Item 1.01 Entry into a Material Definitive Agreement.

On June 16, 2011, Primo Water Corporation (the Company) and certain stockholders of the Company entered into an underwriting agreement (the Underwriting Agreement) with Stifel, Nicolaus & Company, Incorporated, as representative of the several underwriters named therein, in connection with the public offering of a total of 6,900,000 shares of common stock of the Company (the Offering), consisting of 3,751,313 shares sold by the Company and 3,148,687 shares sold by certain selling stockholders (including Culligan International Company), at a public offering price of \$11.26 per share. The underwriters of the Offering were granted and exercised in full their over-allotment option to purchase 900,000 shares of common stock from the Company and Culligan International Company. The Underwriting Agreement contains customary representations, warranties and covenants. In the Underwriting Agreement, the Company and the selling shareholders also agreed to indemnify the underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended.

The closing of the Offering (including the underwriters' exercise of their over-allotment option) occurred on June 22, 2011. The net proceeds to the Company from the Offering were approximately \$39.6 million, after deducting underwriting discounts and commissions and estimated expenses of the Offering. The Company intends to use the net proceeds received from the Offering to repay all outstanding borrowings under its revolving credit facility and for working capital and general corporate purposes, including establishing new store locations for its water bottle exchange and refill vending services. The Company did not receive any proceeds from the sale of shares by the selling stockholders.

The Offering was made pursuant to a prospectus dated June 16, 2011, filed as part of the Company's registration statement on Form S-1 (Registration No. 333-173554), as amended (the Registration Statement).
