QUESTIONS AND ANSWERS

Shareholders of publicly held companies often ask the following questions. We trust that the answers will assist you in casting your vote.

1. WHY DID I RECEIVE THESE PROXY MATERIALS?

Edgar Filing: PERRIGO CO - Form DEF 14A

Because you were a shareholder of record or a beneficial owner of Perrigo common stock on September 7, 2007, the record date, we are providing these proxy materials to you in connection with the solicitation by the Board of Directors of Perrigo of proxies to be voted at our 2007 Annual Meeting of Shareholders and at any adjournment or postponement.

2. WHAT AM I VOTING ON?

We are soliciting your vote on the election of three directors for a three-year term beginning at the Annual Meeting.

3. WHO MAY VOTE?

Holders of Perrigo common stock at the close of business on September 7, 2007, the record date, may vote their shares at the Annual Meeting. On that date, there were 93,666,461 shares of Perrigo common stock outstanding.

4. HOW MANY VOTES DO I HAVE?

Each share of Perrigo common stock that you own entitles you to one vote.

5. WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A SHAREHOLDER OF RECORD AND AS A BENEFICIAL OWNER?

If your shares are registered directly in your name with Perrigo's Transfer Agent, National City Bank, you are considered, with respect to those shares, the "shareholder of record." If your shares are held in a stock brokerage account or by a bank or other holder of record for your benefit, you are considered the "beneficial owner" of shares held in street name. The broker, bank or other holder of record is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by using the proxy card or proxy voting instructions form included with this proxy statement or by following the instructions for voting by telephone or on the Internet.

1

6. HOW DO I VOTE?

If you own shares that are traded through NASDAQ, you may generally vote your shares in any of the following four ways:

1. By mail: complete, sign and date the proxy card or voting instruction form and return it in the enclosed envelope.
2. By telephone: call the toll-free number on the proxy card, enter the control number on the proxy card and follow the recorded instructions.
3. By Internet: go to the website listed on the proxy card, enter the control number on the proxy card and follow the instructions provided.
4. In person: attend the Annual Meeting, where ballots will be provided.

Edgar Filing: PERRIGO CO - Form DEF 14A

You may also vote by telephone or over the Internet if you hold your shares through a bank or broker that offers either of those options. If you choose to vote in person at the Annual Meeting and your shares are held in the name of your broker, bank or other nominee, you need to bring an account statement or letter from the nominee indicating that you were the beneficial owner of the shares on September 7, 2007, the record date for voting.

If you own shares that are traded through the Tel-Aviv Stock Exchange (the "TASE"), you may only vote your shares in one of the following two ways:

1. By mail: complete, sign and date the proxy card or voting instruction form and attach to it an ownership certificate from the Tel Aviv Stock Exchange Clearing House Ltd. (the "TASE's Clearing House") member through which your shares are registered (i.e., your broker, bank or other nominee) indicating that you were the beneficial owner of the shares on September 7, 2007, the record date for voting, and return the proxy card or voting instruction form, along with the ownership certificate, to our designated address for that purpose in Israel, P.O. Box 20387, Tel Aviv, Israel 61200. If the TASE member holding your shares is not a TASE's Clearing House member, please make sure to include an ownership certificate from the TASE's Clearing House member in which name your shares are registered.
2. In person: attend the Annual Meeting, where ballots will be provided. If you choose to vote in person at the Annual Meeting, you need to bring an ownership certificate from the TASE's Clearing House member through which your shares are registered (i.e., your broker, bank or other nominee) indicating that you were the beneficial owner of the shares on September 7, 2007, the record date for voting. If the TASE member holding your shares is not a TASE's Clearing House member, please make sure to include an ownership certificate from the TASE's Clearing House member in which name your shares are registered.

2

7. HOW DOES DISCRETIONARY VOTING AUTHORITY APPLY?

If you sign, date and return your proxy card or vote by telephone or Internet, your vote will be cast as you direct. If you do not indicate how you want to vote, you give authority to Judy L. Brown and Todd W. Kingma to vote on the items discussed in these proxy materials and on any other matter that is properly raised at the Annual Meeting. In that event, your proxy will be voted FOR the election of each director nominee, and FOR or AGAINST any other properly raised matters at the discretion of Judy Brown and Todd Kingma.

8. WHAT CAN I DO IF I CHANGE MY MIND AFTER I VOTE MY SHARES?

If your shares are traded through the NASDAQ, you may revoke your proxy at any time before it is exercised in one of four ways:

Edgar Filing: PERRIGO CO - Form DEF 14A

1. notify our Secretary in writing before the Annual Meeting that you are revoking your proxy (your notice should be sent to our address on the cover of this proxy statement);
2. submit another proxy with a later date;
3. vote by telephone or Internet after you have given your proxy; or
4. vote in person at the Annual Meeting.

If your shares are traded through the TASE, you may only revoke your proxy by using one of the following three methods:

1. notify our Secretary in writing before the Annual Meeting that you are revoking your vote (your notice should be sent to our designated address for that purpose in Israel, P.O. Box 20387, Tel Aviv, Israel 61200);
2. submit another proxy with a later date; or
3. vote in person at the Annual Meeting.

9. WHAT VOTE IS REQUIRED TO ELECT THE DIRECTOR NOMINEES?

A plurality of the votes cast will elect directors. This means that the three nominees who receive the highest number of votes will be elected. If you do not want to vote your shares for a particular nominee, you may indicate that by following the instructions on the proxy card, by withholding authority as prompted during telephone or Internet voting or when you vote in person at the meeting. Abstentions and broker non-votes will have no effect on the election of the directors.

10. WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

Your shares are likely registered differently or are in more than one account. You should sign and return all proxy cards to guarantee that all of your shares are voted.

11. WHAT CONSTITUTES A QUORUM?

The presence, in person or by proxy, of the holders of a majority of Perrigo shares entitled to vote at the Annual Meeting constitutes a quorum. You will be considered part of the quorum if you

3

return a signed and dated proxy card, if you vote by telephone or Internet, or if you attend the Annual Meeting.

Abstentions and broker non-votes are counted as "shares present" at the Annual Meeting for purposes of determining whether a quorum exists. A broker non-vote occurs when a broker submits a proxy that does not indicate a vote for a proposal because he or she does not have voting authority and has not received voting instructions from you. If you are a beneficial owner, your bank, broker or other holder of record is permitted to vote your shares on the election of directors, even if they do not receive voting instructions from you. Therefore, no broker non-votes will occur.

12. HOW DO I SUBMIT A SHAREHOLDER PROPOSAL FOR NEXT YEAR'S ANNUAL MEETING?

Edgar Filing: PERRIGO CO - Form DEF 14A

You must submit a proposal to be included in our proxy statement for the 2008 Annual Meeting no later than May 31, 2008. Your proposal must be in writing and must comply with the proxy rules of the Securities and Exchange Commission (the "SEC"). You may also submit a proposal that you do not want included in the proxy statement but that you want to raise at the 2008 Annual Meeting. If you want to do this, we must receive your written proposal on or after August 1, 2008, but on or before August 21, 2008. If you submit your proposal after the deadline, then SEC rules permit the individuals named in the proxies solicited by Perrigo's Board of Directors for that meeting to exercise discretionary voting power as to that proposal, but they are not required to do so.

To properly bring a proposal before an annual meeting, our by-laws require that you include in your proposal (1) your name and address as they appear on our stock records, (2) a brief description of the business you want to bring before the meeting, (3) the reasons for conducting the business at the meeting, (4) any interest you have in the business you want to bring before the meeting, and (5) the number of shares of Perrigo common stock that you own beneficially and of record. You should send any proposal to our Secretary at the address on the cover of this proxy statement.

13. HOW DO I NOMINATE A DIRECTOR?

If you wish to nominate an individual for election as a director at the 2008 Annual Meeting, we must receive your nomination on or after August 1, 2008, but on or before August 21, 2008. In addition, our by-laws require that, for each person you propose to nominate, you provide (1) your name and address as they appear on our stock records, (2) the number of shares of Perrigo common stock that you own beneficially and of record, (3) the nominee's written statement that he or she is willing to be named in the proxy statement as a nominee and to serve as a director if elected, and (4) any other information regarding the nominee that would be required by the SEC to be included in a proxy statement had Perrigo's Board of Directors nominated that individual. You should send your proposed nomination to our Secretary at the address on the cover of this proxy statement.

14. WHO PAYS TO PREPARE, MAIL AND SOLICIT THE PROXIES?

Perrigo will pay all of the costs of preparing and mailing the proxy statement and soliciting the proxies. We will ask brokers, dealers, banks, voting trustees and other nominees and fiduciaries

4

to forward the proxy materials and our Annual Report to Shareholders to the beneficial owners of Perrigo common stock and to obtain the authority to execute proxies. We will reimburse them for their reasonable expenses upon request. In addition to mailing proxy materials, our directors, officers and employees may solicit proxies in person, by telephone or otherwise. These individuals will not be specially compensated.

PROPOSAL REQUIRING YOUR VOTE

ELECTION OF DIRECTORS

Eleven directors currently serve on our Board of Directors. The directors are divided into three classes. At this Annual Meeting, you will be asked to elect three directors. Each director will serve for a term of three years, until a qualified successor has been elected, or until his or her death, resignation, retirement, or removal by the shareholders for cause. While Larry D. Fredricks,

Edgar Filing: PERRIGO CO - Form DEF 14A

whose term expires at this Annual Meeting, will retire from the Board in accordance with the retirement policy in our Corporate Governance Guidelines, the remaining seven directors will continue to serve on the Board as described below.

The nominees for this year, Laurie Brlas, Michael J. Jandernoa and Joseph C. Papa, are currently Perrigo directors. We will vote your shares as you specify on the enclosed proxy card or through telephone or Internet voting. If you do not specify how you want your shares voted, we will vote them FOR the election of the nominees. If unforeseen circumstances (such as death or disability) make it necessary for the Board of Directors to substitute another person for any of the nominees, we will vote your shares FOR that other person. The Board of Directors does not anticipate that any nominee will be unable to serve.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF THE DIRECTOR NOMINEES.

The directors have provided the information below about themselves.

CORPORATE GOVERNANCE

GENERAL

Our Board of Directors has oversight responsibility for our business, property and affairs. The Chief Executive Officer reports directly to the Board, and members of our executive management regularly advise the Board on those business segments for which each has management responsibility. In addition, our Board approves and authorizes our strategic direction after considering strategic plan recommendations made to the Board by executive management. Finally, as part of our ongoing commitment to corporate governance, we have reviewed our corporate governance policies and practices for compliance with the provisions of the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC and the NASDAQ listing standards.

CORPORATE GOVERNANCE GUIDELINES

The Board of Directors has set forth its corporate governance policies and practices in a set of Corporate Governance Guidelines that assist the Board in the exercise of its responsibilities. The Board may amend these Guidelines from time to time. Our Corporate Governance Guidelines are available on our website (<http://www.perrigo.com>) under the heading For Investors--Corporate

Edgar Filing: PERRIGO CO - Form DEF 14A

Governance--Governance Guidelines. The guidelines also are available in print to shareholders upon written request made to our General Counsel, Todd W. Kingma, at the address shown on the cover of this proxy statement.

CODE OF CONDUCT

Our Code of Conduct acknowledges that a reputation for ethical, moral and legal business conduct is one of Perrigo's most valuable assets. The Code requires that our employees, officers and directors comply with laws and other legal requirements, avoid conflicts of interest, protect corporate opportunities and confidential information, conduct business in an honest and ethical manner and otherwise act with integrity and in Perrigo's best interest. In addition, our Code acknowledges special ethical obligations for financial reporting. Our Code of Conduct is available on our website (<http://www.perrigo.com>) under the heading For Investors--Corporate Governance--Code of Conduct, and we will promptly post any amendments to or waivers of the Code on our website. Our Code is available in print to shareholders upon written request made to our General Counsel, Todd W. Kingma, at the address shown on the cover of this proxy statement.

EXECUTIVE SESSIONS OF INDEPENDENT DIRECTORS

The independent members of the Board of Directors hold regularly scheduled meetings in executive session without management and also meet in executive session with the Chief Executive Officer on an as needed basis.

LEAD INDEPENDENT DIRECTOR

The Perrigo Board of Directors has appointed a non-management director to serve as the Lead Independent Director. The Lead Independent Director coordinates the activities of the other non-management directors and performs such other duties and responsibilities as the Board of

8

Directors may determine. This position rotates annually, by seniority, among our independent directors.

The role of the Lead Independent Director includes:

- presiding at all Board meetings at which the Chairman is not present, including executive sessions of the independent directors;
- serving as a liaison between the Chairman and the independent directors;
- having the authority to call meetings of the independent directors; and
- if requested by a major shareholder, ensuring that he or she is available for consultation and direct communications.

Currently, the Lead Independent Director is Gary K. Kunkle, Jr.

DIRECTOR INDEPENDENCE

Our Corporate Governance Guidelines provide that a substantial majority of the Board should consist of directors who meet the independence requirements of NASDAQ. Accordingly, our Board conducts an annual review to determine whether each of our directors qualifies as independent. A director will not be

Edgar Filing: PERRIGO CO - Form DEF 14A

considered independent unless the Board of Directors determines that the director has no relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Based on its most recent annual review, the Board of Directors has concluded that each director, other than Moshe Arkin, David T. Gibbons and Joseph C. Papa, is independent as defined in the NASDAQ listing standards. Mr. Arkin and Mr. Papa are not independent under these standards because they are currently serving as officers of Perrigo. Mr. Gibbons is not independent under these standards because he served as an officer of Perrigo within the past three years. The Nominating & Governance Committee considered the consulting services Mr. Gottfried previously provided to us and determined that these transactions did not affect Mr. Gottfried's independence.

COMMUNICATIONS WITH DIRECTORS

Shareholders and other interested parties may communicate with any of our directors or with the independent directors as a group by writing to them in care of our General Counsel, Todd W. Kingma, at the address shown on the cover of this proxy statement. Relevant communications will be distributed to the appropriate directors depending on the facts and circumstances outlined in the communication. In accordance with the policy adopted by our independent directors, any communications that allege or report fiscal improprieties or complaints about internal accounting controls or other accounting or auditing matters are forwarded to the Chief Financial Officer, as appropriate. If either the Chief Financial Officer or the General Counsel believes that the communication is significant or possibly material to Perrigo, it will be immediately sent to the Chair of the Audit Committee and, after consultation with the Chair, may be sent to the other members of the Audit Committee. Communications that are not immediately sent to the Audit Committee Chair will be reported to the Audit Committee on a quarterly basis. In addition, the Lead Independent Director will be advised promptly of any communications that allege misconduct on the part of Perrigo management or that raise legal,

9

ethical or compliance concerns about Perrigo's policies or practices. The Lead Independent Director will also receive periodic updates on any other communications that raise issues related to Perrigo's affairs, and he or she will determine which of these communications he or she would like to see. In addition, the General Counsel maintains a log of all such communications, which is available for review upon the request of any Board member.

DIRECTOR NOMINATIONS

Pursuant to our Corporate Governance Guidelines, the Nominating & Governance Committee, with the involvement of our Chief Executive Officer, is responsible for screening and recommending candidates for service as a director and considering recommendations offered by shareholders in accordance with our by-laws. The Board as a whole is responsible for approving nominees. The Nominating & Governance Committee recommends individuals as director nominees based on various criteria, including their business and professional background, integrity, understanding of our business and demonstrated ability to make independent analytical inquiries. In addition, directors should be willing and able to devote the necessary time to Board and committee duties. A director's qualifications in meeting these criteria are considered at least each time the director is re-nominated for Board membership.

The Nominating & Governance Committee, our Chairman of the Board and Chief Executive Officer, our Lead Independent Director or other Board members may identify a need to add new members to the Board to satisfy specific criteria or

Edgar Filing: PERRIGO CO - Form DEF 14A

simply to fill a vacancy. In that case, the Committee will initiate a search for potential director nominees, seeking input from other Board members and senior management, and may hire outside advisers to assist in identifying and evaluating candidates.

One of our directors, Moshe Arkin, had the right, subject to Perrigo's Corporate Governance Guidelines, to nominate one additional independent director and, in the event of a vacancy on the Board, to nominate a second independent director to Perrigo's Board of Directors, pursuant to a Nominating Agreement, dated as of November 14, 2004 and as amended through September 10, 2005. Mr. Arkin exercised his rights by nominating Messrs. Gottfried and Zilberfarb, who were elected to the Board in February 2006 and February 2007, respectively. Directors nominated pursuant to the Nominating Agreement must resign from the Board when Mr. Arkin ceases to own at least (1) 9% of the outstanding shares of Perrigo common stock and (2) 9,000,000 shares of Perrigo common stock.

Our by-laws permit shareholders to nominate candidates for consideration at an annual meeting. The process for shareholders to submit a director candidate in accordance with our by-laws is described in this proxy statement under "Questions and Answers--How do I nominate a director?" Assuming that a properly submitted shareholder recommendation for a potential nominee is received and appropriate biographical and background information is provided, the Nominating & Governance Committee and the Board will follow the same process and apply the same criteria as they do for candidates submitted by other sources.

STOCK OWNERSHIP

Each director is required to maintain a minimum ownership of Perrigo stock equal to the total of his or her preceding three years' stock grants. If a director has served less than three years, he or

10

she must maintain a stock ownership level equal to the restricted shares granted to him or her for service as a director. In addition, the Chief Executive Officer must own shares of Perrigo stock equal in value to two times his annual base salary, and each executive officer must own shares of Perrigo stock equal in value to one times his or her annual base salary. These individuals must attain that level of ownership within three years of appointment to his or her executive position. Our directors and executive officers are in compliance with these guidelines.

ATTENDANCE AT ANNUAL MEETING

We encourage all of our directors to attend our Annual Meeting of Shareholders. While their attendance is not required, each of our continuing directors that were serving as a director at that time attended our last annual meeting.

BOARD AND COMMITTEE MEMBERSHIP

Our business, property and affairs are managed under the direction of our Board of Directors. Members of our Board are kept informed of our business through discussions with our Chief Executive Officer and other officers, by reviewing materials provided to them, by visiting our offices and plants, and by participating in meetings of the Board and its committees.

Perrigo's Board of Directors met seven times during fiscal year 2007. In addition to these meetings of the full Board, directors attended Board committee meetings. The Board of Directors has standing Audit, Compensation and Nominating & Governance Committees and has adopted a charter for each committee. Copies of

Edgar Filing: PERRIGO CO - Form DEF 14A

the committees' charters are available on our website (<http://www.perrigo.com>) under For Investors--Corporate Governance and are available in print to shareholders upon written request made to our General Counsel, Todd W. Kingma, at the address shown on the cover of this proxy statement. During fiscal year 2007, each director attended at least 75% percent of the regularly scheduled and special meetings of the Board and Board committees on which he or she served.

AUDIT COMMITTEE

During fiscal year 2007, the Audit Committee met seven times. The committee consists solely of independent directors, including Laurie Brlas (Chair), Larry D. Fredricks, Michael J. Jandernoa and Ben-Zion Zilberfarb.

The Audit Committee monitors our accounting and financial reporting principles and policies and our internal audit controls and procedures. It is also directly responsible for the compensation and oversight of the work of the independent auditor in the preparation and issuance of audit reports and related work, including the resolution of any disagreements between management and the independent auditor regarding financial reporting. The Board has adopted an Audit Committee Charter that specifies the composition and responsibilities of the committee. Additional information on the committee and its activities is set forth in the Audit Committee Report.

The Board of Directors has determined that each member of the Audit Committee (1) meets the audit committee independence requirements of the NASDAQ listing standards and the rules and regulations of the SEC and (2) is able to read and understand fundamental financial statements,

11

as required by the NASDAQ listing standards. The Board has also determined that Laurie Brlas has the requisite attributes of an "audit committee financial expert" under the SEC's rules and that such attributes were acquired through relevant education and work experience.

COMPENSATION COMMITTEE

During fiscal year 2007, the Compensation Committee met seven times. The committee consists solely of independent directors, including Gary K. Kunkle, Jr. (Chair), Gary M. Cohen and Ran Gottfried.

The Compensation Committee reviews and recommends to the Board compensation arrangements for the Chief Executive Officer and non-employee directors. It also reviews and approves the annual compensation for executive officers, including salaries, bonuses and incentive and equity compensation, and administers Perrigo's incentive and other long-term employee compensation plans. Additional information regarding the processes and procedures of the Compensation Committee is presented in the Compensation Discussion and Analysis--Compensation Program Administration section, beginning on page 18.

NOMINATING & GOVERNANCE COMMITTEE

During fiscal year 2007, the Nominating & Governance Committee met six times and consisted solely of independent directors, including Herman Morris, Jr. (Chair), Larry D. Fredricks and Gary M. Cohen.

The Nominating & Governance Committee identifies and recommends to the Board qualified director nominees for the next annual meeting of shareholders, including consideration of shareholder nominations for election to the Board submitted in accordance with the procedures discussed above under "Questions and

Edgar Filing: PERRIGO CO - Form DEF 14A

Answers--How do I nominate a director?" This committee also develops and recommends to the Board the Corporate Governance Guidelines applicable to Perrigo, leads the Board in its annual review of Board performance and makes recommendations to the Board with respect to the assignment of individual directors to various committees.

DIRECTOR COMPENSATION

ANNUAL RETAINER FEES

Directors who are Perrigo employees receive no fees for their services as directors. Non-employee directors receive a \$50,000 annual cash retainer fee covering all regular and special Board meetings and the Annual Meeting of Shareholders. Each non-employee director also receives stock options having a Black-Scholes value of \$40,000 on the grant date and an annual restricted stock grant having a value on the grant date of \$40,000 based, in fiscal year 2007, upon the average of the high and low price of our stock on that date. The restricted stock grant is made on the date of the Annual Meeting of Shareholders pursuant to our 2003 Long-Term Incentive Plan (the "LTIP"), which the shareholders approved at the 2003 Annual Meeting of Shareholders, and is intended to directly link an element of director compensation to shareholders' interests. Each grant of restricted shares vests on the date of the next Annual Meeting of Shareholders.

12

The Chair of the Audit Committee receives an additional annual retainer of \$10,000. The Chairs of the Compensation and Nominating & Governance Committees receive an additional annual retainer of \$5,000.

ATTENDANCE FEES

Directors receive \$500 for each telephonic Board or committee meeting in which they participate and \$1,000 per day for activities requiring travel in furtherance of Board or Perrigo business (other than to and from director meetings). We also reimburse directors for travel expenses incurred in connection with attending Board and committee meetings.

For each in-person committee meeting of the Audit Committee attended, the Chair of the Audit Committee receives \$2,000 and the other Audit Committee members receive \$1,500. For each in-person meeting of the Compensation and Nominating & Governance Committees attended, the Chairs of the Compensation and Nominating & Governance Committees each receive \$1,500 and the other members of the Compensation and Nominating & Governance Committees each receive \$1,000.

The following table summarizes the compensation of our non-employee directors who served during fiscal year 2007.

CERTAIN TRANSACTIONS

Our Code of Conduct provides that our directors, officers and employees must avoid engaging in any type of activity, such as related-party transactions, that might create an actual or perceived conflict of interest. These individuals are required to raise for consideration any proposed or actual transaction that they believe may create a conflict of interest.

On an annual basis, each director and executive officer completes a Directors' and Officers' Questionnaire that requires disclosure of any transactions with Perrigo in which he or she, or any member of his or her immediate family, has a direct or indirect material interest. In accordance with our Nominating & Governance Committee charter, the Nominating & Governance Committee conducts an annual review of the information provided in these questionnaires. In addition, if a transaction that may create a conflict of interest arises during the year, it is the practice of the Nominating & Governance Committee to review that transaction at its first meeting after the transaction arises.

In considering transactions that may create a conflict of interest, the Nominating & Governance Committee considers the terms of the transaction and the principles set forth in our Code of Conduct. The Nominating & Governance Committee also reviews all other relevant factors, including our company's rationale for entering into a related-party transaction, alternatives to the transaction, whether the transaction is on terms at least as fair to our company as would be the

14

case were the transaction entered into with a third party, and the potential for an actual or apparent conflict of interest.

LEASE AGREEMENT

Through our subsidiary, Perrigo Israel Pharmaceuticals Ltd. (formerly Agis Industries (1983) Ltd.), we lease approximately 60,000 square feet of office space in Bnei-Brak, Israel from Arkin Real Estate Holdings (1961) Ltd., a corporation that is wholly owned by Moshe Arkin, who is a director and the Vice Chairman of Perrigo. The lease pre-dates Perrigo's acquisition of Agis. Perrigo Israel exercised an option to extend the lease term until December 31, 2011. The annual rent under the lease is approximately \$580,000, but may be adjusted after January 1, 2008 based on then-current market rates. We believe the rent and other terms of this lease are no less favorable to us than terms we could have obtained from an unrelated third party for similar property.

NOMINATING AGREEMENT

In connection with Perrigo's acquisition of Agis, Perrigo entered into a Nominating Agreement with Moshe Arkin on November 14, 2004 that was amended on July 12, 2005 and September 10, 2005. Pursuant to the amended Nominating Agreement, and subject to Perrigo's Corporate Governance Guidelines, Perrigo agreed to name Mr. Arkin to Perrigo's Board of Directors and to give him the

Edgar Filing: PERRIGO CO - Form DEF 14A

right after the closing of the Agis acquisition to nominate an additional independent director and, in the event of a vacancy on the Perrigo Board, to nominate a second independent director to the Board.

Each independent director nominated pursuant to the Nominating Agreement will serve on the Board for the remainder of the term of the class of directors to which he or she was nominated and will be nominated for election by shareholders to serve for one additional full term of such class, subject to Perrigo's Corporate Governance Guidelines, and will also serve on at least one committee of the Perrigo Board in accordance with and subject to his or her respective qualifications. Perrigo has agreed that one independent director nominated pursuant to the Nominating Agreement will be invited to serve on the Audit Committee and one independent director nominated pursuant to the Nominating Agreement will be invited to serve on the Compensation Committee, in each case subject to respective qualifications and Perrigo's Corporate Governance Guidelines.

The right of the independent directors that Mr. Arkin nominated to serve on the Board will terminate when Mr. Arkin ceases to own at least (1) 9% of the outstanding shares of Perrigo common stock and (2) 9,000,000 shares of Perrigo common stock. Mr. Arkin's right to serve on the Board will terminate when he ceases to own at least 5,000,000 shares of Perrigo common stock.

Mr. Arkin exercised his rights under the Nominating Agreement by nominating Mr. Gottfried and Mr. Zilberfarb, who were elected to the Board in February 2006 and February 2007, respectively.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires that Perrigo's executive officers, directors and 10% shareholders file reports of ownership and changes of ownership of Perrigo common stock with the SEC. Based on a review of copies of these reports provided to us and written representations from executive officers and directors, we believe that all filing requirements were met during fiscal year 2007, except that Mr. Gibbons filed a Form 4 in May 2007 reporting the surrender of shares to pay withholding taxes upon the vesting of shares of restricted stock in a single transaction in March 2007, Mr. Kingma filed a Form 4 in May 2007 reporting 14 acquisitions that occurred between December 2003 and March 2007 pursuant to a broker sponsored dividend reinvestment plan, and Mr. Kunkle filed a Form 4 in August 2007 reporting a single acquisition that occurred in October 2003.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

This section summarizes the compensation program for our Chief Executive Officer, Chief Financial Officer and the other three most highly compensated executive officers who were serving at the end of the last fiscal year, as well as for our former Chief Executive Officer (collectively referred to as the "named executive officers"). (1) This discussion and analysis of our executive compensation program describes our objectives, each pay element, and how each element fits within the total compensation program. You should review this section with the tabular disclosures that begin with the Summary Compensation Table on page 29.

COMPENSATION PROGRAM ADMINISTRATION

The Compensation Committee of the Board of Directors (the "Committee"), which is composed entirely of independent directors, oversees our executive compensation program. The Committee reviews and approves annually the compensation elements for all executive officers, including the named executive officers. The Committee submits its decisions regarding compensation for the CEO to the independent directors of the Board for approval. For other executive officers, the CEO makes recommendations regarding their compensation to the Committee for the Committee's approval. Management is responsible for implementing the executive compensation program as approved by the Committee and the Board.

The Committee has engaged Towers Perrin as its independent consultant to assist it in considering and analyzing market practices and trends as well as management's compensation recommendations. Mercer Human Resource Consulting ("Mercer") assists management in gathering and analyzing market pay practices and preparing management's recommendation. In addition, management and the Committee periodically access compensation survey data published by ORC Worldwide, Towers Perrin and Watson Wyatt.

(1) Due to our transition in leadership, Joseph C. Papa became President and CEO on October 9, 2006. Because David T. Gibbons served as President and CEO until that date and as Executive Chairman until March 31, 2007, he is included as a named executive officer.

18

Additional information about the Committee's role and processes is presented in the "Board and Committee Membership--Compensation Committee" section, on page 12.

OBJECTIVES OF COMPENSATION PROGRAM

The fundamental objective of our executive compensation program is to maximize long-term returns to our shareholders. We believe this objective is best served through a program designed to:

- attract and retain highly qualified executives,
- ensure a strong linkage between Perrigo and individual performance and compensation (pay for performance),
- provide a pay package that is competitive with comparably sized companies, and
- ensure officers and non-employee directors continually maintain a minimum level of stock ownership.

TARGET PAY PHILOSOPHY

Our philosophy is to target compensation, on average, at market median levels, with a significant portion of the compensation package tied to performance. We consider market levels for positions with comparable responsibilities when we set an individual executive's salary and target incentive opportunity. In addition, we consider an individual's competencies, experience and performance, as well as the aggregate cost to Perrigo. Salary adjustments and incentive awards are based on company and division financial performance and operational execution (such as quality and customer service). We set other benefits and perquisites, which are limited in number, for the executive team based on our desire to minimize the number of unique benefits for executives, consideration of market practices, recruiting needs and statutory requirements. Actual compensation will vary from targeted levels based on company, division and individual performance.

We review data regarding compensation practices, including the total compensation levels, of comparably sized consumer packaging and pharmaceutical companies. We obtain this data from the Committee's consultant as well as from published surveys. As our business mix has shifted to include more pharmaceutical products, we have increasingly focused on compensation data relating to comparably sized pharmaceutical companies. Management also receives data annually from its consultant, Mercer, regarding market base salary and annual and long-term incentive target levels for each officer position. While we do not use a specific peer group to formally benchmark pay and performance, we do consider all of the foregoing compensation data in determining our targeted levels of compensation. In addition, management may periodically request its consultant to assist in other compensation areas, such as reviewing the design of our compensation programs or presenting market compensation trends.

Edgar Filing: PERRIGO CO - Form DEF 14A

TALLY SHEETS

To assist it in making compensation decisions, the Committee annually reviews compensation tally sheets prepared by management and reviewed by the Committee's compensation consultant. These tally sheets present comprehensive data on the total compensation and benefits

19

package for each of our executive officers. They include all obligations for present and projected future compensation as well as analyses for hypothetical terminations and retirements so that the Committee can consider Perrigo's obligations under such circumstances. The tally sheets reviewed by the Committee contained data that was substantially similar to the data contained in the tables presented below.

ELEMENTS OF COMPENSATION

We believe our objectives for the executive compensation program are collectively best achieved through a compensation package comprised of the following elements:

- base salary,
- performance-based compensation (which represents over 50% of the executive officers' targeted annual compensation) that includes:
 - annual cash incentive award opportunities, and
 - stock-based compensation (long-term incentive award opportunities), and
- benefits.

To further these objectives, we also make limited use of perquisites and employment agreements.

A description of the primary role of each compensation element is highlighted below, followed by a discussion of the individual elements of compensation for the named executive officers, including the CEO, during fiscal year 2007.

Base Salaries

Base salaries are a fixed pay element provided to recognize and reward an individual's position, competencies, experience and performance. Executives are eligible for annual salary increases based on an evaluation of individual performance and the level of pay versus the market median for comparable positions at other companies. Executives are also eligible for salary adjustments for promotions or changes in job responsibilities.

Annual Incentive Award Opportunities and Bonuses

The Management Incentive Bonus Plan (the "MIB Plan") is intended to motivate participants and reward them for achieving annual financial goals that support our objective of increasing long-term shareholder value. Participants in the Plan include the executive officer, other management level personnel and other selected individuals. Substantially all other employees participate in another annual incentive plan.

Near the beginning of each fiscal year, the Committee reviews and approves the

Edgar Filing: PERRIGO CO - Form DEF 14A

performance target goals and payout schedules for the Plan. The intent is to reward for performance results that meet or exceed our performance goals, excluding extraordinary items and events. A range of goals and corresponding potential award opportunities is set around the target. These goals and individual bonus targets are communicated to participants near the beginning of each fiscal year. Following the end of the fiscal year, the Committee reviews Perrigo's actual results against the

20

performance target goals to determine whether any Management Incentive Bonus will be paid. Awards are paid in cash.

Reflecting our commitment to pay-for-performance, actual incentive payouts vary from target levels based on Perrigo, division and individual performance. For all Corporate participants in the MIB Plan, including the named executive officers, the Management Incentive Bonus and any discretionary bonus payouts have together averaged about 98% of target (ranging from 0% to 189% of target) over the prior five years (fiscal years 2003 to 2007). The expectation is that, over long periods of time, incentive payouts will average around the target level.

For fiscal 2007, the Committee set the MIB Plan targets using financial performance goals based on Return on Assets (ROA), which measures our ability to efficiently deploy assets to generate income. ROA performance is evaluated at corporate and business unit/division levels. In fiscal 2007, Perrigo ROA was the performance measurement for the named executive officers, with one exception. In fiscal 2007, awards could range from 0% to about 260% of target award opportunities based on a matrix approved by the Committee that established award levels corresponding to various levels of actual ROA performance as a percentage of the ROA goals. In addition, the Compensation Committee had the discretion to adjust up to 50% of the award opportunity for participants, other than the CEO, based on individual performance. In assessing individual performance in fiscal 2007, the Compensation Committee focused on the personal efforts of the participants to help the company meet its ROA and other financial goals. The CEO provided substantial input to the Committee regarding the personal performance of MIB Plan participants in this respect.

The fiscal 2007 target annual incentive award opportunities, as a percentage of base salary, were 100% for the CEO and the former CEO and ranged from 62% to 69% for the other named executive officers depending on the officer's position. The CEO's employment agreement provided that he was to receive a minimum payout in 2007 of 100% of his target bonus prorated from his date of hire on October 9, 2006. The range of award opportunities is presented in the Grants of Plan-Based Awards for Fiscal Year 2007 table on page 32.

Actual 2007 ROA performance was 87% of the Corporate goal under the Plan. Based on the payout matrix for the MIB Plan 2007 awards, and taking into account adjustments by the Compensation Committee for individual performance, the Plan bonus payouts were 33% of the Corporate bonus target. The corresponding Plan bonus for the EVP and General Manager--Perrigo Israel was 91% of the Pharmaceutical Plan bonus based on Pharmaceutical ROA performance of 109% of the Pharmaceutical Plan goal. These bonuses are listed under "Non-Equity Incentive Plan Compensation" in the Summary Compensation Table.

Following the end of fiscal 2007, the Committee reviewed these payouts and determined that the MIB Plan payout matrix resulted in:

- incentive compensation for fiscal 2007 that did not appropriately reflect Perrigo's improvement in net income and shareholder return

Edgar Filing: PERRIGO CO - Form DEF 14A

in fiscal 2007, and

- fiscal 2007 total compensation packages that would not meet the objectives of Perrigo's compensation program with respect to retention and competitiveness of pay package.

21

In order to address these concerns, the Compensation Committee determined that each participant in the MIB Plan, other than those in the Pharmaceutical Plan and the CEO who had a contractually determined bonus for fiscal 2007, should receive an additional discretionary cash bonus for fiscal 2007. For the named executive officers, the total of the prescribed MIB Plan payout and the discretionary bonus ranged between 75% and 91% of the participant's target award under the Plan. The discretionary bonuses, as well as the amount by which Mr. Papa's guaranteed minimum bonus exceeded his MIB Plan payout, are listed under "Bonus" in the Summary Compensation Table.

Stock-Based Compensation

Long-term stock-based compensation, which is awarded under the LTIP, is intended to motivate and reward executives for creating shareholder value as reflected in the market price of Perrigo's common stock. Awards under the shareholder-approved LTIP may be in the form of stock options, stock appreciation rights or stock awards, including restricted shares, performance shares, restricted stock units, performance units and other stock unit awards. Long-term incentive opportunities are provided solely through stock-based awards to the executive officers, management and other key employees. In fiscal 2007, about 250 employees received stock-based compensation.

As a variable component of compensation, the amount realized from stock-based compensation will vary based on the market price of Perrigo's common stock. In addition, for performance-based restricted stock, shares are only earned if specified financial goals are achieved.

The Committee sets stock-based grant levels based on consideration of an executive's position and performance, market median practices and the aggregate cost impact. Executive grants are subject to the approval of the Committee and, in the case of the CEO, the independent directors of the Board.

Effective in fiscal 2007, we moved from granting solely stock options to a mix of three types of stock-based awards--stock options, service-based restricted stock and performance-based restricted stock units. The move to use several award types was driven by a desire to stay aligned with market practice. In developing the fiscal 2007 grant mix, we considered several alternative award types, reviewed market practices and considered the cost impact to Perrigo of the alternative award types. Consistent with our long-standing emphasis on performance-based compensation, the majority of the award opportunity is provided through performance-based awards in the form of stock options and performance-based restricted stock units. A portion of the long-term incentive opportunity was granted in service-based restricted stock in order to facilitate retention. A description of each award type and the weighting of the total award opportunity (percent of the total targeted expected value) are presented below.

- Stock options (50% weighting)
 - Vest 20% per year beginning one year after grant (fully vest after five years)

Edgar Filing: PERRIGO CO - Form DEF 14A

- 10-year term, after which the options expire
- Exercise price equals the average of the high and low prices of Perrigo's common stock on the grant date

22

- The ultimate value of the stock options that will be realized, if any, is not determinable until they are exercised
- Service-based restricted stock (30% weighting)
 - Vest 100% three years after grant
 - Dividends are paid in cash during the restriction period
- Performance-based restricted stock units (20% weighting)
 - Vesting dependent on performance over a three-year period (fiscal 2007 to 2009)
 - Shares can be earned based on three-year average net income growth (average of three discrete one-year net income goals, which are set based on the annual financial plan). The target goals are set at challenging levels requiring execution of our financial plan. Fiscal 2007 was the first year for these awards so historical payout information is not available.
 - Earned awards, if any, can range from 0% to 200% of the target number of shares

The accounting cost of the stock-based awards is determined at the date of grant and accrued over the vesting service period. The ultimate expense for performance-based restricted stock is based on the number of the shares earned.

Stock options and performance-based restricted stock are designed to be deductible by Perrigo for federal income tax purposes under Section 162(m) of the Internal Revenue Code (the "Code"). Accordingly, when executives exercise stock options or vest in performance-based restricted stock, they are taxed at ordinary income rates (subject to withholding), and Perrigo receives a corresponding tax deduction. Service-based restricted stock awards may not be tax deductible by Perrigo for federal income tax purposes under Section 162(m).

The grant date fair value, as calculated under the applicable accounting standard (FAS 123R), for the fiscal 2007 stock-based grants is presented in the Grants of Plan-Based Awards for Fiscal Year 2007 table on page 32.

Annual Grant Timing

While the independent directors approve all stock-based awards for the CEO, the Committee approves all stock-based awards for the other named executive officers, as well as the maximum potential total grants for other employee levels, during its regularly scheduled August meeting. All regular annual stock-based awards are granted on, and priced at the average stock price on, the fifth trading day after the day on which Perrigo publicly releases its year-end earnings for the fiscal year. Stock-based awards may be granted during the year to new hires or to existing employees under special circumstances (promotions, retention or performance) with the approval of the CEO and CFO.

Edgar Filing: PERRIGO CO - Form DEF 14A

Executive Stock Ownership Guidelines

In order to ensure ongoing alignment with our shareholders, the executive officers are subject to minimum stock ownership guidelines. The ownership guidelines, presented below, are specified

23

as a multiple of base salary and must be achieved within three years of the date the individual becomes an executive officer.

- CEO: two times salary
- Other executive officers: one times salary

Stock ownership includes (i) shares purchased on the open market, (ii) shares owned jointly with a spouse and/or children, (iii) shares acquired pursuant to the exercise of stock options or vesting of restricted stock, (iv) shares held through the Perrigo Company Profit-Sharing and Investment Plan, and (v) unvested restricted shares or restricted share units that have not been forfeited.

BENEFITS AND PERQUISITES

Retirement Benefits

We offer retirement benefit plans to provide financial security and to facilitate employees' saving for their retirement. We make annual contributions under our Profit Sharing Plan for employees with at least one year of service, including the executive officers. We also make matching contributions up to the limits as defined in the applicable regulations under our 401(k) Plan to certain of our employees, including the executive officers.

We maintain a non-qualified deferred compensation plan that allows executives to voluntarily elect to defer base salary and earned annual incentive awards. No Perrigo contributions or special crediting are provided.

Executive Perquisites

We provide a limited number of perquisites to our executive officers. For our U.S. executive officers, benefits and perquisites may include limited spousal travel, supplemental long-term disability insurance premiums, executive physical exams and financial counseling/tax advice. For our executive officers in Israel, we provide certain additional benefits and perquisites to match common practices in Israel and to comply with statutory requirements, including a car allowance, education fund, manager's insurance and severance benefits.

Employment Agreements (Severance Benefits)

Typically we do not enter into employment agreements with our executives. However, in order to recruit our CEO during fiscal 2007 and consummate the acquisition of Agis in fiscal 2005, we entered into employment agreements with the CEO and our two Israeli named executive officers. The agreements specify certain minimum pay levels, stock-based grants and severance benefits. If these officers are involuntarily terminated by Perrigo without cause or for good reason (as defined in the agreements), they receive cash severance benefits, benefit continuation and continued vesting of certain stock-based awards. The circumstances under which severance benefits are triggered and the resulting payouts were set to recruit these officers and were generally consistent with market practices. There are no enhancements for a termination of employment following a change of control.

Edgar Filing: PERRIGO CO - Form DEF 14A

The key payment terms in the CEO's agreement are summarized below. The other two current agreements are discussed following the Summary Compensation Table beginning on page 29.

24

Post-employment payments under employment agreements are presented in the section entitled "Potential Payments Upon Termination or Change in Control" beginning on page 35.

We do not have a formal severance, automatic vesting, benefit continuation or change of control plan for the other named executive officers.

COMPENSATION FOR THE CEO

In order to recruit Mr. Papa to Perrigo, the Board of Directors felt it appropriate for us to enter into an employment agreement specifying certain compensation levels. This agreement became effective on October 9, 2006 (the "Effective Date").

The annual compensation package was determined based on consideration of market practices and the executive's experience. In order to compensate Mr. Papa for lost equity and other pay opportunities at his former employer, Mr. Papa received equity grants upon his hire. Consistent with our emphasis on performance-based pay, the majority of Mr. Papa's compensation is stock-based with the ultimate value realized based on Perrigo's stock price performance. Key pay elements of the employment agreement are detailed below.

- Initial base salary of \$700,000 per year, subject to an annual review.
- MIB Plan target opportunity of at least 100% of his annual salary. In fiscal 2007, Mr. Papa's guaranteed minimum bonus payment was 100% of his pro-rated target bonus for the year.
- Stock-based long term incentive compensation granted on October 9, 2006:
 - stock option grant of 85,212 shares, which represents a grant date Black-Scholes value of \$605,000;
 - service-based restricted stock grant of 125,275 shares, with a value of \$2,166,000 based on the grant date closing stock price, which vests 50% on October 1, 2007 and 50% on October 1, 2008; and
 - performance-based restricted stock units grant of 17,872 units, which was determined by dividing \$309,000 by the grant date closing stock price.
- Fiscal 2008 stock-based compensation with a value equal to 100% of Mr. Papa's base salary plus targeted annual incentive award opportunity.
- Participation in Perrigo's other employee benefit plans.

Additional key elements of Mr. Papa's employment agreement are detailed below.

- Mr. Papa was elected to the Board of Directors on November 10, 2006 pursuant to a provision in this agreement.

Edgar Filing: PERRIGO CO - Form DEF 14A

- The initial term of this agreement commenced on the Effective Date and expires on the second anniversary of the Effective Date. Thereafter, the term is automatically extended for additional 12-month periods unless either Perrigo or Mr. Papa provides written notice of non-renewal to the other party at least 120 days before the last day of the then-current term.

25

- Mr. Papa agrees that he will not, at any time during or after his employment with Perrigo, disclose any confidential information that he obtained during his employment. In addition, he agrees that for a period of two years following the date of the termination of his employment for any reason he will not compete (as defined in the agreement) with us. Furthermore, for a period of one year following the date of the termination of his employment for any reason Mr. Papa agrees not to solicit for employment anyone who was an employee of Perrigo or its affiliates during the term of the agreement.

Further details regarding potential payments under this agreement upon a termination of employment are presented in the section entitled "Potential Payments Upon Termination or Change in Control" beginning on page 35.

COMPENSATION FOR THE FORMER CEO

While Joseph C. Papa became President and CEO on October 9, 2006, David T. Gibbons served as President and CEO until that date and as Executive Chairman until March 31, 2007, when he retired as an executive officer of Perrigo. Mr. Gibbons was compensated according to the terms of an Employment Agreement entered prior to the time of his employment in May 2000 and as amended through May 15, 2007 (collectively the "Employment Agreement"). Key pay elements of Mr. Gibbons' employment are detailed below.

- Base annual salary for fiscal 2007 was \$780,000.
- Management Incentive Bonus plan target opportunity of at least 100% of his annual salary. In fiscal 2007, Mr. Gibbons' prorated management incentive and discretionary bonus was \$435,938.
- Stock-based long term incentive compensation granted on August 16, 2006:
 - stock option grant of 116,942 shares, which represented a grant date Black-Scholes value of \$780,000; and
 - service-based restricted stock grant of 30,194 shares and performance-based restricted stock units grant of 20,129 units with an aggregate value on the date of grant of \$780,000 based on the grant date closing stock price.
- All of Mr. Gibbons' unvested previously granted stock options and service-based restricted stock became fully vested on March 31, 2007 as he remained employed with Perrigo through the agreement term.

Further details regarding payments under this Employment Agreement upon Mr. Gibbons' termination of employment are presented in the section entitled "Potential Payments Upon Termination or Change in Control" beginning on page 35.

CHANGES FOR FISCAL 2008

Annual Incentive Award Opportunities

In June 2007, the Committee approved changes to the MIB Plan for fiscal 2008. The changes were made to better align the Plan to our fiscal 2008 business objectives by more specifically linking the Plan with the most critical financial measures that help us drive bottom line

26

profitability, ensure working capital is used efficiently and achieve operational goals. The fiscal 2008 performance measures will be the following:

- net income at the corporate level, and
- operating income, working capital turnover and operational goals at the business unit/division level.

To ensure that awards reflect an executive's performance and contribution to our results, awards may be adjusted by individual performance against specified, individual goals. The maximum incentive award opportunity will equal 200% of the target award, which we believe is consistent with market practices.

Stock-Based Compensation

In June 2007, the Committee also approved changes for fiscal 2008 to the LTIP to better align that Plan to our long-term business objectives and the new design of the MIB Plan. Specifically, the performance measure for performance-based restricted stock units will be return on invested capital (ROIC). ROIC measures our ability to generate profits from the effective use of all capital invested in the business.

The mix of the award types was changed to place more weight on performance-based restricted stock units (decreasing the weight on options). This will provide a more balanced mix among the three award types while maintaining the emphasis on performance-based awards. The fiscal 2008 award mix is presented below.

- Stock options (40% weighting)
- Service-based restricted stock units (30% weighting)
- Performance-based restricted stock units (30% weighting)

At middle management levels, the fiscal 2008 award opportunity was solely in service-based restricted stock units. We believe this ensures the award has the strongest retention value for the cost to Perrigo since service-based restricted stock is generally assigned the greatest value by recipients.

Restoration of Profit-Sharing and Investment Plan Contributions

On June 14, 2007, following the Committee's recommendation, the Board of Directors authorized an amendment to Perrigo's Non-Qualified Deferred Compensation Plan to provide annual profit-sharing contributions and matching contributions that cannot be provided under Perrigo's Profit-Sharing and Investment Plan (the "Tax-Qualified Plan") because of the limitations of Sections 415 and 401(a)(17) of the Code. Code Section 415 limits the total annual additions to a participant's account under the Tax Qualified Plan to a specified dollar amount, currently \$45,000 (\$50,000 for certain participants who are at least age 50). Code Section 401(a)(17) limits total compensation that can

Edgar Filing: PERRIGO CO - Form DEF 14A

be considered under the Tax Qualified Plan. Currently, this limit is \$225,000. Due to these limits, certain Perrigo employees did not receive profit sharing contributions and matching contributions on their full compensation. The amendment will provide affected employees, including the named executive officers, with the profit sharing contributions and matching contributions they would have been eligible for under the Tax-

27

Qualified Plan in 2007 but for the limitations under the Code. Any such contributions restored pursuant to this amendment will not be determined until February 2008.

Fair Market Value of Stock Options

On February 8, 2007, Perrigo's LTIP was amended to provide that fair market value will be determined based on the last reported sale price of Perrigo's stock. Prior to this change, we awarded stock options under the LTIP with an exercise price equal to the average price of Perrigo's stock on the day of the grant.

OTHER POLICIES

Deductibility of Compensation

Code Section 162(m) limits the deductibility by Perrigo of compensation in excess of \$1 million paid to each of the CEO and the next four most highly paid officers. Certain "performance based compensation" is not included in compensation counted for purposes of the limit. The Committee attempts to establish and maintain a compensation program that will optimize the deductibility of compensation. The Committee, however, reserves the right to use its judgment to authorize compensation that may not be fully deductible where merited by the need to respond to changing business conditions or an executive officer's individual performance.

EMPLOYMENT AGREEMENT WITH VICE CHAIRMAN

On November 14, 2004, we entered into an Employment Agreement with our Vice Chairman, Moshe Arkin. This agreement became effective upon the completion of our merger with Agis on March 17, 2005 and replaced Mr. Arkin's prior employment agreement with Agis. The term of this agreement runs through March 17, 2008, subject to automatic two-year renewals unless either party provides written notice of non-renewal to the other party at least 120 days before the last day of any term. On September 10, 2007, Mr. Arkin informed Perrigo of his intention not to renew his employment agreement.

Under the agreement, Mr. Arkin receives a base salary that is reviewed at least annually by the Board to determine if an increase is appropriate. Mr. Arkin's annualized base salary for fiscal year 2007 was \$424,000, effective October 1,

2006.

Mr. Arkin is eligible to participate in the Management Incentive Bonus Plan, under which he has a target bonus opportunity of not less than \$275,000. Mr. Arkin received a management incentive and discretionary bonus payment of \$219,000 for fiscal 2007. Mr. Arkin was granted an option to purchase 25,000 Perrigo shares as well as 6,454 service-based restricted shares and 4,303 performance-based restricted units in fiscal year 2007 pursuant to Perrigo's LTIP. Mr. Arkin also receives various payments required under Israeli law, such as manager's insurance, disability insurance, and recreation funds, as well as various perquisites customary in Israel, such as educational funds, car allowance and other similar perquisites.

30

In conjunction with his employment agreement, Mr. Arkin executed a noncompetition and nondisclosure agreement that provides that he will not compete for the longer of the term of his agreement and a period of one year following his termination. In addition, Mr. Arkin has agreed that he will not, at any time during or after his employment with Perrigo, disclose any confidential information obtained during his employment.

Further details regarding potential payments under this agreement upon termination of employment are presented in "Potential Payments Upon Termination or Change in Control" beginning on page 35.

Under the agreement, Mr. Lebel receives a base salary at an initial annual rate of \$325,000, which is reviewed at least annually by the Board to determine if an increase is appropriate. Mr. Lebel's annualized base salary for fiscal year 2007 was \$344,500, effective October 1, 2006.

Mr. Lebel is eligible to participate in the MIB, under which he has a target bonus opportunity of not less than \$200,000. Mr. Lebel received a bonus payment of \$193,000 for fiscal 2007. He was also granted an option to purchase 20,000 Perrigo shares as well as 18,066 service-based restricted shares and 3,442 performance-based restricted units in fiscal year 2007 pursuant to Perrigo's 2003 LTIP. In conjunction with his employment agreement, Mr. Lebel executed a noncompetition and nondisclosure agreement that provides that he will not compete with us for the longer of the term of his agreement and a period of one year following his termination. In addition, Mr. Lebel has agreed that he will not, at any time during or after his employment with Perrigo, disclose any confidential information obtained during his employment.

NONQUALIFIED DEFERRED COMPENSATION IN FISCAL YEAR 2007

The Perrigo Non-Qualified Deferred Compensation Plan allows certain senior executives to defer as much as 100% of base salary and 80% of incentive compensation. Participation in the plan is limited to senior executives. Amounts deferred under the plan earn a return based on measurement funds made available to the participant and determined by the retirement plan committee. These measurement funds mirror the investment choices available in our qualified deferred compensation plan (with the exception of our stock, which is not an investment option

Edgar Filing: PERRIGO CO - Form DEF 14A

in the Non-Qualified Deferred Compensation Plan). In-service distributions are allowed under the plan. Participants in the plan elect the form and timing of payment of their plan deferral account prior to the year in which it is deferred. Participants may elect to receive their accounts in a lump sum or in annual installments (up to fifteen years) upon separation from service. All participants in the plan are treated as key employees by plan rules (as defined in the applicable tax regulations) and therefore may not begin receiving distributions earlier than six months following termination of employment.

The following table sets forth information relating to the Perrigo Company Non-Qualified Deferred Compensation Plan.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

All of our named executive officers participate in our MIB Plan, our LTIP and our Non-Qualified Deferred Compensation Plan ("Deferred Compensation Plan").

Edgar Filing: PERRIGO CO - Form DEF 14A

These plans may require us to provide compensation to these officers in the event of a termination of employment or a change-in-control of Perrigo. Three of our named executive officers also will receive compensation under their employment agreements in the event of a termination of employment or a

35

change-in-control of Perrigo. The Committee retains discretion to provide, and in the past has provided, additional benefits to executive officers upon termination or resignation if it determines the circumstances so warrant.

The following table sets forth the expected benefits to be received by each named executive officer in the event of his or her termination resulting from various scenarios and assuming a termination date of June 29, 2007, the last business day of our 2007 fiscal year, and a stock price of \$19.58, our closing stock price on June 29, 2007. Assumptions and explanations of the numbers included in the table below are set forth in the footnotes to, and in additional text following, the table.

Compensation payable to our three named executive officers who have employment agreements with us in the event of a termination or a change-in-control of Perrigo is as follows:

EMPLOYMENT AGREEMENT WITH CHIEF EXECUTIVE OFFICER

Under Mr. Papa's employment agreement, his employment may be terminated during the term of this agreement under the following circumstances:

- upon Mr. Papa's death or disability;
- by Perrigo for cause (as defined in the agreement);
- by Mr. Papa upon 30 days' written notice;
- by mutual agreement;
- by Perrigo without cause upon 30 days' written notice; or

If Mr. Papa's employment is terminated during the term of this agreement for any reason, he will receive compensation and benefits earned to date, including payment for unused vacation days. If Mr. Papa's employment is terminated as a result of death or disability, Mr. Papa also will receive a pro rata management incentive bonus for the portion of the year he was employed. If we terminate Mr. Papa's employment for cause, he will receive compensation and benefits earned to date, but he will forfeit any options (whether vested or unvested), restricted stock and unvested benefits. Any salary and unused vacation days will be paid to Mr. Papa in a lump sum as soon as practicable following the date of termination. Other benefits will be paid to Mr. Papa in accordance with applicable law and the terms of any applicable plan or arrangement.

If during the term of this agreement Mr. Papa's employment is terminated by us without cause or by him for good reason and he agrees to a release of claims against Perrigo, he will also be entitled to compensation and benefits earned to that date, as well as:

Edgar Filing: PERRIGO CO - Form DEF 14A

- payment of an amount equal to 24 months of his then-current salary and target bonus, payable in regular payroll installments;

37

- continued vesting as if he had remained employed with Perrigo of the stock option and restricted stock awards granted to him on the Effective Date and the ability to exercise those options, to the extent they were vested at termination or vest subsequently, until the later of (i) 25 months after the date of termination, (ii) 30 days after the last vesting date of an option that vests after termination, or (iii) any later applicable date specified in the Long Term Incentive Award Agreement ("Award Agreement") pursuant to which the options were granted; provided that no option may be exercised later than the expiration of the option term as specified in the Award Agreement;
- continued vesting for a period of 24 months of all other stock option and restricted stock awards granted to him, and the ability to exercise those options, to the extent they were vested at termination or vest subsequently, until the later of (i) 25 months after the date of termination, or (ii) any later applicable date specified in the Award Agreement pursuant to which the options were granted; provided that no option may be exercised later than the expiration of the option term as specified in the Award Agreement; and
- a pro rata management incentive bonus for the portion of the year he was employed.

EMPLOYMENT AGREEMENT WITH VICE CHAIRMAN

In the event Mr. Arkin's employment agreement terminates due to non-renewal, then he will be entitled to vest (whether or not his employment terminates) as of the date of the notice of non-renewal in that number of unvested stock options and restricted stock awards which would have vested during the 24-month period following the end of the agreement term.

If Mr. Arkin's employment is terminated for any reason, he will receive compensation and benefits earned to date, including payment for unused vacation days. If Mr. Arkin resigns for "good reason" or if we terminate his employment "without cause", each as defined in the employment agreement, then, in addition to receiving earned compensation and benefits, he will receive his prorated bonus for the year in which the termination occurs; his salary, entitled bonus and benefits for the greater of 12 months or the balance of the employment agreement; immediate vesting of his restricted stock; and immediate vesting of his stock options that would have otherwise vested within the following 24 months. Any salary and unused vacation days will be paid to Mr. Arkin in a lump sum as soon as practicable following the date of termination. Other benefits will be paid in accordance with applicable law and the terms of any applicable plan or arrangement.

Under his employment agreement, Mr. Arkin is also entitled to all accrued payments due to him under his previous employment agreement with Agis.

EMPLOYMENT AGREEMENT WITH EXECUTIVE VICE PRESIDENT & GENERAL MANAGER--PERRIGO ISRAEL

Edgar Filing: PERRIGO CO - Form DEF 14A

then he will be entitled to vest (whether or not his employment terminates) as of the date of the notice of non-

If Mr. Lebel resigns for "good reason" or if we terminate his employment "without cause", each as defined in the employment agreement, then, in addition to receiving earned compensation and benefits, he will receive his prorated bonus for the year in which the termination occurs; his salary, entitled bonus and benefits for the greater of 12 months or the balance of the employment agreement; immediate vesting of his restricted stock; and immediate vesting of his stock options that would have otherwise vested within the following 24 months. Any salary and unused vacation days will be paid in a lump sum as soon as practicable following the date of termination. Other benefits will be paid in accordance with applicable law and the terms of any applicable plan or arrangement.

Under his employment agreement, Mr. Lebel is also entitled to all accrued payments due to him under his previous employment agreement with Agis.

PAYMENTS UNDER THE MANAGEMENT INCENTIVE BONUS PLAN

Generally, no portion of the payments under the MIB Plan is considered earned or payable for a particular year unless the named executive officer is employed by us and in good standing on the first day of the following fiscal year. The MIB Plan, however, may require us to make payments to named executive officers who are no longer employed by us on the first day of the following fiscal year under the following circumstances:

- retirement at age 65 or older;
- retirement at age 60 or older with at least 10 years of service;
- early retirement of a named executive officer under an early retirement plan;
- permanent disability as determined by the Compensation Committee; or
- death.

Under all circumstances listed above, the named executive officer, or his or her estate in the case of death, will be entitled to a pro rata portion of any payment under the MIB Plan for that fiscal year, computed to the date of the termination. In addition, the CEO, in his sole discretion, may make exceptions to the circumstances listed above and allow payments in the event of other types of termination.

A named executive officer eligible to receive a post-termination payment under the MIB Plan will be paid in a lump sum within a reasonable time after the close of the fiscal year in which termination occurred.

PAYMENTS UNDER THE LONG TERM INCENTIVE PLAN

If a named executive officer terminates employment with us due to death,

Edgar Filing: PERRIGO CO - Form DEF 14A

disability or retirement, his or her outstanding options and stock appreciation rights will (i) be free of any restriction period and (ii) immediately vest in full and may be exercised in whole or in part

39

by the participant or his or her fiduciary, beneficiary of conservator, as applicable, at any time prior to their respective expiration dates.

If a named executive officer is involuntarily terminated for economic reasons, he or she may exercise his or her options and stock appreciation rights, to the extent vested, at any time prior to the earlier of (i) the date that is 30 days after the date that is 24 months after the termination date, or (ii) their respective expiration dates. Any options, stock appreciation rights or restricted shares that are not vested on the termination date, but are scheduled to vest during the 24-month period according to the vesting schedule in effect prior to the termination date vest as if the participant had continued to provide services to us during the 24-month period. Any options, stock appreciation rights and restricted shares that are not scheduled to vest during the 24-month period will be forfeited on the termination date. If a named executive officer dies after the termination date while his or her options or stock appreciation rights remain exercisable, the fiduciary of the named executive officer's estate or his or her beneficiary may exercise the options and stock appreciation rights (to the extent that those options and stock appreciation rights were vested and exercisable prior to the executive officer's death), at any time prior to the later of the date that is (i) 30 days after the date that is 24 months after the named executive officer's termination date, or (ii) 12 months after the date of death, but in no event later than their respective expiration dates.

Upon an event of termination for any reason during the restriction period, restricted shares still subject to restriction generally will be forfeited by the named executive officer and reacquired by Perrigo. We may in our sole discretion, waive in whole or in part any or all remaining restrictions with regard to a named executive officer's shares, except for restricted share awards that are intended to comply with certain performance-based compensation requirements.

If a named executive officer is terminated for cause, any restricted shares subject to a restriction period will be forfeited and his or her right to exercise his or her options and stock appreciation rights will terminate. If within 60 days after a named executive officer is terminated, we discover circumstances that would have permitted us to terminate a named executive officer for cause, any shares, cash or other property paid or delivered to the named executive officer will be forfeited and the named executive officer must repay those amounts to Perrigo.

If the named executive officer is terminated for any reason other than those described above, the named executive officer will have the right to exercise his or her options and stock appreciation rights at any time prior to the earlier of (i) the date that is three months after the termination date, or (ii) their respective expiration dates, but only to the extent that those options or stock appreciation rights, as applicable, were vested prior to the termination date. Any options or stock appreciation rights that are not vested at the termination date will be forfeited on the termination date. If a named executive officer dies after the termination date while his or her options or stock appreciation rights remain exercisable, the fiduciary of the named executive officer's estate or his or her beneficiary may exercise the options and stock appreciation rights (to the extent that those options and stock appreciation rights were vested and exercisable prior to the executive officer's death), at any time prior to the

Edgar Filing: PERRIGO CO - Form DEF 14A

earlier of (i) 12 months after the date of death, or (ii) their respective expiration dates.

In the event of a change-in-control (as defined in the LTIP), options and stock appreciation rights outstanding under the LTIP as of the date of the change-in-control that have not vested will

40

become vested and fully exercisable. The restrictions and deferral limitations applicable to any restricted shares will lapse and the restricted shares will become free of all restrictions and limitations and will become fully vested and transferable. In addition, upon a change-in-control, all performance awards will be considered to be earned and payable in full, and any deferral or other restriction will lapse and the performance awards will be immediately settled and distributed. The restrictions and deferral limitations and other conditions applicable to any other stock unit awards or any other awards will lapse and those other stock unit awards and other awards will become free of all restrictions, limitations or conditions and will become fully vested and transferable to the full extent of the original grant.

PAYMENTS UNDER THE NON-QUALIFIED DEFERRED COMPENSATION PLAN

If a named executive officer is terminated for any reason other than death, he or she will receive a termination benefit under the Deferred Compensation Plan equal to his or her vested account balance. The Nonqualified Deferred Compensation in Fiscal Year 2007 table above reflects account balances as of the end of our 2007 fiscal year.

This termination benefit will be paid to the named executive officer in a lump sum or under an annual installment method of up to 15 years, based on the named executive officer's choice when he or she began participation in the plan or as he or she subsequently changed the election. If the named executive officer did not make an election with respect to method of payment for a termination benefit, he or she will be deemed to have elected to be paid in a lump sum. Payments generally will be made no later than 60 days after the named executive officer terminates his or her employment with us.

A named executive officer's beneficiary will receive a survivor benefit equal to the named executive officer's vested account balance if the named executive officer dies before he or she commences payment under the Deferred Compensation Plan. The survivor benefit will be paid to the named executive officer's beneficiary in a lump sum payment as soon as administratively practicable, but in no event later than 60 days after the last day of the plan year in which the named executive officer dies.
