**Item 1.01. Entry into a Material Definitive Agreement**

On August 24, 2007, Access Integrated Technologies, Inc. (the Company) entered into a securities purchase agreement (the Purchase Agreement) with the purchasers party thereto (the Purchasers) pursuant to which the Company agreed to issue 10% Senior Notes (the Notes) in the aggregate principal amount of \$55,000,000 (the Private Placement). The Notes were issued on August 27, 2007 and have a term of three years which may be extended for up to one 6 month period at the discretion of the Company if certain conditions are met. Interest on the Notes may be paid in cash or, at the Company's option and subject to certain conditions, in shares of its Class A Common Stock (the Common Stock).

The Notes also require that the Company issue to the investors 715,000 shares of Class A common stock of the Company, paid as an equity kicker for the first year. Pursuant to the Notes, the Company will issue in arrears at the end of each quarterly period beginning December 31, 2008 additional kicker shares at a rate of between 2.4 and 4 shares per \$1,000 principal value of the Notes (the "Kicker Shares"), such number of shares to be dependent on the current price of the Common Stock during a measurement period immediately prior to such payment. Subsequent Kicker Share payments will be made quarterly.

The Company may prepay the Notes in whole or in part following the first anniversary of issuance of the Notes, subject to a penalty of 2% of the principal if the Notes are prepaid prior to the two year anniversary of the issuance of the Note and a penalty of 1% of the principal if the Notes are prepaid thereafter, and subject to paying the number of Kicker Shares that would be due through the end of the term of the Notes. The proceeds of the Private Placement will be used will be used for expansion of digital cinema rollout plans, to pay off the existing obligations under the \$22 million of One Year Senior Notes, dated October 5, 2006 (the One Year Notes), to pay off certain other outstanding debt obligations, for investment in Digital Projection Systems and for working capital and other general corporate purposes.

The Purchase Agreement also requires the Notes to be guaranteed by each of the Company's existing and, subject to certain exceptions, future subsidiaries (the "Guarantors"), other than Christie/AIX, Inc. and its subsidiaries. Accordingly, each of the Guarantors entered into a subsidiary guaranty (the Subsidiary Guaranty) with the Purchasers pursuant to which it guaranteed the obligations of the Company under the Notes.

The Company also entered into a Registration Rights Agreement with the Purchasers pursuant to which the Company agreed to register the resale of any shares of its Common Stock issued pursuant to the Notes from time to time. The Purchase Agreement, Notes, Registration Rights Agreement and Subsidiary Guaranty contain representations, warranties, covenants and events of default as are customary for transactions of this type and nature, including, but not limited to, the agreement of the Company (i) to limit its and its subsidiaries' indebtedness to an aggregate of \$315 million and (ii) not to, and not to cause its subsidiaries (except for Christie/AIX, Inc. and its subsidiaries) to, incur indebtedness, with certain exceptions, including an exception for \$10 million; provided that no more than \$5 million of such indebtedness is incurred by Access Digital Media, Inc. ("AccessDM") or FiberSat Global Services, Inc. or any of their respective subsidiaries except as incurred by AccessDM pursuant to a guaranty entered into in accordance with the Credit Agreement, dated as of August 1, 2007, as amended, by and between Christie/AIX, Inc., the lenders party thereto and General Electric Capital Corporation ("Credit Agreement") or any refinancing of the Credit Agreement on terms and conditions in the aggregate not materially adverse to such existing Credit Agreement.

Simultaneously with the closing of the Purchase Agreement, the Company repaid all amounts outstanding pursuant to the promissory notes issued by the Company to certain purchasers on October 5, 2006. Additionally, the Company entered into a Redemption Agreement, dated as of August 24, 2007, by and among the company and certain holders of its One Year Notes (the Redemption Agreement), pursuant
