BOARD MEETINGS AND COMMITTEES

The board of directors of Ross held a total of fifteen meetings including four regularly scheduled quarterly meetings and eleven special and committee meetings during the fiscal year ended June 30, 2003. During fiscal 2003, each director attended at least 93% of the aggregate of (1) the total number of meetings of the board of directors and (2) the total number of meetings held by all committees of the board of directors on which such person served. The board of directors has an Audit Committee, a Compensation Committee, and a Nominating Committee, each of which is composed of external directors.

During the year ended June 30, 2003, the Audit Committee of the board consisted of three directors Ryan, Dickerson and Goodhew, none of whom are employees of Ross. The Audit Committee held four meetings during the fiscal year ended June 30, 2003. Following the annual meeting, the board intends to re-appoint directors Dickerson, Ryan and Goodhew, with director Ryan as Committee Chairman. The primary purpose of the Audit Committee is to assist the board of directors in fulfilling its responsibility to oversee Ross' internal and external financial reporting processes so as to ensure the objectivity of Ross' financial statements and its system of internal accounting controls. nominations for re-election where appropriate. The Nominating Committee met once during the year ended June 30, 2003. The recommendation of the committee was to nominate existing directors, Ryan, Goodhew, Dickerson, Tinley and Webster for re-election.

The Compensation Committee of the board consisted of directors Goodhew, Ryan and Dickerson and held seven meetings during the fiscal year ended June 30, 2003. Following the annual meeting, the board intends to re-appoint directors, Goodhew, Ryan and, Dickerson with director Goodhew as Committee Chairman. The Compensation Committee makes recommendations to the board regarding Ross' executive compensation policy and grants stock options and administers the 1998 Stock Option Plan.

COMPENSATION OF DIRECTORS

For the fiscal year ended June 30, 2003, non-employee directors were compensated \$2,000 for each board of directors meeting attended and \$1,000 for participating in any telephonic board of directors meetings which were not regularly scheduled. In addition, directors are reimbursed for travel expenses incurred in connection with attending board of directors meetings.

Annually, each non-employee director is automatically granted 4,000 stock options to purchase shares of Ross' common stock pursuant to the terms of the 1998 Stock Option Plan, or the Option Plan. Options granted to non-employee directors under the Option Plan are not intended by Ross to qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, or the Code. Pursuant to the Option Plan, on the annual meeting date, each non-employee director who is elected or re-elected at the meeting is granted options in accordance with the automatic grant. In addition, any non-employee director newly elected to the Board of Directors receives an option for 10,000 shares of Ross' common stock. The 10,000-share option vests 25% a year over four years and the 4,000 share options are fully vested on the dates of grant. The price of all options granted is equal to the closing price of Ross' common stock, as quoted on the NASDAQ National Market, on the date of grant. During fiscal 2003, outside directors were granted a total of 12,000 stock options at an exercise price of \$13.16.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT

Section 16(a) of the Exchange Act requires Ross' executive officers and directors to file initial reports of share ownership and report changes in share ownership with the Commission. Such persons are required by Commission regulations to furnish Ross with copies of all Section 16(a) forms, which they file.

Based solely on Ross' review of such forms furnished to Ross and written representations from certain reporting persons, Ross believes that for the period July 1, 2002 to June 30, 2003, all Section 16(a) filings were made on a timely basis, except that Mr. Oscar Pierre was late to file a Form 4 with the Commission.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Item 13 of the Registrant's Annual Report on Form 10-K for the Fiscal Year Ended June 30, 2003 is amended by adding the following:

CERTAIN TRANSACTIONS

Under the terms of indemnification agreements with each of Ross' officers and directors, Ross is obligated to indemnify each officer and director against certain claims and expenses for which the director might be held liable in connection with past or future service on behalf of Ross. In addition, Ross' Certificate of Incorporation provide that, to the extent permitted by Delaware law, the officers and directors shall not be liable for monetary damages for breach of fiduciary duty as an officer or director.

In fiscal 2003, Ross renewed and modified employment agreements with J. Patrick Tinley and Robert B. Webster. The employment agreements provide the executives with severance payments and accelerated vesting of stock options and other incentive awards if the executive's employment is terminated without "cause" at any time. If Mr. Tinley is terminated without "cause," he would be entitled to (1) a severance payment of 300% of his base compensation plus 300% of his targeted bonus, (2) employee benefit coverage applicable to the executive at the time of termination for three years following the termination and (3) ninety days to exercise all vested and unvested stock options and other incentive awards. If Mr. Webster is terminated without "cause," he would be entitled to (A) a severance payment of 200% of his base compensation plus 200% of his targeted bonus, (B) employee benefit coverage applicable to the executive at the time of termination for two years following the termination and (C) ninety days to exercise all vested and unvested stock options and other incentive awards. The employment agreements also provide the executives with severance payments and accelerated vesting of stock options and other incentive awards if the executive terminates his employment with Ross for "good reason" or is terminated for any reason other than "cause" or "disability" within nine months immediately following a "change of control" of Ross. In such a case, Mr. Tinley would be entitled to a severance payment of 300% of his base compensation plus 300% of his targeted bonus, each at the time of termination, and ninety days to exercise all vested and unvested stock options and other incentive awards, and Mr. Webster would be entitled to a severance payment of 200% of his base compensation plus 200% of his targeted bonus, each at the time of termination, and ninety days to exercise all vested and unvested stock options and other incentive awards.

The employment agreements define "cause" to include a willful act by the executive which constitutes fraud and which is injurious to Ross, conviction of, or a plea of "guilty" or "no contest" to, a felony or the executive's continuing repeated willful failure or refusal to perform his material duties required by the employment agreement which is injurious to Ross. The employment agreements define "good reason" to include a material reduction in the executive's powers or duties, one or more reductions in the executive's base compensation in the cumulative amount of five percent (5%) or more or notifying the executive that his principal place of work will be relocated by a distance of 50 miles or more. The employment agreements define "disability" as the executive's eligibility to receive immediate long-term disability benefits under Ross' long-term disability insurance plan or, if there is no such plan, under the federal Social Security program. The employment agreements define "change of control" to mean the occurrence of any of the following events: (a) any "person" (as such term is used in sections 13(d) and 14(d) of the Exchange Act) by the acquisition or aggregation of securities is or becomes the beneficial owner (within the meaning of Rule 13d-3 of the Exchange Act), directly or indirectly, of securities of Ross representing fifty percent (50%) or more of the combined voting power of Ross' then outstanding securities ordinarily (and apart from rights accruing under special circumstances) having the right to vote at elections of directors,

Edgar Filing: ROSS SYSTEMS INC/CA - Form 10-K/A

referred to as "Base Capital Stock"; except that any change in the relative beneficial ownership of Ross' securities by any person resulting solely from a reduction in the aggregate number of outstanding shares of Base Capital Stock, and any decrease thereafter in such person's ownership of securities, shall be disregarded until such person increases in any manner, directly or indirectly, such person's beneficial ownership of any securities of Ross, or (b) the stockholders of Ross approve a definitive agreement:

- to merge or consolidate Ross with or into another corporation in which the holders of the securities of Ross before such merger or reorganization will not, immediately following such merger or reorganization, hold as a group on a fully diluted basis both the ability to elect at least a majority of the directors of the surviving corporation and at least a majority in value of the surviving corporation's outstanding equity securities; or
- to sell or otherwise dispose of all or substantially all of the assets of Ross or dissolve or liquidate Ross.
