CALCULATION OF REGISTRATION FEE

Title of Securities To Be Registered	Amount To Be Registered	Proposed Maximum Offering Price per Share	Proposed Maximum Aggregate Offering Price	Amount of Registration Fee
Common Stock	414,122 shares(1)	N/A	N/A	N/A(2)

- (1) Includes 61,807 shares of Common Stock, plus the 3,501,000 shares registered on December 30, 2002 for issuance under the ChevronTexaco UK Share Incentive Plan (the UK Plan), Group Retirement Savings Plan of the Chevron Canadian Employees Savings Plan Established by Chevron Canada Limited and the International Savings Assistance Plan, minus 3,148,685 shares of Common Stock registered under this Registration Statement with respect to the UK Plan which are being deregistered under this registration statement as described in the Explanatory Note, to adjust for the Stock Split.
- (2) The Registrant previously paid the registration fee in connection with the registration of 352,315 shares of Common Stock on December 30, 2002 under this registration statement. Pursuant to Rule 416 under the Securities Act of 1933, this registration statement is deemed to cover the additional shares resulting from the Stock Split and no additional fee is required to be paid.

The Registration Statement shall become effective upon filing in accordance with Rule 462 under the Securities Act of 1933.

The Registrant has previously registered (i) 3,300,000 shares of its Common Stock, par value \$.75 per share, reserved for issuance under the ChevronTexaco UK Share Incentive Plan (the "UK Plan"), (ii) 108,000 shares of its Common Stock, par value \$.75 per share, reserved for issuance under the Group Retirement Savings Plan of the Chevron Canadian Employees Savings Plan Established by Chevron Canada Limited (the "Canada Plan"), and (iii) 93,000 shares of its Common Stock, par value \$.75 per share, reserved for issuance under the International Savings Assistance Plan (the "International Plan"), in each case, under this currently effective Registration No. 333-102269 filed on December 30, 2002 (the "Registration Statement").

On April 28, 2004, the UK Plan was merged with the ChevronTexaco Long Term Incentive Plan (the "LTIP") and, as a result, the UK Plan no longer exists as a separate plan. At the time of the merger, 3,148,685 out of the 3,300,000 share of Common Stock registered under this Registration Statement remained unissued. The Registrant intends to carry these shares over to a new registration statement relating to the LTIP and therefore deregisters those shares from this Registration Statement.

As a result of a 2-for-1 stock split (the "Stock Split") of the Common Stock of the Registrant in the form of a stock dividend distributed on September 10, 2004 (the "Distribution Date") of one share of Common Stock for each share of Common Stock issued and outstanding on the record date of August 19, 2004, the 61,807 shares of Common Stock that remain registered under the Registration Statement and are not yet issued as of the Distribution Date have been adjusted and increased by a ratio of 2-for-1, in order to account for the Stock Split and adjust the number of shares reserved and available for issuance pursuant to those Plans after the Distribution Date. Pursuant to Rule 416 under the Securities Act of 1933, the Registration Statement is deemed to cover these additional shares resulting from the Stock Split and the Registration Statement is hereby being amended to reflect the increase in the amount of shares of Common Stock registered.

This Post-Effective Amendment No. 1 affects only those provisions of the Registration Statement specifically restated herein. All other provisions of the Registration Statement remain unchanged.
