The Board of Trustees of each Fund has fixed the close of business on January 12, 2011 as the record date for the determination of the shareholders entitled to notice of and to vote at the meeting and any adjournments or postponements thereof. Proxy Statement dated January 26, 2011

**PROPOSAL 1. ELECTION OF TRUSTEES**

Each Fund's Agreement and Declaration of Trust provides that a majority of the Trustees shall fix the number of the entire Board and that such number shall be at least two and no greater than fifteen. Each Board will fix the appropriate number of Trustees from time to time. Each Fund's Agreement and Declaration of Trust further provides that the Board of Trustees shall be divided into three classes. The term of office of the Class III Trustees expires on the date of the 2011 Annual Meeting, and the term of office of the Class I and Class II Trustees will expire one and two years thereafter, respectively. Accordingly, two Class III Trustees are currently proposed for election. Class III Trustees chosen to succeed the Trustees whose terms are expiring will be elected for a three-year term. An effect of staggered terms is to limit the ability of entities or persons to acquire control of a Fund.

Proxies will be voted for the election of the following Class III Trustee nominees: William H. Park and Helen Frame Peters. Each nominee is currently serving as a Trustee and has consented to continue to so serve. In the event that a nominee is unable to serve for any reason (which is not now expected) when the election occurs, the accompanying Proxy will be voted for such other person or persons as the Board of Trustees may recommend. Election of Trustees is non-cumulative. Shareholders do not have appraisal rights in connection with the proposal in this proxy statement. The Trustees of each Fund shall be elected by the affirmative vote or a plurality of the shares of the Fund entitled to vote. No nominee is a party adverse to the Funds or any of its affiliates in any material pending legal proceeding, nor does any nominee have an interest materially adverse to the Funds.

The Class I Trustees serving until the 2012 Annual Meeting are Benjamin C. Esty, Ronald A. Pearlman and Lynn A. Stout. The Class II Trustees serving until the 2013 Annual Meeting are Thomas E. Faust Jr., Allen R. Freedman and Ralph E. Verni.

The nominees for Class III Trustee and each Fund's current Class I and Class II Trustees and their principal occupations for at least the last five years are as follows:

Proxy Statement dated January 26, 2011

**Interested Trustee**

Mr. Faust is an interested person (as defined in the Investment Company Act of 1940, as amended (the "1940 Act")) by reason of his affiliation with EVM, each Fund's investment adviser, and EVC, a publicly-held holding company, which owns all the outstanding shares of EVM and of EVM's trustee, EV. (EVM, EVC, and their affiliates are sometimes referred to collectively as the "Eaton Vance Organization.") Mr. Faust holds positions with other Eaton Vance affiliates that are comparable to his position with Eaton Vance listed above.

**Election of Trustees by APS and Common Shares**

Under the terms of each Fund's By-Laws, as amended (the "By-Laws"), the holders of the APS are entitled as a class, to the exclusion of the holders of the Common Shares, to elect two Trustees of each Fund. Simply stated, the APS Trustees are only elected by the holders of the Fund's APS. Holders of Common Shares do not vote on the election of APS Trustees. There are no Trustees nominated for election by the holders of the APS at this meeting. The By-Laws further provide for the election of the nominees named above by the holders of the Common Shares and the APS, voting as a single class. Election of Trustees is non-cumulative. Shareholders do not have appraisal rights in connection with the proposal in this proxy statement. The Trustees of each Fund shall be elected by the affirmative vote of a plurality of the shares of the Fund entitled to vote.

**Share Ownership By Trustee**

The following table shows the dollar range of shares beneficially owned in each Fund and in all Eaton Vance funds by each Trustee:

<u>Name of Trustee</u>	<u>Dollar Range of Fund Shares Held<sup>+</sup></u>	<u>Aggregate Dollar Range of Equity Securities in all Eaton Vance Funds Overseen by Trustee<sup>+</sup></u>

<sup>+</sup> Figures are as of January 12, 2011.

\* Includes shares which may be deemed to be beneficially owned through the Trustee Deferred Compensation Plan.

**Board Meetings and Committees**

The Board of Trustees has general oversight responsibility with respect to the business and affairs of each Fund. The Board has engaged an investment adviser and (if applicable) a sub-adviser (collectively the "adviser") to manage each Fund and an administrator to administer each Fund is responsible for overseeing such adviser and administrator and other service providers to the Fund. The Board is currently composed of eight Trustees, including seven Trustees who are not "interested persons" of a Fund, as that term is defined in the 1940 Act (each an "Independent Trustee"). In addition to eight regularly scheduled meetings per year, the Board holds special meetings or informal conference calls to discuss specific matters that may require action prior to the next regular meeting. As discussed below, the Board has established five committees to assist the Board in performing its oversight responsibilities.

## Edgar Filing: EATON VANCE MUNICIPAL INCOME TRUST - Form DEF 14A

The Board has appointed an Independent Trustee to serve in the role of Chairman. The Chairman's primary role is to participate in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board with respect to matters to be acted upon by the Board. The Chairman also presides at all meetings of the Board and acts as a liaison with service providers, officers, attorneys, and other Trustees generally between meetings. The Chairman may perform such other

functions as may be requested by the Board from time to time. Except for any duties specified herein or pursuant to each Fund's Declaration of Trust or By-laws, the designation of Chairman does not impose on such Independent Trustee any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

Each Fund is subject to a number of risks, including, among others, investment, compliance, operational, and valuation risks. Risk oversight is part of the Board's general oversight of each Fund and is addressed as part of various activities of the Board of Trustees and its Committees. As part of its oversight of each Fund, the Board directly, or through a Committee, relies on and reviews reports from, among others, Fund management, the adviser, the administrator, the principal underwriter, the Chief Compliance Officer (the CCO), and other Fund service providers responsible for day-to-day oversight of Fund investments, operations and compliance to assist the Board in identifying and understanding the nature and extent of risks and determining whether, and to what extent, such risks can be mitigated. The Board also interacts with the CCO and with senior personnel of the adviser, the administrator, principal underwriter and other Fund service providers and provides input on risk management issues during meetings of the Board and its Committees. Each of the adviser, the administrator, the principal underwriter and the other Fund service providers has its own, independent interest and responsibilities in risk management, and its policies and methods for carrying out risk management functions will depend, in part, on its individual priorities, resources and controls. It is not possible to identify all of the risks that may affect a Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve a Fund's goals.

The Board, with the assistance of management and with input from the Board's various committees, reviews investment policies and risks in connection with its review of Fund performance. The Board has appointed a Fund CCO who oversees the implementation and testing of each Fund compliance program and reports to the Board regarding compliance matters for the Funds and their principal service providers. In addition, as part of the Board's periodic review of the advisory, subadvisory (if applicable), distribution and other service provider agreements, the Board may consider risk management aspects of their operations and the functions for which they are responsible. With respect to valuation, the Board approves and periodically reviews valuation policies and procedures applicable to valuing each Fund's shares. The administrator and the adviser are responsible for the implementation and day-to-day administration of these valuation policies and procedures and provides reports periodically to the Board regarding these and related matters. In addition, the Board or the Audit Committee of the Board receives reports periodically from the independent public accounting firm for each Fund regarding tests performed by such firm on the valuation of all securities, as well as with respect to other risks associated with mutual funds. Reports received from service providers, legal counsel and the independent public accounting firm assist the Board in performing its oversight function.

Each Fund's Declaration of Trust does not set forth any specific qualifications to serve as a Trustee. The Charter of the Governance Committee also does not set forth any specific qualifications, but does set forth certain factors that the Committee may take into account in considering Independent Trustee candidates. In general, no one factor is decisive in the selection of an individual to join the Board. Among the factors the Board considers when concluding that an individual should serve on the Board are the following: (i) knowledge in matters relating to the mutual fund industry; (ii) experience as a director or senior officer of public companies; (iii) educational background; (iv) reputation for high ethical standards and professional integrity; (v) specific financial, technical or other expertise, and the extent to which such expertise would complement the Board of Trustees' existing mix of skills, core competencies and qualifications; (vi) perceived ability to contribute to the ongoing functions of the Board of Trustees, including the ability and commitment to attend meetings regularly and work collaboratively with other members of the Board of Trustees; (vii) the ability to qualify as an Independent Trustee for purposes of the 1940 Act and any other actual or potential conflicts of interest involving the individual and each Fund; and (viii) such other factors as the Board determines to be relevant in light of the existing composition of the Board of Trustees.

Among the attributes or skills common to all Trustees are their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the other Trustees, management, sub-advisers, other service providers, counsel and independent registered public accounting firms, and to exercise effective and independent business judgment in the performance of their duties as Trustees. Each Trustee's ability to perform his or her duties effectively has been attained through the Trustee's business, consulting, public service and/or academic positions and through experience from service as a Board member in the Eaton Vance Group of Funds (and/or in other capacities, including for any predecessor funds), public companies, or nonprofit entities or other organizations as set forth below. Each Trustee's ability to perform his or her duties effectively also has been enhanced by his or her educational background, professional training, and/or other life experiences.

In respect of each current Trustee, the individual's substantial professional accomplishments and experience, including in fields related to the operations of the Eaton Vance Group of Funds, were a significant factor in the determination that the individual should serve as a Trustee. The following is a summary of each Trustee's particular professional experience and additional considerations that contributed to the Board's conclusion that he or she should serve as a Trustee:

Each Board of Trustees has several formal standing committees: an Audit Committee; a Contract Review Committee; a Governance Committee; a Portfolio Management Committee; and a Compliance Reports and Regulatory Matters Committee. The Audit Committee met sixteen times, the Contract Review Committee met eight times, the Governance Committee met five times, the Portfolio Management Committee met eight times and the Compliance Reports and Regulatory Matters Committee met twelve times during such period. Each Trustee attended at least 75% of such Board and Committee meetings on which he or she serves. None of the Trustees attended the Fund's 2010 Annual Meeting of Shareholders.

Each Committee of the Board of Trustees of each Fund is comprised of only Independent Trustees. The respective duties and responsibilities of these Committees remain under the continuing review of the Governance Committee and the Board.

providers; (ii) oversee or, as appropriate, assist Board oversight of the quality and integrity of each Fund's financial statements and the independent audit thereof; (iii) oversee, or, as appropriate, assist Board oversight of, each Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal control over financial reporting and independent audits; (iv) approve, prior to appointment, the engagement and, when appropriate, replacement of the independent auditors, and, if applicable, nominate independent auditors to be proposed for shareholder ratification in any proxy statement of each Fund; (v) evaluate the qualifications, independence and performance of the independent auditors and the audit partner in charge of leading the audit; and (vi) prepare, as necessary, such Audit Committee reports consistent with the requirements of applicable Securities and Exchange Commission ("SEC") and stock exchange rules for inclusion in the proxy statement for the Annual Meeting of Shareholders of the Fund. Each Fund's Board of Trustees has adopted a written charter for its Audit Committee, a copy of which is attached as Exhibit A. The written charter is also available on the Eaton Vance website, [www.eatonvance.com](http://www.eatonvance.com), by selecting "Individual Investors" followed by "Investor Resources" and then "Corporate Governance". The Audit Committee's Report is set forth below under Additional Information. The Board of Trustees of each Fund has designated Mr. Park as the Fund's Audit Committee financial expert.

Messrs. Verni (Chair), Esty, Freedman, Park and Pearlman, and Ms. Peters serve on the Contract Review Committee of the Board of Trustees of each Fund. The purposes of the Contract Review Committee are to consider, evaluate and make recommendations to the Board of Trustees concerning the following matters: (i) contractual arrangements with each service provider to each Fund, including advisory, sub-advisory, transfer agency, custodial and fund accounting, distribution services (if any) and administrative services; (ii) any and all other matters in which any of each Fund's service providers (including Eaton Vance or any affiliated entity thereof) has an actual or potential conflict of interest with the interests of the Fund or its shareholders; and (iii) any other matter appropriate for review by the Independent Trustees, unless the matter is within the responsibilities of the Audit Committee or the Governance Committee of each Fund.

Messrs. Esty (Chair) and Freedman, and Ms. Peters are currently members of the Portfolio Management Committee of the Board of Trustees of each Fund. The purposes of the Portfolio Management Committee are to: (i) assist the Board of Trustees in its oversight of the portfolio management process employed by each Fund and their investment adviser and sub-adviser(s), if applicable, relative to the Funds' stated objective(s), strategies and restrictions; (ii) assist the Board of Trustees in its oversight of the trading policies and procedures and risk management techniques applicable to the Funds; and (iii) assist the Board of Trustees in its monitoring of the performance results of all funds, giving special attention to the performance of certain funds that it or the Board of Trustees identifies from time to time.

Messrs. Pearlman (Chair) and Park, and Ms. Stout are currently members of the Compliance Reports and Regulatory Matters Committee of the Board of Trustees of each Fund. The purposes of the Compliance Reports and Regulatory Matters Committee are to: (i) assist the Board of Trustees in its oversight role with respect to compliance issues and certain other regulatory matters affecting the Funds; (ii) serve as a liaison between the Board of Trustees and the Funds' CCO; and (iii) serve as a qualified legal compliance committee within the rules promulgated by the SEC.

Mmes. Stout (Chair) and Peters, and Messrs. Esty, Freedman, Park, Pearlman and Verni serve on the Governance Committee of the Board of Trustees of each Fund. Each Governance Committee member is independent under applicable listing standards of the NYSE Amex or New York Stock Exchange (as applicable). The purpose of the Governance Committee is to consider, evaluate and make recommendations to the Board of Trustees with respect to the structure, membership and operation of the Board of Trustees and the Committees thereof, including the nomination and selection of Independent Trustees and a Chairperson of the Board and the compensation of Independent Trustees.

Each Fund's Board of Trustees has adopted a written charter for its Governance Committee, a copy of which is available on the Eaton Vance website, [www.eatonvance.com](http://www.eatonvance.com), by selecting "Individual Investors" followed by "Investor Resources" and then "Corporate Governance". The Governance Committee identifies candidates by obtaining referrals from such sources as it deems appropriate, which may include current Trustees, management of the Fund, counsel and other advisors to the Trustees, and shareholders of the Funds who submit recommendations in accordance with the procedures described in the Committee's charter. In no event shall the Governance Committee consider as a candidate to fill any vacancy an individual recommended by management of the Funds, unless the Governance Committee has invited management to make such a recommendation. The Governance Committee will, when a vacancy exists or is anticipated, consider any nominee for Independent Trustee recommended by a shareholder if such recommendation is submitted in writing to the Governance Committee, contains sufficient background information concerning the candidate, including evidence the candidate is willing to serve as an Independent Trustee if selected for the position, and is received in a sufficiently timely manner. The Governance Committee's procedures for identifying and evaluating candidates for the position of Independent Trustee, including the procedures to be followed by shareholders of a Fund wishing to recommend such candidates for consideration by the Governance Committee and the qualifications the Governance Committee will consider, are set forth in an appendix to the Committee's charter.

Proxy Statement dated January 26, 2011

## Edgar Filing: EATON VANCE MUNICIPAL INCOME TRUST - Form DEF 14A

The Governance Committee does not have a formal policy to consider diversity when identifying candidates for the position of Independent Trustee. Rather, as a matter of practice, the Committee considers the overall diversity of the Board's composition when identifying candidates. Specifically, the Committee considers how a particular candidate could be expected to contribute to overall diversity in the backgrounds, skills and experiences of the Board's members and thereby enhance the effectiveness of the Board. In addition, as part of its annual self-evaluation, the Board has an opportunity to consider the diversity of its members, including specifically whether the Board's members have the right mix of characteristics, experiences and skills. The results of the self-evaluation are considered by the Governance Committee in its decision-making process with respect to candidates for the position of Independent Trustee.

### Communications with the Board of Trustees

Each Independent Trustee is compensated for his or her services according to a fee schedule adopted by each Board of Trustees, and receives a fee that consists of an annual retainer and a committee service component. (5) Includes \$162,500 of deferred compensation.

Trustees of each Fund who are not affiliated with Eaton Vance may elect to defer receipt of all or a percentage of their annual fees in accordance with the terms of a Trustees Deferred Compensation Plan (the Trustees Plan ). Under the Trustees Plan, an eligible Trustee may elect to have his or her deferred fees invested by each Fund in the shares of one or more funds in the Eaton Vance Fund Complex, and the amount paid to the Trustees under the Trustees Plan will be determined based upon the performance

of such investments. Deferral of Trustees' fees in accordance with the Trustees' Plan will have a negligible effect on a Fund's assets, liabilities, and net income per share, and will not obligate a Fund to retain the services of any Trustee or obligate a Fund to pay any particular level of compensation to the Trustee. No Fund has a retirement plan for its Trustees.

#### **ADDITIONAL INFORMATION**

##### **Audit Committee Report**

Each Audit Committee reviewed and discussed the audited financial statements with Fund management. Each Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by SAS 61 (Communication with Audit Committees), as modified or supplemented. Each Audit Committee received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as modified or supplemented, and discussed with the independent registered public accounting firm their independence.

Based on the review and discussions referred to above, each Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the Fund's annual report to shareholders for the fiscal year ended November 30, 2010 for filing with the SEC. As mentioned, the Audit Committee is currently comprised of Messrs. Park (Chair) and Verni, and Mmes. Peters and Stout.

**Auditors, Audit Fees and All Other Fees.** Deloitte & Touche LLP (Deloitte), 200 Berkeley Street, Boston, Massachusetts 02116, serves as the independent registered public accounting firm of each Fund. Deloitte is not expected to be present at the Annual Meeting, but has been given the opportunity to make a statement if they desire to do so and will be available should any matter arise requiring their presence.

Aggregate audit, audit-related, tax, and other fees billed to each Fund by the Fund's independent registered public accounting firm for the relevant periods are set forth on Exhibit B hereto. Aggregate non-audit fees (i.e., fees for audit-related, tax, and other services) billed for the relevant periods to (i) each Fund by the Fund's independent registered public accounting firm; and (ii) the Eaton Vance Organization by the Fund's independent registered public accounting firm are also set forth on Exhibit B hereto.

Each Fund's Audit Committee has adopted policies and procedures relating to the pre-approval of services provided by the Fund's independent registered public accounting firm (the Pre-Approval Policies). The Pre-Approval Policies establish a framework intended to assist the Audit Committee in the proper discharge of its pre-approval responsibilities. As a general matter, the Pre-Approval Policies (i) specify certain types of audit, audit-related, tax, and other services determined to be pre-approved by the Audit Committee; and (ii) delineate specific procedures governing the mechanics of the pre-approval process, including the approval and monitoring of audit and non-audit service fees. Unless a service is specifically pre-approved under the Pre-Approval Policies, it must be separately pre-approved by the Audit Committee. The Pre-Approval Policies and the types of audit and non-audit services pre-approved therein must be reviewed and ratified by each Fund's Audit Committee at least annually. Each Fund's Audit Committee maintains full responsibility for the appointment, compensation, and oversight of the work of the Fund's independent registered public accounting firm.

Each Fund's Audit Committee has considered whether the provision by the Fund's independent registered public accounting firm of non-audit services to the Fund's investment adviser, as well as any of its affiliates that provide ongoing services to the Fund, that were not pre-approved pursuant to Rule 2-01(c)(7)(ii) of Regulation S-X is compatible with maintaining the independent registered public accounting firm's independence.

The expense of preparing, printing and mailing this Proxy Statement and enclosures and the costs of soliciting proxies on behalf of the Board of Trustees of each Fund will be borne ratably by the Funds. Proxies will be solicited by mail and may be solicited in person or by telephone or facsimile by officers of a Fund, by personnel of its administrator, Eaton Vance, by the transfer agent, American Stock Transfer & Trust Company, or by broker-dealer firms. The expenses associated with the solicitation of these proxies and with any further proxies which may be solicited by a Fund's officers, by Eaton Vance personnel, by American Stock Transfer &

Trust Company, or by broker-dealer firms, in person, or by telephone or by facsimile will be borne by that Fund. A written proxy may be delivered to a Fund or its transfer agent prior to the meeting by facsimile machine, graphic communication equipment or similar electronic transmission. A Fund will reimburse banks, broker-dealer firms, and other persons holding shares registered in their names or in the names of their nominees, for their expenses incurred in sending proxy material to and obtaining proxies from the beneficial owners of such shares. Total estimated proxy solicitation costs per Fund are approximately \$12,600 for Municipal Fund and approximately \$5,400 for each other Fund.

All proxy cards solicited by the Board of Trustees that are properly executed and received by the Secretary prior to the meeting, and which are not revoked, will be voted at the meeting. Shares represented by such proxies will be voted in accordance with the instructions thereon. If no specification is made on the proxy card with respect to Proposal 1, it will be voted FOR the matters specified on the proxy card. All shares that are voted and votes to ABSTAIN will be counted towards establishing a quorum, as will broker non-votes. (Broker non-votes are shares for which (i) the beneficial owner has not voted and (ii) the broker holding the shares does not have discretionary authority to vote on the particular matter.) Accordingly, abstentions and broker non-votes, which will be treated as shares that are present at the meeting but which have not been voted, will assist a Fund in obtaining a quorum but will have no effect on the outcome of Proposal 1.

A quorum requires the presence, in person or by proxy, of a majority of the outstanding shares of a Fund entitled to vote. In the event that a quorum is not present at the meeting, or if a quorum is present at the meeting but sufficient votes by the shareholders of a Fund in favor of the Proposal set forth in the Notice of this meeting are not received by March 25, 2011, the persons named as attorneys in the enclosed proxy may propose one or more adjournments of the meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares of that Fund present in person or by proxy at the session of the meeting to be adjourned. The persons named as attorneys in the enclosed proxy will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the Proposal for which further solicitation of proxies is to be made. They will vote against any such adjournment those proxies required to be voted against such Proposal. The costs of any such additional solicitation and of any adjourned session will be borne by the Fund. If any of the nominees are not elected by shareholders, the current Trustees may consider other courses of action.

#### **Section 16(a) Beneficial Ownership Reporting Compliance**

Based solely upon a review of the copies of the forms received by the Funds, all of the Trustees and officers of each Fund, EVM and its affiliates, and any person who owns more than ten percent of a Fund's outstanding securities have made all filings required under Section 16(a) of the Securities Exchange Act of 1934 regarding ownership of shares of the Funds for the Funds' fiscal year ended November 30, 2010.

Unless otherwise determined by the Board of Trustees, the Chairperson of the Board of Trustees shall be a member of the Committee. A Chairperson of the Committee shall be appointed by the Board of Trustees on the recommendation of the Governance Committee.

It is management's responsibility to maintain appropriate systems for accounting and internal control over financial reporting. Specifically, management is responsible for: (1) the preparation, presentation and integrity of the financial statements of each Fund; (2) the maintenance of appropriate accounting and financial reporting principles and policies; and (3) the maintenance of internal control over financial reporting and other procedures designed to assure compliance with accounting standards and related laws and regulations. ### III. Meetings of the Committee.

Meetings of the Committee shall be held at such times (but not less frequently than annually), at such places and for such purposes (consistent with the purposes set forth in this charter) as determined from time to time by the Board of Trustees, the Chairperson of the Board of Trustees, the Committee or the Chairperson of the Committee. - (4) To review and assess the performance of the independent auditors and to approve, on behalf of the Board of Trustees, the appointment and compensation of the independent auditors. Approval by the Committee shall be in addition to any approval required under applicable law by a majority of the members of the Board of Trustees who are not interested persons of the Fund as defined in Section 2(a)(19) of the 1940 Act. In performing this function, the Committee shall: (a) consider whether there should be a regular rotation of the Fund's independent auditing firm; (b) discuss with the independent auditors matters bearing upon the qualifications of such auditors as independent under applicable standards of independence established from time to time by the Securities and Exchange Commission (SEC), the Public Company Accounting Oversight Board and other regulatory authorities; and (c) shall secure from the independent auditors the information required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as in effect from time to time. The Committee shall actively engage in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditors.
- (5) To pre-approve: (a) audit and non-audit services provided by the independent auditors to the Fund; and (b) non-audit services provided by the independent auditors to the adviser or any other entity controlling, controlled by or under common control with the adviser that provides on-going services to the Fund (Adviser Affiliates) if the engagement of the independent auditors relates directly to the operations and financial reporting of the Fund, as contemplated by the Sarbanes-Oxley Act of 2002 (the Sarbanes-Oxley Act) and the rules issued by the SEC in connection therewith

(except, in the case of non-audit services provided to the Fund or any Adviser Affiliate, those within applicable de minimis statutory or regulatory exceptions), and to consider the possible effect of providing such services on the independence of the independent auditors.

- (6) To adopt, to the extent deemed appropriate by the Committee, policies and procedures for pre-approval of the audit or non-audit services referred to above, including policies and procedures by which the Committee may delegate to one or more of its members authority to grant such pre-approval on behalf of the Committee (subject to subsequent reporting to the Committee). The Committee hereby delegates to each of its members the authority to pre-approve any non-audit services referred to above between meetings of the Committee, provided that: (i) all reasonable efforts shall be made to obtain such pre-approval from the Chairperson of the Committee prior to seeking such pre-approval from any other member of the Committee; and (ii) all such pre-approvals shall be reported to the Committee not later than the next meeting thereof.
- (7) To consider the controls implemented by the independent auditors and any measures taken by management to ensure that all items requiring pre-approval by the Committee are identified and referred to the Committee in a timely fashion.
- (8) To receive at least annually and prior to the filing with the SEC of the independent auditors' report on the Fund's financial statements, a report from such independent auditors of: (i) all critical accounting policies and practices used by the Fund (or, in connection with any update, any changes in such accounting policies and practices), (ii) all material alternative accounting treatments within GAAP that have been discussed with management since the last annual report or update, including the ramifications of the use of the alternative treatments and the treatment preferred by the accounting firm, (iii) other material written communications between the independent auditors and the management of the Fund since the last annual report or update, (iv) a description of all non-audit services provided, including fees associated with the services, to any fund complex of which the Fund is a part since the last annual report or update that was not subject to the pre-approval requirements as discussed above; and (v) any other matters of concern relating to the Fund's financial statements, including any uncorrected misstatements (or audit differences) whose effects management believes are immaterial, both individually and in aggregate, to the financial statements taken as a whole. If this information is not communicated to the Committee within 90 days prior to the audit report's filing with the SEC, the independent auditors will be required to provide an update, in the 90 day period prior to the filing, of any changes to the previously reported information.
- (9) To review and discuss with the independent auditors the matters required to be communicated with respect to the Fund pursuant to Statement on Auditing Standards (SAS) No. 61 Communication With Audit Committees, as in effect from time to time, and to receive such other communications or reports from the independent auditors (and management's responses to such reports or communications) as may be required under applicable listing standards of the national securities exchanges on which the Fund's shares are listed, including a report describing: (1) the internal quality-control procedures of the independent auditors, any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry or investigation by governmental or professional regulatory authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with any such issues; and (2) all relationships between the independent auditors and the Fund and any other relationships or services that may impact the objectivity and independence of the independent auditors. To the extent unresolved disagreements exist between

- (10) To consider and review with the independent auditors any reports of audit problems or difficulties that may have arisen in the course of the audit, including any limitations on the scope of the audit, and management's response thereto.
- (11) To establish hiring policies for employees or former employees of the independent auditors who will serve as officers or employees of the Fund.
- (12) With respect to each Fund the securities of which are listed on a national securities exchange, to: (a) provide a recommendation to the Board of Trustees regarding whether the audited financial statements of the Fund should be included in the annual report to shareholders of the Fund; and (b) to prepare an audit committee report consistent with the requirements of Rule 306 of Regulation S-K for inclusion in the proxy statement for the Fund's annual meeting of shareholders.

- (15) To review and report to the Board of Trustees with respect to any material accounting, tax, valuation, or record-keeping issues which may affect the Fund, its respective financial statements or the amount of their dividend or distribution rates.
- (16) To establish procedures for: (a) the receipt, retention, and treatment of complaints received by the Fund regarding accounting, internal accounting controls, or auditing matters; and (b) the confidential, anonymous submission by employees of the Fund or its service providers (including its investment advisers, administrators, principal underwriters and any other provider of accounting related services to the Fund) of concerns regarding questionable accounting or auditing matters. The Committee hereby establishes the procedures set forth in Appendix A hereto with respect to such matters.
- (17) To direct and supervise investigations with respect to the following: (a) evidence of fraud or significant deficiencies in the design or implementation of internal controls reported to the Committee by the principal executive or financial officers of the Fund pursuant to the requirements of the Sarbanes-Oxley Act and related rules; and (b) any other matters within the scope of this charter, including the integrity of reported facts and figures, ethical conduct, and appropriate disclosure concerning the financial statements of the Funds.

- (20) To act on such other matters as may be delegated to the Committee by the Board of Trustees from time to time.
- (21) To review the adequacy of this charter and evaluate the Committee's performance of its duties and responsibilities hereunder at least annually, and to make recommendations to the Board of Trustees for any appropriate changes or other action.
- (22) To make recommendations to the Board of Trustees with respect to any of the above or such other matters as the Committee may deem necessary or appropriate in connection therewith.

## APPENDIX A

### EATON VANCE FUNDS

#### AUDIT COMMITTEE COMPLAINT PROCEDURES

This policy outlines the procedures that the Audit Committee (the "Committee") of each of the registered investment companies sponsored by Eaton Vance Management (each, a "Fund") shall employ with respect to complaints regarding accounting, internal accounting controls or auditing matters concerning each of the Funds ("Complaints"). Each Employee (as defined below) shall be provided with a copy of these procedures upon assuming his or her duties as an Employee, and annually thereafter.

##### I. Procedures for Receiving Complaints

All officers and employees of a Fund and, to the extent their duties relate to accounting, internal accounting controls or auditing matters for the Fund, the officers and employees of the Fund's investment advisers, administrators, principal underwriters and any other provider of accounting related services to the Fund (collectively referred to herein as "Employees"), may make complaints anonymously and in a confidential manner as follows:

- (1) The complaining Employee may place a telephone call to the Chairperson of the Committee. During this phone call, the Employee should identify the source of his or her Complaint and the practices that are alleged to constitute an impropriety with respect to accounting, internal auditing controls or auditing matters relating to a Fund, providing as much detail as possible.
- (2) Alternatively, the Employee may submit to the Chairperson of the Committee (by hand, mail, e-mail or fax) a confidential memorandum which details the Employee's Complaint and the practices that are alleged to constitute an improper accounting, internal auditing control or auditing matter, providing as much detail as possible.
- (3) The name and contact information for the current Chairperson of the Committee will be provided to Employees when they are provided with a copy of these procedures.

##### II. Procedures for Treating Complaints

The Chairperson of the Committee or another member of the Committee will conduct an initial evaluation of each Complaint received by the Committee as soon as reasonably practicable following receipt. In connection with the initial evaluation, the Chairperson of the Committee (or such other of the Committee) will determine whether the Complaint actually relates to the accounting, internal accounting controls or auditing matters of a Fund and, if not, whether it should be reviewed by a party other than the Committee. The Chairperson of the Committee shall also determine whether the Complaint requires investigation by the Committee.

After the initial evaluation is complete, all Complaints requiring investigation by the Committee will be discussed at the next regularly-scheduled meeting of the Committee, or a specially-scheduled meeting in advance thereof. The Committee shall investigate the Complaints as follows:

- (1) the Committee may choose to investigate the Complaint through its own members and/or with the assistance of counsel;
- (2) the Committee may select a designee within the Fund or its service providers to investigate the Complaint, provided that the identity of the complaining Employee shall not be disclosed to such designee. Under no circumstances will a party who has direct supervisory control or who may be responsible for the action giving rise to the Complaint be charged with its investigation;
- (3) the Committee may retain an outside party (other than the Fund's independent auditors) to investigate the Complaint; or
- (4) the Committee may investigate the Complaint in such other manner determined by the Committee.

Any party designated to investigate a Complaint shall be provided reasonable access to the Fund's (and to the extent deemed necessary by the Committee, the Fund's service providers') employees, documents, and computer systems for purposes of conducting the investigation. At the conclusion of its investigation, which shall be completed promptly after referral of the Complaint, the investigating party will be responsible for making a full report to the Committee with respect to the Complaint and to make recommendations for corrective actions, if any, to be taken by the Fund. The Committee will then report to the Board of Trustees at its next regularly-scheduled meeting with respect to the Complaint and any corrective actions recommended by the

A-5

Proxy Statement dated January 26, 2011

Committee. If the Complaint involves improprieties of any member of the Board of Trustees, the Committee may make its report in an executive session of the Board of Trustees.

### III. Procedures for Retaining Complaints

The Chairperson of the Committee will be responsible for ensuring that all Complaints received by the Committee, together with any documents pertaining to the Committee (or a designee's) investigation and treatment of the Complaint, are retained for six years, or for such longer period as may be required by applicable law, in a manner consistent with preserving the anonymity of Employees who have submitted Complaints.
