Item 1.01. Entry into a Material Definitive Agreement.

On January 30, 2016, Alere Inc., a Delaware corporation (the “Company” or “Alere”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Abbott Laboratories, an Illinois corporation (“Parent” or “Abbott”). The Merger Agreement, which has been approved by the Board of Directors of the Company (the “Board”), provides for the merger of a newly formed wholly owned subsidiary of Parent (“Merger Sub”) with and into the Company (the “Merger”), with the Company surviving the Merger as a wholly owned subsidiary of Parent.

Subject to the terms and conditions set forth in the Merger Agreement, at the effective time of the Merger (the “Effective Time”), each of the Company’s issued and outstanding shares of common stock, par value \$0.001 per share (the “Shares”) (other than Shares owned by the Company or by Parent, Merger Sub or any direct or indirect wholly owned subsidiary of the Company or of Parent (other than Merger Sub) immediately prior to the Effective Time and other than Shares as to which dissenters’ rights have been properly exercised), will be converted into the right to receive \$56.00 in cash per Share (the “Merger Consideration”), without interest. The Company’s shares of Series B Convertible Preferred Stock, par value \$0.001 per share issued and outstanding immediately prior to the Effective Time will remain issued and outstanding as Series B Convertible Preferred Stock of the Company following the Effective Time

Completion of the Merger is subject to customary closing conditions, including (1) the adoption of the Merger Agreement by the affirmative vote of the holders of at least a majority of all outstanding Shares (the “Stockholder Approval”), (2) there being no judgment or law enjoining or otherwise prohibiting the consummation of the Merger and (3) the expiration of the waiting period applicable to the Merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and receipt of other required antitrust approvals. The obligation of each of the Company and Parent to consummate the Merger is also conditioned on the other party’s representations and warranties being true and correct (subject to certain materiality exceptions) and the other party having performed in all material respects its obligations under the Merger Agreement.

The Merger Agreement contains representations and warranties and covenants of the parties customary for a transaction of this nature, including an agreement that, subject to certain exceptions, the parties will use reasonable best efforts to cause the Merger to be consummated.

Until the earlier of the termination of the Merger Agreement and the Effective Time, the Company has agreed to operate its business in the ordinary course of business in all material respects and has agreed to certain other operating covenants and not take certain specified actions prior to the consummation of the Merger, as set forth more fully in the Merger Agreement. The Company has also agreed to convene and hold a meeting of its stockholders for the purpose of obtaining the Stockholder Approval. In addition, the Merger Agreement requires that, subject to certain exceptions, the Board recommend that the Company’s stockholders adopt the Merger Agreement.

In addition, the Company has also agreed not to (and to instruct and use its reasonable best efforts to cause its representatives not to) initiate, solicit or knowingly encourage takeover proposals from third parties. The Company has also agreed not to provide non-public information to, or, subject to certain exceptions, engage in discussions or negotiations with, third parties regarding alternative acquisition proposals. Notwithstanding these restrictions, prior to the receipt of the Stockholder Approval, the Company may under certain circumstances provide non-public information to and participate in discussions or negotiations with third parties with respect to unsolicited alternative acquisition proposal.

Prior to obtaining the Stockholder Approval, the Board may, among other things, change its recommendation that the stockholders adopt the Merger Agreement or terminate the Merger Agreement to enter into an agreement providing for a Superior Proposal (as defined in the Merger Agreement), subject to complying with notice and other specified conditions, including giving Parent the opportunity to propose revisions to the terms of the Merger Agreement during a period following notice and the payment of a termination fee of \$177 million.

The Merger Agreement contains certain termination rights for the Company and Parent, including, among others, the right of (1) the Company to terminate the Merger Agreement in order to enter into a definitive agreement for an acquisition proposal that constitutes a Superior Proposal and (2) Parent to terminate the Merger Agreement as a result of the Board changing its recommendation with respect to the Merger Agreement. The Merger Agreement also provides that under specified circumstances, including those described above, the Company will be required to pay Parent a termination fee of \$177 million.

The foregoing description of the Merger Agreement and the transactions contemplated thereby is not complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto and the terms of which are incorporated herein by reference.

The representations and warranties of the Company contained in the Merger Agreement have been made solely for the benefit of Parent and Merger Sub. In addition, such representations and warranties (a) have been made only for purposes of the Merger Agreement, (b) have been qualified by certain documents filed with, or furnished to, the Securities and Exchange Commission (the "SEC") by the Company prior to the date of the Merger Agreement, (c) have been qualified by confidential disclosures made to Parent and Merger Sub in connection with the Merger Agreement, (d) are subject to materiality qualifications contained in the Merger Agreement which may differ from what may be viewed as material by investors, (e) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement and (f) have been included in the Merger Agreement for the purpose of allocating risk between the Company, on the one hand, and Parent and Merger Sub, on the other hand, rather than establishing matters as facts. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding the Company or its subsidiaries or business. Investors should not rely on the representations and warranties or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or business. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On January 30, 2016, the Board approved an amendment (the “Amendment”) to the Amended and Restated By-Laws of the Company (the “By-Laws”), which became effective immediately. The Amendment added a new Article VII to the By-Laws which provides that, unless the Company consents in writing to the selection of an alternative forum, the sole and exclusive forum for certain legal actions involving the Company will be the Court of Chancery of the State of Delaware (or, if the Court of Chancery of the State of Delaware does not have jurisdiction, any state court located within the State of Delaware, or, if and only if all such state courts lack jurisdiction, the federal district court for the District of Delaware).

The foregoing description of the Amendment is not complete and is qualified in its entirety by reference to the text of the Amendment, a copy of which is filed as Exhibit 3.1 hereto and the terms of which are incorporated herein by reference.

Item 8.01. Other Events.

Attached as Exhibit 99.1 hereto, and incorporated herein by reference, is a copy of the Company’s press release dated February 1, 2016, announcing the execution of the Merger Agreement.
