***Section 1 - Registrant's Business and Operations***

**Item 1.01. Entry into a Material Definitive Agreement**

As previously disclosed, on May 9, 2007 the Corporation's Board of Directors approved a share repurchase program for up to \$5.0 billion of its outstanding common stock. The authorization permits the Corporation to effect the repurchases from time to time through a combination of open market repurchases, privately negotiated transactions and/or accelerated share repurchase transactions.

On May 13, 2007, the Corporation entered into an accelerated share repurchase transaction with an affiliate of Lehman Brothers, Inc. (the "seller"). Pursuant to the terms of the transaction, the Corporation purchases outstanding shares of common stock from the seller for \$2.5 billion. The seller makes an initial delivery of shares to the Corporation shortly after execution of the transaction, and may deliver additional shares to the Corporation at or prior to maturity of the transaction. The total number of shares to be repurchased will be subject to a minimum and maximum number of shares. The agreement for the accelerated share repurchase transaction is attached as Exhibit 10.1 to this Current Report on Form 8-K.

With respect to the remaining \$2.5 billion of the approved repurchase program, there can be no assurance as to the amount, timing or prices of repurchases. The specific timing and amount of repurchases will vary based on market conditions and other factors. The stock repurchase program may be modified, extended or terminated by the Board of Directors at any time.
