 Notes to Combined Financial Statements
 December 31, 2009 and 2008
 (Dollars in thousands)

1) Organization

Moody National 1715 OST Houston S, LLC and Moody National 1715 OST Houston MT, LLC (collectively the Company) are Delaware single member limited liability companies formed on January 4, 2008 that commenced operations on February 14, 2008. Two separate companies were formed for tax purposes such that one company would hold the assets and lease them to the other company through a long-term triple net lease. The Members are directly or indirectly owned by Brett C. Moody (the Owner). The Company shall continue until December 31, 2099 unless it is dissolved earlier in accordance with the limited liability operating agreement (the Operating Agreement). The purpose of the Company is to engage in the business of acquiring, developing, owning, leasing, operating, and transferring the 120-room Hampton Inn and Suites® Medical Center located in Houston, TX (the Hotel). The Hotel was initially placed in service in 2000 and was subsequently renovated in 2007. The Company acquired a 100% ownership interest in the Hotel on February 14, 2008 for a purchase price of approximately \$16.5 million plus customary pro-rated amounts and closing costs.

The Hotel is managed and operated by Moody National Management, L.P. (the Operator), an affiliate of the Owner, pursuant to Management and Asset Management Agreements dated February 14, 2008 (the Management Agreement) (Note 6). The Operator operates the Hotel as a Hampton Inn pursuant to a Franchise Agreement dated February 14, 2008 (Franchise Agreement) with a subsidiary of Hilton Hotels Corporation (Note 7).

Upon the acquisition of a hotel, the Company follows the business combination guidance and assesses the fair value of the acquired tangible assets and allocates the purchase price to the acquired assets and liabilities based on the estimated fair values. The allocation of the purchase price to the Hotel based on the fair value was as follows (in thousands):

Investment in hotel properties, net	\$ 16,603

(2) Summary of Significant Accounting Policies

Basis of Presentation

The combined financial statements have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United State of America. All intercompany balances and transactions have been eliminated in combination. These financials are being presented on a combined basis as Moody National 1715 OST Houston S, LLC and Moody National 1715 OST Houston MT, LLC are under common management and control.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and disclosure of contingent assets and liabilities at the balance sheet date and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Moody National 1715 OST Houston MT, LLC
Notes to Combined Financial Statements
December 31, 2009 and 2008
(Dollars in thousands)

Investment in Hotel Properties

Investment in hotel properties consists primarily of land, buildings, improvements and related fixtures and equipment. Investment in hotel properties is stated at cost and is generally depreciated using the straight-line method over estimated useful lives of 39 years for building, 15 years for improvements and between 5 and 7 years for furniture, fixtures and equipment. Major renewals and improvements are capitalized, while maintenance and repairs are expensed when incurred. When property and/or equipment are sold or retired, their cost and related accumulated depreciation are eliminated from the accounts and the resulting gain or loss is reflected in operations.

Impairment of Long-Lived Assets

The Company periodically evaluates the recoverability of its property and equipment when events or circumstances indicate that the asset may be impaired. This evaluation consists of a comparison of the carrying value of the asset with the asset's expected future cash flows, undiscounted and without interest costs. Estimates of expected future cash flows represent management's best estimate based on reasonable and supportable assumptions and projections. If the expected future undiscounted cash flows exceed the carrying value of the asset, no impairment is recognized. If expected future undiscounted cash flows are less than the carrying value of the asset then impairment is indicated. Such impairment is measured as the difference between the carrying value of the asset and its fair market value. During 2009 and 2008, there were no events or changes in circumstances indicating that the carrying value of the property and equipment may not be recoverable.

Cash and Cash Equivalents

All highly liquid investments with a maturity of three months or less when purchased are considered to be cash equivalents. The Hotel maintains its cash accounts at various major financial institutions within the United States of America. At times, deposits may be in excess of federally insured limits. The Hotels have not experienced any losses on cash deposited with the financial institutions.

Restricted Cash

The mortgage loan agreement requires the Company to fund between 2% and 3% of gross revenues on a monthly basis for a furnishings, fixtures, equipment and general repair maintenance reserve of the Hotel in an account to be held by the lender (FF&E Reserves). In addition, insurance proceeds were deposited into an escrow account by the insurance carrier on behalf of the Company (see Note 9).

Deferred Financing Costs

The Company's deferred financing costs relate to fees and costs incurred to obtain long-term financing to purchase the Hotel. These costs are amortized using the straight-line method, which approximates the effective interest method, over the life of the applicable borrowing and are included as a component of interest expense. Capitalized deferred financing costs are recorded in Hotel receivables and other assets and totaled \$102 as of December 31, 2009 and 2008. Accumulated amortization was \$41 and \$20 as of December 31, 2009 and 2008, respectively.

Revenue Recognition

Room revenues are recognized the night of occupancy. Cash received prior to guest arrival is recorded as an advanced deposit from customers and recognized as revenue at the time of occupancy.

Moody National 1715 OST Houston S, LLC and
 Moody National 1715 OST Houston MT, LLC
 Notes to Combined Financial Statements
 December 31, 2009 and 2008

(Dollars in thousands)

Other revenues are also recognized for food, beverage, telephone charges and various ancillary services performed at the time the service is provided.

Fair value of Non-Financial Assets and Liabilities

Effective January 1, 2009, the Company adopted a new accounting pronouncement which affects how fair value is determined for non-financial assets that are measured at fair value on a non-recurring basis such as intangibles and long-lived assets, including the incorporation of market participant assumption in determining the fair value. The adoption of this pronouncement did not have a material impact on the Company's financial position or results of operations.

Income Taxes

The Company has elected to be a limited liability company for federal tax purposes. As such, no federal or state income taxes are payable by the Company and none have been provided for in the accompanying financial statements. In accordance with partnership taxation, each of the partners is responsible for reporting its share of taxable income or loss. The Company analyzed its material tax positions and determined that it has not taken any uncertain tax positions.

The Mortgage Loan may be repaid in full during the first 24 months for a prepayment fee of 0.5% and may be repaid in full for the remainder of the term without any prepayment fee. The Mortgage Loan bears interest only payments for twelve months at a rate of 30-day LIBOR + 3.5% and then requires monthly interest and principal payments on a 25 year amortization schedule. The Mortgage Loan requires the Company to maintain a certain debt service coverage ratio ranging from 1.15:1 to 1.35:1. The Company is in compliance with the covenants as of December 31, 2009 and 2008.

On December 11, 2008, the Company entered into a \$1.550 million note payable (the Note Payable) with MNFA 1, LLC, an affiliate of the Company, which matures in January 2012. The Note Payable is collateralized by the Owner's security interest in the Company. The Note Payable may be repaid in full without any prepayment fee. The Note Payable bears interest at a rate of 20% annually and requires monthly payments of \$25 over the term of the note. All unpaid interest and principal is due upon maturity.

Future estimated scheduled debt principal payments at December 31, 2009 are as follows:

2010	
2011	
2012	1,550
Total	1,550

(6) Management Agreement

The Management Agreement expires on February 13, 2018 and has four automatic successive renewal options to extend the term of the Management Agreement for terms of five years each if neither the Company nor the Operator elect to terminate the Management Agreement. The Management Agreement requires a base management fee equal to 4% of Gross Operating Revenues (as defined) and an accounting fee of \$25 annually. The Company has the option to terminate the Management Agreement early, however, a termination fee of the estimated management fees and any others fees over the remainder of the term of the agreement are required. On July 1, 2010, the Company and the Operator jointly agreed to terminate the Management Agreement effective immediately and without any termination fees required from the Company. The asset management agreement also requires a fee equal to 1% of Gross Operating Revenues (as defined). Base Management fees for the year ended December 31, 2009 and the period ended December 31, 2008 was \$216 and \$218, respectively.

(7) Franchise Agreement

The Hotel is subject to a ten year non-exclusive franchise agreement with Hilton Hotels Corporation to operate under the Hampton Inn brand. Under the agreement, monthly royalty fees are equal to 5% of hotel gross room revenues (as defined), and monthly program fees are equal to 4% of hotel gross room revenues (as defined). In addition, the Operator may be required to pay certain advertising and other miscellaneous fees. The franchise fee expense for the year ended December 31, 2009 and the period ended December 31, 2008 was \$285 and \$343, respectively.

(8) Related Parties

For the year ended December 31, 2009, an affiliate of the Company provided construction management services related to the capital improvements made to the Hotel to repair damage as a result of Hurricane Ike. The Company contracted with the affiliate for capital improvements totaling \$420 of which \$24 was for construction management fees. There were no construction management services provided in the period ended December 31, 2008.

The Company's note payable is with an affiliate. For the year ended December 31, 2009 and the period ended December 31, 2008, the Company paid interest of \$310 and \$26 to the affiliate. No additional amounts were advanced or repaid subsequent to the initial funding.

The Operator is an affiliate of the Company and provides hotel management services. For the year ended December 31, 2009 and the period ended December 31, 2008, the affiliate received management fees of approximately \$216 and \$191.

(9) Insurance Proceeds

In September 2008, the Hotel suffered damage as a result of Hurricane Ike and recorded a loss of approximately \$420 to remove the Hotel property, equipment and improvements from the balance sheet. As of December 31, 2008, the Company had calculated the estimated damages that were probable to be reimbursed by the insurance company under the Company's insurance coverage and recorded the estimated net insurance proceeds after deductibles of \$1,050 in the statement of operations. The Company received all of the estimated cash proceeds during 2009 and 2010 prior to the sale of the Hotel (see note 11).

(10) Commitments and Contingencies

The nature of the operations of the Hotel exposes the Company to the risk of claims and litigation in the normal course of business. Although the outcome of these matters cannot be determined, management does not expect the ultimate resolution of these matters to have a material adverse effect on the financial position, operations, or liquidity of the Company.

(11) Subsequent Events

Completion of the purchase of the Houston Hotel

Payment of costs and expenses of approximately \$185 after June 30, 2010 related to the Houston Hotel

Notes and Management Assumptions:

The allocation of the purchase price for the Houston Hotel is as follows:

Property	Purchase			Furniture & Equipment
	Price Allocation	Land	Building	
Hampton Inn & Suites® Houston-Medical Center	\$16,233	\$3,200	\$12,708	\$ 325

FOR THE SIX MONTHS ENDED JUNE 30, 2010

(in thousands, except share data)

- 1) The Company was formed on October 26, 2009. There were no results of operations for the Company for the period from inception through April 21, 2010.
- 2) Represents the combined unaudited historical results of operations of the Initial Hotels from January 1, 2010 to the acquisition date of April 23, 2010.
- 3) Represents the unaudited historical results of operations of the Houston Hotel for the six months ended June 30, 2010. The combined historical audited financial statements of the Houston Hotel are included herein.
- 4) Reflects the adjustment to amortization of franchise fees based on the franchise application fees paid of \$449 and the remaining terms of the new franchise applications, which are 15 years from the closing of the purchase of the Initial Hotels and 10 years from the closing of the Houston Hotel.
- 5) Reflects the adjustment to management fees for contractual differences. Previous management company was paid a 4% management fee. There was an additional asset management fee payment of 1%. The new management contract reflects a 3% management fee. Reflects the adjustment for the contractual difference in the cost of accounting fees.
- 6) Reflects net increase to depreciation expense based on the Company's cost basis in the Initial Hotels and Houston Hotel and its accounting policy for depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, 5 years for furniture and equipment, 15 years for land improvements and 40 years for buildings and improvements.
- 7) The Company was formed on October 26, 2009 and completed its IPO on April 21, 2010 and thus there was no corresponding corporate general and administrative expense until April 21, 2010. The aggregate undiscounted estimated value of the LTIP unit awards are \$3,979 for Mr. Fisher, \$652 for Mr. Willis and \$525 for Mr. Craven. After applying the share-based payment accounting guidance, the estimated discounted values of the LTIP awards are \$3,020 for Mr. Fisher, \$495 for Mr. Willis and \$398 for Mr. Craven. The discounted value is used for the purposes of determining the amortization.
 - d. Cash compensation of \$100 and restricted share compensation of \$170 to the Trustees.

- e. Directors and officers insurance of \$86.
 - f. General office expenses including rent of \$25
- 8) Reflects the adjustment for one-time hotel acquisition costs which are not recurring and thus excluded from the pro forma results of operations.

- 9) Reflects the decrease to interest expense associated with defeasing the existing loans upon the purchase of the Initial Hotels and the Houston Hotel. RLJ and Moody are required under the terms of the purchase and sale agreements to cause the defeasance to occur on or before the closing of the purchase of the hotels. The purchase price for the Initial and the Houston Hotels was fully funded from equity proceeds of the IPO.
