PART I

ITEM 1. BUSINESS.

GENERAL

MACC Private Equities Inc. (the "Corporation") was formed as a Delaware corporation on March 3, 1994. It is qualified as a business development company ("BDC") under the Investment Company Act of 1940, as amended (the "1940 Act").

The Corporation has one direct wholly-owned subsidiary, MorAmerica Capital Corporation ("MorAmerica Capital"). As of September 30, 2002, MorAmerica Capital comprised approximately 99% of the Corporation's assets. MorAmerica Capital is an Iowa corporation incorporated in 1959 and which has been licensed as a small business investment company since that year. It has also elected treatment as a BDC under the 1940 Act.

THE CORPORATION'S OPERATION AS A BDC

As noted above, both the Corporation and its wholly-owned subsidiary, MorAmerica Capital, have elected treatment as BDCs under the 1940 Act. Under the 1940 Act, a BDC may not acquire any asset other than Qualifying Assets as defined under the 1940 Act, unless, at the time the acquisition is made, Qualifying Assets represent at least 70 percent of the value of the BDC's total assets. The principal categories of Qualifying Assets relevant to the business of the Corporation are the following:

- (1) Securities purchased in transactions not involving any public offering from the issuer of such securities, which issuer is an eligible portfolio company. An eligible portfolio company is defined in the 1940 Act as any issuer that:
 - (a) is organized under the laws of, and has its principal place of business in, the United States;
 - (b) is not an investment company; and
 - (c) does not have any class of securities with respect to which a broker may extend margin credit.

The Corporation's investment in all of the issued and outstanding common stock of MorAmerica Capital is also a

Edgar Filing: MACC PRIVATE EQUITIES INC - Form 10-K

Qualifying Asset under the 1940 Act.

- (2) Cash, cash items, government securities, or high quality debt securities maturing in one year or less from the time of investment.

In addition, a BDC must have been organized (and have its principal place of business) in the United States for the purpose of making investments in the types of securities described in (1)

2

above and, in order to count the securities as Qualifying Assets for the purpose of the 70 percent test, the BDC must make available to the issuers of the securities significant managerial assistance. Making available significant managerial assistance means, among other things, any arrangement whereby the BDC, through its directors, officers or employees offers to provide, and, if accepted, does so provide, significant guidance and counsel concerning the management, operations or business objectives and policies of a portfolio company.

Under the 1940 Act, once a company has elected to be regulated as a BDC, it may not change the nature of its business so as to cease to be, or withdraw its election as, a BDC unless authorized by vote of a majority, as defined in the 1940 Act, of the company's shares. In order to maintain their status as BDCs, the Corporation and MorAmerica Capital each must have at least 50% of their total assets invested in the types of portfolio companies described by Sections 55(a)(1) through 55(a)(3) of the 1940 Act. Accordingly, the Corporation and MorAmerica Capital may not withdraw their BDC elections or otherwise change their business so as to cease to qualify as BDCs without shareholder approval.

INVESTMENTS AND DIVESTITURES

For the fiscal year ended September 30, 2002, the Corporation made total investments of \$8,377,006 in six new portfolio companies and in follow-on investments in seven existing portfolio companies. The Corporation's investment-level objectives on a consolidated basis call for new and follow-on investments of approximately \$7,000,000 during fiscal year 2003, subject to adjustment based upon current economic and operating conditions.

During fiscal year 2002, the Corporation recorded \$4,592,480 in net realized losses.

ITEM 2. PROPERTIES.

The Corporation does not own or lease any properties or other tangible assets. Its business premises and equipment are furnished by InvestAmerica Investment Advisors, Inc. (the "Investment Advisor"), the investment advisor to the Corporation.

ITEM 3. LEGAL PROCEEDINGS.

MorAmerica Capital is a party to arbitration proceedings instituted on May 30, 2002 by Transcore Holdings, Inc., a company (Buyer) seeking indemnification under a Stock Purchase Agreement (the Stock Purchase Agreement),

Edgar Filing: MACC PRIVATE EQUITIES INC - Form 10-K

pursuant to which MorAmerica Capital and certain other individuals and institutional investors (the Sellers) sold their interest in a former portfolio company investment (Portfolio Company). The arbitration proceedings are being administered by JAMS. Under the Stock Purchase Agreement, the Sellers agreed to indemnify Buyer for breaches of representations and warranties as to Portfolio Company made by the Sellers. Buyer claims that accounting irregularities at Portfolio Company resulted in a breach of the Sellers' representations and warranties. The Sellers have retained counsel and forensic accountants to defend the Sellers against Buyer's claim for indemnification. Based on its evaluation of Buyer's

3

claim and discussions with external legal counsel, the Corporation believes that it is reasonably possible that a loss may have been incurred as a result of the indemnification claim, against which no accrual for loss has been made as of September 30, 2002, but the amount of the possible loss, and therefore its materiality to the financial statements, cannot be estimated. MorAmerica Capital intends to vigorously defend this arbitration.
