trustee recommended by shareholders of a fund provided shareholders submit their recommendations by the date disclosed in the paragraph entitled "Date for receipt of shareholders' proposals for subsequent meeting of shareholders," and provided the shareholders' recommendations otherwise comply with applicable securities laws, including Rule 14a-8 under the Securities Exchange Act of 1934, as amended.

The Committee consists only of Trustees who are not "interested persons" of your fund or Putnam Management (as such term is defined in the 1940 Act). The Trustees have adopted a written charter for the Board Policy and Nominating Committee, a copy of which is attached to this proxy statement as Exhibit A. The Board Policy and Nominating Committee currently consists of Dr. Kennan (Chairperson), Ms. Baxter and Messrs. Hill, Patterson and Putnam.

Brokerage Committee. The Brokerage Committee reviews the funds' policies regarding the execution of portfolio trades and Putnam Management's practices and procedures relating to the implementation of those policies. The Committee reviews periodic reports on the cost and quality of execution of portfolio transactions and the extent to which brokerage commissions have been used (i) by Putnam Management to obtain brokerage and research services generally useful to it in managing the portfolios of the funds and of its other clients, and (ii) by the funds to pay for certain fund expenses. The Committee reports to the Trustees and makes recommendations to Trustees regarding these matters. The Committee currently consists of Drs. Joskow (Chairperson) and Kennan, Ms. Baxter and Messrs. Curtis, Putnam and Worley.

Communications, Service and Marketing Committee. The Communications, Service and Marketing Committee reviews the quality of services provided to shareholders and oversees the marketing and sale of fund shares by Putnam Retail Management. The Committee also exercises general oversight of marketing and sales communications used by Putnam Retail Management, as well as other communications sent to fund shareholders. The Committee also reviews periodic summaries of any correspondence to the Trustees from shareholders. The Committee reports to the Trustees and makes recommendations to

15

the Trustees regarding these matters. The Committee currently consists of Messrs. Putnam (Chairperson), Curtis and Patterson and Drs. Joskow and Kennan.

Contract Committee. □ How large a stake do the Trustees and nominees have in the Putnam family of funds?

The Trustees allocate their investments among the Putnam funds based on their own investment needs. The table below shows the number of shares beneficially owned by each nominee for Trustee and the value of each nominee's holdings in each fund and in all of the Putnam funds as of October 31, 2008. As a group, the Trustees owned shares of the Putnam funds valued at approximately \$33 million as of October 31, 2008.

At October 31, 2008, the Trustees and officers of each fund, as a group, owned less than 1% of the outstanding shares of each fund on that date.

What are some of the ways in which the Trustees represent shareholder interests?

Among other ways, the Trustees seek to represent shareholder interests:

by carefully reviewing your fund's investment performance on an individual basis with your fund's investment team;

by carefully reviewing the quality of the various other services provided to your fund and its shareholders by Putnam Management and its affiliates;

by discussing with senior management of Putnam Management steps being taken to address any performance deficiencies;

by reviewing in depth the fees paid by each fund and by negotiating with Putnam Management to ensure that such fees remain reasonable and competitive with those of comparable funds, while at the same time providing Putnam Management sufficient resources to continue to provide high quality services in the future;

by reviewing brokerage costs and fees, allocations among brokers, soft dollar expenditures and similar expenses of your fund;

by monitoring potential conflicts of interest between the funds and Putnam Management and its affiliates to ensure that the funds continue to be managed in the best interests of their shareholders; and

by monitoring potential conflicts among funds managed by Putnam to ensure that shareholders continue to realize the benefits of participation in a large and diverse family of funds.

How can shareholders communicate with the Trustees?

The Board of Trustees provides a process for shareholders to send communications to the Trustees. Shareholders may direct communications to the Board of Trustees as a whole or to specified individual Trustees by submitting them in writing to the following address:

The Putnam Funds
 Attention: Board of Trustees or any specified Trustee(s)
 One Post Office Square
 Boston, Massachusetts 02109

Written communications must include the shareholder's name, be signed by the shareholder, refer to the Putnam fund(s) in which the shareholder holds shares and include the class and number of shares held by the shareholder as of a recent date.

The Office of the Trustees will respond to all correspondence sent to Trustees; however, due to the volume of correspondence, all communications are not sent directly to the Trustees. The correspondence is reviewed, summarized and presented to the Trustees on a periodic basis.

□ How often do the Trustees meet?

The Trustees hold regular meetings each month (except August), usually over a two-day period, to review the operations of your fund and of the other Putnam funds. A portion of these meetings is devoted to meetings of various committees of the board that focus on particular matters. Each Trustee generally attends at least two formal committee meetings during each regular meeting of the Trustees. In addition, the Trustees meet in small groups with Chief Investment Officers and Portfolio Managers to review recent performance and the current investment climate for selected funds. These meetings ensure that each fund's performance is reviewed in detail at least twice a year. The

20

committees of the board, including the Executive Committee, may also meet on special occasions as the need arises. During calendar year 2007, the average Trustee participated in approximately 64 committee and board meetings.

The number of times each committee met during your fund's last fiscal year is shown in the tables below:

Your fund does not have a policy with respect to Trustee attendance at shareholder meetings. Although your fund's Trustees did not attend the last annual meeting of your fund, they were represented at the meeting by their staff.

□ What are the Trustees paid for their services?

Each Independent Trustee of the fund receives an annual retainer fee and additional fees for each Trustees' meeting attended, for attendance at industry seminars and for certain compliance-related services. Independent Trustees who serve on board committees receive additional fees for attendance at certain committee meetings and for special services rendered in that connection. Independent Trustees also are reimbursed for costs incurred in connection with their services, including costs of travel, seminars and educational materials. All of the current Independent Trustees of the fund are Trustees of all the Putnam funds and receive fees for their services.

The Trustees periodically review their fees to ensure that such fees continue to be appropriate in light of their responsibilities as well as in relation to fees paid to trustees of other mutual fund complexes. The Board Policy and Nominating Committee, which consists solely of Independent Trustees of the fund, estimates that committee and Trustee meeting time, together with the appropriate preparation, requires the equivalent of at least three business days per Trustee meeting. The following table shows the year each Trustee became a Trustee of the Putnam funds, the fees paid to each of those Trustees by your fund for its most recent fiscal year and the fees paid to each of those Trustees by all of the Putnam funds during calendar year 2007:

(3) Certain Trustees are also owed compensation deferred pursuant to a Trustee Compensation Deferral Plan. As of the dates identified below, the total amounts of deferred compensation payable by the fund, including income earned on such amounts, to certain Trustees were:

Putnam Master Intermediate Income Trust (September 30, 2008) Ms. Baxter □ \$5,574; Ms. Drucker □ \$1,133; Mr. Hill □ \$23,162; Dr. Joskow □ \$5,445; Dr. Kennan □ \$838.

(4) Includes additional compensation to Messrs. Hill and Putnam, III, for service as Chairman of the Trustees and President (through May 31, 2007) of the Funds, respectively. Effective June 1, 2007, Mr. Haldeman became President of the Funds.

(5) Mr. Reynolds was elected to the Board of Trustees of the Putnam funds on September 12, 2008.

(6) Mr. Stephens retired from the Board of Trustees of the Putnam funds on March 31, 2008.

Under a Retirement Plan for Trustees of the Putnam funds (the "Plan"), each Trustee who retires with at least five years of service as a Trustee of the funds is entitled to receive an annual retirement benefit equal to one-half of the average annual attendance and retainer fees paid to such Trustee for calendar years 2003, 2004 and 2005. This retirement benefit is payable during a Trustee's lifetime, beginning the year following retirement, for the number of years of service through December 31, 2006. A death benefit, also available under the Plan, ensures that the Trustee and his or her beneficiaries will receive benefit payments for the lesser of an aggregate period of (i) ten years or (ii) such Trustee's total years of service.

The Plan Administrator (currently the Board Policy and Nominating Committee) may terminate or amend the Plan at any time, but no termination or amendment will result in a reduction in the amount of benefits (i) currently being paid to a Trustee at the time of such termination or amendment, or (ii) to which a current Trustee would have been entitled had he or she retired immediately prior to such termination or amendment. The Trustees have terminated the Plan with respect to any Trustee first elected to the board after 2003.

□ What is the voting requirement for electing Trustees?

If a quorum is present at the Annual Meeting, the thirteen nominees for election as Trustees who receive the greatest number of votes cast at the Annual Meeting will be elected Trustees.

Further Information About Voting and the Meeting

Quorum and Methods of Tabulation. The shareholders of each fund vote separately with respect to the proposal. In the case of Master Intermediate Income Trust, a majority of the shares entitled to vote constitutes a quorum for the transaction of business with respect to any proposal at the meeting. In the case of Putnam Premier Income Trust, thirty percent of the shares entitled to vote constitutes a quorum. Votes cast by proxy or in person at the meeting will be counted by persons appointed by your fund as tellers for the meeting. The tellers will count the total number of votes cast "for" approval of a proposal for purposes of determining whether sufficient affirmative votes have been cast. Shares represented by proxies that reflect abstentions and "broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have the discretionary voting power on a particular matter) will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. With respect to the election of Trustees, neither abstentions nor broker non-votes have an effect on the outcome of the proposal.

Shareholders who object to any proposal in this Proxy Statement will not be entitled under Massachusetts law or your fund's Agreement and Declaration of Trust to demand payment for, or an appraisal of, their shares.

Other business. The Trustees know of no matters other than those set forth herein to be brought before the meeting. If, however, any other matters properly come before the Meeting, proxies will be voted on such matters in accordance with the judgment of the persons named as proxies.

Simultaneous meetings. The meeting of shareholders of your fund is called to be held at the same time as the meetings of shareholders of certain of the other Putnam funds. It is anticipated that all meetings will be held simultaneously.

If any shareholder at the meeting objects to the holding of a simultaneous meeting and moves for an adjournment of the meeting to a time promptly after the simultaneous meetings, the persons named as proxies will vote in favor of such adjournment.

Solicitation of proxies. In addition to soliciting proxies by mail, Trustees of your fund and employees of Putnam Management, Putnam Fiduciary Trust Company and Putnam Retail Management may solicit proxies in person or by telephone. Your fund may arrange to have a proxy solicitation firm call you to record your voting instructions by telephone. The procedures for voting proxies by telephone are designed to authenticate shareholders' identities, to allow them to authorize the voting of their shares in accordance with their instructions and to confirm that their instructions have been properly recorded. Your fund has been advised by counsel that these procedures are consistent with the requirements of applicable law. If these procedures were subject to a successful legal challenge, such votes would not be counted at the meeting. Your fund is unaware of any such challenge at this time. Shareholders would be called at the phone number Putnam Management has in its records for their accounts, and would be asked for their Social Security number or other identifying information. The shareholders would then be given an opportunity to authorize the proxies to vote their shares at the meeting in accordance with their instructions. To ensure that the shareholders' instructions have been recorded correctly, they will also receive a confirmation of their instructions in the mail. A special toll-free number will be available in case the information contained in the confirmation is incorrect.

Shareholders have the opportunity to submit their voting instructions via the Internet by utilizing a program provided by a third party vendor hired by Putnam Management or by automated telephone service. The giving of a proxy will not affect your right to vote in person should you decide to attend the meeting. To use the Internet, please access the Internet address listed on the proxy card and follow the instructions on the internet site. To record your voting instructions via automated telephone service, use the toll-free number listed on your proxy card. The Internet and telephone voting procedures are designed to authenticate shareholder identities, to allow shareholders to give their voting instructions, and to confirm that shareholders' instructions have been recorded properly. Shareholders voting via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the shareholders.

Your fund's Trustees have adopted a general policy of maintaining confidentiality in the voting of proxies. Consistent with this policy, your fund may solicit proxies from shareholders who have not voted their shares or who have abstained from voting, including brokers and nominees.

Persons holding shares as nominees will, upon request, be reimbursed for their reasonable expenses in soliciting instructions from their principals. The funds have retained at their own expense The Altman Group, to aid in the solicitation of instructions for registered and nominee accounts, for a fee not to exceed \$1,500 per fund plus reasonable out of pocket expenses. The expenses of the preparation of proxy statements and related materials, including printing and delivery costs, are borne by each fund.

Revocation of proxies. Proxies, including proxies given by telephone or over the Internet, may be revoked at any time before they are voted either (i) by a written revocation received by the Clerk of your fund, (ii) by properly executing a later-dated proxy, (iii) by recording later-dated voting instructions via the Internet, (iv) in the case of brokers and nominees, by submitting written instructions to your fund's solicitation agent or the applicable record shareholder or (v) by attending the meeting and voting in person.

Date for receipt of shareholders' proposals for the next annual meeting It is currently anticipated that your fund's next annual meeting of shareholders will be held in January 2010. The Trustees of your fund reserve the right to set an earlier or later date for the 2010 meeting. Shareholder proposals to be included in the proxy statement for that meeting must be received by your fund on or before August 31, 2009. In order for a shareholder proposal to be included in the proxy statement, both the submitting shareholder and the proposal itself must satisfy the requirements set forth in Rule 14a-8 under the 1934 Act. Shareholders who wish to make a proposal at the 2010 annual meeting — other than one that will be included in the fund's proxy materials — should notify the fund no later than November 14, 2009. Shareholders who wish to propose one or more nominees for

election as Trustees, or to make a proposal fixing the number of Trustees, at the 2010 annual meeting must provide written notice to the fund (including all required information) so that such notice is received in good order by the fund no earlier than October 31, 2009 and no later than November 30, 2009.

28

Adjournment. If sufficient votes in favor of any of the proposals set forth in the Notice of Annual Meeting of Shareholders are not received by the time scheduled for the meeting or if the quorum required for the proposal has not been met, the persons named as proxies may propose adjournments of the meeting for a period or periods of not more than 60 days in the aggregate to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of the votes cast on the question in person or by proxy at the session of the Meeting to be adjourned. The persons named as proxies will vote in favor of adjournment those proxies that they are entitled to vote in favor of the proposals. They will vote against any such adjournment those proxies required to be voted against the proposals. Your fund pays the costs of any additional solicitation and of any adjourned session. Any proposals for which sufficient favorable votes have been received by the time of the meeting may be acted upon and considered final regardless of whether the meeting is adjourned to permit additional solicitation with respect to any other proposal.

Duplicate mailings. As permitted by SEC rules, Putnam's policy is to send a single copy of the proxy statement to shareholders who share the same last name and address, unless a shareholder previously has requested otherwise. Separate proxy ballots will be included with the proxy statement for each account registered at that address. If you would prefer to receive your own copy of the proxy statement, please contact Putnam Investor Services by phone at 1-800-225-1581 or by mail at P.O. Box 8383, Boston, MA 02266-8383.

Financial information. Your fund's Clerk will furnish to you, upon request and without charge, a copy of the fund's annual report for its most recent fiscal year, and a copy of its semiannual report for any subsequent semiannual period. You may direct such requests to Putnam Investor Services, P.O. Box 8383, Boston, MA 02266-8383 or by phone at 1-800-225-1581.

Limitation of Trustee liability. Your fund's Declaration of Trust provides that the fund will indemnify its Trustees and officers against liabilities and expenses incurred in connection with litigation in which they may be involved because of their offices with the fund, except if it is determined in the manner specified in the Declaration of Trust that they have not acted in good faith in the reasonable belief that their actions were in the best interests of the fund or that such indemnification would relieve any officer or Trustee of any liability to the fund or its shareholders arising by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of his or her duties. Your fund, at its expense, provides liability insurance for the benefit of its Trustees and officers.

Independent Registered Public Accounting Firm. As set forth in the table below, the Audit and Compliance Committee and the full Board of Trustees have selected KPMG LLP, 99 High Street, Boston, Massachusetts 02110, to serve as the independent registered public accounting firm for your fund's current fiscal year. Pre-Approval Policies of the Audit and Compliance Committee.

Edgar Filing: PUTNAM PREMIER INCOME TRUST - Form DEF 14A

The Audit and Compliance Committee has determined that all work performed for the funds by the funds' independent auditors will be pre-approved by the Committee itself and thus will generally not be subject to pre-approval procedures.

The Audit and Compliance Committee also has adopted a policy to pre-approve the engagement by Putnam Management and certain of its affiliates of the funds' independent auditors, even in circumstances where pre-approval is not required by applicable law. Any such requests by Putnam Management or certain of its affiliates are typically submitted in writing to the Committee and explain, among other things, the nature of the proposed engagement, the estimated fees and why this work should be performed by that particular audit firm as opposed to another one.

During your fund's last two fiscal years, KPMG LLP did not provide any services required to be approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X.

The Audit and Compliance Committee of your fund has submitted the following report:

The Audit and Compliance Committee has reviewed and discussed with management of your fund the audited financial statements for the last fiscal year. The Audit and Compliance Committee has discussed with your fund's independent auditors the matters required to be discussed by Statements on Auditing Standard No. 61 (SAS 61). SAS 61 requires independent auditors to communicate to the Audit and Pricing Committee matters including, if applicable: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is

33

a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates and (4) disagreements with management over the application of accounting principles and certain other matters. The Audit and Compliance Committee has received the written disclosures and the letter from your fund's independent auditors required by the SEC's Independence Standards Board Standard No. 1 (among other things, requiring auditors to make written disclosures to and discuss with the Audit and Compliance Committee various matters relating to the auditor's independence), and has discussed with such accountants the independence of such accountants. Based on the foregoing review and discussions, the Audit and Compliance Committee recommended to the Trustees that the audited financial statements for the last fiscal year be included in your fund's annual report to shareholders for the last fiscal year.
