**ALTIRIS, INC.
PROXY STATEMENT
GENERAL INFORMATION**

The Board of Directors of Altiris, Inc., a Delaware corporation, is soliciting the enclosed proxy from you. The proxy will be used at our 2006 Annual Meeting of Stockholders to be held on Thursday, May 18, 2006, beginning at 2:00 p.m., at our executive offices located at 588 West 400 South, Lindon, Utah, and at any postponements or adjournments thereof. This proxy statement contains important information regarding the meeting. Specifically, it identifies the matters upon which you are being asked to vote, provides information that you may find useful in determining how to vote and describes the voting procedures.

We use several abbreviations in this proxy statement. We may refer to our company as *Altiris* or the *Company*. The term *proxy materials* includes this proxy statement, as well as the enclosed proxy card and our Annual Report on Form 10-K for the year ended December 31, 2005, filed with the U.S. Securities and Exchange Commission on March 16, 2006. The term *meeting* or *annual meeting* means our 2006 Annual Meeting of Stockholders except where the context provides otherwise.

We are sending these proxy materials on or about April 26, 2006, to all stockholders of record at the close of business on March 27, 2006 (the *Record Date*).

**QUESTIONS AND ANSWERS CONCERNING THE PROXY MATERIALS
AND THE ANNUAL MEETING**

When and where is the meeting?

The meeting will be held on Thursday, May 18, 2006, beginning at 2:00 p.m., at our executive offices located at 588 West 400 South, Lindon, Utah.

Why I am receiving these proxy materials?

You are receiving these proxy materials from us because you were a stockholder of record at the close of business on the Record Date, March 27, 2006. As a stockholder of record, you are invited to attend the meeting and are entitled to and requested to vote on the items of business described in this proxy statement.

What is the purpose of the annual meeting?

At our meeting, stockholders of record will act upon the items of business outlined in the notice of meeting (on the cover page of this proxy statement), each of which are described more fully in this proxy statement. In addition, management will report on the performance of the Company and respond to questions from stockholders.

Who is entitled to attend the meeting?

Only stockholders of record as of the close of business on Monday, March 27, 2006 are entitled to receive notice of and to participate in the meeting. You should be prepared to present photo identification for admittance.

Please also note that if you are not a stockholder of record but hold shares in *street name* (that is, through a broker, trustee or nominee), you will need to provide proof of beneficial ownership as of the Record Date, such as your most recent brokerage account statement prior to Monday, March 27, 2006, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the other procedures

Table of Contents

outlined above upon request, you will not be admitted to the annual meeting.

The meeting will begin promptly at 2:00 p.m., local time. Check-in will begin at 1:30 p.m., local time.

Who is entitled to vote at the meeting?

Only stockholders who owned Altiris common stock (NASDAQ: ATRS) at the close of business on the Record Date are entitled to notice of and to vote at the meeting, and at any postponements or adjournments thereof.

How many shares must be present or represented to conduct business at the meeting (that is, what constitutes a quorum)?

As of the Record Date, 28,877,615 shares of Altiris common stock were outstanding. Each outstanding share of Altiris common stock entitles the holder to one vote on each matter considered at the meeting. Accordingly, there are a maximum of 28,877,615 votes that may be cast at the meeting.

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of Altiris common stock entitled to vote at the meeting will constitute a quorum. A quorum is required to conduct business at the meeting. The presence of the holders of Altiris common stock representing at least 14,438,808 votes will be required to establish a quorum at the meeting. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

What items of business will be voted on at the meeting?

The items of business scheduled to be voted on at the meeting are as follows:

1. To elect two nominees to serve as Class I directors on our Board of Directors; and
2. To ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

These proposals are described more fully below in these proxy materials. As of the date of this proxy statement, the only business that our Board of Directors intends to present or knows of that others will present at the meeting is as set forth in this proxy statement. If any other matter or matters are properly brought before the meeting, it is the intention of the persons who hold proxies to vote the shares they represent in accordance with their best judgment.

How does the Board of Directors recommend that I vote?

Our Board of Directors recommends that you vote your shares **FOR** each of the director nominees and **FOR** the ratification of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

What shares can I vote at the meeting?

You may vote all shares owned by you as of the Record Date, including (1) shares held directly in your name as the *stockholder of record*, and (2) shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most Altiris stockholders hold their shares through a broker or other nominee rather than directly in their own name. As

Table of Contents

summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, you are considered, with respect to those shares, the *stockholder of record*, and these proxy materials are being sent directly to you by us. As the *stockholder of record*, you have the right to grant your voting proxy directly to Altiris or to vote in person at the meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner. If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held in *street name*, and these proxy materials are being forwarded to you by your broker, trustee or nominee, together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting. Please note that since a beneficial owner is not the *stockholder of record*, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

How can I vote my shares without attending the meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a stockholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee. For directions on how to vote, please refer to the instructions below and those included on your proxy card or, for shares held beneficially in street name, the voting instruction card provided by your broker, trustee or nominee.

By Internet Stockholders of record of Altiris common stock with Internet access may submit proxies from any location in the world by following the *Vote by Internet* instructions on their proxy cards. Most Altiris stockholders who hold shares beneficially in street name may vote by accessing the website specified on the voting instruction cards provided by their brokers, trustees or nominees. Please check the voting instruction card for Internet voting availability.

By Telephone Stockholders of record of Altiris common stock who live in the United States or Canada may submit proxies by following the *Vote by Phone* instructions on their proxy cards. Most Altiris stockholders who hold shares beneficially in street name and live in the United States or Canada may vote by phone by calling the number specified on the voting instruction cards provided by their brokers, trustees or nominees. Please

Table of Contents

check the voting instruction card for telephone voting availability.

By Mail Stockholders of record of Altiris common stock may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelope. Altiris stockholders who hold shares beneficially in street name may vote by mail by completing, signing and dating the voting instruction cards provided and mailing them in the accompanying pre-addressed envelope.

How can I vote my shares in person at the meeting?

Shares held in your name as the stockholder of record may be voted in person at the meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. **Even if you plan to attend the meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.**

Can I change my vote?

You may change your vote at any time prior to the vote at the meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Corporate Secretary at Altiris, Inc., 588 West 400 South, Lindon, Utah 84042, prior to your shares being voted, or by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Who can help answer my questions?

If you have any questions about the meeting or how to vote or revoke your proxy, please contact:

The Altman Group Inc.
800-217- 0538

If you need additional copies of this proxy statement or voting materials, please contact the Altman Group (Altman) as described above or send an e-mail to info@altmangroup.com.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Altiris or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide written comments on their proxy card, which are then forwarded to Altiris management.

Table of Contents

What vote is required to approve each item and how are votes counted?

The vote required to approve each item of business and the method for counting votes is set forth below:

Election of Directors. The two director nominees receiving the highest number of affirmative FOR votes at the meeting (a plurality of votes cast) will be elected to serve as Class I directors. You may vote either FOR or WITHHOLD your vote for the director nominees. A properly executed proxy marked WITHHOLD with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

All Other Items. For each of the other items of business, the affirmative FOR vote of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. You may vote FOR, AGAINST or ABSTAIN for these items of business. If you ABSTAIN, your abstention has the same effect as a vote AGAINST.

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of our Board of Directors (i.e., FOR all of the Company's director nominees, FOR ratification of the independent registered public accounting firm, and in the discretion of the proxy holders on any other matters that properly come before the meeting).

What is a broker non-vote ?

Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, who are the beneficial owners of the shares, brokers have the discretion to vote such shares on *routine matters* (such as election of directors and ratification of the appointment of independent registered public accounting firm), but not on *non-routine matters*. Thus, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares FOR, WITHHOLD or AGAINST routine matters but will not vote on non-routine matters. A *broker non-vote* occurs when a broker expressly instructs on a proxy card that it is not voting on a matter, whether routine or non-routine.

How are broker non-votes counted?

Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will not be counted in tabulating the voting result for any particular proposal.

How are abstentions counted?

If you return a proxy card that indicates an abstention from voting in all matters, the shares represented will be counted for the purpose of determining both the presence of a quorum and the total number of votes cast with respect to a proposal (other than the election of directors), but they will not be voted on any matter at the annual meeting. In the absence of controlling precedent to the contrary, we intend to treat abstentions in this

Table of Contents

What happens if additional matters are presented at the meeting?

manner. Accordingly, abstentions will have the same effect as a vote *AGAINST* a proposal.

Other than the two items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxy holders, Stephen C. Erickson (our Chief Financial Officer) and Craig H. Christensen (our Corporate Secretary), will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If, for any unforeseen reason, any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by our Board of Directors.

Who will serve as inspector of election?

We expect a representative of Computershare Trust Company, our Transfer Agent, to tabulate the votes and act as inspector of election at the annual meeting.

What should I do in the event that I receive more than one set of proxy/voting materials?

You may receive more than one set of these proxy materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each Altiris proxy card and voting instruction card that you receive to ensure that all your shares are voted.

Who is soliciting my vote and who will bear the costs of this solicitation?

Altiris is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access these proxy materials or vote over the Internet, you are responsible for Internet charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to this solicitation by mail, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by members of our Board of Directors, our officers and other employees, who will not receive any additional compensation for assisting in the solicitation. We have also engaged Altman to assist us in the distribution of proxy materials and the solicitation of votes described above. We will pay Altman a fee of approximately \$3,500, plus customary costs and expenses for these services. Upon request, we will also reimburse brokerage houses and other custodians, nominees, and fiduciaries for forwarding proxy solicitation materials to the beneficial owners of Altiris common stock.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the annual meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal 2006.

What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?

The 10th day following the day on which notice of the meeting is mailed; or

The 10th day following the day on which public disclosure of the meeting is made.

Nomination of Director Candidates: Stockholders may recommend director candidates for consideration by our Board's Governance and Nominating Committee. Any such recommendations should include (1) evidence of the stockholder's ownership of Altiris stock, and (2) the nominee's name, home and business address and other contact information, detailed biographical data, and qualifications for board membership, along with information regarding any relationships between the candidate and Altiris within the last three fiscal years. Such recommendations should be directed to our Corporate Secretary at the address of our principal executive offices set forth above. In addition, our Bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our Bylaws, as well as a statement by the

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table provides information relating to the beneficial ownership of Altiris Common Stock as of March 27, 2006, by:

each person (or group of affiliated persons) known by us to own beneficially more than 5% of Altiris Common Stock;

each of our Named Executive Officers;

each of our directors and director nominees; and

all of our directors and executive officers as a group.

The number of shares beneficially owned by each entity, person, director or executive officer is determined in accordance with the rules of the U.S. Securities and Exchange Commission (the *SEC*), and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the individual has the sole or shared voting power or investment power and any shares that the individual has the right to acquire within 60 days of March 27, 2006 (March 27, 2006) through the exercise of any stock option or other right. Unless otherwise indicated, each person has sole voting and investment power (or shares such powers with his or her spouse) with respect to the shares set forth in the following table.

The number and percentage of shares beneficially owned is computed on the basis of 28,877,615 shares of Altiris common stock outstanding as of March 27, 2006. Shares of Altiris common stock that a person has the right to acquire within 60 days of March 27, 2006 are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all directors and executive officers as a group.

Consideration of Director Nominees

Stockholder nominees

The policy of the Board of Directors is that the Governance and Nominating Committee is to consider properly submitted stockholder recommendations and nominations for candidates for membership on the Board as described under *Identifying and Evaluating Nominees for Directors* below. In evaluating the proposed candidates, the Governance and Nominating Committee seeks to bring to the Board a balance of relevant knowledge, experience and capability while addressing the considerations identified under *Director Qualifications* below. Any stockholder recommendations proposed for consideration by the Governance and Nominating Committee should include evidence of the stockholder's ownership of Altiris stock as well as the nominee's name, home and business addresses and other contact information, detailed biographical data, qualifications for Board membership, and information regarding any relationships between the recommended candidate and Altiris within the last three years, and should be addressed to:

Corporate Secretary
Altiris, Inc.
588 West 400 South
Lindon, Utah 84042

In addition, our Bylaws permit stockholders to nominate persons directly for election to the Board at an annual stockholders meeting of Altiris. For a description of the process for nominating directors, please refer to our Bylaws, a copy of which is available on the Investor Relations section of our website at <http://www.altiris.com> or may be obtained by contacting our Corporate Secretary at our principal executive offices.

Director Qualifications

Our Board of Directors does not currently believe that there are any specific minimum qualifications for director candidates at Altiris other than what is required under applicable SEC and exchange rules and regulations. However, our Corporate Governance Guidelines identify some of the many factors that the Governance and Nominating Committee will consider when evaluating candidates for a position on our Board of Directors, including matters of character, judgment, independence, diversity, age, expertise, diversity of experience, length of service and other time commitments. Our board also believes that eligible candidates must complement a Board that is comprised of directors who are predominately independent and of high integrity, and who offer the relevant experience, leadership skills and other qualifications that will increase overall Board effectiveness.

A copy of the Corporate Governance Guidelines is available on the Investor Relations section of our website at <http://www.altiris.com>.

Identifying and Evaluating Nominees for Directors

The Governance and Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Governance and Nominating Committee regularly assesses the appropriate size and composition of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Governance and Nominating Committee considers various potential candidates for director. Candidates may come to the attention of the Governance and Nominating Committee through current Board members, professional search firms, stockholders, employees or other persons. These candidates may be evaluated at regular or special meetings of the Governance and Nominating Committee. As described above, the Governance and Nominating Committee will consider properly submitted stockholder recommendations and nominations

for candidates for the Board. Following verification of the status of stockholders proposing candidates, all properly submitted recommendations will usually be aggregated and evaluated by the Governance and Nominating Committee at a regularly scheduled meeting, which is generally the first or second meeting prior to the issuance of the proxy statement for the annual meeting. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials are forwarded to the Governance and Nominating Committee. The Governance and Nominating Committee may also review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder. In evaluating director candidates, the Governance and Nominating Committee will seek to achieve those objectives described under **Director Qualifications** above and more particularly set forth in our Corporate Governance Guidelines.

Executive Sessions

Executive sessions of independent directors are held regularly. The sessions are scheduled and chaired by the Lead Independent Director or, in his or her absence, the chairperson of the Governance and Nominating Committee. Currently, our Lead Independent Director (Michael J. Levinthal) also chairs the Governance and Nominating Committee. Any non-employee director can request that an additional executive session be scheduled.

Compensation Committee Interlocks and Insider Participation

No interlocking relationship exists between any member of the Compensation Committee and any member of any other company's board of directors or compensation committee.

Communications with the Board

2005 REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Notwithstanding any statement to the contrary in any of our previous or future filings with the SEC, this report of the Audit Committee of the Board of Directors shall not be deemed filed with the SEC or soliciting material under the Securities Exchange Act of 1934, as amended, and shall not be incorporated by reference into any such filings.

The Audit Committee, which currently consists of Gary B. Filler (Chairman), Michael J. Levinthal and V. Eric Roach, assists the Board of Directors in the oversight and monitoring of the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the independent registered public accounting firm qualifications, independence and performance, and the Company's internal accounting and financial controls and reporting practices. The written charter for the Audit Committee, as amended, details the responsibilities of the Audit Committee. A copy of the written charter for the Audit Committee is available on the Investor Relations section of our website at <http://www.altiris.com>.

The Audit Committee oversees our accounting and financial reporting processes on behalf of the Board of Directors. The members of the Audit Committee are not professional accountants or auditors and their functions are not intended to duplicate or to certify the activities of management and the independent registered public accounting firm. Our management has the primary responsibility for the financial statements and reporting process, including our systems of internal controls. The Company's independent registered public accounting firm, KPMG LLP, are responsible for expressing an opinion on the Company's consolidated financial statements and the effectiveness of internal controls over financial reporting, based on their audits.

In this context, the Audit Committee hereby reports as follows:

1. The Audit Committee reviewed and discussed with management the audited financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

2. The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU §380).

3. The Audit Committee received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee) and has discussed with the accountants the accountants' independence.

4. Based on the review and discussions referred to in paragraphs (1) through (3) above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

The undersigned members of the Audit committee have submitted this Report to the Board of Directors.

**2005 REPORT OF THE COMPENSATION COMMITTEE OF
THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

Notwithstanding any statement to the contrary in any of our previous or future filings with the SEC, this Report of the Compensation Committee of the Board of Directors on Compensation shall not be deemed filed with the SEC or soliciting material under the Securities Exchange Act of 1934, as amended, and shall not be incorporated by reference into any such filings.

For the 2005 fiscal year, the Compensation Committee consisted of V. Eric Roach (Chairman), Jay C. Hoag and Mark E. Sunday. The purpose of this Committee is to assist the Board in its oversight of the compensation of our Chief Executive Officer and other executive officers, to administer Altiris stock plans and make grants thereunder, to consult with management regarding compensation and benefits for non-executive officers and other employees of Altiris, and to oversee our compensation policies, plans and benefits programs generally. The written charter for the Compensation Committee, as amended, details the responsibilities of the Committee and is available on the Investor Relations section of our website at <http://www.altiris.com>.

The following is the report of the Compensation Committee of the Board of Directors with respect to executive compensation during fiscal year 2005.

Compensation Philosophy

As set forth in the charter for the Compensation Committee, the philosophy of the Committee is to provide compensation to Altiris officers and other key employees in such a manner as to attract and retain the best available personnel for positions of substantial responsibility with Altiris, to provide incentives for such persons to perform to the best of their abilities for Altiris, and to promote the success of Altiris business. The Committee's philosophy also seeks to align the interests of stockholders and management by tying compensation to Altiris operational and financial performance, either directly in the form of salary and cash bonuses or indirectly in the form of stock options or other equity-based compensation.

We note that competition for qualified management and technical personnel in our industry is intense and we expect such competition to remain intense for the foreseeable future. As a result, in order to gain access to and retain qualified personnel, the Compensation Committee believes that it will be necessary to provide compensation packages that are competitive with that which is offered by other similarly situated software companies.

Cash Compensation

Base Salary. The base salaries for our executive officers in 2005 were established based on subjective evaluation of such factors as the level of responsibility, individual performance, level of pay and company peer group pay levels, and compensation for comparative positions in other companies. Base salaries are reviewed on an annual basis and annual increases determined on an individual basis based on the foregoing considerations and a more specific review of the individual's performance and contribution to various individual, departmental and corporate objectives.

Executive Bonus Plan. For 2005, all non-commissioned executive officers earned quarterly cash bonuses on the basis of Altiris overall financial and operational performance, certain marketing and other strategic considerations, and performance of individual objectives established between the executive officer and the chief executive officer (CEO) or, in the case of the CEO, between the CEO and the Compensation Committee. The salaries and cash bonuses received by such executives, other than the CEO, were determined by the Compensation Committee upon the recommendation of the CEO. The CEO's base salary is determined by the Compensation Committee. These cash bonuses for 2005 ranged from 0% to 30% of an executive's base salary.

Table of Contents

Equity-based Compensation

For 2005, Altiris provided long-term incentives through stock options and restricted stock awards under the terms of its 2002 Stock Plan. Such equity awards were granted periodically to new employees, executives and other key employees to provide incentive to maximize long-term total return to our stockholders. The Stock Plan authorizes the use of both non-statutory and incentive stock options, as well as restricted stock awards; however, to date only non-statutory stock options and restricted stock awards have been granted under the Stock Plan. Altiris began using restricted stock awards in 2005 in an effort to maximize the use of shares available for employee grants and in response to the U.S. Financial Accounting Standards Board's requirement that public companies must begin to expense stock options.

We believe that stock option awards provide a particularly strong incentive for employees to contribute to Altiris long-term financial performance because they are valuable to employees only if the fair market value of our common stock increases above the exercise price, which historically has been set at the fair market value of our common stock on the date that the option is granted. In addition, both stock options and restricted stock awards generally vest over a three-year period so employees must remain employed with us for a fixed period of time in order for the equity awards to vest fully.

All stock option and restricted stock awards granted to our executive officers in fiscal 2005 were approved by the Compensation Committee. In determining the size of the options and restricted stock awards granted to the executive officers, the Committee considered such factors as the executive's position with Altiris, the executive's individual performance, the number of options then held, if any, and the extent to which such options were vested, and any other factors that the Committee deemed relevant.

In addition, Altiris offers to all of its employees the opportunity to participate in its 2002 Employee Stock Purchase Plan.

Compensation for the Chief Executive Officer

Gregory S. Butterfield has served as Altiris' chief executive officer since February 2000. In fiscal year ended, December 31, 2005, Mr. Butterfield received an annual salary of \$325,000 and cash bonuses of \$96,574. The Committee considers this amount of annual base salary and bonus competitive and appropriate for the following reasons: Mr. Butterfield's success in achieving greater profits and higher returns on equity; his critical role in achieving positive financial results in an extremely competitive national and global economic environment; and his overall personal example and actions in enhancing customer relations. Mr. Butterfield may continue to earn cash bonuses pursuant to the 2006 Executive Bonus Plan.

It is the opinion of the Compensation Committee that these executive compensation policies and plans provide for a reasonable and balanced remuneration program that focuses on the relationship between corporate performance and executive compensation and enables Altiris to recruit, motivate and retain the quality executives necessary for Altiris long-term success.

Table of Contents**Grants of Stock Options**

The following table summarizes the stock options granted to each Named Executive Officer during the Last Fiscal Year, including the potential realizable value over the 10-year term of the options, which is based on assumed rates of stock appreciation of 5% and 10%, compounded annually and subtracting from that result the aggregate option exercise price. These assumed rates of appreciation comply with the rules of the Securities and Exchange Commission and do not represent our estimate or projection of future stock price of our Common Stock. Actual gains, if any, on stock option exercises are dependent on the future performance of our Common Stock, overall market conditions and the option holder's continued employment through the vesting period.

During the Last Fiscal Year, we granted options to purchase up to an aggregate of 639,542 shares to employees. Other than the options assumed from Pedestal Software, Inc., under the 2005 Stock Plan (which options generally vest over a four year period), all options were granted under our 2002 Stock Plan at exercise prices equal to the fair market value of our Common Stock on the date of grant. The options granted in 2005 under our 2002 Stock Plan vest as to 1/3 of the shares underlying the option at the end of each one-year period over three years.

Benefit Plans

1998 Stock Option Plan

Our 1998 Stock Option Plan was adopted by our Board of Directors in August 1998. Our 1998 Stock Option Plan provides for the grant of nonstatutory stock options to our employees, directors and consultants. We have reserved an aggregate of 4,197,058 shares of our common stock for issuance under this plan. As of March 31, 2006, 3,689,916 shares had been issued pursuant to the exercise of options and options to purchase 340,833 shares of common stock were outstanding. In February 2002, our Board of Directors determined to discontinue granting stock options under our 1998 Stock Option Plan and to retire any shares of our common stock reserved for issuance under such plan and not subject to outstanding stock options. Since the discontinuation of stock option grants under our 1998 Stock Option Plan, we have granted options only under our 2002 Stock Plan (described below). The 1998 Stock Option Plan provides that in the event of the sale, transfer or other disposition of all or substantially all of our assets, our complete liquidation or dissolution, or a merger or consolidation in which more than 50% of our total combined voting power is transferred to persons different from the persons holding those securities immediately prior to such merger or consolidation, the outstanding options under the plan and all outstanding repurchase rights will terminate except to the extent the options and repurchase rights are assumed by the successor entity. Notwithstanding the foregoing, outstanding options may accelerate as to a

Table of Contents

portion of unvested shares subject to an option prior to such termination as provided in an optionee's stock option agreement or any amendment to such stock option agreement.

2002 Stock Plan

Our Board of Directors adopted and our stockholders approved the 2002 Stock Plan in January 2002. In connection with our initial public offering of common stock in May 2002, our Board and stockholders approved certain amendments to this plan, including an amendment to increase the maximum number of shares reserved for issuance under the plan. The plan is administered by our Board of Directors and the Compensation Committee of the Board and terminates automatically in 2012, unless we terminate it sooner. The administrator has the authority to amend, suspend or terminate the plan provided such amendment does not impair the rights of any optionee. We have reserved a total of 4,238,014 shares of our common stock for issuance under this plan. In addition, this plan provides for annual increases in the number of shares available for issuance under the plan on the first day of each fiscal year equal to the lesser of (i) 3% of the outstanding shares of common stock on the first day of the applicable year, or (ii) 1,000,000 shares, or (iii) a lesser amount as our Board may determine. As of March 31, 2006, 734,423 shares had been issued pursuant to the exercise of options and options to purchase 2,210,150 shares of common stock were outstanding.

This plan provides for the grant of incentive stock options, within the meaning of Section 422 of the U.S. Internal Revenue Code of 1986, as amended, or the Code, to our employees, and for the grant of nonstatutory stock options and stock purchase rights to our employees, directors and consultants. The administrator has the power to determine the terms of the options and stock purchase rights granted pursuant to the plan, including the exercise price, the number of shares subject to each option or stock purchase right, the exercisability of the options and stock purchase rights and the form of consideration payable upon exercise. The administrator determines the exercise price of options granted under the plan, but with respect to nonstatutory stock options intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code and incentive stock options, the exercise price must be at least equal to the fair market value of our common stock on the date of grant. The term of an incentive stock option may not exceed 10 years, except that with respect to any participant who owns 10% of the voting power of all classes of our outstanding capital stock, the term must not exceed 5 years and the exercise price must equal at least 110% of the fair market value on the grant date. The administrator determines the term of all other options. No optionee may be granted an option to purchase more than 1,000,000 shares in any year, except in connection with his or her initial service as an employee, an optionee may be granted an additional option to purchase up to 500,000 shares. In connection with the termination of an employee, director or consultant, he or she may exercise his or her option for the period of time stated in the option agreement. Generally, if termination is due to death or disability, the option will remain exercisable for 12 months. In all other cases, the option will generally remain exercisable for 3 months. However, an option may never be exercised later than the expiration of its term.

Stock purchase rights, which represent the right to purchase our common stock, may be issued under this plan. The administrator determines the purchase price of stock purchase rights granted under our plan. Unless the administrator determines otherwise, a restricted stock purchase agreement, which is an agreement between us and an optionee which governs the terms of stock purchase rights, will grant us a repurchase option that we may exercise upon the voluntary or involuntary termination of the purchaser's service with us for any reason, including death or disability. The purchase price for shares we repurchase will generally be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to us. The administrator determines the rate at which our repurchase option will lapse. As of March 31, 2006, 651,135 shares had been issued pursuant to the exercise of stock purchase rights, 28,430 of which we subsequently repurchased in accordance with the repurchase option afforded to us by the restricted stock purchase agreement.

This plan generally does not allow for the transfer of options or stock purchase rights and only the optionee may exercise an option or stock purchase right during his or her lifetime. The plan also provides that in the event of our merger with or into another corporation, or a change of control, the successor corporation

Table of Contents

will assume or substitute each option or stock purchase right. If the successor corporation refuses to assume or substitute for outstanding options and stock purchase rights, the administrator will notify each optionee that, for a period of 15 days from the date of such notice, his or her option will become exercisable as to all vested shares subject to such option, plus all shares that would have otherwise vested within one year after the date of such notice. The option will terminate upon the expiration of the 15-day period.

2005 Stock Plan

Our board of directors adopted the Altiris 2005 Stock Plan, formerly the Pedestal Software, Inc. 2002 Stock Option and Incentive Plan, in connection with our acquisition of Pedestal Software, Inc. and effective as of March 29, 2005. The 2005 Stock Plan provides for the grant of incentive stock options, nonstatutory stock options, restricted stock and other stock-based awards.

Share Reserve. A total of 503,672 shares of our common stock are authorized for issuance under the 2005 Stock Plan. Shares subject to awards which expire or are cancelled or forfeited will again become available for issuance under the 2005 Stock Plan.

Eligibility. Term and Administration of Awards. Our board of directors or a committee of our board administers the 2005 Stock Plan. The administrator has the power to determine the terms of the awards, including the exercise price, the number of shares subject to each such award, the exercisability of the awards and the form of consideration, if any, payable upon exercise. Our employees, officers, directors, consultants and advisors are eligible to receive awards under the 2005 Stock Plan, except for those individuals who were employed by us at the time of our acquisition of Pedestal Software, Inc. No participant may be granted awards during any one fiscal year to purchase more than 402,937 shares of our common stock.

Stock Options. The administrator determines the exercise price of options granted under the 2005 Stock Plan. The term of an incentive stock option may not exceed ten years, except that with respect to any participant who owns 10% of the voting power of all classes of our outstanding stock, the term must not exceed five years and the exercise price must equal at least 110% of the fair market value on the grant date. The administrator determines the term of all other options. As of March 31, 2005, 168,139 shares had been issued pursuant to the exercise of options and options to purchase 40,601 shares of common stock were outstanding.

Restricted Stock. Restricted stock may be granted under our 2005 Stock Plan. Restricted stock awards are shares of our common stock that vest in accordance with terms and conditions established by the administrator. The administrator will determine the number of shares of restricted stock granted to any employee. The administrator may impose whatever conditions to vesting it determines to be appropriate. Shares of restricted stock that do not vest are subject to our right of repurchase.

Other Stock-Based Awards. Our board has the right to grant other awards based on our common stock having such terms and conditions as the board determines, including, the grant of shares based on certain conditions, the grant of securities convertible into our common stock and the grant of stock appreciation rights, phantom stock awards or stock units.

If a participant dies, becomes disabled, retires or has any other termination of service with us, our board will determine the effect of an award due to such termination and the extent to which those awards may be exercised.

Effect of our Acquisition. Our 2005 Stock Plan provides that in the event of our acquisition, our board or the board of directors of the surviving or acquiring entity will make appropriate provision for the continuation of outstanding awards under the 2005 Stock Plan or for the assumption for such awards and by substituting on an equitable basis for the shares then subject to such awards either (i) the consideration payable with respect to the outstanding shares of common stock in connection with our acquisition, (ii) shares of stock of the surviving or acquiring corporation, or (iii) such other securities or other consideration as our board deems appropriate. In addition to or in lieu of the previous sentence, our board

Table of Contents

may provide, upon written notice to affected participants, that outstanding options must be exercised, in whole or in part, within a specified number of days of the date of such notice, at the end of which period such options will terminate, or provide that outstanding options, in whole or in part, will be terminated in exchange for a cash payment equal to the excess of the fair market value (as determined by our board in its sole discretion) for the shares subject to the options over the exercise price thereof; provided, however, that before terminating any portion of an option that is not vested, our board must first accelerate the vesting any portion of the option that is to be terminated. Unless otherwise determined by our board, any repurchase rights or other rights of the Company that relate to an option or other award under the 2005 Stock Plan shall continue to apply to consideration, including cash, that has been substituted, assumed or amended for an option or other award under this provision.

In connection with a merger or consolidation of an entity with us or the acquisition by us of property or stock of an entity, our board may grant awards under the 2005 Stock Plan in substitution for stock and stock-based awards issued by such entity.

Acceleration. Our board may at any time provide that any options will become immediately exercisable in full or in part and that restricted stock awards will be free of some or all restrictions, or that any other stock-based awards will become exercisable in full or in part or free of some or all restrictions or conditions, or otherwise realizable in full or in part.

Transferability. Our 2005 Stock Plan generally does not allow for the transfer of awards and only the recipient of an award may exercise an award during his or her lifetime.

Additional Provisions. Our board of directors has the authority to amend, suspend or terminate the 2005 Stock Plan provided such action does not impair the rights of any participant.

2002 Employee Stock Purchase Plan

In February 2002, our Board of Directors adopted our 2002 Employee Stock Purchase Plan, and, in connection with our initial public offering of common stock in May 2002, our stockholders approved the plan. A total of 2,538,132 shares of our common stock are reserved for issuance under this plan. As of March 31, 2006, 582,611 shares had been issued pursuant to the exercise of options. In addition, this plan provides for annual increases in the number of shares available for issuance under the plan on the first day of each year, beginning in 2003, equal to the lesser of (i) 2% of the outstanding shares of our common stock on the first day of the applicable year, (ii) 750,000 shares, or (iii) another amount as our Board may determine. The plan is administered by our Board of Directors and the Compensation Committee of the Board. The administrator has full power and the exclusive authority to interpret the terms of the plan and to determine eligibility under the plan and the authority to amend or terminate our the plan, except that, subject to certain exceptions set forth in the plan, no such action may adversely affect any outstanding rights to purchase stock under the plan.

Our employees and employees of designated subsidiaries are eligible to participate in this plan. However, the administrator may not grant to an employee an option to purchase stock under this plan if:

the employee immediately after grant owns stock possessing 5% or more of the total combined voting power or value of all classes of our capital stock, or

if the employee's rights to purchase stock under all of our employee stock purchase plans accrues at a rate that exceeds \$25,000 worth of stock for each calendar year.

This plan is intended to qualify under Section 423 of the Code and contains consecutive, six-month offering periods. The offering periods generally start on the first trading day on or after February 1 and August 1 of each year and will end six months later on the last trading day on or after February 1 or on the last trading day on or after August 1. This plan permits participants to purchase common stock through payroll deductions of up to 10% of their eligible compensation, which includes a participant's base salary, overtime and shift premiums and commissions, but excludes all other compensation. A participant may purchase a maximum of 750 shares during each 6-month offering period, subject to adjustment for

Table of Contents

stock splits, dividends or other applicable changes in our capital structure. Amounts deducted and accumulated by the participant are used to purchase shares of our common stock at the end of each six-month offering period. The purchase price is equal to 85% of the lower of the fair market value of our common stock at the beginning of an offering period or at the end of an offering period. Participants may end their participation at any time during an offering period, and will be paid their payroll deductions to date. Participation ends three months following termination of employment with us (unless specified otherwise by a participant).

A participant may not transfer rights granted under the plan other than by will, the laws of descent and distribution or as otherwise provided under the plan. The plan also provides that in the event of a change of control, a successor corporation may assume or substitute each outstanding option. If the successor corporation refuses to assume or substitute for the outstanding options, the offering periods then in progress will be shortened, and a new exercise date will be set. In such event, the administrator will provide notice of the new exercise date to each optionee at least 10 business days before the new exercise date.

Employment Contracts and Change-in-Control Arrangements

Other than as provided generally to all optionees under our 1998 Stock Option Plan and 2002 Stock Plan and participants under our 2002 Employee Stock Purchase Plan, we have granted stock purchase rights (or restricted stock awards as they are more commonly known) to our Named Executive Officers which provide for a full release of our repurchase option (as detailed within the respective restricted stock purchase agreement evidencing the stock purchase right) upon a change-in-control.

On October 20, 2005, we implemented a Senior Management Severance Plan (the "Severance Plan"). Pursuant to the Severance Plan, eligible Altiris senior management, which includes our Named Executive Officers, whose employment is terminated as a result of an involuntary termination within six months following a change of control will receive (i) a lump sum severance payment equal to twelve months' base salary; (ii) 100% of such eligible employee's target bonus for the year in which the change of control occurs; (iii) full vesting of any unvested stock options; (iv) a release of any right by Altiris to repurchase Altiris common stock owned by such eligible employee; and (v) twelve months' paid health, dental, vision and life insurance benefits. In addition, any eligible employee who remains continuously employed by Altiris through the six month anniversary of any change of control is also entitled to receive the payments and benefits listed in (i) through (v) of the previous sentence as a retention payment. Altiris obligation to make any severance or retention payments under the Severance Plan is conditioned on the eligible employee's covenant not to solicit Altiris' employees to terminate their employment with Altiris. An employee becomes eligible to participate in the Severance Plan when he or she receives a Notice of Participation from Altiris and signs and returns such Notice of Participation to Altiris. Temporary employees and employees with a separate written employment contract with Altiris relating to severance benefits, among others, are ineligible to participate in the Severance Plan.

**PROPOSALS TO BE VOTED ON
PROPOSAL ONE
ELECTION OF DIRECTORS**

Our Certificate of Incorporation and Bylaws provide that our Board of Directors shall be divided into three classes designated as Class I, Class II and Class III, respectively, with the classes of directors serving for staggered three-year terms. We have (2) two Class I directors, Gregory S. Butterfield and Gary B. Filler, whose terms expire at our upcoming annual meeting; (2) two Class II directors, Michael J. Levinthal and Mark E. Sunday, whose terms expire at our annual meeting of stockholders to be held in 2007; and (2) two Class III directors, Jay C. Hoag and V. Eric Roach, whose terms expire at our annual meeting of stockholders to be held in 2008. In accordance with our Certificate of Incorporation and Bylaws, any additional directorships resulting from an increase in the number of directors will be apportioned among the three classes so as to maintain the number of directors in each class as nearly equal as possible. Currently there is a vacancy on our Board of Directors for a Class III director. Our Board of Directors will endeavor to fill such vacancy with an independent director to serve until such director's successor is duly elected and qualified.

Class I Director Nominees

There are two nominees for election as Class I directors this year. Our Governance and Nominating Committee/ Board of Directors have nominated Messrs. Butterfield and Filler for re-election as Class I directors. Messrs. Butterfield and Filler have served as directors since 2000 and 2002, respectively. If elected, Messrs. Butterfield and Filler will hold office as Class I directors until our annual meeting of stockholders to be held in 2009, and until their respective successors are elected and qualified or until their earlier death, resignation or removal.

If you sign your proxy or voting instruction card but do not give instructions with respect to the voting of directors, your shares will be voted for the two nominees recommended by our Board of Directors. If you wish to give specific instructions with respect to the voting of directors, you may do so by indicating your instructions on your proxy or voting instruction card. The Board expects that each nominee will be available to serve as a director. In the event Messrs. Butterfield and Filler become unavailable, however, the proxy holders intend to vote for any nominee designated by the Board, unless the Board chooses to reduce the number of directors serving on the Board. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as to assure the election of Messrs. Butterfield and Filler.

Vote Required and Recommendation of the Board of Directors

The two nominees receiving the highest number of affirmative FOR votes at the meeting (a plurality of votes cast) will be elected to serve as Class I directors. Votes withheld from any director nominee will be counted for purposes of determining the presence or absence of a quorum but have no other legal effect under Delaware law.

Our Board recommends a vote for the election of Gregory S. Butterfield and Gary B. Filler as Class I directors.

PROPOSAL TWO
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

Our Audit Committee has appointed KPMG LLP, independent registered public accounting firm, to audit our financial statements for the fiscal year ending December 31, 2006. Services provided to Altiris and its subsidiaries by KPMG during the fiscal year ended December 31, 2005 are described under *Audit and Related Fees for Fiscal 2005 and 2004* below. Representatives of KPMG will be present at the meeting, where they are expected to be available to respond to appropriate questions and, if they desire, to make a statement.

Audit and Related Fees for Fiscal 2005 and 2004

The following table sets forth a summary of the fees billed to us by KPMG LLP for professional services for the fiscal years ended December 31, 2005 and 2004, respectively:

	2005	2004
Audit Fees(1)	\$ 1,014,000	\$ 1,052,000
Audit-Related Fees(2)	94,000	47,000
Tax Fees(3)		207,000
All Other Fees		
Total	\$ 1,108,000	\$ 1,306,000

Table of Contents

- (1) Audit fees represent fees for professional services provided in connection with the audit of our financial statements, the audit of management's assessment of the effectiveness of internal control over financial reporting and review of our quarterly financial statements and audit services provided in connection with other statutory or regulatory filings.
- (2) Audit-related fees consisted primarily of accounting consultations, services related to proposed business acquisitions, consents and other attestation services.
- (3) For our fiscal year ended December 31, 2004, tax fees principally included tax compliance fees and fees for tax advice.

The Audit Committee of our Board of Directors has adopted a policy regarding the pre-approval of audit-related and non-audit services to be performed by the independent registered public accounting firm of Altiris and not otherwise prohibited by law. This policy requires that services must either be specifically pre-approved on a case-by-case basis or generally pre-approved if the services fall within the guidelines set by the Audit Committee. Under this policy, the annual audit services engagement terms and fees require the specific pre-approval of the Audit Committee and certain audit-related services, tax services, and other services require general pre-approval. Only those services that the Audit Committee feels will not impair the independence of the auditors and are consistent with the SEC rules regarding auditor independence have been generally pre-approved. Additionally, where fees for certain services that have been generally pre-approved exceed certain fee thresholds set by the Audit Committee, specific pre-approval is required for services that would exceed those fee thresholds. The Audit Committee also may delegate both specific and general pre-approval authority to one or more of its members. All audit-related, tax and other services and fees were pre-approved by the Audit Committee in accordance with applicable law.

Vote Required and Recommendation of the Board of Directors

Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006, requires the affirmative vote of a majority of the shares of Altiris common stock present in person or represented by proxy and entitled to be voted at the meeting. Abstentions have the same effect as a vote against the proposal.

Our Board recommends a vote FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

Ratification of the appointment of KPMG LLP as our independent registered public accounting firm is not required by our Bylaws or other applicable legal requirement. However, our Board is submitting the selection of KPMG to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee at its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and in the best interests of our stockholders.
