In 1996, we changed our name to MIF Limited. In July 2001, we changed our name to Tsakos Energy Navigation Limited in order to enhance our brand recognition in the tanker industry, particularly among charterers. ### Plan of Distribution

The shares of our common stock covered by this prospectus will be sold, if at all, by the individuals named above or transferees, donees, pledgees or others on their behalf, and not by us. The shares may be sold from time to time as follows:

on the New York Stock Exchange, on the Oslo Børs or on another securities exchange within or without the United States or in the over-the-counter market in the United States or elsewhere (any of which may involve crosses and block transactions);

to purchasers directly;

in ordinary brokerage transactions in which the broker solicits purchasers;

through underwriters, dealers and agents who may receive compensation in the form of underwriting discounts, concessions or commissions from a seller and/or the purchasers of the shares for whom they may act as agent;

through the writing of options on the shares;

through the pledge of shares as security for any loan or obligation, including pledges to brokers or dealers who may from time to time effect distributions of the shares or other interests in the shares;

through purchases by a broker or dealer as principal and resale by such broker or dealer for its own account pursuant to this prospectus;

through block trades in which the broker or dealer so engaged will attempt to sell the shares as agent or as riskless principal but may position and resell a portion of the block as principal to facilitate the transaction;

through exchange distributions in accordance with the rules of the applicable exchange;

in any combination of one or more of these methods; or

in any other lawful manner.

These sales may be made at prices related to the then current market price or otherwise at prices and on terms then prevailing, or in privately negotiated transactions. In effecting sales, a broker or dealer engaged by an individual using this prospectus to sell common stock may arrange for other brokers or dealers to participate in the sale. In addition, any shares covered by this prospectus which qualify for sale pursuant to Section 4(1) of the Securities Act or Rules 144 or 701(g) or Regulation S under the Securities Act may be sold thereunder rather than by this prospectus.

## Edgar Filing: TSAKOS ENERGY NAVIGATION LTD - Form S-8

In connection with distributions of the shares or otherwise, persons using this prospectus to sell common stock may enter into hedging transactions with broker-dealers. In connection with hedging a transaction, a broker-dealer may engage in short sales of shares registered hereunder in the course of hedging the positions it assumes with the seller. The seller may also sell shares short and deliver the shares to close out the short positions. The seller may also enter into an option or other transaction with a broker-dealer which requires the delivery to the broker-dealer of shares we have registered, which the broker-dealer may resell by this prospectus.

A seller may pay a broker-dealer or an agent compensation in the form of commissions, discounts or concessions. The broker-dealer and any other participating broker-dealer may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales and any such commission, discount or concession may be deemed to be underwriting discounts or commissions under the Securities Act.

We may be required to file a supplemented prospectus in connection with any activities involving a seller which may be deemed to be an underwriting. In that case, a supplement to this prospectus would contain (1) information as to whether an underwriter selected by a seller, or any other broker-dealer, is acting as principal or agent for the seller, (2) the compensation to be received by an underwriter selected by a seller or any broker-dealer, for acting as principal or agent for a seller and (3) the compensation to be received by any other broker-dealer, in the event the compensation of such other broker-dealers is in excess of usual and customary commissions. Any broker or dealer participating in any distribution of the shares may be required to deliver a copy of this prospectus, including any prospectus supplement, to any individual who purchases any shares from or through such a broker-dealer.

We have advised the people identified in this prospectus as potential sellers of common stock that during any period when they may be engaged in a distribution of the shares offered by this prospectus, they are required to comply with Regulation M promulgated under the Securities Exchange Act. With certain exceptions, Regulation M precludes any seller, any affiliated purchaser and any broker-dealer or other individual who participates in such a distribution from bidding for or purchasing, or attempting to induce any individual to bid for or purchase any security, that is the subject of the distribution until the entire distribution is complete. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security. All of these factors may affect the marketability of our common stock.

The people identified in this prospectus as potential sellers of common stock offer to sell all, some or none of the shares covered by this prospectus; provided that the amount of securities of the Registrant sold using this prospectus by any selling shareholder may not exceed, during any three-month period, the amount specified in Rule 144(e). Because it is possible that a significant number of shares could be sold simultaneously by means of this prospectus, such sales, or the possibility thereof, may have an adverse effect on the market price of our common stock.

#### **Disclosure of Commission Position on Indemnification for Securities Act Liability**

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

#### **Validity of Common Stock**

The validity of our common stock has been passed upon by Mello Jones & Martin, Bermuda.

### **Experts**

The consolidated financial statements for the year ending December 31, 2001 have been examined by Arthur Andersen LLP. Those financial statements are incorporated by reference in this prospectus in reliance upon the reports of Arthur Andersen LLP which pertain to those financial statements and upon the authority of Arthur Andersen LLP as experts in accounting and auditing. After reasonable efforts, we have been unable to obtain the consent of Arthur Andersen LLP to the inclusion of its report in this registration statement. Under these circumstances, Rule 437a under the Securities Act permits the Company to file this registration statement without the consent from Arthur Andersen LLP. Accordingly, Arthur Andersen LLP will not be liable under Section 11(a) of the Securities Act because it has not consented to being named as an expert in this registration statement. Audited financial statements that are included in documents filed with the SEC after the date of this prospectus will be incorporated by reference in this prospectus (to the extent the required consents are properly filed with the SEC) in reliance upon the reports relating to those audited financial statements made by the independent accountants acting as our auditors and upon the authority of those independent accountants as experts in accounting and auditing.
