Proxy Statement

2008 ANNUAL GENERAL MEETING OF SHAREHOLDERS

JUNE 3, 2008

We are sending you this proxy statement in connection with the solicitation of proxies by the Board of Directors of Nabors Industries Ltd. for the 2008 annual general meeting of shareholders. We are mailing this proxy statement and the accompanying form of proxy to shareholders on or about May 1, 2008. In this proxy statement, Nabors, the Company, we, us and our refer to Nabors Industries Ltd. or, for information pertaining to periods prior to June 24, 2002, to Nabors Industries, Inc. Where the context requires, such references also include our subsidiaries.

Annual General Meeting Information

Date and location of the annual general meeting. We will hold the annual general meeting at the Wyndham Greenspoint Hotel, 12400 Greenspoint Drive, Houston, Texas at 11:00 a.m., Central Daylight Time, on Tuesday, June 3, 2008 unless adjourned or postponed. Directions to the annual meeting can be found on the Investor Relations tab of the Company's website at www.nabors.com or by calling our Investor Relations department at 281-775-8063.

Admission to the annual general meeting. Only record or beneficial owners of Nabors common shares may attend the annual general meeting in person. If you are a shareholder of record, you may be asked to present proof of identification, such as a driver's license. Beneficial owners must also present evidence of share ownership, such as a recent brokerage account or bank statement.

Voting Information

Record date and quorum. The record date for the annual general meeting is April 4, 2008. You may vote all common shares of Nabors that you owned as of the close of business on that date. Each common share entitles you to one vote on each matter to be voted on at the annual general meeting. On the record date, 307,476,863 common shares of Nabors were outstanding. In addition, the holder of record of one Special Voting Preferred Share of Nabors is entitled to a number of votes equal to the number of exchangeable shares of Nabors Exchangeco (Canada), Inc., a corporation incorporated under the laws of Canada, in accordance with the instructions received from the holders of such shares. There were 121,008 exchangeable shares of Nabors Exchangeco (Canada) Inc. outstanding on the record date. A majority of the shares outstanding on the record date present, in person or by proxy, constitutes a quorum to transact business at the annual general meeting. Abstentions and withheld votes will be counted for purposes of establishing a quorum.

Submitting voting instructions for shares held in your name. You may vote at the annual general meeting by completing, signing and returning the enclosed proxy card. A properly completed and submitted proxy will be voted in accordance with your instructions, unless you subsequently revoke your instructions. If you submit a signed proxy without indicating your vote, the person voting the proxy will vote your shares according to the Board's recommendation.

Submitting voting instructions for shares held in street name. If you hold your shares through a broker, follow the voting instructions you receive from your broker. If you want to vote in person, you must obtain a legal

Table of Contents

proxy from your broker and bring it to the annual general meeting. If you do not submit voting instructions to your broker, your broker may still be permitted to vote your shares. New York Stock Exchange (NYSE) member brokers may vote your shares under the following circumstances:

Discretionary items. The election of directors and approval and appointment of Nabors independent auditors are discretionary items. NYSE member brokers that do not receive instructions from beneficial owners may vote on these proposals in their discretion.

Non-discretionary items. The shareholder proposals are nondiscretionary items. Absent specific voting instructions from the beneficial owners on these proposals, NYSE member brokers may not vote on these proposals.

If you do not submit voting instructions and your broker does not have discretion to vote your shares on a matter (broker non-votes), your shares will not be voted on that matter at the annual general meeting. Accordingly, broker non-votes will not be counted in determining the outcome of vote on any matter at the annual general meeting. Broker non-votes will, however, be counted for purposes of establishing a quorum.

Revoking your proxy. You may revoke your proxy at any time before it is actually voted by (1) delivering a written revocation notice prior to the annual general meeting to Mark D. Andrews, Corporate Secretary, Nabors Industries Ltd., P.O. Box HM3349, Hamilton, HMPX Bermuda; (2) submitting a later proxy; or (3) voting in person at the annual general meeting (although attendance at the annual general meeting will not, by itself, constitute a revocation of a proxy).

Votes required to elect directors and to adopt other proposals. Directors are elected by a *plurality* of the votes cast. The approval and appointment of PricewaterhouseCoopers LLP and authorization for the Audit Committee to set the auditor's remuneration, and each of the shareholder proposals requires the affirmative vote of the holders of a *majority* of shares present in person or represented by proxy and entitled to vote thereon.

Withholding your vote or voting to abstain . You can withhold your vote for any nominee for election for director. Withheld votes will be excluded from the vote and will have no effect on the outcome. On the other proposals, you can vote to abstain . If you vote to abstain , your shares will be counted as present at the annual general meeting for purposes of that proposal and your vote will have the effect of a vote *against* the proposal.

ITEM 1 ELECTION OF DIRECTORS

Our Board of Directors currently has eight members and is divided into three classes. The members of each class are elected to serve a three-year term with the term of office for each class ending in consecutive years. Anthony G. Petrello, Myron M. Sheinfeld, and Martin J. Whitman are the current Class II directors who have been nominated by the Board, upon the recommendation of the Governance and Nominating Committee, for re-election to the Board to serve until the 2011 annual general meeting or until their successors are duly elected and qualified. Each of the nominees has agreed to serve as a director if elected. We do not anticipate that the nominees will be unable or unwilling to stand for election, but if that happens, your proxy will be voted for another person nominated by the Board or the Board may opt to reduce the number of Class II directors.

In identifying and recommending nominees for positions on the Board of Directors, the Governance and Nominating Committee places primary emphasis on the criteria set forth in our Corporate Governance Guidelines, namely:

Judgment, age, and diversity of viewpoints, backgrounds, experiences;

Business or other relevant experience; and

The extent to which the interplay of the nominee's expertise, skills, knowledge, and experience with that of the other members of the Board of Directors will build an effective Board that is responsive to the needs of the Company.

Table of Contents

The Governance and Nominating Committee does not set specific, minimum qualifications that nominees must meet in order for the Committee to recommend them to the Board of Directors but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of the Board of Directors. Members of the Governance and Nominating Committee discuss and evaluate possible candidates in detail, and suggest individuals to explore in more depth. The Governance and Nominating Committee may in its discretion engage outside consultants to help in identifying candidates.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF MESSRS. PETRELLO, SHEINFELD, AND WHITMAN AS CLASS II DIRECTORS FOR A TERM ENDING AT THE 2011 ANNUAL GENERAL MEETING.

Mr. Whitman serves as our Lead Director. In that role, his primary responsibility is to preside over executive sessions of the nonemployee directors and to call meetings of the nonemployee directors as desirable. The Lead Director also chairs certain portions of Board meetings, serves as liaison between the Chairman of the Board and the nonemployee directors, and develops and approves, together with the Chairman, the agenda for Board meetings. The Lead Director will also perform other duties the Board delegates from time to time to assist the Board in fulfilling its responsibilities.

Director Independence

The Governance and Nominating Committee conducts a review at least annually of the independence of the members of the Board and its committees and reports its findings to the full Board. Six of our eight directors are nonemployee directors (all except Messrs. Isenberg and Petrello). As permitted by the rules of the NYSE, the Board has adopted categorical standards to assist it in making determinations of director independence. These standards incorporate and are consistent with the definition of "independent" contained in the NYSE listing rules. Those standards are set forth in Appendix A to this proxy statement and are also included on the Board's Corporate Governance Guidelines, which are

available on our web site at www.nabors.com. The Board has affirmatively determined that each of our nonemployee directors, William T. Comfort, Alexander M. Knaster, James L. Payne, Hans W. Schmidt, Myron M. Sheinfeld, and Martin J. Whitman meets these standards and is independent. Other than the transactions, relationships, and arrangements described in the section entitled Related Person

Transactions , there were no other transactions, relationships, or arrangements considered by the Board in determining that a director was independent.

The Board has determined that Mr. Whitman is an audit committee financial expert as defined under the current rules of the SEC.

Nominations for Directors

The Governance and Nominating Committee recommends director candidates to the full Board after receiving input from all directors. The Governance and Nominating Committee will consider director candidates recommended by shareholders. The Governance and Nominating Committee considers the entirety of each candidate's credentials and does not have specific, minimum qualifications that nominees must meet. The committee is guided by the following basic selection criteria for all nominees: independence, highest character and integrity, experience, reputation, and sufficient time to devote to Board matters. The committee also gives consideration to diversity, age, international background and experience, and specialized expertise in the context of the needs of the Board as a whole. The Committee has the authority to engage consultants, including retained search firms to help identify new director candidates. The policy adopted by the Committee provides that candidates recommended by shareholders are given appropriate consideration in the same manner as other candidates. Shareholders who wish to submit candidates for director for consideration by the Governance and Nominating Committee for election at our 2009 Annual Meeting of Shareholders may do so by submitting in writing such candidates names, together with the information described on our web site at www.nabors.com, to Board of Directors, Nabors Industries Ltd., P.O. Box HM3349, Hamilton, HMPX, Bermuda, prior to December 30, 2008.

Shareholder and Interested Parties Communications with the Board

Shareholders and other interested parties may contact any of the Company's directors, a committee of the Board of Directors, the Board's independent directors as a group or the Board generally, by writing to them at Nabors Industries Ltd., c/o Corporate Secretary, at the address shown on the cover of this proxy statement. Shareholder communications received in this manner will be handled in accordance with procedures approved by the Board's independent directors. The Board's Policy Regarding Shareholder Communications with the Board of Directors is available at www.nabors.com. The Company encourages directors to attend the annual general meeting of shareholders. Four directors attended the 2007 annual general meeting of shareholders.

Executive Sessions of Nonemployee Directors

Our nonemployee directors meet in executive session at each regular meeting of the Board without the Chief Executive Officer or any other member of management present. The Lead Director presides over these executive sessions.

NONEMPLOYEE DIRECTOR COMPENSATION

We believe that it is important to attract and retain outstanding nonemployee directors. One way we achieve this goal is through a competitive compensation program. Nabors compensates its nonemployee directors through a combination of an annual retainer and stock incentive awards. For 2007 each director received an annual retainer of \$50,000; the Chairman of each committee received an additional retainer of \$50,000 (except the Chairman of the Audit Committee, who received \$100,000), and the Lead Director received an annual retainer of \$50,000 for service in this capacity. No additional amounts are paid for attendance at Board or committee meetings.

Nabors also issues equity incentives to its nonemployee directors to align their interests with Nabors' shareholders. Awards are made pursuant to equity incentive plans adopted from time to time. During 2006 and 2007 the Governance and Nominating Committee retained Towers Perin to conduct a competitive assessment of our nonemployee director compensation program. Following this review, the Board agreed in March 2006 to reduce the equity component of nonemployee director compensation from an annual award of 20,000 shares of restricted stock to an annual award of 15,000 shares of restricted stock. The Board agreed in February 2007 again to reduce the equity component of nonemployee director compensation to an annual award of 12,000 shares of restricted stock.

The following table sets forth information concerning total director compensation during the 2007 fiscal year for each nonemployee director.
