NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
To Be Held On May 6, 2010

To the Stockholders of Gladstone Commercial Corporation:

We are notifying you that the 2010 Annual Meeting of Stockholders of Gladstone Commercial Corporation will be held on Thursday, May 6, 2010 at 11:00 a.m. local time at the Hilton McLean at 7920 Jones Branch Drive, McLean, VA 22102 for the following purposes:

1. To elect three directors to hold office until the 2013 Annual Meeting of Stockholders;
2. To ratify the Audit Committee's selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2010; and
3. To transact such other business as may properly come before the meeting or any adjournment or postponement thereof.

The foregoing items of business are more fully described in the Proxy Statement accompanying this Notice.

The Board of Directors has fixed the close of business on March 15, 2010 as the record date for determining the stockholders entitled to notice of and to vote at this Annual Meeting and at any adjournment or postponement thereof.

Pursuant to rules adopted by the Securities and Exchange Commission (SEC), we are providing access to our proxy materials over the Internet. As a result, we are mailing to our stockholders a Notice of Internet Availability of Proxy Materials (the Notice). The Notice contains instructions on how stockholders can access those documents over the Internet and vote their shares. The Notice also contains instructions on how each of those stockholders can receive a paper copy of our proxy materials, including this Proxy Statement, our 2010 Annual Report, and a proxy card or voting instruction card. We believe this new process will expedite stockholders' receipt of proxy materials, lower the costs of our Annual Meeting and conserve natural resources.

By Order of the Board of Directors

Terry Brubaker
Secretary

McLean, Virginia
March 25, 2010

The Board of Directors is soliciting proxies to be used at the 2010 Annual Meeting of Stockholders. All of our stockholders are cordially invited to attend the Annual Meeting. Whether or not you plan to attend the Annual Meeting, you are urged to submit your proxy electronically via the internet, or vote by telephone as instructed in these materials. Submitting your proxy or voting instructions promptly will assist us in reducing the expenses of additional proxy solicitation, but it will not affect your right to vote in person if you attend the

Annual Meeting (and, if you are not a stockholder of record, you have obtained a legal proxy from the bank, broker, trustee or other nominee that holds your shares giving you the right to vote the shares in person at the Annual Meeting).

PROXY STATEMENT
FOR THE 2010 ANNUAL MEETING OF STOCKHOLDERS
To Be Held On May 6, 2010

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

What is the Notice of Internet Availability of Proxy Materials and why am I receiving it?

Pursuant to the e-proxy rules promulgated by the SEC, we are providing access to our proxy materials in a fast and efficient manner via the Internet. Accordingly, on March 25, 2010, we began mailing a Notice of Internet Availability of Proxy Materials (the Notice) to all stockholders of record as of March 15, 2010, and posted our proxy materials on the website referenced in the Notice (www.proxyvote.com). As more fully described in the Notice, all stockholders may choose to access our proxy materials on the website referred to in the Notice. In addition, the Notice and website provide information regarding how you may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on March 15, 2010 will be entitled to vote at the 2010 Annual Meeting of Stockholders (the Annual Meeting or meeting). On this record date, there were 8,545,264 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 15, 2010 your shares were registered directly in your name with our transfer agent, BNY Mellon Shareowner Services, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting, vote by proxy, or vote over the telephone or on the Internet. Whether or not you plan to attend the meeting, we urge you to vote by following the instructions in the Notice or in this proxy statement to ensure that your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 15, 2010 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote, as follows:

Proposal 1, to elect three directors to hold office until the 2013 Annual Meeting of Stockholders; and

Proposal 2, to ratify the audit committee's selection of PricewaterhouseCoopers LLP (PwC) as our independent registered public accounting firm for our fiscal year ending December 31, 2010.

How do I vote?

You may either vote For all the nominees to the Board of Directors or you may Withhold your vote for any nominee you specify. For Proposal 2, you may vote For or Against or abstain from voting. The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote over the telephone, vote by proxy on the Internet, or vote by proxy by using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote using one of the methods listed below to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the proxy card that may be delivered and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the Notice. Your vote must be received by 11:59 PM Eastern time on May 5, 2010, the day prior to the Annual Meeting, to be counted.

To vote on the Internet, follow the instructions in the Notice or go to www.proxyvote.com to complete an electronic proxy card. You will be asked to provide the company number and control number from the Notice. Your vote must be received by 11:59 PM Eastern time on May 5, 2010, the day prior to the Annual Meeting, to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a Notice containing voting instructions from that organization rather than from Gladstone Commercial Corporation. Simply follow the voting instructions in the Notice to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank, or contact your broker or bank to request a proxy form.

We provide internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

What if another matter is properly brought before the meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you owned as of March 15, 2010.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, For the election of all three nominees for director and For the ratification of the audit committee's selection of PwC as our independent registered public accounting firm for our fiscal year ending December 31, 2010. If any other matter is properly presented at the meeting, your proxy holder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will bear the cost of solicitation of proxies, including preparation, assembly, printing and mailing of the Notice, and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by directors, officers or other regular employees of Gladstone Management Corporation, our Adviser, or Gladstone Administration, LLC, our Administrator. No additional compensation will be paid to directors, officers or other regular employees for such services. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares are registered in more than one name or are registered in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares have been voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

You may submit another properly completed proxy card with a later date.

You may grant a subsequent proxy through the Internet.

You may vote by telephone on a later date.

You may send a timely written notice that you are revoking your proxy to Gladstone Commercial Corporation's Secretary at 1521 Westbranch Drive, Suite 200, McLean, Virginia 22102.

You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card, Internet proxy or telephone vote is the one that is counted. If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals due for next year's Annual Meeting?

We will consider for inclusion in our proxy materials for the 2011 Annual Meeting of Stockholders proposals that we receive not later than November 25, 2010 and that comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act), and our bylaws, as amended (Bylaws). Stockholders must submit their proposals to our corporate Secretary at 1521 Westbranch Drive, Suite 200, McLean, Virginia 22102.

In addition, any stockholder who wishes to propose a nominee to the Board of Directors or propose any other business to be considered by the stockholders (other than a stockholder proposal to be included in our proxy materials pursuant to Rule 14a-8 of the Exchange Act) must comply with the advance notice provisions and other requirements of Article II, Section 4 of our Bylaws, a copy of which is on file with the SEC and may be obtained from our corporate Secretary upon request. These notice provisions require that nominations of persons for election to the Board of Directors and proposals of business to be considered by the stockholders for the 2011 Annual Meeting of Stockholders must be made in writing and submitted to our corporate Secretary at the address above no earlier than February 5, 2011 (90 days before the first anniversary of our 2010 Annual Meeting of Stockholders) and not later than March 7, 2011 (60 days before the first anniversary of the 2010 Annual Meeting of Stockholders). You are also advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count: (i) For and Withhold votes; (ii) with respect to proposals other than the election of directors, Against votes; and (iii) abstentions and broker non-votes. Abstentions and broker non-votes will have no effect with regard to Proposals 1 and 2, although they will be considered present for purposes of determining the presence of a quorum. We expect that our chief financial officer, Danielle Jones, will be appointed as the inspector of election.

What are broker non-votes?

Broker non-votes occur when a beneficial owner of shares held in street name does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed non-routine. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be routine, but not with respect to non-routine matters. In the event that a broker, bank, or other agent indicates on a proxy that it does not have discretionary authority to vote certain shares on a non-routine proposal, then those shares will be treated as broker non-votes.

Effective this year, under applicable rules of the New York Stock Exchange, (NYSE), Proposal 1 (election of directors) is a non-routine proposal; your broker, bank or other agent is not entitled to vote your shares without your instructions. Proposal 2 (ratification of the appointment of PwC) is a routine proposal; your broker, bank or other agent may vote your shares even if it does not receive instructions from you.

How many votes are needed to approve each proposal?

For Proposal 1, the vote of a plurality of all the votes cast at the Annual Meeting at which a quorum is present is necessary for the election of a director. Therefore, for the three director positions, the nominees receiving the most FOR votes (among votes properly cast in person or by proxy) will be elected. Abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

For Proposal 2, the ratification of PwC as our independent registered public accounting firm, the affirmative vote of a majority of all of the votes cast at the Annual Meeting at which a quorum is present is required to approve the proposal. Abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares are represented by stockholders present at the meeting or by proxy. On the record date, there were 8,545,264 shares outstanding and entitled to vote. Thus, 4,272,633 shares must be represented by stockholders present at the meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of the shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final results will be announced in a Current Report on Form 8-K which will be filed with the SEC within four business days after the conclusion of the 2010 Annual Meeting of Stockholders.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board of Directors is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including any vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is elected and qualified.

The Board of Directors presently has ten members. There are three directors in the class whose term of office expires in 2010. All of the nominees listed below are currently our directors who were previously elected by the stockholders. If elected at the Annual Meeting, each of these nominees would serve until the 2013 Annual Meeting and until his or her successor is elected and has qualified, or, if sooner, until the director's death, resignation or removal. It is our policy to encourage directors and nominees for director to attend the Annual Meeting. Four of our directors attended the 2009 Annual Meeting of Stockholders.

Directors are elected by a plurality of all the votes cast at the Annual Meeting. Therefore, for the three director positions, the nominees receiving the most FOR votes (among votes properly cast in person or by proxy) will be elected. Abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the three nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by our management. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that any nominee will be unable to serve.

The following is a brief biography of each nominee and each director whose term will continue after the Annual Meeting.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Independence of the Board of Directors

As required under the NASDAQ Stock Market (NASDAQ) listing standards, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the board of directors. The Board consults with our chief compliance officer and legal counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of NASDAQ, as in effect time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and us, our senior management and our independent registered public accounting firm, the Board has affirmatively determined that the following six directors are independent directors within the meaning of the applicable NASDAQ listing standards: Messrs. Adelgren, Coulon, Mead, Outland and Parker and Ms. English. In making this determination, the Board found that none of these directors or nominees for director had a material or other disqualifying relationship with us. Mr. Gladstone, the chairman of our Board of Directors and chief executive officer, Mr. Brubaker, our vice chairman, chief operating officer and secretary, Mr. Stelljes, our president and chief investment officer, and Mr. Dullum, a senior managing director of our Adviser, are not independent directors by virtue of their positions as our officers and/or their employment by our affiliate Gladstone Management Corporation, our Adviser.

Meetings of the Board of Directors

The Board of Directors met four times during the last fiscal year. Each Board member attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he or she served that were held during the period for which he or she was a director or committee member.

As required under applicable NASDAQ listing standards, which require regularly scheduled meetings of independent directors, in fiscal 2009 our independent directors met four times in regularly scheduled executive sessions at which only independent directors were present.

Corporate Leadership Structure

Since our inception, Mr. Gladstone has served as chairman of our Board of Directors and Chief Executive Officer. The Board believes that our Chief Executive Officer is best situated to serve as chairman because he is the director most familiar with our business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. In addition, Mr. Adलगren, one of our independent directors, serves as the Lead Director for all meetings of our independent directors held in executive session. The Lead Director has the responsibility of presiding at all executive sessions of the Board, consulting with the chairman and chief executive officer on Board and committee meeting agendas, acting as a liaison between management and the independent directors and facilitating teamwork and communication between the independent directors and management.

The Board believes the combined role of chairman and chief executive officer, together with an independent Lead Director, is in the best interest of stockholders because it provides the appropriate balance between strategic development and independent oversight of management.

Our Board of Directors has four committees: an Audit Committee, a Compensation Committee, an Executive Committee and an Ethics, Nominating and Corporate Governance Committee. The following table shows the current composition of each of the committees of the Board of Directors:

** Lead Independent Director

Below is a description of each committee of the Board of Directors. All committees have the authority to engage legal counsel or other experts or consultants, as they deem appropriate to carry out their responsibilities. The Board of Directors has determined that each member of each committee meets the applicable NASDAQ rules and regulations regarding independence and that each member is free of any relationship that would impair his or her individual exercise of independent judgment with regard to us (other than with respect to the Executive Committee, for which there are no applicable independence requirements).

The Audit Committee

The Audit Committee of the Board of Directors oversees our corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance of and assesses the qualifications of the independent registered public accounting firm; determines and approves the

engagement of the independent registered public accounting firm; determines whether to retain or terminate the existing independent registered public accounting firm or to appoint and engage a new independent registered public accounting firm; reviews and approves the retention of the independent registered public accounting

firm to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent registered public accounting firm on our audit engagement team as required by law; confers with management and the independent registered public accounting firm regarding the effectiveness of internal controls over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and meets to review our annual audited financial statements and quarterly financial statements with management and the independent registered public accounting firm, including reviewing our disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations. During fiscal 2009, the Audit Committee was comprised of Messrs. Parker (Chairperson) and Mead and Ms. English. Messrs. Adelgren, Coulon and Outland serve as alternate members of the Audit Committee. Alternate members of the Audit Committee serve and participate in meetings of the Audit Committee only in the event of an absence of a regular member of the Audit Committee. The Audit Committee met eight times during the last fiscal year. The Audit Committee has adopted a written charter that is available to stockholders on our website at www.GladstoneCommercial.com.

The Board of Directors reviews the NASDAQ listing standards definition of independence for audit committee members on an annual basis and has determined that all members and alternate members of our Audit Committee are independent (as independence is currently defined in Rule 4350(d)(2)(A)(i) and (ii) of the NASDAQ listing standards). No members of the Audit Committee received any compensation from us during the last fiscal year other than directors' fees. The Board of Directors has also determined that each member (including alternate members) of the Audit Committee qualifies as an audit committee financial expert, as defined in applicable SEC rules. The Board made a qualitative assessment of the members' level of knowledge and experience based on a number of factors, including formal education and experience. The Board has also unanimously determined that all Audit Committee members and alternate members are financially literate under current NASDAQ rules and listing standards that at least one member has financial management expertise. In addition to our Audit Committee, Messrs. Mead and Parker and Ms. English also serve on the audit committees of Gladstone Investment Corporation and Gladstone Capital Corporation. Our Audit Committee's alternate members, Messrs. Adelgren, Coulon and Outland, also serve as alternate members on the audit committees of Gladstone Investment Corporation and Gladstone Capital Corporation. The Board of Directors has determined that this simultaneous service does not impair the respective directors' ability to effectively serve on our Audit Committee.

AUDIT COMMITTEE REPORT*

The Audit Committee has reviewed and discussed our audited financial statements with management and PricewaterhouseCoopers LLP, our independent registered public accounting firm, with and without management present. The Audit Committee included in its review results of the independent registered public accounting firm's examinations, our internal controls, and the quality of our financial reporting. The Audit Committee also reviewed our procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by our chief executive officer and chief financial officer that are required in periodic reports filed by us with the Securities and Exchange Commission. The Audit Committee further reviewed with the independent registered public accounting firm their opinion on our effectiveness of internal

control over financial reporting. The Audit Committee is satisfied that our internal control system is adequate and that we employ appropriate accounting and auditing procedures.

The Audit Committee also has discussed with PricewaterhouseCoopers LLP matters relating to the independent registered public accounting firm's judgments about the quality, as well as the acceptability, of our accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by the Independence Standards Board Standard No. 1, (*Independence Discussions with Audit Committees*), as adopted by the PCAOB in Rule 3526 and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence (Communications with Audit Committees). The Audit Committee discussed and reviewed with PricewaterhouseCoopers LLP our critical accounting policies and practices, internal controls, other material written communications to management, and the scope of PricewaterhouseCoopers LLP's audits and all fees paid to PricewaterhouseCoopers LLP during the fiscal year. The Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by PricewaterhouseCoopers LLP. The Audit Committee has reviewed and considered the compatibility of PricewaterhouseCoopers LLP's performance of non-audit services with the maintenance of PricewaterhouseCoopers' independence as our independent registered public accounting firm.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009 for filing with the Securities and Exchange Commission. In addition, the Audit Committee has engaged PricewaterhouseCoopers LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2010.

The Compensation Committee

The Compensation Committee operates pursuant to a written charter, which can be found on our website at www.GladstoneCommercial.com, and conducts periodic reviews of the amended and restated investment advisory agreement (the *Advisory Agreement*) with our Adviser and the administration agreement (the *Administration Agreement*) with Gladstone Administration, LLC, (the *Administrator*), to evaluate whether the fees paid to the parties under the respective agreements are in the best interests of us and our stockholders. The committee considers in such periodic reviews, among other things, whether the salaries and bonuses paid to our executive officers by our Adviser and our Administrator are consistent with our compensation philosophies, whether the performance of our Adviser and our Administrator are reasonable in relation to the nature and quality of services performed, and whether the provisions of the Advisory and Administration Agreements are being satisfactorily performed. The Compensation Committee also reviews and considers all incentive fees payable to our Adviser under the Advisory Agreement. The Compensation Committee also reviews with management our Compensation Discussion and Analysis to be included in proxy statements and other filings.

During the last fiscal year, the Compensation Committee was comprised of Messrs. Coulon (Chairperson), Outland and Mead. Messrs. Parker and Adलगren and Ms. English serve as alternate members of the Compensation Committee. The Compensation Committee met four times during the last fiscal year.

Compensation Committee Interlocks and Insider Participation

During the last fiscal year, the Compensation Committee consisted of Messrs. Coulon, Outland and Mead. None of Messrs. Coulon, Outland or Mead is or has been one of our officers or employees. The Ethics, Nominating and Corporate Governance Committee

The Ethics, Nominating and Corporate Governance Committee of the Board of Directors is responsible for identifying, reviewing and evaluating candidates to serve as our directors (consistent with criteria approved by the Board), reviewing and evaluating incumbent directors, recommending to the Board for selection candidates for election to the Board of Directors, making recommendations to the Board regarding the membership of the

committees of the Board, assessing the performance of the Board, and developing our corporate governance principles. Our Ethics, Nominating and Corporate Governance Committee charter can be found on our website at www.GladstoneCommercial.com. During the last fiscal year, the Ethics, Nominating and Corporate Governance Committee was comprised of Messrs. Adलगren (Chairperson) and Coulon. Messrs. Parker, Mead, Outland and Ms. English serve as alternate members of the Ethics, Nominating and Corporate Governance Committee. Alternate members of the committee serve and participate in meetings of the committee only in the event of an absence of a regular member of the committee. Each member and alternate member of the Ethics, Nominating and Corporate Governance Committee is independent (as independence is currently defined in Rule 4200(a)(15) of the NASDAQ listing standards). The Ethics, Nominating and Corporate Governance Committee met three times during the last fiscal year.

Qualifications for Director Candidates

The Ethics, Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including being able to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Ethics, Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to our affairs, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of our stockholders. However, the Ethics, Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, our operating requirements and the long-term interests of our stockholders. Though we have no formal policy addressing diversity, the Ethics, Nominating and Corporate Governance Committee and Board of Directors believes that diversity is an important attribute of directors and our Board of Directors should be the culmination of an array of backgrounds and experiences and be capable of articulating a variety of viewpoints. Accordingly, the Ethics, Nominating and Corporate Governance Committee considers in its review of director nominees factors such as values, disciplines, ethics, age, gender, race, culture, expertise, background and skills, all in the context of an assessment of the perceived needs of us and our Board of Directors at that point in time in order to maintain a balance of knowledge, experience and capability.

In the case of incumbent directors whose terms of office are set to expire, the Ethics, Nominating and Corporate Governance Committee reviews such directors' overall service to us during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Ethics, Nominating and Corporate Governance Committee also determines whether such new nominee must be independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Ethics, Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Ethics, Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Ethics, Nominating and Corporate Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote. To date, the Ethics, Nominating and Corporate Governance Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates.

Stockholder Recommendation of Director Candidates to the Ethics, Nominating and Corporate Governance Committee

The Ethics, Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Ethics, Nominating and Corporate Governance Committee does not alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether the candidate was recommended by a stockholder or not. Stockholders who wish to recommend individuals for consideration by the Ethics, Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by timely delivering a written recommendation to the Ethics, Nominating and Corporate Governance Committee at the address set forth on the cover page of this proxy statement and containing the information required by our Bylaws. For nominations for election to the Board of Directors or other business to be properly brought before an Annual Meeting by a stockholder, the stockholder must comply with the advance notice provisions and other requirements of Article II, Section 4 of our Bylaws. These notice provisions require that nominations for directors must be received no earlier than February 5, 2011 (90 days before the first anniversary of the 2010 Annual Meeting of Stockholders) and no later than March 7, 2011 (60 days before the first anniversary of the 2010 Annual Meeting of Stockholders). In the event that an annual meeting is advanced or delayed by more than 30 days from the first anniversary of the prior year's annual meeting, notice by the stockholder, to be timely, must be delivered not earlier than the close of business on the 90th day prior to such annual meeting date and not later than the close of business on the later of the 60th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made.

Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record owner of our stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. To date, the Ethics, Nominating and Corporate Governance Committee has not received or rejected a timely director nominee proposal from a stockholder or stockholders holding more than 5% of our voting stock.

Our Board has adopted a formal process by which our stockholders may communicate with the Board or any of its directors. Persons interested in communicating with the Board of Directors with their concerns or issues may address correspondence to the Board of Directors, to a particular director, or to the independent directors generally, in care of Gladstone Commercial Corporation, Attention: Investor Relations, at 1521 Westbranch Drive, Suite 200, McLean, Virginia 22102. Code of Ethics

We have adopted the Gladstone Commercial Corporation Code of Business Conduct and Ethics that applies to all of our officers and directors and to the employees of our Adviser and our Administrator. They also review any violations of the Code of Business Conduct and Ethics and make recommendations to the Board of Directors on those violations, if any. The Code of Business Conduct and Ethics is available on our website at www.GladstoneCommercial.com. If we make any substantive amendments to the Code of Business Conduct and Ethics or grant any waiver from a provision of the code to any executive officer or director, we will promptly disclose the nature of the amendment or waiver on our website.

Oversight of Risk Management

Since September 2007, Jack Dellafiora has served as our Chief Compliance Officer, and in that position, Mr. Dellafiora directly oversees our enterprise risk management function and reports to our Chief Executive Officer, the Audit Committee and the Board of Directors in this capacity. In fulfilling his risk management responsibilities, Mr. Dellafiora works closely with other members of senior management including, among others, our Chief Executive Officer, Chief Financial Officer, Chief Investment Officer and Chief Operating Officer.

The Board of Directors, in its entirety, plays an active role in overseeing management of our risks. The Board regularly reviews information regarding our credit, liquidity and operations, as well as the risks associated with each. Each committee of the Board plays a distinct role with respect to overseeing management of our risks:

Audit Committee: Our Audit Committee oversees our enterprise risk management function. To this end, our Audit Committee meets at least annually (i) to discuss our risk management guidelines, policies and exposures and (ii) with our independent registered public accounting firm to review our internal control environment and other risk exposures;

Compensation Committee: Our Compensation Committee oversees the management of risks relating to the fees paid to our Adviser and Administrator under the Advisory Agreement and the Administration Agreement, respectively. In fulfillment of this duty, the Compensation Committee meets at least annually to review these agreements. In addition, the Compensation Committee reviews the performance of our Adviser to determine whether the compensation paid to our executive officers was reasonable in relation to the nature and quality of services performed and whether the provisions of the Advisory Agreement were being satisfactorily performed.

Ethics, Nominating and Corporate Governance Committee: Our Ethics, Nominating and Corporate Governance Committee manages risks associated with the independence of our Board of Directors and potential conflicts of interest.

While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the committees each report to our Board of Directors on a regular basis to apprise our Board of Directors regarding the status of remediation efforts of known risks and of any new risks that may have arisen since the previous report.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected PricewaterhouseCoopers LLP (PwC) as our independent registered public accounting firm which will audit our financial statements for the fiscal year ending December 31, 2010 and has further directed that management submit the selection of the independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. PwC has audited our financial statements since our fiscal year ended December 31, 2003. Representatives of PwC are expected to be present at the Annual Meeting, and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the selection of PwC as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of PwC to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

The affirmative vote of the holders of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of PwC. Abstentions and broker non-votes will be considered present and entitled to vote for the purpose of determining whether a quorum exists, although they will not be counted for any purpose in determining whether this matter has been approved.

Independent Registered Public Accounting Firm Fees

The following table represents the amount of fees capitalized or expensed by us for the fiscal years ended December 31, 2008 and December 31, 2009 that were billed by PwC, our principal independent registered public accounting firm.

	2008	2009
Audit Fees	\$ 315,328	\$ 384,026
Tax Fees(1)	97,974	119,885
Total	\$ 413,302	\$ 503,911

(1) Tax fees consisted of fees for tax compliance and preparation services, and other state tax research.

All fees described above were approved by the Audit Committee.

Pre-Approval Policy and Procedures

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent registered public accounting firm, PwC. The policy generally pre-approves specified

services in the defined categories of audit services, audit-related services, and tax services up to specified amounts.

Pre-approval may also be given as part of the audit committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual explicit case-by-case basis before the independent registered public accounting firm is engaged to provide each service. The pre-approval of services may be delegated to one or more of the audit committee's members, but the decision must be reported to the full audit committee at its next scheduled meeting.

The Audit Committee has determined that the rendering of the services other than audit services by PwC is compatible with maintaining the principal independent registered public accounting firm's independence.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF PROPOSAL 2.

**SECURITY OWNERSHIP OF
CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information regarding the ownership of our common stock as of February 19, 2010 by: (i) each director and nominee for director; (ii) each of our executive officers; (iii) all of our executive officers and directors as a group; and (iv) all those known by us to be beneficial owners of more than 5% of our common stock. Prudential indirectly owns 100% of equity interests of Jennison, an investment adviser to certain managed portfolios that own shares of our stock. As an investment adviser, Jennison may be deemed to be the beneficial owner of shares held by its managed portfolios. In addition, Prudential may be deemed to have the power to exercise or to direct the exercise of such voting and/or dispositive power that Jennison may have with respect to our common stock held by the managed portfolios. SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and our other equity securities. Officers, directors and greater than ten percent stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended December 31, 2009, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with; except that Mr. Brubaker filed a late Form 4 on June 19, 2009 for a transaction that occurred on June 11, 2009.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Our chief executive officer, chief operating officer, chief investment officer, chief financial officer and treasurer are salaried employees of either our Adviser or Administrator, which are affiliates of ours. Our Adviser and our Administrator pay the salaries and other employee benefits of the persons in their respective organizations that render services for us. These services are provided under the terms of the Advisory and Administration Agreements, as applicable.

Compensation of Our Adviser and Administrator Under the Advisory and Administrative Agreements

The Advisory and Administration Agreements

We are externally managed by our Adviser and Administrator under the Advisory and Administration Agreements. Under the Advisory Agreement, we pay our Adviser a base management fee of 2.0% of our total stockholders' equity (less the recorded value of any preferred stock, and adjusted to exclude the effect of any unrealized gains, losses or other items that do not affect realized net income). We pay separately for administrative services under the Administration Agreement, which payments are equal to our allocable portion of our Administrator's overhead expenses in performing its obligations under the Administration Agreement, including rent for the space occupied by our Administrator, and our allocable portion of the salaries and benefits expenses of our chief financial officer, treasurer, chief compliance officer and their respective staffs. Our allocable portion of expenses is derived by multiplying our Administrator's total allocable expenses by the percentage of our total assets at the beginning of each quarter in comparison to the total assets of all companies managed by our Adviser under similar agreements.

The Advisory Agreement also includes incentive fees that we pay to our Adviser if our performance reaches certain benchmarks. These incentive fees are intended to provide an additional incentive for our Adviser to achieve targeted levels of funds from operations (FFO) and to increase distributions to our stockholders. For a more detailed discussion of these incentive fees, see *Long-Term Incentives*. All investment professionals of our Adviser, when and to the extent engaged in providing investment advisory and management services, and the compensation and routine overhead expenses of such personnel allocable to such services, are provided and paid for by our Adviser. We bear all other costs and expenses of our operations and transactions.

Compensation Philosophy

For our long-term success and enhancement of long-term stockholder value, we depend on the management and analytical abilities of our executive officers, who are employees of, and are compensated by, our Adviser and our Administrator. During the last fiscal year, we implemented our philosophies of attracting, retaining and rewarding executive officers and others who contribute to our long-term success and motivating them to enhance stockholder value through our Compensation Committee's oversight of our Adviser's compensation practices under the terms of the Advisory Agreement. The key elements of our compensation philosophy include:

ensuring that the base salary paid to our executive officers is competitive with other leading companies with which we compete for talented investment professionals;

ensuring that bonuses paid to our executive officers are sufficient to provide motivation to achieve our principal business and investment goals and to bring total compensation to competitive levels; and

providing incentives to ensure that our executive officers are motivated over the long term to achieve our business and investment objectives.

Compensation of our Adviser and Administrator

During the fiscal year ended December 31, 2009, the Compensation Committee fulfilled its oversight role by reviewing the Advisory Agreement to determine whether the fees paid to our Adviser were in the best interests of the stockholders. The Compensation Committee has also reviewed the performance of our Adviser to determine whether the compensation paid to our executive officers was reasonable in relation to the nature and quality of

services performed and whether the provisions of the Advisory Agreement were being satisfactorily performed. Specifically, the committee considered factors such as:

the amount of the fees paid to our Adviser in relation to our size and the composition and performance of our investments;

our Adviser's ability to hire, train, supervise and manage new employees as needed to effectively manage our future growth;

the success of our Adviser in generating appropriate investment opportunities;

rates charged to other investment entities by advisers performing similar services;

additional revenues realized by our Adviser and its affiliates through their relationship with us, whether paid by us or by others with whom we do business;

the value of our assets each quarter;

the quality and extent of service and advice furnished by our Adviser and the performance of our investment portfolio;

the quality of our portfolio relative to the investments generated by our Adviser for its other clients; and

the extent to which our Adviser's performance helped us to achieve our principal business and investment objectives of generating income for our stockholders in the form of quarterly cash distributions that grow over time and increasing the value of our common stock.

The Compensation Committee's oversight role also includes review of the above-described factors with regard to the compensation of the employees of our Administrator, including our chief financial officer and treasurer, and our Administrator's performance under the Administration Agreement. The Board may, pursuant to the terms of each of the Advisory and Administration Agreements, terminate either of the agreements at any time and without penalty, upon sixty days' prior written notice to our Adviser or our Administrator, as applicable. In the event of an unfavorable periodic review of the performance of our Adviser or our Administrator in accordance with the criteria set forth above, the Compensation Committee would provide a report to the Board of its findings and provide suggestions of remedial measures, if any, to be sought from our Adviser or our Administrator, as applicable. If such recommendations are, in the future, made by the Compensation Committee and are not implemented to the satisfaction of the Compensation Committee, it may recommend exercise of our termination rights under the Advisory Agreement or Administration Agreement.

Long-Term Incentives

The Compensation Committee believes that the incentive structure provided for under the Advisory Agreement is an effective means of creating long-term stockholder value because it encourages the Adviser to increase our FFO, which in turn may increase our distributions to our stockholders.

In addition to a base management fee, the Advisory Agreement includes incentive fees that we pay to our Adviser if our performance reaches certain benchmarks. These incentive fees are intended to provide an additional incentive for our Adviser to achieve targeted levels of FFO and to increase distributions to our stockholders. FFO is a non-GAAP (generally accepted accounting principles in the United States of America) supplemental measure of operating

performance of an equity REIT developed by the National Association of Real Estate Investment Trusts (NAREIT), in order to recognize that income-producing real estate historically has not depreciated on the basis

determined under GAAP. FFO, as defined by NAREIT, is net income or net loss (computed in accordance with GAAP), excluding gains or losses from sales of property, plus depreciation and amortization of real estate assets, and after adjustments for unconsolidated partnerships and joint ventures. FFO does not represent cash flows from operating activities in accordance with GAAP, and should not be considered an alternative to either net income or net loss as an indication of our performance or to cash flow from operations as a measure of liquidity or ability to make distributions.

The incentive fee is calculated and payable quarterly in arrears based on our pre-incentive fee FFO for the immediately preceding calendar quarter. For this purpose, pre-incentive fee FFO means FFO accrued by us during the calendar quarter. FFO is calculated after taking into account all operating expenses for the quarter, including the base management fee, expenses payable under the Administration Agreement and any interest expense (but excluding the incentive fee) and any other operating expenses. Pre-incentive fee FFO includes accrued income and rents that we have not yet received in cash. Pre-incentive fee FFO also includes any realized capital gains and realized capital losses, less any dividend paid on any issued and outstanding preferred stock, but does not include any unrealized capital gains or losses.

Pre-incentive fee FFO, expressed as a rate of return on our total stockholders' equity as reflected on our balance sheet (less the recorded value of any preferred stock, and adjusted to exclude the effect of any unrealized gains, losses or other items that do not affect realized net income), will be compared to a hurdle rate of 1.75% per quarter (7% annualized). Because the hurdle rate is fixed and has been based in relation to current interest rates, if interest rates rise, it would become easier for our pre-incentive fee FFO to exceed the hurdle rate and, as a result, more likely that our Adviser will receive an income incentive fee than if interest rates on our investments remained constant or decreased. We will pay our Adviser an incentive fee with respect to our pre-incentive fee FFO in each calendar quarter as follows:

- no incentive fee in any calendar quarter in which pre-incentive fee FFO does not exceed the hurdle rate (1.75% per calendar quarter);

- 100% of our pre-incentive fee FFO with respect to that portion of such FFO, if any, that exceeds the hurdle rate but is less than 2.1875% in any calendar quarter (8.75% annualized); and

- 20% of the amount of our pre-incentive fee FFO, if any, that exceeds 2.1875% in any calendar quarter (8.75% annualized).

We refer to the portion of the incentive fee payable on 100% of our pre-incentive fee FFO, if any, that exceeds the hurdle rate but is less than 2.1875% as the catch up. The catch up provision is intended to provide our Adviser with an incentive fee of 100% on all of our pre-incentive fee FFO that does not exceed 2.1875% once the hurdle rate has been surpassed. A portion of the incentive fee may be waived in order to comply with the covenant under our line of credit which limits our distributions to 95% of FFO and in turn allowing us to maintain the current level of distributions to our stockholders. The base management fee and total stockholders' equity will be calculated using GAAP and FFO will be calculated using the definition adopted by NAREIT.

Income realized by our Adviser from any such incentive fees will be paid by our Adviser to its eligible employees in bonus amounts based on their respective contributions to our success in meeting our goals. This incentive compensation structure is designed to create a direct relationship between the compensation of our executive officers and other employees of our Adviser and the income and capital gains realized by us as a result of their efforts on our behalf. We believe that this structure rewards our executive officers and other employees of our Adviser for the accomplishment of long-term goals consistent with the interests of our stockholders.

Personal Benefits Policies

Our executive officers are not entitled to operate under different standards than other employees of our Adviser and our Administrator who work on our behalf. Our Adviser and our Administrator do not have programs for providing personal benefit perquisites to executive officers, such as permanent lodging, personal use of company vehicles, or defraying the cost of personal entertainment or family travel. Our Adviser's and our Administrator's health care and other insurance programs are the same for all of their respective eligible employees, including our executive officers. We expect our executive officers to be exemplars under our Code of Business Conduct and Ethics, which is applicable to all employees of our Adviser and our Administrator who work on our behalf.

Executive Compensation

None of our executive officers receive direct compensation from us. We do not currently have any employees and do not expect to have any employees in the foreseeable future. The services necessary for the operation of our business are provided to us by our officers and the other employees of our Adviser and Administrator, pursuant to the terms of the Advisory and Administration Agreements, respectively. Mr. Gladstone, our chairman and chief executive officer, Mr. Brubaker, our vice chairman, chief operating officer and secretary and Mr. Stelljes, our president and chief investment officer, are all employees of and are compensated directly by our Adviser. Their compensation is not directly reimbursable by us. Ms. Jones, our chief financial officer, and Mr. Gerson, our treasurer, are employees of our Administrator. Under the Administration Agreement, we reimburse our Administrator for our allocable portion of the salaries and benefits expenses of Ms. Jones and Mr. Gerson. During fiscal 2009, we reimbursed \$50,150 of Ms. Jones salary, \$5,508 of her bonus, and \$6,168 of the cost of her benefits that were paid by our Administrator.

Employment Agreements

Because our executive officers are employees of our Adviser and our Administrator, we do not pay cash compensation to them directly in return for their services to us and we do not have employment agreements with any of our executive officers. Pursuant to the terms of the Administration Agreement, we make payments equal to our allocable portion of our Administrator's overhead expenses in performing its obligations under the Administration Agreement including, but not limited to, our allocable portion of the salaries and benefits expenses of our chief financial officer and treasurer. For additional information regarding this arrangement, see *Transactions with Related Persons*.

Mr. Stelljes has an employment agreement with our Adviser that provides for his nomination to serve as our president and chief investment officer.

Equity, Post-Employment, Non-Qualified Deferred and Change-In-Control Compensation

We do not offer stock options, any other form of equity compensation, pension benefits, non-qualified deferred compensation benefits, or termination or change-in-control payments to any of our executive officers.

Conclusion

We believe that the elements of our Adviser's and our Administrator's compensation programs individually and in the aggregate strongly support and reflect the strategic priorities on which we have based our compensation philosophy. Through the incentive structure of the Advisory Agreement described above, a significant portion of their compensation programs have been, and continue to be contingent on our performance, and realization of

benefits is closely linked to increases in long-term stockholder value. We remain committed to this philosophy of paying for performance that increases stockholder value. The compensation committee will continue its work to ensure that this commitment is reflected in a total executive compensation program that enables our Adviser and our Administrator to remain competitive in the market for talented executives.

Director Compensation

The following table shows for the fiscal year ended December 31, 2009 certain information with respect to the compensation of all our non-employee directors:

Maurice W. Coulon	\$ 33,000	\$ 33,000

John H. Outland	\$ 28,000	\$ 28,000
Anthony W. Parker	\$ 35,000	\$ 35,000

As compensation for serving on our Board of Directors, each of our independent directors receives an annual fee of \$20,000, an additional \$1,000 for each Board of Directors meeting attended, and an additional \$1,000 for each committee meeting attended. In addition, the chairperson of the Audit Committee receives an annual fee of \$3,000, and the chairpersons of each of the Compensation and Ethics, Nominating and Corporate Governance committees receive annual fees of \$1,000 for their additional services in these capacities. In addition, we reimburse our directors for their reasonable out-of-pocket expenses incurred in connection with their board service, including those incurred for attendance at Board of Directors and committee meetings.

We do not pay any compensation to directors who also serve as our officers, or as officers or directors of our Adviser or our Administrator, in consideration for their service on our Board of Directors. Our Board of Directors may change the compensation of our independent directors in its discretion. None of our independent directors received any compensation from us during the fiscal year ended December 31, 2009 other than for Board of Directors or committee service and meeting fees.

TRANSACTIONS WITH RELATED PERSONS

Advisory and Administration Agreements

Under the Advisory Agreement our Adviser is responsible for our day-to-day operations and administration, record keeping and regulatory compliance functions. Specifically, these responsibilities included identifying, evaluating, negotiating and consummating all investment transactions consistent with our investment objectives and criteria; providing us with all required records and regular reports to our Board of Directors concerning our Adviser's efforts on our behalf; and maintaining compliance with all regulatory requirements applicable to us. The Advisory Agreement provides for an annual base management fee equal to 2% of our total stockholders' equity.

(less the recorded value of any preferred stock) and an incentive fee based on our FFO, which rewards our Adviser if our quarterly FFO (before giving effect to any incentive fee) exceeds 1.75% (7% annualized) of our total stockholders equity (less the recorded value of any preferred stock). Our Adviser has the ability to issue a full or partial waiver of the incentive fee and may do so in order to maintain the current level of distributions to our stockholders. For the year ended December 31, 2009, an unconditional and irrevocable voluntary waiver of the incentive fee was issued by our Adviser for \$726,448.

Under the Administration Agreement, we pay separately for administrative services, which payments are equal to our allocable portion of our Administrator's overhead expenses in performing its obligations under the Administration Agreement, including rent for the space occupied by our Administrator, and our allocable portion of the salaries and benefits expenses of our chief financial officer, treasurer, chief compliance officer and their respective staffs.

David Gladstone, Terry Lee Brubaker, George Stelljes III and Gary Gerson are all officers or directors, or both, of us and our Adviser and our Administrator. Effective February 2008, David Dullum was hired by our Adviser as a senior managing director. David Gladstone is the controlling stockholder of our Adviser, which is the sole member of our Administrator. Although we believe that the terms of the Advisory Agreement and the Administration Agreement are no less favorable to us than those that could be obtained from unaffiliated third parties in arm's length transactions, our Adviser, its officers and its directors have a material interest in the terms of these agreements.

During the fiscal year ended December 31, 2009, we accrued total fees of \$3,913,588 payable to our Adviser under the Advisory Agreement and \$1,015,695 payable to our Administrator under the Administration Agreement.

Loan

As of December 31, 2009, we had one loan outstanding in the principal amount of \$375,000 to Laura Gladstone, a managing director of our Adviser and the daughter of our chief executive officer, Mr. Gladstone. This loan was extended in connection with the exercise of stock options under the 2003 Equity Incentive Plan by Ms. Gladstone, and was made on terms available to all eligible participants of the 2003 Equity Incentive Plan. The 2003 Equity Incentive Plan was terminated on December 31, 2006. The interest rate on the loan is 8.15% and the outstanding principal amount of the loan is due and payable in cash on November 21, 2015. Mr. Gladstone has not received, nor will he receive in the future, any direct or indirect benefit from this loan.

Conflict of Interest Policy

We have adopted policies to reduce potential conflicts of interest. In addition, our directors are subject to certain provisions of Maryland law that are designed to minimize conflicts. Under our current conflict of interest policy, without the approval of a majority of our disinterested directors, we will not:

acquire from or sell to any of our officers, directors or employees, or any entity in which any of our officers, directors or employees has an interest of more than 5%, any assets or other property;

make any loan to or borrow from any of our directors, officers or employees, or any entity, other than Gladstone Management Corporation or Gladstone Land Corporation, in which any of our officers, directors or employees has an interest of more than 5%;

grant warrants or options to purchase our shares to any of our directors, officers or employees, or any entity in which any of our officers, directors or employees has an interest of more than 5%, except pursuant to the company's equity incentive plans; or

engage in any other transaction with any of our directors, officers or employees, or any entity in which any of our directors, officers or employees has an interest of more than 5% (except that our Adviser may lease office space in a building that we own, provided that the rental rate under the lease is determined by our independent directors to be at a fair market rate).

Where allowed by applicable rules and regulations, from time to time we may enter into transactions with our Adviser or one or more of its affiliates. A majority of our independent directors and a majority of our directors not otherwise interested in a transaction with our Adviser must approve all such transactions with our Adviser or its affiliates.

It is our current policy that we will not purchase any property from or co-invest with our Adviser, any of its affiliates or any business in which our Adviser or any of its subsidiaries have invested except that we may make leases to existing and prospective portfolio companies of entities advised by our Adviser as long as the portfolio company is not controlled by that entity and if approved by both companies' boards. If we decide to change this policy on co-investments with our Adviser or its affiliates, we will seek approval of this decision from our stockholders.

Indemnification

In our Amended and Restated Articles of Incorporation and Bylaws, we have agreed to indemnify our directors and certain of our officers by providing, among other things, that we will indemnify such officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party by reason of his or her position as a director, officer or other agent of ours, and otherwise to the fullest extent permitted under Maryland law and our Bylaws. Notwithstanding the foregoing, the indemnification provisions shall not protect any officer or director from liability to us or our stockholders as a result of any action that would constitute willful misfeasance, bad faith or gross negligence in the performance of such officer's or director's duties, or reckless disregard of his or her obligations and duties.

Each of the Advisory and Administration Agreements provide that, absent willful misfeasance, bad faith or gross negligence in the performance of their duties or by reason of the reckless disregard of their duties and obligations, our Adviser, our Administrator and their respective officers, managers, agents, employees, controlling persons, members and any other person or entity affiliated with them are entitled to indemnification from us for any damages, liabilities, costs and expenses (including reasonable attorneys' fees and amounts reasonably paid in settlement) arising from the rendering of our Adviser's or our Administrator's services under the current Advisory or Administration Agreements, respectively, or otherwise as an investment adviser of ours.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single copy of the Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Gladstone Commercial Corporation stockholders will be householding our proxy materials. A single Notice will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Notice, please notify your broker or us. Direct your written request to Investor Relations at 1521 Westbranch Drive, Suite 200, McLean, Virginia, 22102 or call our toll-free investor relations line at 1-866-366-5745. Stockholders who currently receive multiple copies of the Notice at their addresses and would like to request householding of their communications should contact their brokers. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the Notice to a stockholder at the address to which a single copy of the Notice was delivered.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
