**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Participants and Administrator of  
Flagstar Bank 401(k) Plan

We have audited the accompanying statement of net assets available for benefits of Flagstar Bank 401(k) Plan (the Plan ) as of December 31, 2005, and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting.

Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005, and the changes in net assets available for benefits for the year ended December 31, 2005, in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule, Schedule H, line 4i Schedule of Assets (Held at End of Year), is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**Flagstar Bank 401(k) Plan  
Notes to Financial Statements  
December 31, 2005 and 2004**

**Note A Description of Plan**

The following description of the Flagstar Bank 401(k) Plan (the Plan ) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering all employees of Flagstar Bancorp, Inc. (the Company ) who have met the eligibility service requirements. An employee is eligible to participate in the Plan after three months of service and is age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ( ERISA ), as amended.

**Contributions**

Eligible employees may contribute up to 60% in 2005 and 2004 up to the statutory limits (\$14,000 in 2005 and \$13,000 in 2004) per annum, of their eligible compensation to the Plan. Effective in 2004, participants that meet certain criteria are able to make additional catch-up contributions of \$4,000 in 2005 and \$3,000 in 2004. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company matches employee contributions up to 3% per annum of the employee's compensation, up to a maximum of \$6,300, excluding the catch-up contributions. The Company may make discretionary contributions to the Plan. No discretionary contributions were made in 2005. All contributions are invested in accordance with the participant's directive.

**Vesting**

Participants are immediately vested in their voluntary contributions. Vesting in the Company contributions and related earnings is based on years of service. A participant becomes 100% vested in Company contributions after five years of credited service.

**Participants Accounts**

Each participant's account is credited with the participant's contribution, the Company contribution made on the employee's behalf and an allocation of Plan earnings based on the employee's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Participant Loans**

Participant loans are permitted by the Plan. Participants may borrow a minimum of \$1,000 up to the lesser of \$50,000 or 50% of the participant's vested account balance, reduced by the highest outstanding loan balance in the preceding 12 months. All loans must be repaid in level payments through after-tax payroll deductions over a five-year period or up to 10 years for the purchase of a primary residence. The loans are collateralized by up to 50% of a participant's account balance and bear interest at rates ranging from 5.00%-10.50%, as determined by the Plan administrator.

**Table of Contents**

**Flagstar Bank 401(k) Plan  
Notes to Financial Statements Continued  
December 31, 2005 and 2004**

**Payment of Benefits**

Upon termination of services, retirement, attainment of age 59-1/2, death or disability, the participant or his or her beneficiaries are entitled to receive a distribution based on the vested amount of his or her account. A participant may also receive a distribution of his or her vested account balance in the case of financial hardship subject to the discretion of the Plan's administrator.

**Forfeitures**

If a participant terminates employment, any non-vested portion of the participant's account is forfeited. Forfeitures are applied to reduce the contributions of the Company. Forfeited non-vested accounts totaled \$160,000 at December 31, 2005 and \$136,000 at December 31, 2004. In 2005, employer contributions were reduced by \$499,000 from forfeited non-vested accounts.

**Note B Summary of Accounting Policies**

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

**Basis of Accounting**

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes there in, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are stated at fair value based upon the current quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Participant's loans are valued at their outstanding balances, which approximate fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**Payment of Benefits**

Benefits are recorded when paid.

**Note E   Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to provisions of ERISA. In the event of termination of the Plan, the assets of the Plan shall be distributed to all participants to the extent of the value of each participant's account after adjustment for liquidation expenses, which were not paid by the Company. In the event of the Plan termination, participants would become 100% vested in their employer contributions.

**Note F   Tax Status**

The Internal Revenue Service has determined and informed the Company by a letter dated January 16, 2002, that the Plan and related trusts are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan was amended, subsequent to the application for favorable determination above, however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC.

**Note G   Risks and Uncertainties**

The Plan provides for various investment options in any combination of equity securities, bonds, fixed income securities and other investments with market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
