DEREGISTRATION OF SECURITIES

Pursuant to a Form S-8 Registration Statement (File No. 333-01287) filed with the SEC on February 28, 1996, Donegal Group Inc. registered 100,000 shares of its previously authorized common stock to be reserved for issuance under the Donegal Group 1996 Employee Stock Purchase Plan. The number of shares reserved for issuance under the plan and registered under Registration Statement No. 333-01287 were increased to 116,464 shares pursuant to Rule 416(a) under the Securities Act of 1933 by reason of a four-for-three stock split, effected in the form of a 33 1/3% stock dividend, paid on Donegal Group's common stock in July 1997 and were increased to 135,027 shares pursuant to Rule 416(a) under the Securities Act of 1933 by reason of a four-for-three stock split, effected in the form of a 33 1/3% stock dividend, paid on Donegal Group's common stock in June 1998. As of April 19, 2001, a total of 112,007 shares of common stock had been sold under the plan and 50,866 shares of common stock remained available for issuance under the plan.

Effective as of the close of business on April 19, 2001, Donegal Group, pursuant to stockholder approval, (i) reclassified its previously authorized common stock into Class B common stock, (ii) effected a reverse stock split, as the result of which each three shares of previously authorized common stock were converted into one share of Class B common stock, (iii) authorized 30,000,000 shares of a new class of common stock with one-tenth of a vote per share designated as Class A common stock and (iv) declared a dividend of two shares of Class A common stock to be paid on each share of the Class B common stock outstanding at the close of business on April 19, 2001.

In connection with the reverse stock split and the stock dividend, the plan was adjusted so that two-thirds of the shares that remained purchasable under the plan for the subscription period ending June 30, 2001 were shares of Class A common stock and one-third of the shares were shares of Class B common stock. The plan terminated on June 30, 2001. The 16,955 shares of Class B common stock purchasable under the plan for the subscription period ending June 30, 2001 that resulted from the reclassification and the reverse split of the previously authorized common stock are registered under the Securities Act of 1933 pursuant to Registration Statement No. 333-01287, to which this Post-Effective Amendment relates. For the subscription period ending June 30, 2001, a total of 3,758 shares of Class B common stock were sold under the plan.

Pursuant to the undertakings included in Item 9 of the Registration Statement on Form S-8 filed with the SEC on February 28, 1996 and as required by Item 512 of Regulation S-K of the Securities Act of 1933, Donegal Group hereby deregisters and removes from registration the 13,197 shares registered under Registration Statement No. 333-01287 that remain unsold at the termination of the offering.
