PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Registrant, K12 Inc. (the Company), has previously reported in periodic filings with the Securities and Exchange Commission, including the June 30, 2010 Form 10-K and Quarterly Filings since then, its efforts to improve its internal control over financial reporting. These efforts have been comprehensive and have included policies, procedures, personnel, training and a major implementation of an enterprise-wide financial management solution, which as the Company reported in the March 31, 2011 Form 10-Q, went live on April 1, 2011. The Company's Fiscal Year ended June 30, 2011 is a transition year and represents the first time the Company is required, as a Large Accelerated Filer, to file its Form 10-K in 60 days as compared to the 75 days it previously had. Given our transition to Large Accelerated Filer Status which occurred within four months after the commencement of our new financial system implementation, and due to unanticipated delays and other issues associated with this system implementation, the Company is unable to complete the necessary accounting work, review and analysis related to the preparation of the its Annual Report, and we are not able to file our Form 10-K within 60 days, or by August 29, 2011, without unreasonable effort or expense. The Company expects to file its Form 10-K within 75 days, an extension of 15 days, or by September 13, 2011.
