ITEM 1.01 Entry into a Material Definitive Agreement

Business Combination Agreement and Transaction Structure

On January 25, 2015, Rock-Tenn Company, a Georgia corporation (“RockTenn”), and MeadWestvaco Corporation, a Delaware corporation (“MWV”), entered into a Business Combination Agreement (the “Agreement”), pursuant to which RockTenn and MWV have agreed, subject to the terms and conditions of the Agreement, to effect a strategic combination of their respective businesses by: (i) RockTenn forming a new holding company organized under the laws of Delaware, the name of which shall be mutually agreed upon by RockTenn and MWV (“TopCo”), (ii) RockTenn merging with a newly formed wholly owned direct subsidiary of TopCo, with RockTenn surviving such merger as a direct wholly owned subsidiary of TopCo (the “RockTenn Merger”), and (iii) MWV merging with and into a newly formed wholly owned direct subsidiary of TopCo, with such subsidiary surviving such merger as a direct wholly owned subsidiary of TopCo (the “MWV Merger” and, together with the RockTenn Merger, the “Mergers”).

The board of directors of each of RockTenn and MWV have unanimously approved the Agreement and the transactions contemplated thereby.

Merger Consideration

Subject to the terms and conditions set forth in the Agreement, at the effective time of the Mergers (the “Effective Time”), each share of common stock, par value \$0.01 per share, of MWV (the “MWV Common Stock”) issued and outstanding immediately prior to the Effective Time (excluding any shares of MWV that are held in treasury) will be converted into the right to receive 0.78 shares of common stock, par value \$0.01 per share, of TopCo (the “TopCo Common Stock”).

Subject to the terms and conditions set forth in the Agreement, at the Effective Time, each share of common stock, par value \$0.01, of RockTenn (the “RockTenn Common Stock”) issued and outstanding immediately prior to the Effective Time (excluding (a) any shares of RockTenn Common Stock that are held in treasury and (b) any shares of RockTenn Common Stock held by any RockTenn shareholder who is entitled to exercise, and properly exercises, dissenters’ rights with respect to such shares of RockTenn Common Stock pursuant to the Georgia Business Corporation Code (the “GBCC”)) will be converted into the right to receive, at the election of the shareholder (subject to proration described below): (i) one share of TopCo Common Stock (the “RockTenn Stock Consideration”) or (ii) an amount in cash equal to the volume weighted average price per share of RockTenn Common Stock on the New York Stock Exchange for the consecutive period over the five trading days immediately preceding (but not including) the third trading day prior to the Effective Time (the “RockTenn Cash Consideration”).

The RockTenn shareholders will be permitted to make an election to receive the RockTenn Stock Consideration or the RockTenn Cash Consideration by submitting an election form by the later of (i) the date immediately prior to the RockTenn shareholders meeting and (ii) if on the date immediately prior to the RockTenn shareholders meeting, the closing conditions in the Agreement relating to the receipt of certain regulatory approvals have not been satisfied, three business days prior to the closing date of the Mergers. RockTenn will mail election forms to its shareholders. Any RockTenn shareholder making an election will be required to waive all dissenters' rights in connection with making such election. Any RockTenn shareholder not making an election will receive RockTenn Cash Consideration, RockTenn Stock Consideration or a combination thereof, subject to proration.

Elections by RockTenn shareholders for RockTenn Cash Consideration and RockTenn Stock Consideration will be subject to proration procedures set forth in the Agreement that will result in approximately 50.1% of the shares of TopCo immediately following the Effective Time being owned by MWV stockholders and approximately 49.9% of such shares being owned by RockTenn shareholders. Based on the number of shares of RockTenn Common Stock and MWV Common Stock outstanding on the date of the announcement of the transaction, approximately 7% of shares of RockTenn Common Stock would receive RockTenn Cash Consideration in lieu of RockTenn Stock Consideration.

The Agreement provides that, at the Effective Time, the RockTenn stock options and other equity awards and the MWV stock options and other equity awards generally will convert upon the Effective Time into stock options and equity awards with respect to TopCo Common Stock, after giving effect to appropriate adjustments to reflect the consummation of the Mergers.

Registration and Listing of TopCo Common Stock

RockTenn and MWV will prepare, and RockTenn will cause TopCo to file with the Securities and Exchange Commission, a registration statement on Form S-4 in connection with the issuance of shares of TopCo Common Stock in the Mergers (the "Form S-4"), which will include as a prospectus a joint proxy statement relating to the MWV stockholders meeting to adopt the Agreement and the RockTenn shareholders meeting to approve the Agreement (the "Joint Proxy Statement").

After the Effective Time, TopCo Common Stock will be listed on the New York Stock Exchange.

Governance

TopCo will have a Board of Directors consisting initially of fourteen directors, (i) eight of whom will be persons designated by RockTenn from the directors of RockTenn as of the date of the Agreement, one of whom will be Mr. Steven C. Voorhees, and (ii) six of whom will be persons designated by MWV from the directors of MWV as of the date of the Agreement, one of whom will be Mr. John A. Luke, Jr. At the Effective Time, the members of each committee of the TopCo Board of Directors will approximate pro-rata representation between persons on the TopCo Board who were directors of MWV immediately prior to the Effective Time and persons who were directors of RockTenn immediately prior to the Effective Time.

Under the terms of the Agreement, as of the Effective Time, (i) Mr. Voorhees will be appointed as the Chief Executive Officer and President of TopCo and (ii) Mr. Luke will be designated as Non-Executive Chairman of TopCo.

From and after the Effective Time and until the third anniversary thereof, each of the following actions will require the affirmative vote of three-fourths of the full TopCo Board of Directors: (i) the removal or termination of Mr. Voorhees as Chief Executive Officer and President of TopCo, or the failure to re-nominate Mr. Voorhees as a director, and (ii) the removal of Mr. Luke as Non-Executive Chairman of TopCo, or the failure to re-nominate Mr. Luke as a director.

Conditions to the Mergers

The completion of the Mergers is subject to the satisfaction or waiver of certain conditions, including (i) the adoption of the Agreement by the affirmative vote of the holders of a majority of all outstanding shares of MWV Common Stock entitled to vote thereon; (ii) the approval of the Agreement by the affirmative vote of the holders of a majority of all outstanding shares of RockTenn Common Stock entitled to vote thereon; (iii) the receipt of certain domestic and foreign governmental approvals; (iv) the receipt of certain tax opinions; (v) the absence of any law or order prohibiting the Mergers; (vi) the effectiveness of the Form S-4; and (vii) the absence of a material adverse effect on RockTenn or MWV.

Certain Other Terms of the Agreement

The Agreement contains mutual customary representations and warranties made by each of RockTenn and MWV, and also contains mutual customary pre-closing covenants, including covenants, among others, (i) to operate its businesses in the ordinary course consistent with past practice and to refrain from taking certain actions without the other party's consent, (ii) not to solicit, initiate, knowingly encourage or take any other action designed to facilitate, and, subject to certain exceptions, not to participate in any discussions or negotiations, or cooperate in any way with respect to, any inquiries or the making of, any proposal of an alternative transaction or to withdraw the support of its Board of Directors for the Mergers, and (iii) to use their respective reasonable best efforts to obtain governmental, regulatory and third party approvals. In addition, the Agreement contains covenants that require each of RockTenn and MWV to call and hold a special shareholder meeting and, subject to certain exceptions, require each of the Board of Directors of RockTenn and MWV to recommend to its shareholders to approve the Mergers and the Agreement.

The Agreement contains certain termination rights for each of RockTenn and MWV, including in the event that (i) the Mergers are not consummated on or before January 25, 2016, (ii) the approval of the shareholders of RockTenn or the stockholders of MWV is not obtained at a shareholder meeting or (iii) either RockTenn or MWV terminates the Agreement to enter into a binding agreement providing for a superior alternative transaction. The Agreement further provides that, upon termination of the Agreement under specified circumstances, including a change in the recommendation of the Board of Directors of RockTenn or MWV or a termination of the Agreement by RockTenn or MWV to enter into a binding agreement providing for a superior alternative transaction, RockTenn or MWV, as the case may be, will pay to the other party a termination fee equal to \$230 million in cash.

The foregoing description of the Agreement is qualified in its entirety to the full text of the Agreement, which is attached hereto as Exhibit 2.1 and incorporated herein by reference. The Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about MWV or RockTenn. In particular, the assertions embodied in the representations and warranties contained in the Agreement are qualified by information in confidential disclosure letters provided by each of MWV and RockTenn in connection with the signing of the Agreement. These confidential disclosure letters contain information that modifies, qualifies and creates exceptions to the representations and warranties and certain covenants set forth in the Agreement. Moreover, certain representations and warranties in the Agreement were used for the purpose of allocating risk between MWV and RockTenn rather than establishing matters as facts. Accordingly, the representations and warranties in the Agreement should not be relied upon as characterizations of the actual state of facts about MWV or RockTenn.
