**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 9, 2007**

GENERAL

Our board of directors is soliciting your proxy in connection with our 2007 Annual Meeting of Stockholders (the Annual Meeting), which will be held on Wednesday, May 9, 2007, at 8:00 a.m. local time, at 1805 Old Alabama Road, Roswell, Georgia 30076, and at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement and the accompanying Notice of Annual Meeting are being first mailed to stockholders on or about April 10, 2007.

BACKGROUND

We are a healthcare services organization providing outsourced business services to physicians, serving the physician market through two operating segments Revenue Cycle Management and Practice Management. Our Revenue Cycle Management segment provides billing, collection and practice management services, primarily to hospital-based physicians and consists of four operating subsidiaries: Medical Billing Services, Inc. (MBS), Rand Medical Billing, Inc. (Rand), On Line Alternatives, Inc. (OLA) and On Line Payroll Services, Inc. (OLP) (collectively with OLA, On Line). Our Practice Management segment provides business and management services to primary care pediatric physician practices and consists of our subsidiary Integrated Physician Solutions, Inc. (IPS). We currently have two classes of common stock outstanding: Class A Common Stock, par value \$0.001 per share (Class A Common Stock) and Class D Common Stock, par value \$0.001 per share (Class D Common Stock) and collectively with the Class A Common Stock, our Common Stock). Our Class A Common Stock is traded on the American Stock Exchange (AMEX) under the symbol ONH.

In April 2005, our board of directors initiated a strategic plan designed to accelerate our growth and enhance our future earnings potential. The plan focused on our strengths, which include providing billing, collections and complementary business management services to physician practices. As part of this plan, we completed a series of transactions involving the divestiture of non-strategic assets in 2005 and early 2006. In addition, we redirected financial resources and company personnel to areas that management believed would enhance long-term growth potential. A key component of our long-term strategic plan was the identification of potential acquisition targets that would increase our presence in the markets we serve and enhance stockholder value.

On December 1, 2006 we completed the acquisition of Rand and On Line. The acquisitions were partially financed through a private placement of our newly created Class D Common Stock with each of Phoenix Life Insurance Company (Phoenix) and Brantley Partners IV, L.P. (Brantley IV) and a private placement of our senior unsecured subordinated promissory notes due 2011 with Phoenix (collectively, the Private Placement). Financing was also obtained through a senior secured credit facility with Wells Fargo Foothill, Inc. (Wells Fargo) that refinanced our existing loan facility with CIT Healthcare, LLC. As of December 1, 2006 all of our outstanding shares of Class B Common Stock, par value \$0.001 per share (Class B Common Stock) and Class C Common Stock, par value \$0.001 per share (Class C Common Stock) were converted into shares of Class A Common Stock or retired and both the Class B Common Stock and Class C Common Stock were removed from our certificate of incorporation. (See the section of this Proxy Statement titled Certain Relationships and Related Transactions for further details regarding the terms of the acquisitions and the Private Placement.)

ABOUT THE MEETING

Why am I receiving this Proxy Statement and proxy card?

You are receiving a Proxy Statement and proxy card because you own shares of Class A Common Stock of the Company and/or shares of Class D Common Stock of the Company (collectively, **Common Stock**). This Proxy Statement describes proposals on which we would like you, as a stockholder, to vote. It also gives you information on the proposals so that you can make an informed decision.

When you sign the proxy card, you appoint Terrence L. Bauer and Stephen H. Murdock, and each of them, as your proxies to vote your shares of Common Stock at the Annual Meeting and at all adjournments or postponements of the Annual Meeting. All properly executed proxy cards delivered pursuant to this solicitation and not revoked will be voted in accordance with the directions given. Other than the proposals described in this Proxy Statement, we do not know of any other matters that will be considered at the Annual Meeting. Execution of a proxy card, however, confers on the designated proxy holders discretionary authority to vote the shares represented by the proxy on other business, if any, that may properly come before the Annual Meeting or any adjournment or postponement thereof.

What am I being asked to vote on?

You are being asked to vote on the following proposals:

Proposal I To elect five directors to serve until the 2008 annual meeting of stockholders or until their successors are elected and qualified; and

Proposal II To ratify the appointment of UHY, L.L.P. (**UHY**) as our independent public auditors.

Who is entitled to vote?

Our board of directors has fixed the close of business on March 27, 2007, as the record date for determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. As of the record date, there were 130,158,442 shares of Common Stock outstanding that were held by approximately 466 stockholders of record, including 105,499,487 shares of our Class A Common Stock issued and outstanding that were held by approximately 464 stockholders of record and 24,658,955 shares of our Class D Common Stock issued and outstanding that were held by 2 stockholders of record. Stockholders of record as of the close of business on the record date are entitled to one vote for each share of our Common Stock (regardless of class) then held.

How many shares must be represented to have a quorum?

The holders of a majority of the total shares of our Common Stock outstanding on the record date, whether present at the Annual Meeting in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. The shares held by each stockholder who signs and returns the enclosed form of proxy card will be counted for the purposes of determining the presence of a quorum at the Annual Meeting, whether or not the stockholder abstains on all matters or any matter to be acted on at the meeting. Abstentions will be counted toward fulfillment of quorum requirements. In the event there are not sufficient votes for a quorum or to approve any proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned or postponed in order to permit the further solicitation of proxies.

How many votes are required to approve the proposals?

As to the election of directors (Proposal I) the proxy being provided by the board of directors enables a stockholder to vote FOR any or all of the director nominees or WITHHOLD your vote as to any or all of the nominees. Directors are elected by a plurality of votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote in the election of directors. As a result, the five nominees receiving the highest number of votes cast at the Annual Meeting will be elected, regardless of whether that number represents a majority of the votes cast or a majority of the total votes entitled to be cast. Thus, a WITHHELD vote will have no impact on the election of directors. Stockholders may not cumulate votes in the election of directors (Proposal I).

Table of Contents

The affirmative vote of a majority of the total number of shares of Common Stock represented in person or by proxy at the Annual Meeting and entitled to vote is needed to approve the ratification of the appointment of UHY as our independent public auditors (Proposal II). With respect to Proposal II, you have the opportunity to vote FOR, AGAINST or ABSTAIN.

Abstentions are not counted in the tally of votes FOR or AGAINST a proposal. As a result, abstentions will have the following effects on the outcome of each of the proposals to be considered at the Annual Meeting:

With respect to Proposal I, abstentions will have no impact on the outcome of the vote; and

With respect to Proposal II, abstentions will have the same effect as a vote AGAINST the proposal.

What if I return my proxy card but do not provide voting instructions?

If you sign and return your proxy card, but do not include instructions, your proxy will be voted FOR the election of each nominee for director identified in Proposal I and FOR Proposal II. Additionally, your proxy will be voted in the discretion of the proxies with respect to any other business that properly comes before the meeting.

Stockholders may vote part of their shares in favor of the proposal and refrain from voting the remaining shares or, except in the election of directors (Proposal I), may vote them against the proposal. If you execute a proxy card and do not specify the number of shares that you are voting affirmatively, the proxy will be voted with respect to all shares that you are entitled to vote.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts at the transfer agent and/or with brokers or that you own shares of more than one class of Common Stock. Please sign and return all proxy cards to ensure that all your shares are voted. You may wish to consolidate as many of your transfer agent or brokerage accounts as possible under the same name and address for better customer service.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

Sending written notice to our Corporate Secretary at 1805 Old Alabama Road, Suite 350, Roswell, Georgia 30076;

Signing and returning another proxy with a later date; or

Voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not, in itself, constitute revocation of a proxy.

Will my shares be voted if I do not sign and return my proxy card?

If your shares are held in street name (i.e., in the name of your brokerage firm), your brokerage firm may vote your shares under certain circumstances. These circumstances include certain routine matters, such as the election of directors (Proposal I) and the ratification of the appointment of UHY as our independent public auditors (Proposal II).

Therefore, if you do not vote your proxy, your brokerage firm may either vote your shares on routine matters, or leave your shares unvoted. When a brokerage firm votes its customers' shares on routine matters without having received voting instructions, these shares are counted for purposes of establishing a quorum to conduct business at the meeting.

What happens if the Annual Meeting is postponed or adjourned?

If the Annual Meeting is postponed or adjourned for any reason, including permitting the further solicitation of proxies, at any subsequent reconvening of the meeting all proxies will be voted in the same manner as they would

Table of Contents

have been voted at the original Annual Meeting. However, as described above, you may revoke your proxy and change your vote at any time before the polls are closed at the reconvened meeting.

How do I vote?

You may vote by mail. You do this by signing your proxy card and mailing it in the enclosed, prepaid and self-addressed envelope.

You may vote in person at the Annual Meeting. Written ballots will be passed out to anyone who wants to vote at the meeting. If you hold your shares in street name (through a broker or other nominee), you must request a legal proxy from your stockbroker in order to vote at the meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The board of directors has set March 27, 2007 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. Stockholders of record as of the close of business on the record date are entitled to one vote for each share of Common Stock (regardless of class) of the Company then held. As of the record date, we had 130,158,442 shares of Common Stock issued and outstanding, including 105,499,487 shares of our Class A Common Stock and 24,658,955 shares of our Class D Common Stock. Our Third Amended and Restated Certificate of Incorporation (the Charter) provides that all holders of all classes of Common Stock shall vote together as a single class with respect to Proposals I and II.

The following table sets forth certain information with respect to Common Stock beneficially owned as of March 27, 2007 by (i) each person known to us to be the beneficial owner of more than 5% of the issued and outstanding Common Stock, (ii) each of the members or nominees of the board of directors, (iii) each of our executive officers named in the summary compensation table below, and (iv) all directors and executive officers as a group. Beneficial ownership has been determined in accordance with Rule 13d-3 under the Exchange Act. Under this rule, certain shares may be deemed beneficially owned by more than one person (if, for example, persons share the power to vote or the

power to dispose of the shares). In addition, shares are deemed beneficially owned by a person if the person has the right to acquire shares (for example, upon the exercise of an option or warrant) within sixty days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares is deemed to include the amount of shares beneficially owned by such person by reason of such acquisition rights. As a result, the percentage of outstanding shares of any person as shown in the following table

Table of Contents

does not necessarily reflect the person's actual voting power at any particular date. The information in the table is based on information provided to us by the person or group, including filings made by such person with the SEC. Other than as noted below, management knows of no person or group that owns more than 5% of the outstanding shares of Common Stock at the record date.

Table of Contents**PROPOSAL I****Election of Directors**

Our Bylaws provide that our board of directors will consist of not less than three members, the exact number to be determined by resolution adopted by our board of directors. The number of directors is currently set at five. Directors are elected for a one-year term and hold office until the next annual meeting of stockholders or until their successors are elected and qualified. The directors are elected by plurality vote, which means that the five director nominees receiving the highest number of affirmative votes at the Annual Meeting shall be elected to the board of directors. Votes withheld from any director are counted for purposes of determining the presence or absence of a quorum, but have no other legal effect under Delaware law.

Terrence L. Bauer, Paul H. Cascio, Michael J. Finn, David Crane and Joseph M. Valley, Jr., were elected at the May 12, 2006 annual meeting of the stockholders to serve until their terms expire at this year's Annual Meeting. Mr. Crane and Mr. Valley are independent for purposes of the corporate governance standards of AMEX.

Pursuant to the Stockholders Agreement, each of Brantley III, Brantley IV and Brantley Capital (i) is entitled to nominate one person to become a member of the board of directors and (ii) has agreed to cast all votes necessary to elect as members of our board of directors the three people who have been nominated by Brantley III, Brantley IV and Brantley Capital. In accordance with the Stockholders Agreement, Brantley III, Brantley IV and Brantley Capital have nominated Paul H. Cascio, Michael J. Finn and David Crane as directors to be elected at the Annual Meeting. The remaining two board nominees, Terrence L. Bauer and Joseph M. Valley, Jr., have been selected by the board of directors. Each of the nominees have been nominated to serve until the 2008 annual meeting of stockholders or until his successor has been duly elected and qualified. All of these nominees of the board of directors are presently directors of the Company and have consented to be named as nominees and to serve as directors if elected. Should a nominee be unable or unwilling to serve as a director, the enclosed proxy will be voted for such other person or persons as the board of directors may recommend. Management does not anticipate that such an event will occur.

The board of directors recommends a vote FOR each named nominee.

Director Attendance at the Annual Meeting

Of the directors in office at the time of the 2006 annual meeting of stockholders, only Mr. Bauer attended the meeting.

Controlled Company Status

As a result of the issuance of our Class D Common Stock to Brantley IV in the private placement, Brantley IV now owns a majority of the voting power of our equity securities. Therefore, as of December 1, 2006, we qualified as a controlled company under the listing rules of AMEX. We are not required to comply with the corporate governance rules of AMEX (a) requiring that a majority of our board of directors consist of independent directors; (b) requiring that our board have a nominating committee and (c) requiring that our board have a compensation committee.

The board of directors currently has two standing committees, the Compensation Committee and the Audit Committee.

Compensation Committee

The Compensation Committee consists of Mr. Cascio as chairman, and Messrs. Crane and Valley. The Compensation Committee provides recommendations to, and may act on behalf of, the board of directors regarding compensation matters, and administers our stock option and compensation plans. The Compensation Committee held three meetings during the fiscal year ended December 31, 2006. A copy of the Compensation Committee charter is available on our

website at www.orionhealthcorp.com. The Compensation Committee discharges the board of directors responsibilities with respect to compensation of our executive officers, including compensation awards for senior executives, and reviews the established philosophy and objectives of our executive compensation programs. The Compensation Committee meets in executive session to discuss any information it receives and other matters relevant to the committee's final determinations.

Audit Committee

The current Audit Committee consists of Mr. Crane and Mr. Valley, each of whom is independent for purposes of the corporate governance standards of AMEX. The board of directors has determined that the Audit

Table of Contents

Committee Chairman, Mr. Crane, is financially sophisticated and qualifies as an audit committee financial expert for purposes of the AMEX corporate governance rules. The Audit Committee held four meetings during the fiscal year ended December 31, 2006. A copy of the Audit Committee charter is available on our website at www.orionhealthcorp.com. The Audit Committee assists the Board of Director s oversight of our accounting and financial reporting processes, compliance with legal and regulatory requirements, reviews the independent auditor s qualifications and independence, reviews the audits of our financial statements and approves our annual report on Form 10-KSB for filing with the SEC. The Audit Committee meets in executive session to discuss any information it receives and other matters relevant to the committee s final determinations.

Report of the Audit Committee

As set forth in more detail in the Audit Committee charter, the Audit Committee s primary responsibilities include:

Ensuring the adequacy of our internal controls and financial reporting process and the reliability of our financial statements;

Engaging independent public auditors to audit our financial statements and perform other services related to the audit, including determining the compensation to be paid to such independent public auditors;

Monitoring the independence and performance of our internal auditors and independent public auditors;

Pre-approving all non-audit services provided to us by the independent public auditors;

Monitoring our compliance with legal and regulatory requirements; and

Reviewing any correspondence, report, complaint or concern that raises issues regarding our financial statements or accounting policies and establishing procedures for (1) the receipt, retention and treatment of such complaints, and (2) the confidential, anonymous submission by employees of such concerns.

The Audit Committee recommends the selection of our independent public auditors to the board of directors and meets with our independent public auditors to discuss the scope and to review the results of the annual audit.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Audit Committee s charter. The Audit Committee held four meetings during 2006. All of the directors who serve on the Audit Committee are independent for purposes of the corporate governance standards of AMEX.

The Audit Committee has reviewed our financial statements and met with both management and UHY, our independent public auditors, to discuss those financial statements. Management has represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee has received from and discussed with UHY the written disclosures and the letter required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees* , as adopted by Standards of the Public Company Accounting Oversight Board (PCAOB) in Rule 3600T, and have discussed with UHY their independence and have concluded that UHY is independent. The Audit Committee has also discussed with UHY the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU Section 380), as adopted by PCAOB in Rule 3200T.

On the basis of these reviews and discussions, the Audit Committee recommended to the board of directors that the board of directors approve inclusion of our audited financial statements in our Annual Report on Form 10-KSB for the fiscal year ended December 31, 2006, for filing with the SEC.

Director Nominations

We are a controlled company, and, therefore, are not required by AMEX to maintain a nominating committee or to have the majority of the independent directors on the board perform the functions of a nominating committee. We do not have a standing nominating committee and thus, do not have a nominating committee charter.

The board of directors does not have a policy with regard to the consideration of any director candidate recommended by our stockholders. The board of directors has determined that it is appropriate to not have such a policy given the infrequency of such recommendations being submitted to the board of directors. However, the board of directors will consider any director candidate recommended by a stockholder when such recommendation is submitted in accordance with the Bylaws and the applicable rules of the SEC.

The Bylaws contain detailed provisions regarding nominations by stockholders. The Bylaws provide that director nominations may be made by a stockholder who was a stockholder of record at the time the required notice was delivered to the Corporate Secretary, who is entitled to vote in the election of directors at the meeting, and who complies with the notice procedures. Such nominations must be made by timely notice in writing delivered or mailed to the Corporate Secretary by first-class United States mail, postage prepaid, and received by our Corporate Secretary at our principal executive offices not less than ninety (90) calendar days nor more than one hundred twenty (120) calendar days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that if the annual meeting is not held within thirty (30) days before or after such anniversary date, then for the notice by the stockholder to be timely it must be so received not later than the close of business on the 10th day following the date on which the notice of the meeting was mailed or such public disclosure was made, whichever occurs first. Such notice must include (a) as to each proposed nominee (i) the name, age, business address and, if known, residential address of each such nominee, (ii) the principal occupation or employment of each such nominee, (iii) the number of shares of Common Stock of the Company which are beneficially owned by each such nominee, (iv) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nominations are to be made by the stockholder, and (iv) any other information concerning the nominee that must be disclosed as to nominees in proxy solicitations pursuant to Regulation 14A under the Exchange Act, including such person's written consent to be named as a nominee and to serve as a director if elected; and (b) as to the stockholder giving the notice, (i) the name and address, as they appear on the Company's books, of the stockholder proposing such nomination, (ii) the class and number of shares of Common Stock of the Company which are beneficially owned by the stockholder, and (iii) any material interest of the stockholder in such nomination.

All director candidates, are evaluated by the board of directors. The board of directors then selects nominees to stand for election as our directors.

The board of directors has identified certain qualifications that a director candidate must possess before it nominates said candidates for a position on the board of directors. The board believes that nominees for director should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of our stockholders. The board also strives to ensure that the composition of the board of directors at all times reflects a range of talents, ages, skills, character, and expertise, particularly in the areas of management, leadership and corporate governance, the healthcare industry and related industries sufficient to provide sound and prudent guidance with respect to our operations and interests.

Pursuant to the Stockholders Agreement, each of Brantley III, Brantley IV and Brantley Capital (i) is entitled to nominate one person to become a member of the board of directors and (ii) has agreed to cast all votes necessary to

elect as members of the board of directors of the Company the three people who have been nominated by each of Brantley III, Brantley IV and Brantley Capital. In accordance with the Stockholders Agreement, Brantley III, Brantley IV and Brantley Capital have nominated Mr. Cascio, Mr. Finn and Mr. Crane to be elected as directors at the Annual Meeting. In accordance with the procedures set forth above, the remaining two board nominees, Mr. Bauer and Mr. Valley, have been nominated by the board of directors to be elected at the Annual Meeting.

Table of Contents**Code of Ethics**

The board of directors has adopted a Corporate Code of Business Conduct and Ethics that is applicable to all of our officers and employees. We have posted the Corporate Code of Business Conduct and Ethics in the Information section of our website at www.orionhealthcorp.com. If, in the future, we amend, modify or waive a provision in the Corporate Code of Business and Ethics, rather than filing a Form 8-K, we may satisfy the disclosure requirement under Item 10 of Form 8-K by posting such information on our website as necessary.

Stock Option Plans

2004 Incentive Plan. On September 7, 2004, our board of directors adopted the Orion HealthCorp, Inc. 2004 Incentive Plan (the "2004 Incentive Plan"), which was approved by our stockholders at a special meeting in lieu of annual meeting of stockholders held on October 6, 2004. The purpose of the 2004 Incentive Plan is to enable us to attract and retain key personnel and directors. Awards may consist of stock options (incentive and non-statutory), stock appreciation rights, stock awards, performance share awards, IRS Section 162(m) awards or other awards determined by the board of directors or a committee thereof. Vesting, exercisability, payment and other restrictions pertaining to any awards made pursuant to the 2004 Incentive Plan are determined by the board of directors or a committee thereof. Originally, the 2004 Incentive Plan provided for the grant of stock incentive awards for up to 2.2 million shares of our Class A Common Stock to our key employees, directors and consultants. On June 1, 2005, we executed Amendment No. 1 to our 2004 Incentive Plan to include restricted stock units as permissible awards to be issued under the plan. On December 1, 2006, Amendment No. 2 to our 2004 Incentive Plan was effective. Amendment No. 2. provides for (i) an increase in the number of shares of our Class A Common Stock available for grants under the 2004 Incentive Plan from 2,200,000 shares to 13,450,782 (an increase of 11,250,582 shares), and (ii) an increase of the maximum number of shares that can be granted to a participant in any calendar year from 1,000,000 to 3,000,000 shares. This amendment was approved by our stockholders at the special meeting of the stockholders held on November 27, 2006 but was not effective until the closing of the Private Placement and the filing of the Charter which occurred on December 1, 2006. Vesting, exercisability, payment and other restrictions pertaining to any awards made pursuant to the 2004 Incentive Plan, as amended, are determined by the board of directors or a committee appointed by the board of directors. None of the employment agreements with Mr. Bauer, Mr. Murdock, Mr. Cain, Mr. Smith and Dr. Retsky obligate us to grant any incentive awards under the 2004 Incentive Plan, as amended.

SurgiCare, Inc. 2001 Stock Option Plan. In October 2001, our board of directors adopted the SurgiCare, Inc. 2001 Stock Option Plan (the "2001 Plan"), which was approved by our stockholders at the annual meeting of stockholders held on November 13, 2001. Initially 140,000 shares of stock (adjusted for a reverse stock split) were reserved for issuance pursuant to the 2001 Plan. There were no options outstanding under the 2001 Plan at December 31, 2006. The purposes of the 2001 Plan are to advance the best interest of our stockholders and to attract, retain and motivate key employees and persons affiliated with us, and provide such persons with additional incentive to further the business, promote long-term financial success and increase stockholder value by increasing their proprietary interest in our success. The 2001 Plan permits us to grant stock option grants, stock appreciation rights, restricted stock awards and performance stock awards to key employees, officers, directors, and consultants. Incentive stock options granted pursuant to the 2001 Plan cannot be granted at an exercise price which is less than 100% of the fair market value of the Common Stock on the date of the grant.

Limitation of Liability and Indemnification of Officers and Directors

The Charter and the Bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by Delaware law. We believe that the provisions in the Charter and the Bylaws are necessary to attract and retain qualified persons as directors and officers.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following parties have a direct or indirect material interest in transactions with us since the beginning of the most recently completed fiscal year and such transactions are described below:

We entered into the Stockholders Agreement with Brantley III, Brantley IV and Brantley Capital, pursuant to which each of Brantley III, Brantley IV and Brantley Capital (i) is entitled to nominate one person to become a member of our board of directors and (ii) has agreed to cast all votes necessary to elect as members of our board of directors the three people who have been nominated by Brantley III, Brantley IV and Brantley Capital. In accordance with the Stockholders Agreement, Paul H. Cascio, Michael J. Finn and David Crane were nominated to be elected as directors at the last annual meeting.

Table of Contents

Paul H. Cascio and Michael J. Finn, each of whom is one of our directors, are general partners of the general partner of Brantley III and Brantley IV and limited partners of those funds. The advisor to Brantley III is Brantley Venture Management III, L.P. and the advisor to Brantley IV is Brantley Management IV, L.P.

Brantley IV owns shares of Class D Common Stock and Brantley III owns shares of Class A Common Stock. By virtue of their affiliations with Brantley III and Brantley IV, Mr. Cascio and Mr. Finn disclaim beneficial ownership in the shares of Class D Common Stock held by Brantley IV and the shares of Class A Common Stock held by Brantley III except to the extent of their respective pecuniary interests therein. (See Voting Securities and Principal Holders Thereof).

On December 1, 2006, we completed the Private Placement consisting of our issuance of (i) 15,909,003 shares of our newly created Class D Common Stock to Phoenix for a purchase price of \$3,000,000 (i) 8,749,952 shares of Class D Common Stock to Brantley IV for a purchase price of \$1,650,000 and (iii) senior unsecured subordinated promissory notes due 2011 in the original principal amount of \$3,350,000, bearing interest at an aggregate rate of 14% per annum, together with warrants to purchase 1,421,629 shares of our Class A Common Stock, to Phoenix for an aggregate purchase price of \$3,350,000. The warrants are exercisable for five years from the date of issuance of the warrants at \$0.01 per share.

Phoenix is a limited partner in Brantley IV and Brantley Partners V, L.P. and has also co-invested with Brantley IV and its affiliates in a number of transactions. Prior to the closing of the Private Placement, Phoenix did not own, of record, any shares of our capital stock.

Brantley IV and Phoenix also received the right to register pursuant to a Registration Rights Agreement, dated as of December 1, 2006, by and among Orion, Brantley IV and Phoenix (the Registration Rights Agreement) all of the shares of Class A Common Stock issuable upon conversion of their shares of Class D Common Stock. Initially, this will be approximately 24,658,955 shares. Brantley IV and Phoenix and their permitted transferees will also have registration rights for any additional shares of Class A Common Stock (including Class A Common Stock into which other securities of Orion are convertible) issued to them. If the registration rights are exercised and the underlying shares are offered or sold, our stock price could decline.

Pursuant to the Registration Rights Agreement, Brantley IV and Phoenix and/or their permitted transferees, holding in the aggregate at least 50 percent of the registrable shares have the right to request that we effect the registration on Form S-1 of shares of Class A Common Stock having an anticipated net aggregate offering price of at least \$10,000,000. We are not required to effect any such registration within six months after the effective date of any other such registration statement. Additionally, at any time that we are eligible to file a registration statement on Form S-3, Brantley IV, Phoenix and/or their permitted transferees may request that we effect the registration on Form S-3 of registrable shares having an anticipated net aggregate offering price of at least \$1,000,000.

At any time that we otherwise propose to register any of our equity securities under the Securities Act, Brantley IV and Phoenix and/or their permitted transferees may request the registration of registrable shares. However, we are not obligated to effect any registration of shares incidental to the registration of our securities in connection with a Form S-8 or a Form S-4 relating to an acquisition or merger, by us or our subsidiaries, of or with any other business.

As a condition to the Private Placement, on December 1, 2006, we refinanced our existing loan facility with CIT Healthcare, LLC (CIT) into a four year \$16,500,000 senior secured credit facility with Wells Fargo Foothill, Inc. (Wells Fargo) consisting of a \$2,000,000 revolving loan commitment, a \$4,500,000 term loan and a \$10,000,000 acquisition facility commitment. Upon repayment of the CIT loan facility, two of our stockholders, Brantley IV and Brantley Capital Corporation (Brantley Capital) were released from guarantees that they had provided on our behalf in connection with the loan facility.

Also on December 1, 2006 in connection with the consummation of the Private Placement and the execution of the credit agreement with Wells Fargo, the following actions were taken:

All of our remaining holders of Class B Common Stock and Class C Common Stock converted those shares into shares of our Class A Common Stock;

Table of Contents

We restructured certain unsecured notes issued to DVI Financial Services, Inc. and serviced by U.S. Bank Portfolio Services to reduce the outstanding balance from \$3,750,000 to \$2,750,000.

Our Corporate Code of Business Conduct and Ethics addresses any conflicts of interests on the part of any employees that might cast doubt on an employee's ability to act objectively when representing us. In addition to setting guidelines, the Corporate Code of Business Conduct and Ethics provides that each potential conflict of interest will be reviewed and the final decision as to the existence of a conflict will be made by our chief executive officer. Further, the Audit Committee, in accordance with the AMEX corporate governance rules, reviews all related party transactions involving our directors or executive officers.

Election of each of the nominated directors requires the approval of a plurality of the votes cast by our stockholders at the Annual Meeting. The board of directors recommends that stockholders vote FOR the election of each of the individuals named herein as nominees for directors.

PROPOSAL II

Appointment of Our Independent Public Auditors

Subject to stockholder approval, the Audit Committee of the board of directors has appointed the firm of UHY, independent certified public accountants, to be our independent certified public auditors for the fiscal year ending December 31, 2007. UHY and its predecessor, UHY Mann Frankfort Stein & Lipp, CPAs, LLP, also served as our independent certified public auditors for the fiscal years ended December 31, 2006, 2005 and 2004. A representative of UHY is expected to be available at the Annual Meeting to respond to stockholders' questions and will have the opportunity to make a statement if he or she so desires.

Audit Fees

The aggregate fees billed by UHY for professional services rendered for the audit of our annual financial statements included in our Annual Reports on Form 10-KSB for the fiscal years ended December 31, 2006 and 2005 and for the reviews of the Company's financial statements included in our Quarterly Reports on Form 10-QSB during the fiscal years ended December 31, 2006 and 2005 totaled \$191,100 and \$321,000, respectively.

Audit-Related Fees

The aggregate fees billed by UHY for professional services rendered for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements for the fiscal years ended December 31, 2006 and 2005 and that are not included in the Audit Fees listed above were approximately \$99,200 and \$0, respectively. These audit-related fees were for services rendered in connection with the acquisitions of Rand and On Line and the Private Placement.

Tax Fees

The aggregate fees billed by UHY for professional services rendered for tax compliance, tax advice, and tax planning for the fiscal years ended December 31, 2006 and 2005 were approximately \$33,336 and \$2,211, respectively. These tax fees were for services related to the preparation of Federal and State income tax returns and calculation of quarterly estimated tax payments.

All Other Fees

There were no fees billed by UHY for all other services rendered for 2006 and 2005, other than as stated in the above sections.

Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent public auditors. These services may include audit services, audit related services, tax services and other services. In 2006, the Audit Committee pre-approved 100% of all audit services performed by the independent public auditors. Through April 10, 2007, UHY had a continuing relationship with UHY Advisors, Inc. ("Advisors") from which it leased auditing staff who were full time, permanent employees of Advisors and through which UHY's partners provide non-audit services. UHY has only a few full time employees. Therefore, few, if any, of the audit services performed were provided by permanent full-time employees of UHY. UHY manages and supervises the audit services and audit staff,

and is exclusively responsible for the opinion rendered in connection with its examination.

Vote Required and Board Recommendation

Approval of the ratification of the appointment of our independent public auditors will require the affirmative vote of a majority of the total number of shares of Common Stock represented in person or by proxy at the Annual Meeting and entitled to vote.

The board of directors recommends that the stockholders vote FOR ratification of the appointment of UHY, L.L.P. as our independent public auditors for the year ending December 31, 2007.
