PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS

The Board of Directors (the "Board") of Talk America Holdings, Inc., a Delaware corporation (the "Company"), the principal executive offices of which are located at 12020 Sunrise Valley Drive, Reston, Virginia 20190, hereby solicits your proxy in the form enclosed for use at the Annual Meeting of Stockholders to be held on June 18, 2003 (the "Annual Meeting"), or at any adjournment or adjournments thereof. The Annual Meeting will be held at The Sheraton Reston Hotel, 11810 Sunrise Valley Drive, Reston, Virginia 20191 at 10:00 a.m., Eastern time. The Company will bear the expenses of soliciting your proxy. This proxy statement and the accompanying form of proxy are first being released for mailing to stockholders on or about May 6, 2003.

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

We urge you to date, sign and mail your proxy promptly to make certain that your shares will be voted at the Annual Meeting. Proxies in the enclosed form that are received in time for the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions, if any, indicated on the proxy card. If no instruction is given, the proxy will be voted in favor of the nominees for election as directors specified under "PROPOSAL 1: ELECTION OF DIRECTORS"; in favor of the ratification and approval of the selection of auditors as described in "PROPOSAL 2: RATIFICATION OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS"; and in favor of the ratification and approval of the adoption of the 2003 Long Term Incentive Plan as described in "PROPOSAL 3: APPROVAL OF THE 2003 LONG TERM INCENTIVE PLAN." Any proxy may be revoked at any time before it is exercised by giving written notice of such revocation or delivering a later dated proxy to the Corporate Secretary of the Company prior to the Annual Meeting, or by voting in person at the Annual Meeting.

VOTING SECURITIES

Only stockholders of record at the close of business on April 21, 2003 are entitled to vote at the Annual Meeting. On April 21, 2003, there were 26,175,205 shares of Company common stock, par value \$.01 per share, outstanding and entitled to vote (excluding 1,315,789 shares of common stock held in treasury). Each share of common stock is entitled to one vote. The presence in person or by proxy at the Annual Meeting of the holders of a majority of the shares of common stock will constitute a quorum for the transaction of business.

With respect to Proposal 1, the nominees in Class II for election as directors who receive the greatest number of votes cast at the Annual Meeting, assuming that a quorum is present, shall be elected as directors. A withheld vote on any nominee will not affect the voting results.

With respect to Proposal 2, approval will require the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote.

With respect to Proposal 3, approval will require the affirmative vote of the holders of a majority of the total votes cast at the Annual Meeting in respect of the proposal.

Brokers who hold shares in street name do not have the authority to vote on certain matters for which they have not received instructions from beneficial owners. Such broker non-votes (arising from the lack of instructions from beneficial owners) will not affect the outcome of the vote on Proposal 1, Proposal 2 or Proposal 3.

It is anticipated that sufficient stockholders will attend the meeting, in person or by proxy, to constitute a quorum for the transaction of business.

Under Section 16(a) of the Securities Exchange Act of 1934, as amended, the Company's directors and certain officers and persons who are the beneficial owners of more than 10 percent of the common stock of the Company are required to report their ownership of the common stock, options and certain related securities and any changes in that ownership to the SEC. Specific due dates for these reports have been established, and the Company is required to report any failure to file by such dates in 2002. The Company believes that all of the required filings have been made in a timely manner, except that the executive officers of the Company who participated in the Company's Employee Option Exchange (described under "EXECUTIVE COMPENSATION - Stock Options" below) that was completed in April 2002, including Messrs. Battista, Meyercord, Lawn, Earhart, Brasselle, Griffo, and Vinall, reported the cancellation of their options that were exchanged in their timely filed Form 4 reports of the issuance of the new options delivered in the exchange, rather than in the earlier Form 5 report. In making this statement, the Company has relied on copies of the reporting forms received by it.

PROPOSAL 1: ELECTION OF DIRECTORS

The Company's Amended and Restated Certificate of Incorporation provides that the Board shall consist of not less than one nor more than 15 persons, the exact number to be fixed and determined from time to time by resolution of the Board. The Board has acted to fix the number of directors at five. Pursuant to the terms of the Company's Amended and Restated Certificate of Incorporation, the Board is divided into three classes, as nearly equal in number as reasonably possible, with terms currently expiring at the annual meeting of stockholders in 2003 ("Class II"), the annual meeting of stockholders in 2004 ("Class I"), and the annual meeting of stockholders in 2005 ("Class III"), respectively.

At the Annual Meeting, Arthur Marks and Edward B. Meyercord, III are to be elected as Class II directors, for terms to expire at the annual meeting of stockholders in 2006. Messrs. Marks and Meyercord will each serve until his successor has been elected and qualified. Mr. Marks currently serves as a director of the Company. Mr. Meyercord currently serves as the President and a director of the Company. The proxies solicited hereby, unless directed to the contrary therein, will be voted for the nominees. The nominees have consented to being named in this proxy statement and to serve if elected. The Board has no reason to believe that the nominees for election as director will not be candidates or will be unable to serve, but if either occurs it is intended that the shares represented by proxies will be voted for such substituted nominee or nominees as the Board, in its discretion, may designate.

The members of the Audit Committee are independent, as that term is defined in the National Association of Securities Dealers listing standards. The Audit Committee's primary purpose is to oversee the Company's accounting and financial reporting processes and the audits of the Company's financial statements. Without limitation of the generality of the foregoing, the Audit Committee's primary functions are to oversee: the integrity of the Company's financial statements and financial reporting structure; the Company's compliance with related legal and regulatory requirements; the independent auditor's qualifications and independence; and the performance of the Company's independent auditors. AUDIT COMMITTEE REPORT

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this report by reference therein.

During 2000, the Audit Committee of the Board developed an updated charter for the Committee, which was approved by the full Board on March 20, 2000. Management and the Audit Committee, with assistance of legal counsel, have been reviewing the various proposals and recently adopted rules with respect to accounting and other matters. An updated charter for the Audit Committee was approved by the full Board on April 29, 2003. A copy of the updated charter is attached hereto as Exhibit A. The updated charter revises the prior charter by providing that the Audit Committee: engages and hires the Company's independent auditors, approves related party transactions and establishes procedures for the receipt, retention and treatment of complaints regarding Company accounting and auditing matters. The Audit Committee reviews and reassesses this charter at least annually.

While management is responsible for the preparation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations, the Audit Committee's primary purpose is to oversee the Company's accounting and financial reporting processes and the audits of the Company's financial statements. The Company's independent auditors, PricewaterhouseCoopers LLP, are responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed the audited financial statements for fiscal 2002 with the Company's management and has discussed with PricewaterhouseCoopers LLP the matters that are required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. In addition, PricewaterhouseCoopers LLP has provided the Audit Committee with the written disclosures and the letter required by the Independence Standards Board Standard No.1, Independence Discussions with Audit Committees, and the Audit Committee has discussed with PricewaterhouseCoopers LLP their independence.

Based on these reviews and discussions, the Audit Committee recommended to

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the SEC.

The Compensation Committee met or took action by written consent in lieu of a meeting 20 times during 2002.

Although the Board has not established a nominating or similar committee, the Board will consider stockholder nominations for directors submitted in accordance with the procedure set forth in Section 402 of the Company's Bylaws. The procedure provides that a notice relating to the nomination of directors must be timely given in writing to the Chairman of the Board of the Company prior to the meeting. To be timely, notice relating to the nomination of directors must be delivered not less than 14 days nor more than 50 days prior to any such meeting of stockholders called for the election of directors. Notice to the Company from a stockholder who proposes to nominate a person at a meeting for election as a director must be accompanied by each proposed nominee's written consent and contain, to the extent known to the notifying stockholder, the name, address and principal occupation of each proposed nominee, the total number of shares of capital stock of the Company that will be voted for each of the proposed nominees, the name and address of the notifying stockholder, the number of shares of capital stock of the Company owned by each notifying stockholder and the information regarding the proposed nominee that would be required to be disclosed in a proxy statement filed under the Securities Exchange Act of 1934. Stockholder nominations not made in accordance with this procedure may be disregarded by the Chairman, who may instruct that all votes cast for each such nominee be disregarded.

The Company currently pays non-employee directors an annual retainer of \$10,000. Directors are eligible to receive, and have been granted in the past, options to purchase shares of common stock of the Company. No options were granted in 2002. 16

the Company common stock no longer being required to be registered under the Securities Exchange Act of 1934), Mr. Battista will receive an additional bonus of \$1,000,000 if the price per share for the Company common stock in such transaction is less than or equal to \$60.00 per share, or \$3,000,000 if the consideration is greater than \$60.00 per share.

Each of the employment agreements for Messrs. The severance benefits are generally the payment of an amount equal to two years' base salary plus the average annual incentive bonus earned by the executive in the preceding four years, as well as the continuation of various employee benefits for two years.

17

Each of the above-described agreements requires the executive to maintain the confidentiality of Company information and assign any inventions to the Company. COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee approves salaries and certain incentive compensation arrangements for management and key employees of the Company.

The principal elements of the Company's compensation structure are described below:

Annual Salary. Minimum annual base salaries for executive officers of the Company have been established pursuant to employment contracts negotiated with each of the executive officers of the Company. Increases above such minimum base salaries may be granted in the discretion of the Compensation Committee based on its subjective assessment of individual performance. The Company believes that such employment contracts help to attract and retain qualified individuals. In

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

addition, the employment agreements include confidentiality and non-compete agreements by the officers. See "EXECUTIVE COMPENSATION - Employment Contracts."

Annual Bonuses. For 2002, the Board approved an annual bonus program for the executive officers and certain other employees of the Company to provide further incentive to achieve the Company's 2002 performance goals. Bonus targets for the program were 50% of base salary for the CEO and President and 40% of base salary for the balance of the executive officers. Awards under this program were based upon achieving the Company's operating plan, with the opportunity for leverage of the bonus targets based upon surpassing such plan. The Compensation Committee of the Board reviewed the Company's performance in 2002 against the criteria that had been established under the program and, at the Compensation Committee's recommendation, the Board subsequently approved bonuses for the Company's executive officers as set forth in the annual bonus program, which awards to the persons named in the Summary Compensation Table, above, are reflected therein under the "Bonus" column.

In addition, the Board adopted an incentive compensation plan for a limited number of employees, including executive officers of the Company other than the CEO. Under this plan, the participating employees were organized in groups on a cross-functional basis and charged with the responsibility for improving and monitoring the following operational areas: customer satisfaction, general and administrative expenses/capital budget, sales and marketing, credit quality,

18

gross margin, and facilities-based provisioning. Incentive compensation under this plan was based upon the Company's achieving certain operational performance measures established by the Board when it adopted the plan. Maximum compensation per employee for each cross-function team was \$2,000 per quarter, with an aggregate quarterly cap of \$4,000. The incentive compensation awards under this plan to the persons named in the Summary Compensation Table, above, are reflected therein under the "Bonus" column.

Long Term Incentive Compensation. In general, the Company has granted stock options to key executives as an inducement to such executives' entering into employment contracts with the Company.

The Company believes that stock options are an effective tool for directly linking the financial interests of executive officers and key employees with those of the Company's stockholders and for recruiting and retaining high quality management personnel. Stock options are intended to focus the efforts of executive officers and key employees on performance that will increase the value of the Company for all of its stockholders. In keeping with this purpose, the Company initiated the Employee Option Exchange on August 29, 2001, as described under "EXECUTIVE COMPENSATION - Stock Options," above, to allow eligible employees to exchange outstanding options that had exercise prices significantly higher than the then-current market price of the Company's common stock for options with an exercise price equal to the market value of the shares on the date of grant. The Employee Option Exchange was completed on April 5, 2002. The Company believed that options with an exercise price closer to current market value would provide a better performance incentive for the holders.

Future option grants or other stock or incentive awards under the 1998 Long Term Incentive Plan, the 2000 Long Term Incentive Plan, the 2001 Non-Officer Long Term Incentive Plan and, if approved, the 2003 Long Term Incentive Plan, will be made in the discretion of the Compensation Committee, including in connection with the negotiation of individual employment arrangements.

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

Chief Executive Officer's 2002 Compensation. As set forth in the Summary Compensation Table, Mr. Battista's base salary of \$500,000 in 2002 was established pursuant to the terms of the employment agreement he entered into when he joined the Company. The Compensation Committee determined that the Company's performance satisfied the criteria it had established under the 2002 annual bonus program described above and qualified Mr. Battista for a bonus of \$535,000 for 2002. In extending Mr. Battista's employment agreement in March 2001 to December 31, 2004, the Compensation Committee had determined to retain the same compensation terms, including the amount of the base salary.

PROPOSAL 2: RATIFICATION OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Audit Committee of the Board has appointed the firm of PricewaterhouseCoopers LLP as independent auditors of the Company for the current fiscal year. This firm has served as the Company's independent auditors since 2000 and has no direct or indirect financial interest in the Company.

Although not legally required to do so, the Audit Committee and the Board are submitting the selection of PricewaterhouseCoopers LLP as the Company's

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

independent auditors for ratification by the stockholders at the Annual Meeting. If a majority of the shares present in person or represented by proxy at the meeting and entitled to vote is not voted for such ratification (which is not expected), the Audit Committee will reconsider its appointment of PricewaterhouseCoopers LLP as independent auditors of the Company.

A representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting and will have the opportunity to make a statement if he desires to do so. It is anticipated that such representative will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote FOR the proposal to ratify the selection of PricewaterhouseCoopers LLP as independent auditors of the Company.

During the Company's fiscal years ended December 31, 2002 and 2001, PricewaterhouseCoopers LLP provided services to the Company in the following categories and amounts:

DESCRIPTION -----	2002 ----	2001 ----
Audit Fees	\$203,000	\$172,619 (1)
Audit-Related Fees	\$ 54,140	\$ 50,401
Tax Fees	\$ 0	\$ 0
All Other Fees	\$ 31,400	\$108,619

(1) In addition, the Company paid BDO Seidman, its former auditors, \$11,940 in fiscal 2001 for BDO Seidman's services in connection with reissuance of their report on the Company's financial statements for the year ended December 31, 1999.

21

In the above table, in accordance with new SEC definitions and rules, which the Company elected to adopt for this year's proxy statement, "audit fees" are fees the Company paid to PricewaterhouseCoopers LLP for professional services for the audit of the Company's consolidated financial statements included in Form 10-K and review of financial statements included in Form 10-Qs, or for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; "audit related fees" are fees billed by PricewaterhouseCoopers LLP for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements; "tax fees" are fees for tax compliance, tax advice, and tax planning; and "all other fees" are fees billed by PricewaterhouseCoopers LLP to the Company for any services not included in the first three categories.

The Audit Committee has determined that the services provided by PricewaterhouseCoopers LLP to the Company that were not related to its audit of the Company's financial statements were at all relevant times compatible with that firm's independence and approved all such services.

PROPOSAL 3: APPROVAL OF THE 2003 LONG TERM INCENTIVE PLAN

The Company's Board has approved the Company's 2003 Long Term Incentive Plan, subject to the approval of the Company's stockholders. Approximately 65,500 shares of the Company's common stock under the existing 1998 Long Term Incentive Plan and 60,500 shares of the Company's common stock under the existing 2000 Long Term Incentive Plan remain currently available for award to executive officers and other employees of the Company. Approximately 774,188

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

shares of the Company's common stock under the existing 2001 Non-Officer Long Term Incentive Plan remain currently available for award to Company employees who are not executive officers. The new 2003 Long Term Incentive Plan provides for the issuance of up to 1,250,000 shares of the Company's common stock. The Company's Board believes that the availability of share awards under the new 2003 Long Term Incentive Plan will give the Company the needed compensation flexibility to continue to attract and retain key employees. The 2003 Long Term Incentive Plan will increase the ability of the Board of Directors to adapt the compensation of such employees to the changing needs of the Company's business and to competitive trends in executive compensation practices. The Board also believes that in order to more closely align the interests of such employees with the interests of the stockholders of the Company, increased ownership of the Company's stock by these individuals is desirable.

The following is a summary description of the new 2003 Long Term Incentive Plan, which description is qualified in its entirety by reference to the 2003 Long Term Incentive Plan, a copy of which is attached hereto as Exhibit B.

ELIGIBILITY AND TYPES OF AWARDS

All employees of the Company and its subsidiaries and all non-employee directors of the Company are eligible to participate in the new 2003 Long Term

22

Incentive Plan. Eligible employees to whom awards will be granted under the 2003 Long Term Incentive Plan will be selected by the committee of the Company's Board of Directors that administers the 2003 Long Term Incentive Plan, as discussed below. The 2003 Long Term Incentive Plan permits the granting of the following types of awards: (1) stock options, including options designated as incentive stock options under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or ISOs, and options not so designated, (2) stock appreciation rights or SARs, (3) restricted stock, and (4) incentive shares. Dividends or interest or their equivalent may also be paid or credited in connection with any award. Since the number and identity of employees to whom awards may be granted under the new 2003 Long Term Incentive Plan and the form of such awards are at the discretion of the committee administering the 2003 Long Term Incentive Plan, it is not possible at this time to predict precisely the number or identity of the individuals to whom awards may be granted in the future or the type or size of such awards. It is expected, however, that the individuals receiving awards will include officers named in the Summary Compensation table above under the heading "EXECUTIVE COMPENSATION," other executive officers of the Company and directors of the Company. The maximum number of shares of Company common stock that may be awarded to any employee under the 2003 Long Term Incentive Plan during any calendar year is 250,000, subject to adjustment as described below. Unless earlier terminated by the Board, the 2003 Long Term Incentive Plan will terminate on April 29, 2013; termination of the 2003 Long Term Incentive Plan will not, however, affect the validity of any then outstanding award.

ADMINISTRATION OF 2003 LONG TERM INCENTIVE PLAN

The 2003 Long Term Incentive Plan will be administered by a committee of the Board, which initially will be the Compensation Committee. This committee has the authority (i) to select employees to whom awards are granted, (ii) to determine the size and types of awards granted, (iii) to determine the terms and conditions of such awards in a manner consistent with the 2003 Long Term Incentive Plan (discussed below), (iv) to interpret the 2003 Long Term Incentive Plan and any instrument or agreement entered into under the 2003 Long Term Incentive Plan, (v) to establish such rules and regulations relating to the administration of the 2003 Long Term Incentive Plan as it deems appropriate and

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

(vi) to make all other determinations that may be necessary or advisable for the administration of the 2003 Long Term Incentive Plan. The committee may amend the terms of any award, or substitute new awards for previously granted awards, provided that such amendment or substitution may not impair the rights of any participant with respect to any outstanding award without his consent.

The Board of Directors may amend, alter or terminate the 2003 Long Term Incentive Plan at any time, provided that no such action may impair the rights of a participant with respect to any outstanding award without the participant's consent and provided that no amendment may be made without stockholder approval if such approval is required to comply with applicable law or requirements of any interdealer quotation system or stock exchange on which the Company's common stock is listed or quoted.

SHARES SUBJECT TO 2003 LONG TERM INCENTIVE PLAN

Subject to adjustment as described below, 1,250,000 shares of the Company's common stock shall be available for grant under the 2003 Long Term Incentive Plan. If any shares subject to any award are forfeited, or if any award is terminated without issuance of shares or is satisfied with other consideration, the shares subject to such award shall again be available for future grants. Further, awards substituted for previous awards in accordance with the terms of the 2003 Long Term Incentive Plan will not be counted toward the share limit unless otherwise provided by the administering committee. The closing sale price of the Company's common stock on the NASDAQ National Market on April 15, 2003 was \$8.58.

STOCK OPTIONS

The purchase price per share under any option will be determined by the administering committee, provided that it shall not be less than 25% of the fair market value of a share on the date of grant of the option, nor less than the par value of a share. The term of each option shall be fixed by the committee, provided that no option shall have a term extending beyond ten years (five years in the case of ISOs granted to ten-percent stockholders) from the date the option is granted. Options are exercisable during their term as provided by the committee. Options shall be exercised by payment of the purchase price, either in cash, in shares valued at the fair market value on the date the option is exercised, in any combination thereof or in such other form of consideration as the committee shall determine, provided, that, if the committee so provides, an option may be exercised by delivery of a properly executed exercise notice together with irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds necessary to pay the purchase price and applicable withholding taxes in full and such other documents as the committee shall determine. The ability to deliver shares in lieu of cash on the exercise of options could permit the successive, immediate exercise of options with shares received upon earlier or substantially simultaneous exercises. Whether an option holder uses shares to exercise an entire option in a single exercise or through successive exercises, the net increase in shares held by such person will be identical. The committee may accept as partial payment on the exercise of options a promissory note, which may be secured by the shares to be received upon such exercise. The maximum number of shares with respect to which options may be granted to any employee under the 2003 Long Term Incentive Plan in any calendar year is 250,000 shares.

STOCK APPRECIATION RIGHTS

An SAR may be granted either alone or in conjunction with any other award under the 2003 Long Term Incentive Plan. SARs related to any option (i) must be

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

granted at the time such option is granted, and (ii) if such option is an ISO may be exercisable only upon exercise of the related option. Upon exercise of an SAR, the holder thereof is entitled to receive the excess of the fair market value of the shares for which the right is exercised (calculated as of the exercise date) over either the exercise price per share of the related option or, if none, over the fair market value of such number of shares on the date the SAR was granted (hereinafter, the "exercise price") or such amount in excess of such fair market value as may be specified by the administering committee.

24

Payment by the Company upon exercise of an SAR may be made in cash or shares, or any combination thereof, as the administering committee shall determine.

RESTRICTED STOCK

The administering committee shall determine the terms and conditions, including acceleration and forfeiture provisions and other provision and restrictions (which may include restrictions on the right to vote such shares and the right to receive any dividends with respect thereto) that shall be placed on restricted stock awarded under the 2003 Long Term Incentive Plan. This restricted stock may not be disposed of by the recipient until any such restrictions lapse. Restricted stock may be issued for no cash consideration or for such minimum consideration as may be required by applicable law. Upon termination of employment during the restricted period, all restricted stock shall be forfeited, subject to such exceptions, if any, as are authorized by the committee relating to termination of employment on retirement, disability, death or other special circumstances.

INCENTIVE SHARE AWARDS

The administering committee may grant incentive share awards, which shall provide for the issuance of shares at such times and subject to such terms and conditions as the committee shall deem appropriate, including without limitation terms that condition the issuance of such shares upon the achievement of performance goals.

ASSIGNABILITY OF AWARDS

An award and the shares subject to an award may not be assigned, transferred, pledged or otherwise encumbered by a participant except as may be approved by the administering committee in the award or subsequently.

ADJUSTMENTS

In the event of any change in corporate structure of the Company affecting the shares (e.g., merger, consolidation, recapitalization, reclassification or stock dividend), the committee may make such adjustments as it deems appropriate to the number, class and option price of shares subject to outstanding options granted under the 2003 Long Term Incentive Plan, and in the value of, or number or class of shares subject to, other awards granted or available to be granted under the 2003 Long Term Incentive Plan and to individual employees.

FEDERAL INCOME TAX CONSEQUENCES

The following discussion briefly summarizes certain federal income tax aspects of stock options, stock appreciation rights, and restricted stock granted under the 2003 Long Term Incentive Plan. State and local tax consequences may differ.

Incentive Stock Options. In general, an optionee is not required to

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

recognize income at the time of the grant or exercise of an ISO. However, the

25

difference between the exercise price and the fair market value of the stock on the exercise date is an adjustment item for purposes of the alternative minimum tax. If an optionee does not exercise an ISO within certain specified periods of time after termination of employment, the ISO is treated for federal income tax purposes in the same manner as a nonqualified stock option, as described below.

Nonqualified Stock Options. An optionee generally is not required to recognize income at the time of grant of a nonqualified stock option. However, an optionee generally is required to recognize ordinary income on the date the nonqualified stock option is exercised in an amount equal to the excess of the fair market value of the shares on the exercise date over the exercise price.

Stock Appreciation Rights. A grantee generally is not required to recognize income at the time of grant of an SAR. However, a grantee generally is required to recognize ordinary income on the date the SAR is exercised in an amount equal to the amount of cash and the fair market value of any shares received on exercise.

Restricted Stock. Shares of restricted stock awarded under the 2003 Long Term Incentive Plan will be subject to a substantial risk of forfeiture (i.e. a vesting requirement) for the period of time specified in the award. Unless a grantee of shares of restricted stock makes an election under Section 83(b) of the Code as described below, the grantee is not required to recognize ordinary income at the time of grant of restricted stock. However, on the date the substantial risk of forfeiture lapses, the grantee recognizes ordinary income in an amount equal to the fair market value of the shares on such date. If a grantee makes a Section 83(b) election to recognize ordinary income on the date the shares of restricted stock are granted, the grantee recognizes ordinary income at such time in an amount equal to the fair market value of the shares on the date of award. In such case, the grantee is not be required to recognize additional ordinary income when the substantial risk of forfeiture lapses.

Gain or Loss on Sale or Exchange of Shares. In general, gain or loss from the sale or exchange of shares acquired pursuant to awards under the 2003 Long Term Incentive Plan will be treated as capital gain or loss, provided that the shares are held as capital assets at the time of the sale or exchange. However, in the case of shares acquired pursuant to the exercise of ISOs, if certain holding period requirements are not satisfied at the time of a sale or exchange (a "disqualifying disposition"), an optionee may be required to recognize ordinary income upon such disposition.

Deductibility by Company. The Company generally is not allowed a deduction in connection with the grant or exercise of an ISO. However, if an optionee is required to recognize income as a result of a disqualifying disposition, the Company will be entitled to a deduction equal to the amount of ordinary income so recognized. In the case of nonqualified stock options (including an ISO that is treated as a nonqualified stock option, as described above), SARs and restricted stock, the Company generally will be allowed a deduction at the same time and in the same amount as the optionee or grantee recognizes ordinary income.

Section 162(m). Subject to certain exceptions, Section 162(m) of the Code disallows federal income tax deductions for compensation paid by a publicly-held

26

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

corporation to certain executives to the extent it exceeds \$1 million for the taxable year. The 2003 Long Term Incentive Plan has been designed to allow the administering committee to make awards under the plan that qualify under a "performance-based compensation" exception to the \$1 million deduction limit.

VOTE REQUIRED FOR APPROVAL OF ADOPTION OF THE 2003 LONG TERM INCENTIVE PLAN

The Company is submitting the new 2003 Long Term Incentive Plan to its stockholders for approval as required by NASD rules governing Nasdaq-traded issuers. Under these rules, the affirmative vote of the holders of a majority of the total votes cast at the Annual Meeting in respect of the proposal is required to ratify the adoption of the 2003 Long Term Incentive Plan.

Any stockholder proposals for the 2004 annual meeting of stockholders that are submitted outside the processes of Rule 14a-8 under the Securities Act of 1934 will be considered untimely if not received by the Company within a reasonable time prior to its printing its proxy materials in 2004. 27

stockholder proposal for next year's annual meeting submitted after March 22, 2004, or, if the Company changes the date of the 2004 annual meeting by more than 30 days from this year's, after a reasonable time before the Company mails its proxy materials for next year's annual meeting, will not be considered filed on a timely basis with the Company under SEC Rule 14a-4(c)(1). For proposals that are not filed on such a timely basis, the Company retains discretion to vote proxies it receives. Subject to the applicable provisions of the Delaware corporate law and the Company's Amended and Restated Certificate of Incorporation and its By-laws, the audit committee may adopt such operating rules as it may deem appropriate for the exercise of its authority and the discharge of its responsibility and for the conduct of its activities as a committee, including, without limitation, establishing the times and places of its meetings and providing for the delegation of the responsibility for the conduct of certain of its specific activities to one or more of its members, who will report back to the audit committee as a whole.

In discharging its responsibilities, the audit committee shall have the power to investigate any matter brought to its attention, shall have full access to all books, records, facilities and personnel of the Company and shall have the power and authority to engage and determine funding, by the Company, for such independent counsel and other advisors as it may determine are necessary for it to carry out its duties and responsibilities.

limitation of the foregoing, the audit committee shall address with the independent auditors in connection with any audit performed by them (i) the Company's critical accounting policies and practices, (ii) alternative treatments of financial information within GAAP that the independent auditors have discussed with Company management, the ramifications of the use of such alternative disclosures and treatments and the alternative preferred by the independent auditors and (iii) any material written communications between the independent auditors and Company management, such as any management letter and any schedule of unadjusted differences.

- Annually, the audit committee shall review and recommend to the Board of Directors as a whole the selection of the Company's independent auditors.

 - Prior to the filing of each of the Company's Quarterly Reports on Form 10-Q, the audit committee shall review with management and the independent auditors the interim financial statements and other information to be included in the Form 10-Q, including the Company's disclosure under "Management's Discussion and Analysis of Financial Condition and Results of Operations" ("MD&A"). The audit committee also shall discuss the results of the quarterly review and any other matters required to be communicated to the audit committee by the independent auditors under generally accepted auditing standards. Any member of the audit committee may represent the entire audit committee for the purposes of the review described in this paragraph, in which event such member will make a presentation to the audit committee at its next regularly scheduled meeting.

iv

Also, the audit committee shall discuss the results of the annual audit and any other matters required to be communicated to the audit committee by the independent auditors under generally accepted auditing standards,

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

- The audit committee shall establish procedures for the confidential, anonymous submission of complaints or concerns regarding questionable accounting or auditing matters.
- The audit committee shall review and approve all related-party transactions.

ANNUAL REVIEW

The audit committee shall review and reassess the adequacy of this charter at least annually and recommend any proposed changes to the Board of Directors.

Subject to the provisions of this Plan, the Committee shall have plenary authority to interpret this Plan and any Agreements, prescribe, amend and rescind rules and regulations relating to them, and make all other determinations deemed necessary or advisable for the administration of this Plan and Awards granted hereunder. The determinations of the Committee on the matters referred to in this Section 3 shall be binding and final.

4. Eligibility. Options, Rights, Restricted Stock and Incentive Shares may be granted or awarded only to Employees and Directors, provided, however, that Directors, other than Employee Directors, may not be granted Incentive Stock Options. A Director, Employee or Employee Director who has been granted an Option or Right or awarded Restricted Stock or Incentive Shares may be granted additional Options and Rights or awarded additional shares of Restricted Stock or Incentive Shares.

5. Stock Subject to Plan.

5.1. Subject to adjustment as provided in Section 11, (a) the maximum number of Shares that may be issued under this Plan is 1,250,000 Shares, and (b) the maximum number of Shares with respect to which an Employee may receive Awards under this Plan during any calendar year is 250,000.

5.2. If an Option or Right expires or terminates for any reason (other than termination by virtue of the exercise of a Related Option or Related Right, as the case may be) without having been fully exercised, or is surrendered pursuant to Section 6.3, if shares of Restricted Stock are forfeited or if Shares covered by an Incentive Share Award are not issued or are forfeited, the unissued or forfeited Shares that had been subject to the Award shall be available for the grant of additional Awards.

5.3. Upon exercise of a Right (regardless of whether the Right is settled in cash or Shares), the number of Shares with respect to which the Right is exercised shall be charged against the number of Shares issuable under the Plan and shall not become available for the grant of other Awards.

6. Options.

6.1. Options granted under this Plan shall be either Incentive Stock Options or Nonstatutory Stock Options, as designated by the Committee, provided that Incentive Stock Options may only be granted to persons who are Section 422 Employees on the Date of Grant. Each Option granted under this Plan shall be identified either as a Nonstatutory Stock Option or an Incentive Stock Option and shall be evidenced by an Agreement that specifies the terms and conditions of the Option. Options shall be subject to the terms and conditions set forth in this Section 6 and such other terms and conditions not inconsistent with this Plan as the Committee may specify. The Committee may, in its

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

discretion, condition the grant or vesting of an Option upon the achievement of one or more specified goals.

iv

6.2. The Option Period shall be determined by the Committee and specifically set forth in the Agreement; provided, however, that an Option shall not be exercisable after ten years (five years in the case of an Incentive Stock Option granted to a Ten-Percent Stockholder) from its Date of Grant.

6.3. The Committee, in its discretion, may provide in an Agreement for the right of a Participant to surrender to the Company an Option (or a portion thereof) that has become exercisable and to receive upon such surrender, without any payment to the Company (other than required tax withholding amounts) that number of Shares (equal to the highest whole number of Shares) having an aggregate Fair Market Value as of the date of surrender equal to that number of Shares subject to the Option (or portion thereof) being surrendered multiplied by an amount equal to the excess of (i) the Fair Market Value on the date of surrender over (ii) the Option Price, plus an amount of cash equal to the Fair Market Value of any fractional Share to which the Participant would be entitled but for the parenthetical above relating to whole number of Shares. Any such surrender shall be treated as the exercise of the Option (or portion thereof).

7. Rights.

7.1. Rights granted under the Plan shall be evidenced by an Agreement specifying the terms and conditions of the Award.

7.2. A Right may be granted under the Plan:

- (a) in connection with, and at the same time as, the grant of an Option under the Plan;
- (b) by amendment of an outstanding Option granted under the Plan; or
- (c) independently of any Option granted under the Plan.

7.3. A Right granted under Section 7.2(a) or Section 7.2(b) of this Plan is a Related Right. A Related Right may, in the Board's or Committee's discretion, apply to all or any portion of the Shares subject to the Related Option.

7.4. A Right may be exercised in whole or in part as provided in the applicable Agreement, and, subject to the terms of the Agreement, entitles a Participant to receive, without payment to the Company (but subject to required tax withholding), either cash or that number of Shares (equal to the highest whole number of Shares), or a combination thereof, in an amount or having an aggregate Fair Market Value determined as of the Date of Exercise not to exceed the number of Shares subject to the portion of the Right exercised multiplied by an amount equal to the excess of (i) the Fair Market Value on the Date of Exercise of the Right over (ii) either (A) the Fair Market Value on the Date of Grant (or such amount in excess of such Fair Market Value as may be specified by the Committee) of the Right if it is not a Related Right, or (B) the Option Price as provided in the Related Option if the Right is a Related Right.

v

7.5. The Right Period shall be determined by the Committee and specifically set forth in the Agreement, provided that (a) a Right will expire

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

no later than the earlier of (1) ten years from the Date of Grant, or (2) in the case of a Related Right, the expiration of the Related Option; and (b) a Right that is a Related Right to an Incentive Stock Option may be exercised only when and to the extent the Related Option is exercisable.

7.6. The exercise, in whole or in part, of a Related Right shall cause a reduction in the number of Shares subject to the Related Option equal to the number of Shares with respect to which the Related Right is exercised. Similarly, the exercise, in whole or in part, of a Related Option shall cause a reduction in the number of Shares subject to the Related Right equal to the number of Shares with respect to which the Related Option is exercised.

8. Exercise of Options and Rights.

8.1. An Option or Right may, subject to the terms of the applicable Agreement evidencing the Award, be exercised in whole or in part by the delivery to the Company of written notice of the exercise, in such form as the Committee may prescribe, accompanied, in the case of an Option, by (a) a full payment for the Shares with respect to which the Option is exercised or (b) irrevocable instructions to a broker to deliver promptly to the Company cash equal to the exercise price of the Option. To the extent provided in the applicable Agreement, payment may be made in whole or in part by (i) delivery (including constructive delivery) of Shares (provided that such Shares, if acquired pursuant to an option or other award granted hereunder or under any other compensation plan maintained by the Company or any Subsidiary, have been held by the Participant for at least six (6) months) valued at Fair Market Value on the Date of Exercise or (ii) delivery of a promissory note as provided in Section 8.2 hereof.

8.2. To the extent provided in an Agreement and permitted by applicable law, the Committee may accept as payment of all or a portion of the Option Price a promissory note executed by the Participant evidencing his or her obligation to make future cash payment thereof. Promissory notes made pursuant to this Section 8.2 shall be payable upon such terms, and include such other terms, as may be determined by the Committee, shall be secured by a pledge of the Shares received upon exercise of the Option, or other securities the Committee may deem to be acceptable for such purposes, and shall bear interest at a rate fixed by the Committee.

8.3. Options and Rights made under this Plan shall be transferable by will, the laws of descent and distribution, and as otherwise may be provided by the Committee in an Agreement.

9. Restricted Stock Awards.

9.1. Restricted Stock granted under this Plan shall consist of Shares that are restricted as to transfer, subject to forfeiture, and subject to such other terms and conditions as may be determined by the Committee. Such terms and conditions may provide, in the discretion of the Committee, for the lapse of such transfer restrictions or forfeiture provisions to be contingent upon the achievement of one or more specified Performance Goals.

vi

9.2. Each grant of Restricted Stock under this Plan shall be evidenced by an Agreement specifying the terms and conditions of the Award. Each Agreement evidencing an Award of Restricted Stock shall contain the following:

(a) a requirement that each certificate representing Shares of Restricted Stock shall be deposited with the Company, or its designee, and shall

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

bear the following legend:

"This certificate and the shares of stock represented hereby are subject to the terms and conditions (including the risks of forfeiture and restrictions against transfer) contained in the Talk America Holdings, Inc. 2003 Long Term Incentive Plan, and an Agreement entered into between the registered owner and Talk America Holdings, Inc. Release from such terms and conditions shall be made only in accordance with the provisions of this Plan and the Agreement, a copy of each of which is on file in the office of the Secretary of Talk America Holdings, Inc."; and

(b) the terms and conditions upon which any restrictions applicable to shares of Restricted Stock shall lapse and new certificates free of the foregoing legend shall be issued to the Grantee or his or her legal representative.

9.3. The Committee may include in any Agreement evidencing a Restricted Stock Award a requirement that, in the event of a Grantee's termination of employment for any reason prior to the lapse of restrictions, all shares of Restricted Stock shall be forfeited by the Grantee to the Company without payment of any consideration by the Company and neither the Grantee nor any successors, heirs, assigns or personal representatives of the Grantee shall thereafter have any further rights or interest in the Shares or certificates.

10. Incentive Share Awards. Each grant of Incentive Shares under this Plan shall be evidenced by an Agreement that: (a) provides for the issuance of Shares to a Grantee at such times and (b) contains such other terms and conditions, as determined by the Committee, including without limitation, terms that condition the issuance of Shares upon the achievement of one or more Performance Goals.

11. Dividends and Dividend Equivalents. The terms of an Award may, subject to such terms and conditions as the Committee may specify, provide a Participant with the right to receive dividend payments or dividend equivalent payments with respect to Shares covered by the Award, which payments may be either made currently or credited to an account established for the Participant, and may be settled in cash or Shares, as determined by the Committee.

12. Capital Adjustments. In the event of any change in the outstanding Common Stock by reason of any stock dividend, split-up, recapitalization, reclassification, combination or exchange of shares, merger, consolidation or liquidation and the like, the Committee may, in its discretion, provide for a substitution for or adjustment in (i) the number and class of Shares subject to outstanding Awards, or the type of consideration to be received upon the exercise or vesting of outstanding Awards, (ii) the Option Price of Options and

vii

the base price upon which payments under Rights that are not Related Rights are determined, (iii) the aggregate number and class of Shares for which Awards thereafter may be granted under this Plan and (iv) the maximum number of Shares with respect to which an Employee may be granted Awards during the period specified in Section 5.1.

13. Termination or Amendment. The Board may amend, alter or terminate this Plan in any respect at any time; provided, however, that, after this Plan has been approved by the stockholders of the Company, no amendment, alteration or termination of this Plan shall be made by the Board without approval of (i) the Company's stockholders to the extent stockholder approval of the amendment is required by applicable law or regulations or the requirements of the

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

principal exchange or interdealer quotation system on which the Common Stock is listed or quoted, if any, and (ii) each affected Participant if such amendment, alteration or termination would adversely affect his or her rights or obligations under any Award granted prior to the date of such amendment, alteration or termination.

14. Modification, Substitution.

14.1. Subject to the terms and conditions of this Plan, the Committee may modify, extend or renew outstanding Options and Rights, or accept the surrender of outstanding Options and Rights granted under this Plan or options and stock appreciation rights granted under any other plan of the Company or a Subsidiary (to the extent not theretofore exercised), and authorize the granting of new Options and Rights pursuant to this Plan in substitution therefor. Any substituted Options or Rights may specify a lower exercise price than the surrendered options and stock appreciation rights, a longer term than the surrendered options and stock appreciation rights, or have any other provisions that are authorized by this Plan. Subject to the terms and conditions of this Plan, the Committee may modify the terms of any outstanding Awards of Restricted Stock or Incentive Shares. Notwithstanding the foregoing, however, no modification of an Award shall, without the consent of the Participant, alter or impair any of the Participant's rights or obligations under such Award.

14.2. Anything contained herein to the contrary notwithstanding, Awards may, at the discretion of the Committee, be granted under this Plan in substitution for stock options and other awards covering capital stock of another corporation which is merged into, consolidated with, or all or a substantial portion of the property or stock of which is acquired by, the Company or one of its Subsidiaries. The terms and conditions of the substitute Awards so granted may vary from the terms and conditions set forth in this Plan to such extent as the Committee may deem appropriate in order to conform, in whole or part, to the provisions of the Awards in substitution for which they are granted. Such substitute Awards granted hereunder shall not be counted toward the Share limit imposed by Section 5.1(b), except to the extent it is determined by the Committee that counting such Awards is required in order for Awards granted hereunder to be eligible to qualify as "performance-based compensation" within the meaning of Section 162(m) of the Code.

14.3 Any provision of the Plan or any Agreement to the contrary notwithstanding, the Committee may cause any Award granted hereunder to be canceled in consideration of a cash payment or alternative Award made to the holder of such canceled Award equal in value to the Fair Market Value of such canceled Award.

viii

15. Effectiveness of this Plan. This Plan and any amendments hereto requiring stockholder approval pursuant to Section 13 are subject to approval by vote of the stockholders of the Company at the next annual or special meeting of stockholders following adoption by the Board.

16. Withholding. The Company's obligation to issue or deliver Shares or pay any amount pursuant to the terms of any Award granted hereunder shall be subject to satisfaction of applicable federal, state and local tax withholding requirements. To the extent provided in the applicable Agreement and in accordance with rules prescribed by the Committee, a Participant may satisfy any such withholding tax obligation by any of the following means or by a combination of such means: (i) tendering a cash payment, (ii) authorizing the Company to withhold Shares otherwise issuable to the Participant, or (iii) delivering to the Company already-owned and unencumbered Shares.

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

17. Term of this Plan. Unless sooner terminated by the Board pursuant to Section 13, this Plan shall terminate on date that is ten (10) years after the earlier of that date that the Plan is adopted by the Board or approved by the Company's stockholders, and no Awards may be granted or awarded after such date. The termination of this Plan shall not affect the validity of any Award outstanding on the date of termination.

18. Indemnification of Committee. In addition to such other rights of indemnification as they may have as Directors or as members of the Committee, the members of the Committee shall be indemnified by the Company against all reasonable expenses, including attorneys' fees, actually and reasonably incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with this Plan or any Award granted or awarded hereunder, and against all amounts reasonably paid by them in settlement thereof or paid by them in satisfaction of a judgment in any such action, suit or proceeding, if such members acted in good faith and in a manner which they believed to be in, and not opposed to, the best interests of the Company.

19. General Provisions.

19.1. The establishment of this Plan shall not confer upon any Director, Employee or Employee Director any legal or equitable right against the Company, any Subsidiary or the Committee, except as expressly provided in this Plan.

19.2. This Plan does not constitute inducement or consideration for the employment of any Employee or the service of any Director or Employee Director, nor is it a contract between the Company or any Subsidiary and any Director, Employee or Employee Director. Participation in this Plan shall not give a Director, Employee or Employee Director any right to be retained in the service of the Company or any Subsidiary.

19.3. Neither the adoption of this Plan nor its submission to the Company's stockholders shall be taken to impose any limitations on the powers of the Company or its Subsidiaries to issue, grant, or assume options, warrants, rights, or restricted stock, or other awards otherwise than under this Plan, or to adopt other stock option, restricted stock or other plans or to impose any requirement of stockholder approval upon the same.

ix

19.4. The interests of any Director, Employee or Employee Director under this Plan are not subject to the claims of creditors and may not, in any way, be assigned, alienated or encumbered except as provided in an Agreement.

19.5. This Plan shall be governed, construed and administered in accordance with the laws of the State of Delaware.

19.6. The Committee may require each person acquiring Shares pursuant to Awards granted hereunder to represent to and agree with the Company in writing that such person is acquiring the Shares without a view to distribution thereof. The certificates for such Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer. All certificates for Shares issued pursuant to this Plan shall be subject to such stock transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed or interdealer quotation system upon which the Common Stock is then

Edgar Filing: TALK AMERICA HOLDINGS INC - Form DEF 14A

quoted, and any applicable federal or state securities laws. The Committee may place a legend or legends on any such certificates to make appropriate reference to such restrictions.

19.7. The Company shall not be required to issue any certificate or certificates for Shares with respect to Awards granted under this Plan, or record any person as a holder of record of such Shares, without obtaining, to the complete satisfaction of the Committee, the approval of all regulatory bodies deemed necessary by the Committee, and without complying to the Board's or Committee's complete satisfaction, with all rules and regulations, under federal, state or local law deemed applicable by the Committee.
