PART I

ITEM 1. BUSINESS

(a) GENERAL.

Blair Corporation (the "Company") was founded in 1910 by John L. Blair, Sr., and was incorporated in 1924 under the laws of the State of Delaware. The Company's business consists of the sale of fashion apparel for men and women, plus a wide range of home products. Although the Company's revenues are generated primarily through direct mail merchandising, the Company has transitioned into a multi-channel direct marketer, as an increasing amount of total revenue, approximately 9% in 2002, is being generated through its e-commerce website which was launched in 2000. The Company operates three retail stores, two in Pennsylvania and one in Delaware, and two outlet stores in Pennsylvania. The Company employs approximately 2,700 people. None of the Company's employees are subject to collective bargaining agreements.

(b) INFORMATION REGARDING INDUSTRY SEGMENTS.

The Company's business consists of only one industry segment, which is the direct mail, e-commerce and retail merchandising of men's and women's fashion apparel and home products.

(c) DESCRIPTION OF BUSINESS.

The Company markets a wide range of merchandise, manufactured by a number of independent suppliers, both domestic and foreign. Most of these suppliers have been associated with the Company for many years and manufacture products based upon the Company's specifications. Suppliers are selected in accordance with their ability to produce high quality products in a cost-effective manner.

The Company markets its products mainly by direct mail. Catalogs and letters containing color folders, depict the current styles of womenswear (such as coordinates, dresses, tops, pants, skirts, lingerie, sportswear, suits, jackets, outerwear and shoes), menswear (such as suits, shirts, outerwear, active wear, slacks, shoes, and accessories), and home products (such as bedspread ensembles, draperies, furniture covers, area rugs, bath accessories, kitchenware, gifts, collectibles and personal care items) and are mailed directly to existing and prospective customers. Sales of the menswear and womenswear products, including the Crossing Pointe product line which was introduced in 2000, accounted for approximately 90% of the Company's total sales in 2002, and sales of home products accounted for the remaining 10% (approximately). Media and co-op prospect advertising programs continue to be used as components of the Company's customer acquisition strategy. The Company continued to expand its Internet presence in 2002 generating nearly \$58 million in sales demand, approximately 9% of the Company's total gross sales, as compared to approximately \$35 million in sales demand in 2001. The Company launched its own e-commerce website (www.blair.com) in the fall of 2000, redesigned the site at the beginning of 2001 and has continued to expand its affiliate partnerships to extend the reach of the website. The Company's website is also becoming an effective way to help liquidate excess inventory.

Both catalog mailings and letter mailings are mailed from commercial printers engaged by the Company. Prior to the second quarter of 2001, letter mailings originated from the Company's former Mailing Center in nearby Irvine, Pennsylvania. In the second quarter of 2001, the mailing operations were outsourced and in the third quarter of 2001, the merchandise returns operations

Edgar Filing: BLAIR CORP - Form 10-K

that were located in the former Mailing Center were relocated to the Company's new Returns Center in Erie, Pennsylvania. Orders for merchandise are processed at the Company's corporate offices in Warren, Pennsylvania (telephone orders via the call centers) and orders are filled and mailed from the Company's Distribution Center in Irvine, Pennsylvania. The Distribution Center is being expanded to include the former Mailing Center, and enhanced to improve customer service levels and to support the Company's growth plans. The Company serves customers throughout the fifty states.

The Company's outlet stores, along with the website, enable it to more efficiently promote and liquidate discontinued, overstocked and returned merchandise. The Delaware retail store is the only Company retail facility located outside of the Company's home state of Pennsylvania.

The Company considers its merchandise to be low/medium-priced and competes for sales with other direct marketers, retail department stores, specialty shops, discount store chains and e-commerce and multi-channel marketers. The Company competes based on its sales expertise - its unique combination of product, quality, price, credit, guarantee and service.

During 2002, the Company continued to broaden its customer information database systems. The marketing and credit departments are continually updated in order to enhance the Company's ability to market to both customers and prospects.

In October 2001, the Company announced a partnership with accomplished actress, artist, author and mother, Jane Seymour, to launch the "Jane Seymour Signature Collection" of women's apparel. The Jane Seymour inspired fashions are being sold exclusively through the Company's Crossing Pointe catalog and website (www.crossingpointe.com). The first "Jane Seymour Signature Collection" fashions previewed in early January 2002 on the Crossing Pointe website and debuted in the Crossing Pointe Spring 2002 catalog mailed at the end of January 2002.

(d) FOREIGN OPERATIONS AND EXPORT SALES.

The Company does not derive any revenue from sales of merchandise outside of the United States.

The Company's International Trade Offices, the Company's only foreign operations, directly source more than 30% of the Company's merchandise from foreign suppliers. All activity is intercompany and the foreign offices have insignificant amounts of cash and fixed assets.

(e) AVAILABLE INFORMATION.

The Company makes available free of charge copies of its Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, and any amendments made to these reports pursuant to Section 13(a) and 15(d) of the Exchange Act, on its website at www.blair.com. Such reports are posted as soon as reasonably practicable after being filed with the SEC.

ITEM 2. PROPERTIES

The Company owns the following properties:

1. Blair Headquarters (220 Hickory Street, Warren, Pennsylvania).
2. Blair Distribution Center South (Route 62, Irvine, Pennsylvania).
3. Blair Distribution Center North (former Mailing Center) (Route 62,

Edgar Filing: BLAIR CORP - Form 10-K

Irvine, Pennsylvania).

4. Blair Warehouse Outlet (Route 62, Starbrick, Pennsylvania).
5. Blair Warehouse Outlet (Millcreek Mall, Erie, Pennsylvania).
6. Bell Warehouse Building (Liberty Street, Warren, Pennsylvania).
7. Starbrick Warehouse Building (Route 62, Starbrick, Pennsylvania).

The Company leases the following properties:

1. Blair Retail Store (Wilmington, Delaware).
2. Telephone Call Center (Erie, Pennsylvania).
3. Telephone Call Center (Franklin, Pennsylvania).
4. Blair Retail Store (Grove City, Pennsylvania).
5. Blair Returns Center (Erie, Pennsylvania).
6. International Trade Offices (Hong Kong, Taiwan, Singapore and India).

In addition, three of the Company's wholly-owned subsidiaries lease office space in the Wilmington, Delaware area, which they use as their principal offices.

Management believes that these properties are capable of meeting the Company's anticipated needs for the near future once the previously announced modernization and expansion of the Company's merchandise fulfillment capabilities are completed, which is projected to be by mid-year 2003. However, the Company's marketing strategy and potential sales growth may require expansion of the Company's customer service and call center capabilities.

ITEM 3. LEGAL PROCEEDINGS

The Company is not involved in any pending legal proceedings other than legal proceedings occurring in the ordinary course of business. Management believes that none of these legal proceedings, individually or in the aggregate, will have a material adverse impact on the results of operations or financial condition of the Company.

ITEM 4. SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS

No matters were submitted to a vote of security holders, through the solicitation of proxies or otherwise, during the fourth quarter of the fiscal year covered by this report.

ITEM 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

The Company is subject to market interest rate risk from exposure to changes in interest rates based upon its financing, investing and cash management activities. The Company utilizes variable-rate debt to manage its exposure to changes in interest rates. The Company does not expect changes in interest rates to have a material adverse effect on its income or cash flow in 2003. A change of one percent in the interest rate would cause a change in interest expense, based on the Company's current level of debt, for the year 2003 of approximately \$150,000.
