On October 21, 2010, Phoenix Technologies Ltd., a Delaware corporation ( Phoenix ), entered into an Amendment (the Amendment ) to Agreement and Plan of Merger (the Marlin Merger Agreement ), dated August 17, 2010, between Phoenix and Pharaoh Acquisition LLC, a Delaware limited liability company and formerly known as Pharaoh Acquisition Corp ( Parent ), Pharaoh Merger Sub Corp., a Delaware corporation and a wholly-owned subsidiary of Parent ( Merger Subsidiary ), each affiliates of Marlin Equity Partners ( Marlin ), and, solely for purposes of providing a guarantee of the obligations of the Parent and Merger Subsidiary, Marlin Equity II, L.P., a Delaware limited partnership and Marlin Equity III, L.P., a Delaware limited partnership. Pursuant to the Amendment, the Merger Consideration (as defined in the Marlin Merger Agreement) was increased to \$4.05 per share. In addition, the Amendment, among other things, (i) provides that Phoenix will cause the stockholder meeting currently scheduled to be held on October 25, 2010 to be delayed to a date that is not more than ten (10) days after the mailing date of a supplemental proxy statement and (ii) eliminates the closing condition that stockholders representing not more than ten percent (10.0%) of Phoenix common stock shall have exercised their appraisal rights under applicable Delaware laws.

Other than as expressly modified pursuant to the Amendment, the Marlin Merger Agreement remains in full force and effect as originally executed on August 17, 2010. The foregoing description of the Amendment is only a summary, does not purport to be complete and is qualified in its entirety by reference to the Amendment, a copy of which is filed as Exhibit 2.1 to the Form 8-K filed by Phoenix on October 22, 2010 and is incorporated herein by reference. As previously disclosed in the Current Report on Form 8-K filed on August 17, 2010 (the August 17, 2010 Form 8-K ), the Board adopted and approved, based upon the recommendation of the Compensation Committee of the Board, the Special Acquisition Bonus Program (the Program ) designed to aid in the retention of Phoenix executive officers and other key employees in connection with the proposed merger under the Marlin Merger Agreement. Under the Program, eligible employees will be allowed to participate in a special bonus pool that will be established at the time the merger. In addition, as previously disclosed in Phoenix s definitive proxy statement filed on September 22, 2010, the Board used a matrix (the Matrix ) to determine the size of the bonus pool based on the consideration paid in the merger. The Matrix contemplated that if a transaction occurred at a price higher (or lower) than the one embodied in the original proposal from Marlin, then the size of the retention plan would increase (or decrease) both in dollar amount and as a percentage of the overall transaction value, pursuant to that Matrix. On October 21, 2010, the Board formally adopted the Matrix as follows:

---

Merger Consideration (per share):	\$ 3.85	\$3.90	\$ 3.95	\$4.00	\$ 4.05	\$4.10	\$ 4.15	\$4.20	\$ 4.25	\$4.30	\$ 4.35	\$ 4.40
Bonus Pool Percentage:	0.625%	0.75%	0.875	1.00%	1.125%	1.25%	1.375%	1.50%	1.625%	1.75%	1.875%	2.00%

Based on the Matrix and a merger consideration of \$4.05 per share, the bonus pool will be established in a dollar amount equal to 1.125% of the current acquisition value established for Phoenix based on the acquisition proceeds payable to the Company's shareholders and the dollar liability triggered under the Program.

The foregoing description of the Program does not purport to be complete and is qualified in its entirety by reference to a copy of the Program, a copy of which was filed as Exhibit 10.2 to the August 17, 2010 Form 8-K and is incorporated herein by reference.

As previously disclosed, on October 20, 2010, Gores Capital Partners III, L.P. and its affiliates submitted a definitive offer and revised proposal (the "Gores Proposal") to Phoenix to acquire all of the outstanding securities of Phoenix for cash consideration of \$4.05 per share, and the board of directors of Phoenix (the "Board") determined that such proposal constituted a Superior Proposal (as such term is defined in the Marlin Merger Agreement).

On October 21, 2010, pursuant to the terms of the Marlin Merger Agreement, Marlin submitted a matching proposal in the form of the Amendment to increase the Merger Consideration to \$4.05 per share and modify other terms in the Marlin Merger Agreement as described in Item 1.01 above. On October 21, 2010, the Board determined, after consulting with its financial and legal advisors, that in light of the matching proposal submitted by Marlin, the Gores Proposal no longer constitutes a Superior Proposal and that it is in the best interest of the stockholders of Phoenix to enter into the Amendment.

The Board has approved the merger with Marlin and continues to support its recommendation that Phoenix's stockholders adopt the Marlin Merger Agreement, as amended by the Amendment, and approve the merger with Marlin at Phoenix's special meeting of stockholders. Phoenix plans to distribute and file with the Securities and Exchange Commission a supplement to the definitive proxy statement filed on September 22, 2010 to update stockholders with respect to the development described above.

Phoenix expects that it will hold but immediately adjourn its special meeting of stockholders originally scheduled on October 25, 2010 to a later date to be announced at the meeting.
